

# Week 0

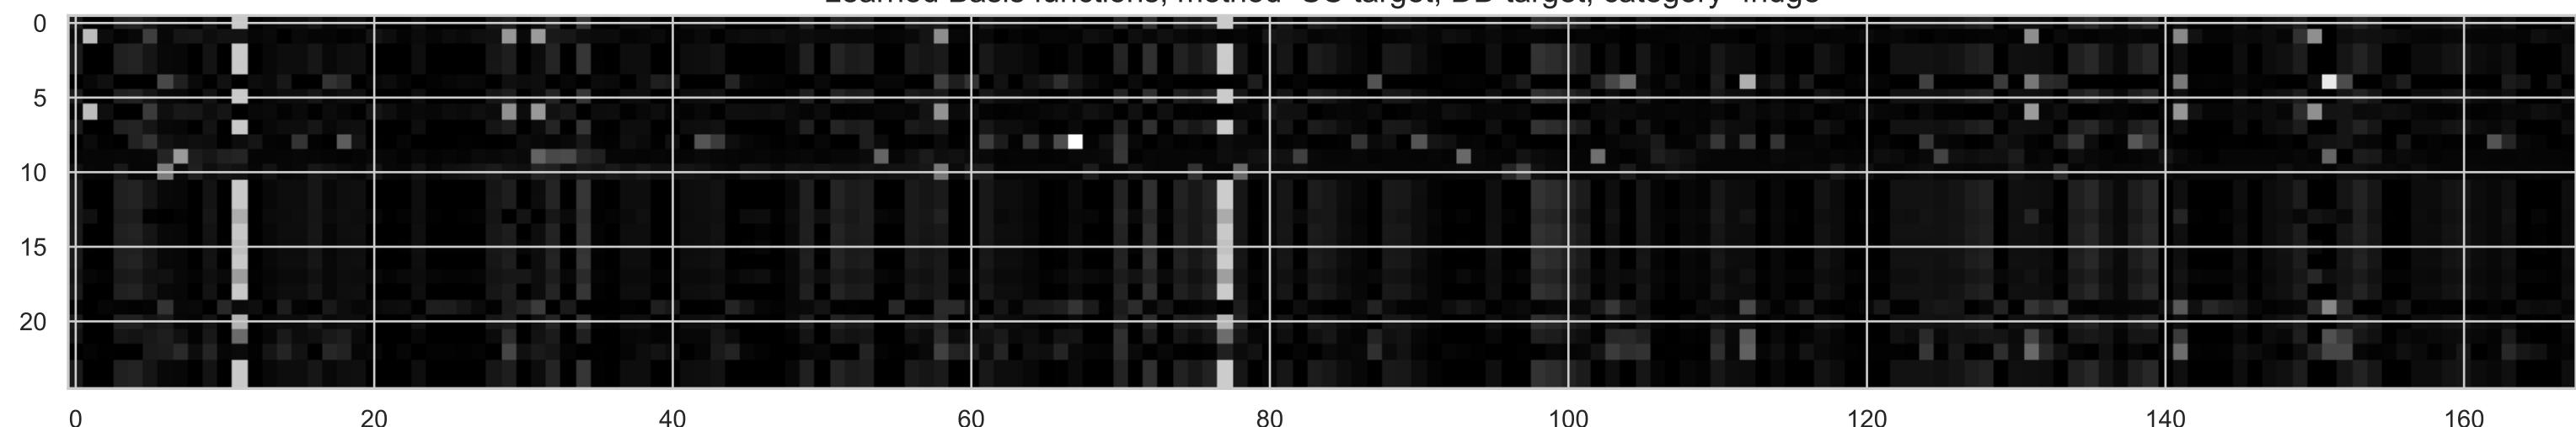

Learned Basis functions, method=SC mix, DD mix, category=fridge

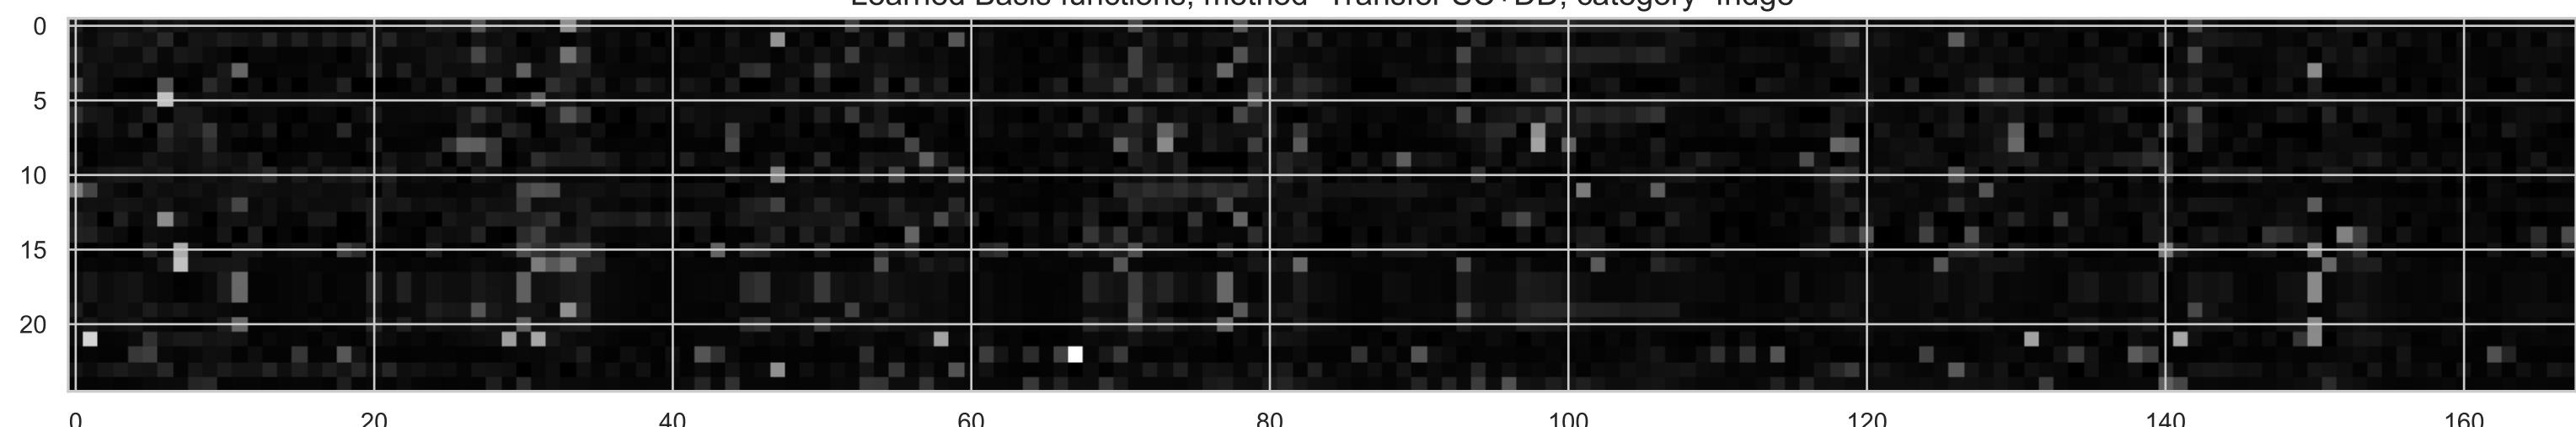

Learned Basis functions, method=SC source, DD target, category=fridge

Learned Basis functions, method=SC target, DD target, category=fridge

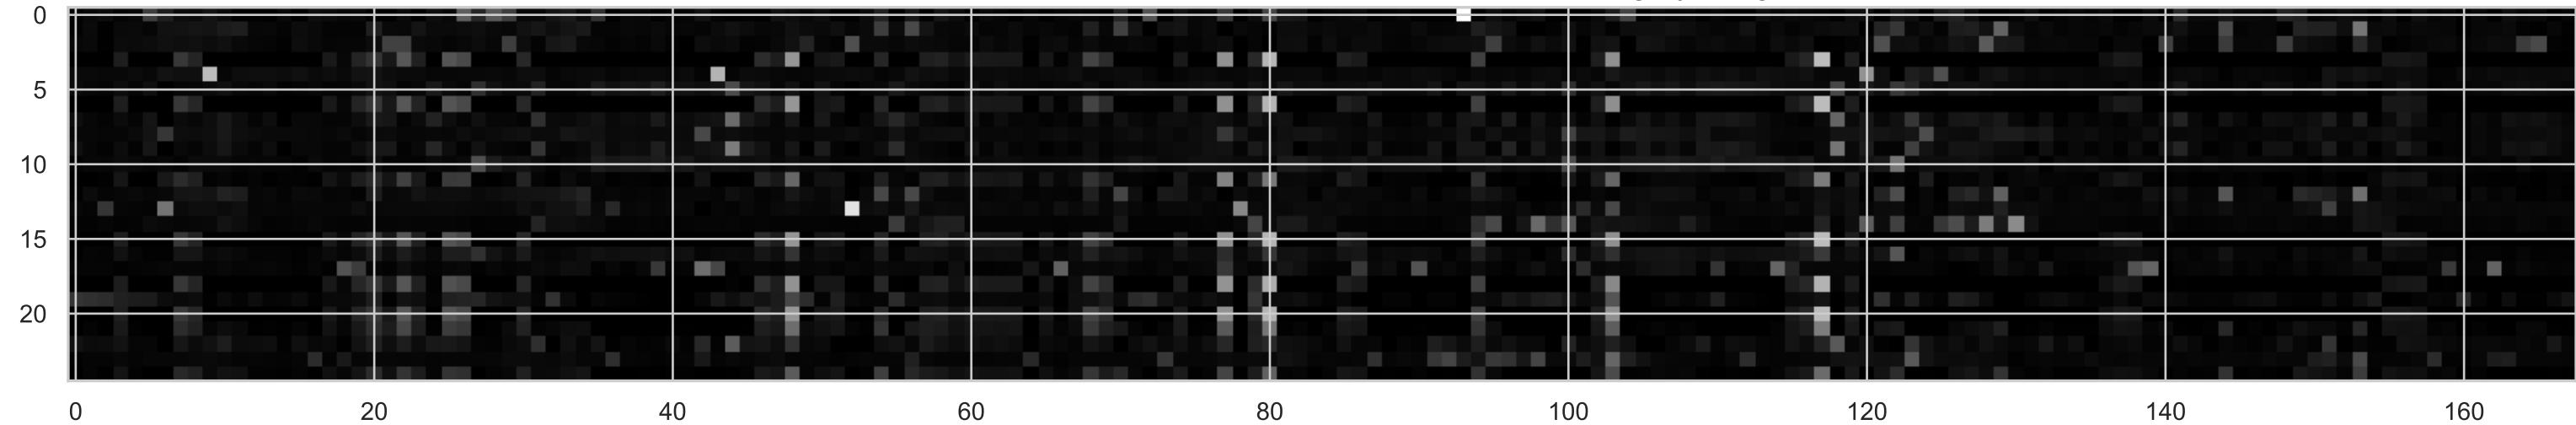

Learned Basis functions, method=Transfer SC+DD, category=fridge

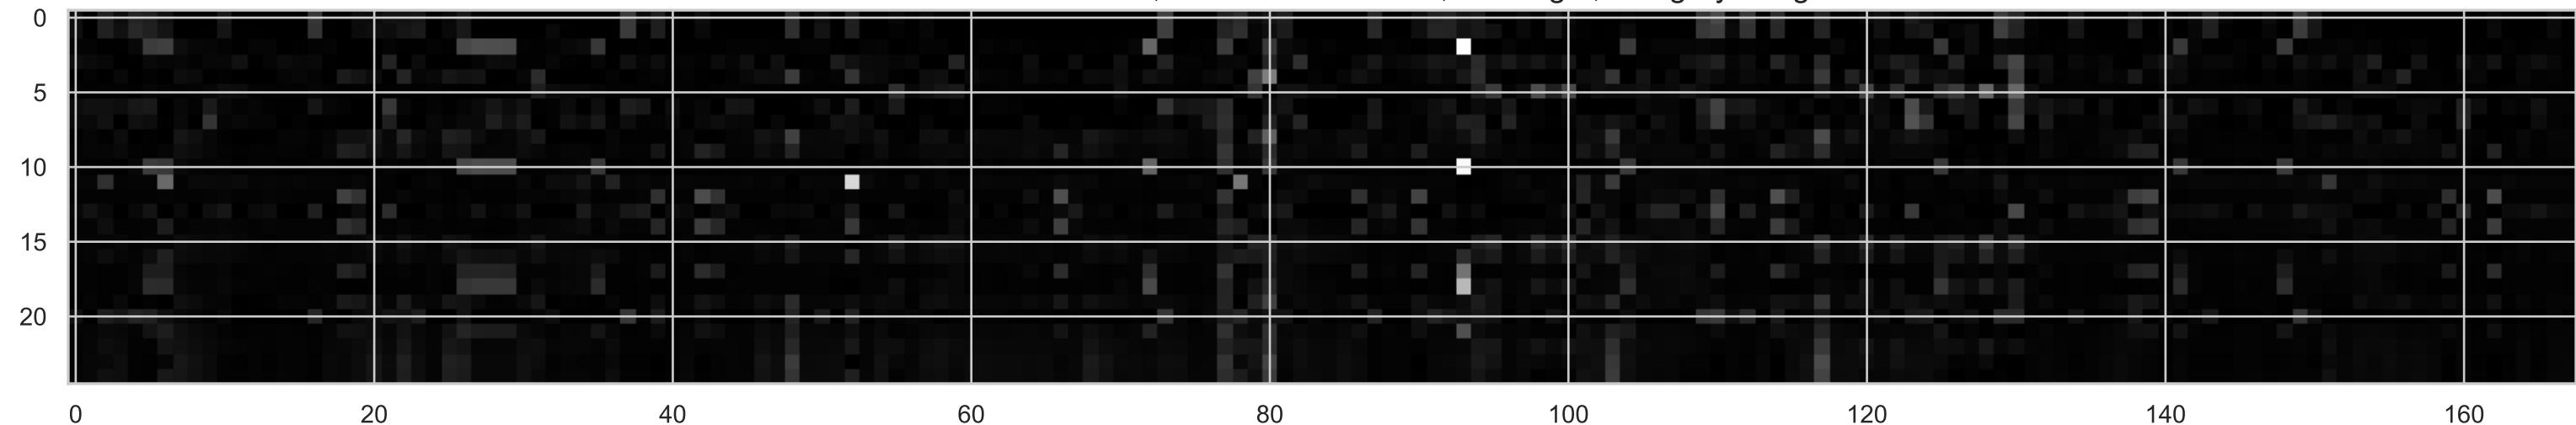

# Week 1

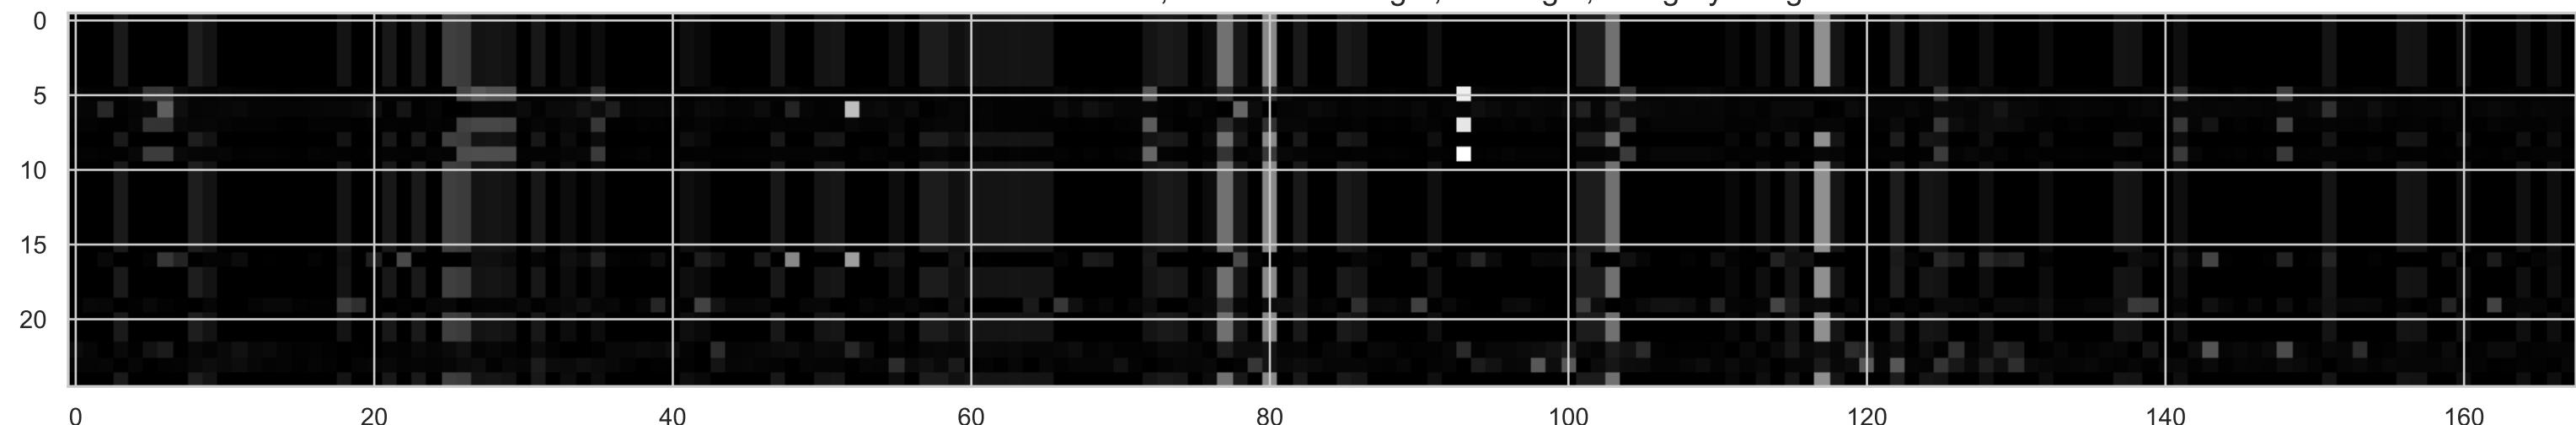

Learned Basis functions, method=SC mix, DD mix, category=fridge

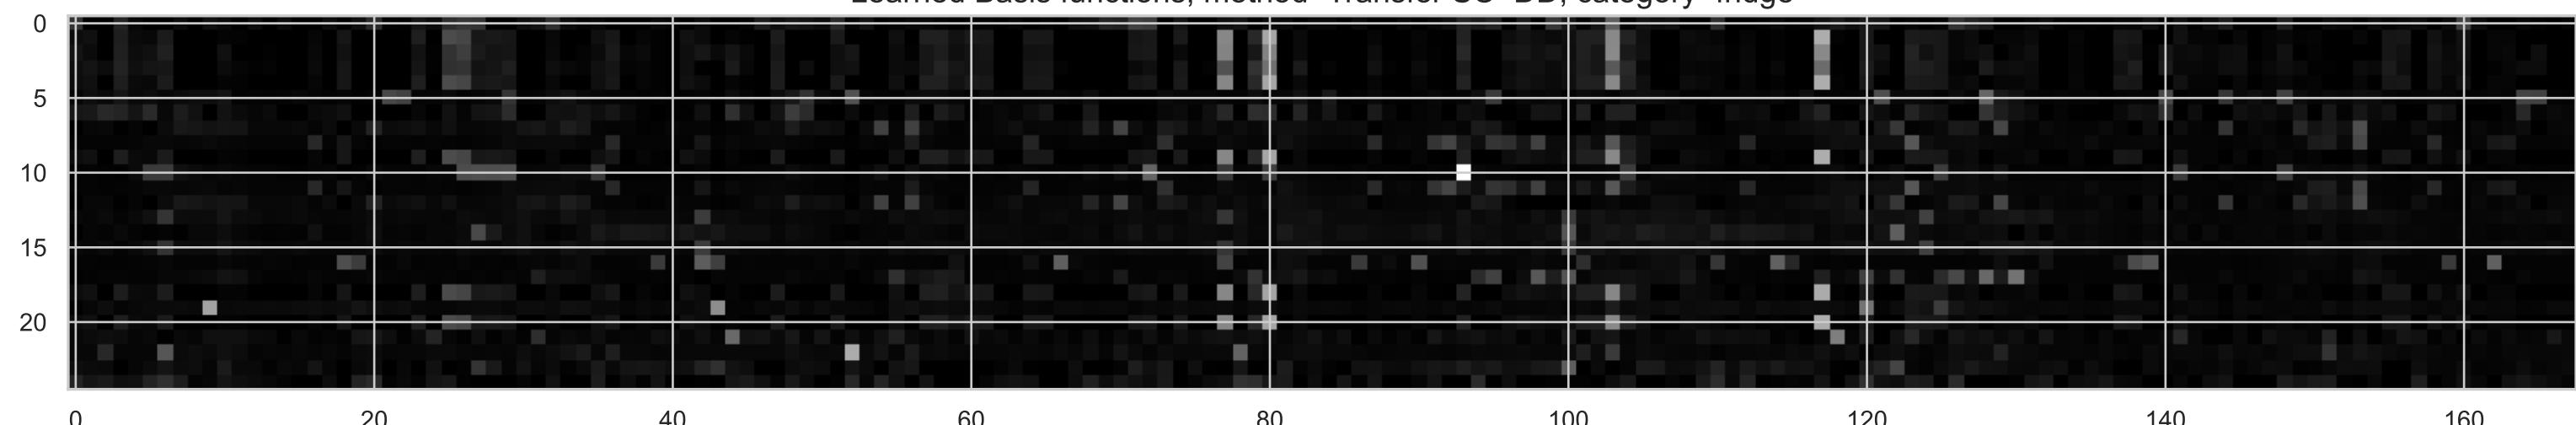

Learned Basis functions, method=SC source, DD target, category=fridge

Learned Basis functions, method=SC target, DD target, category=fridge

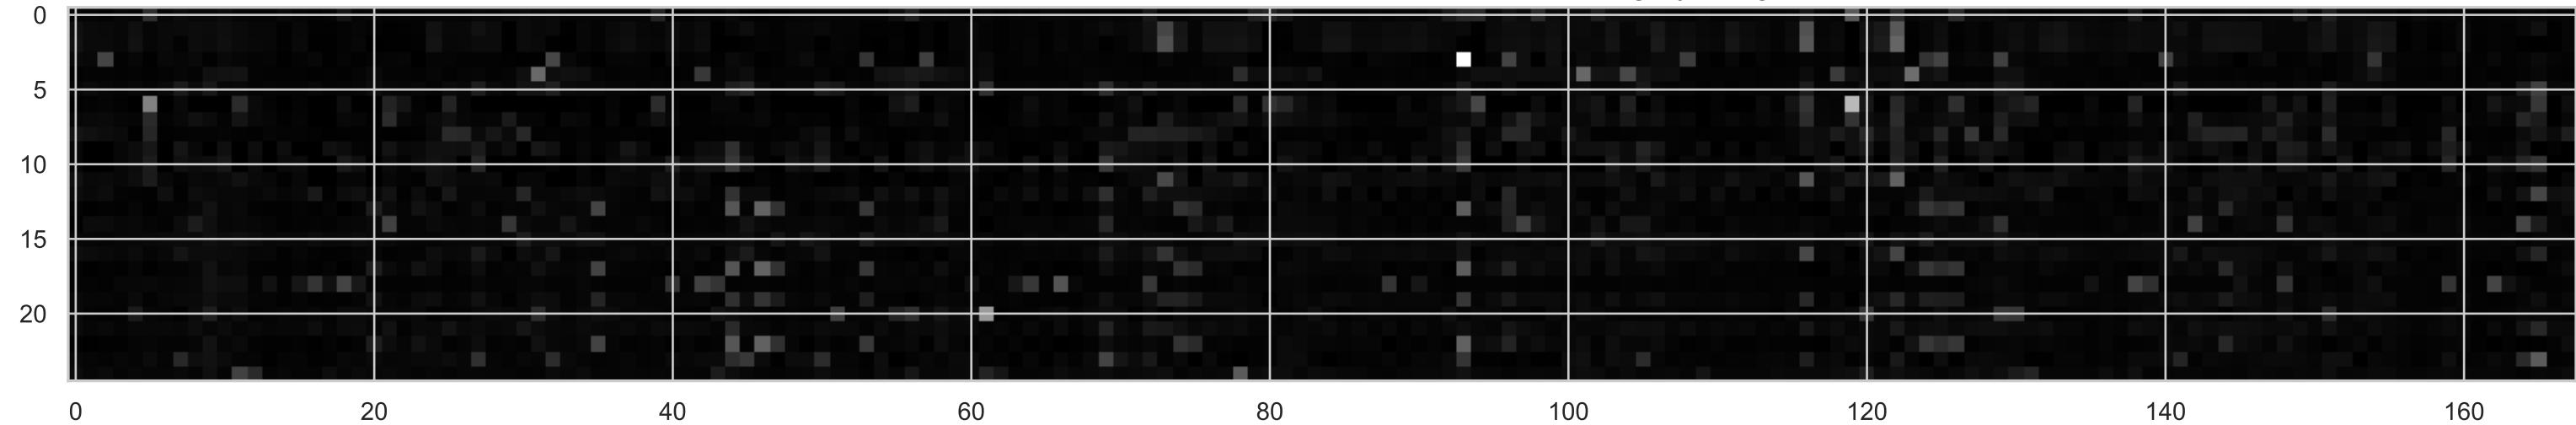

Learned Basis functions, method=Transfer SC+DD, category=fridge

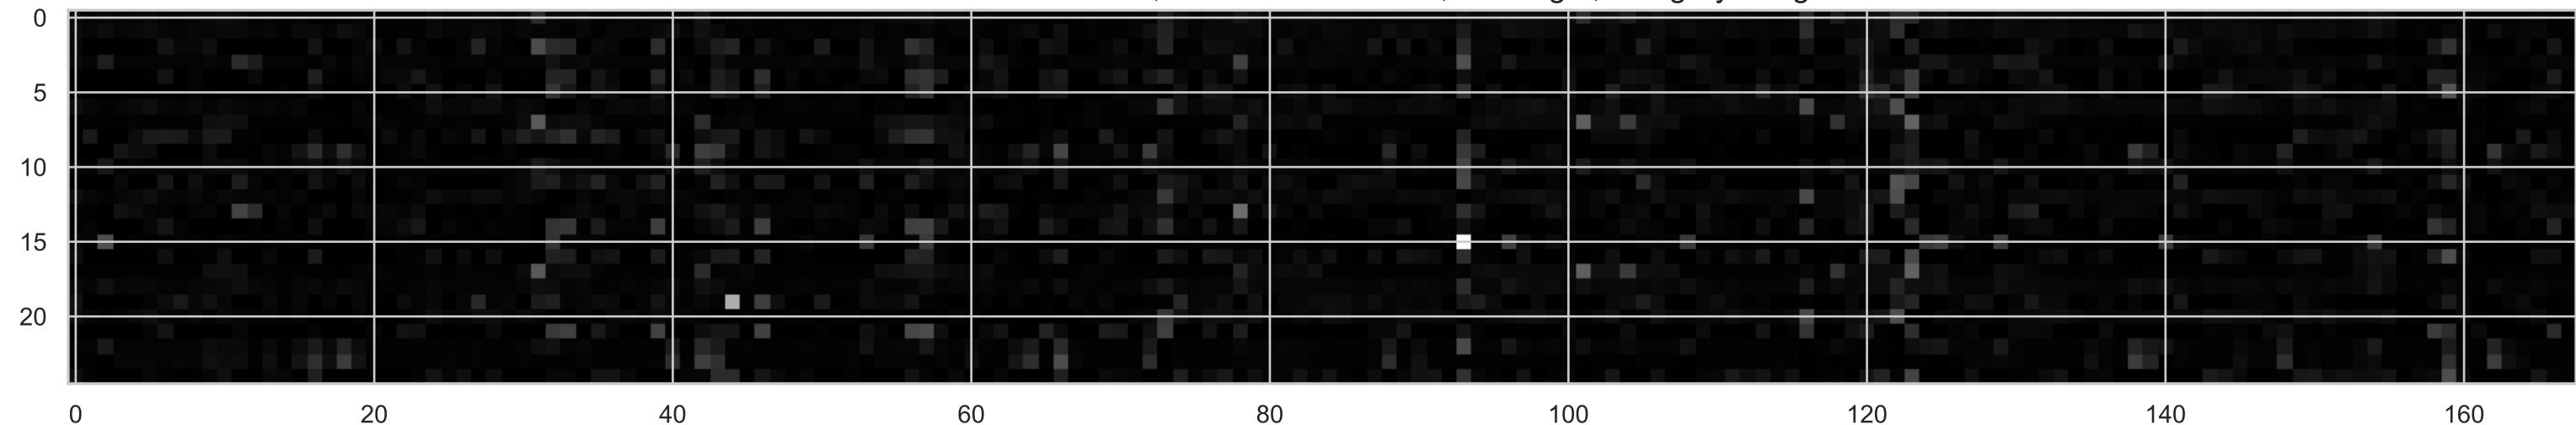

## Week 2

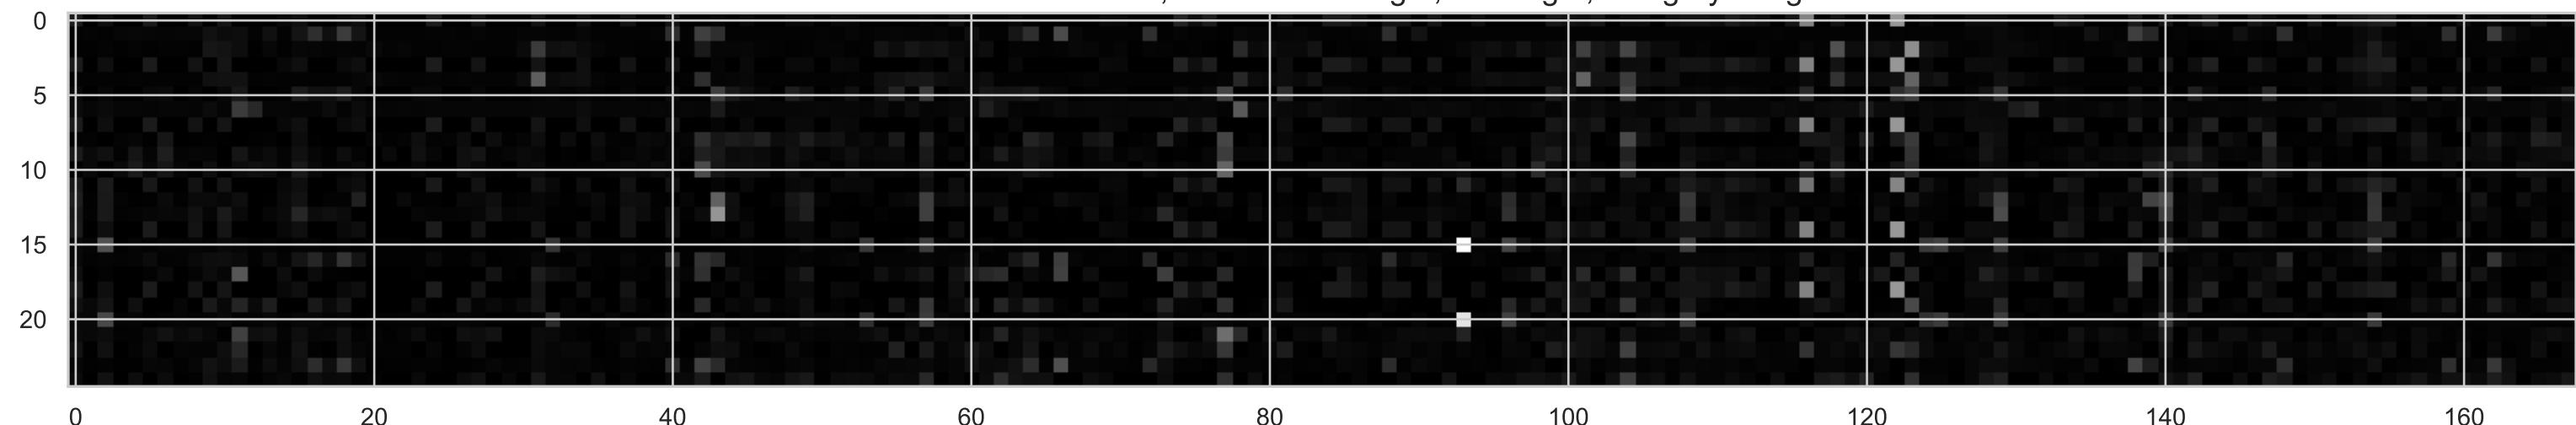

Learned Basis functions, method=SC mix, DD mix, category=fridge

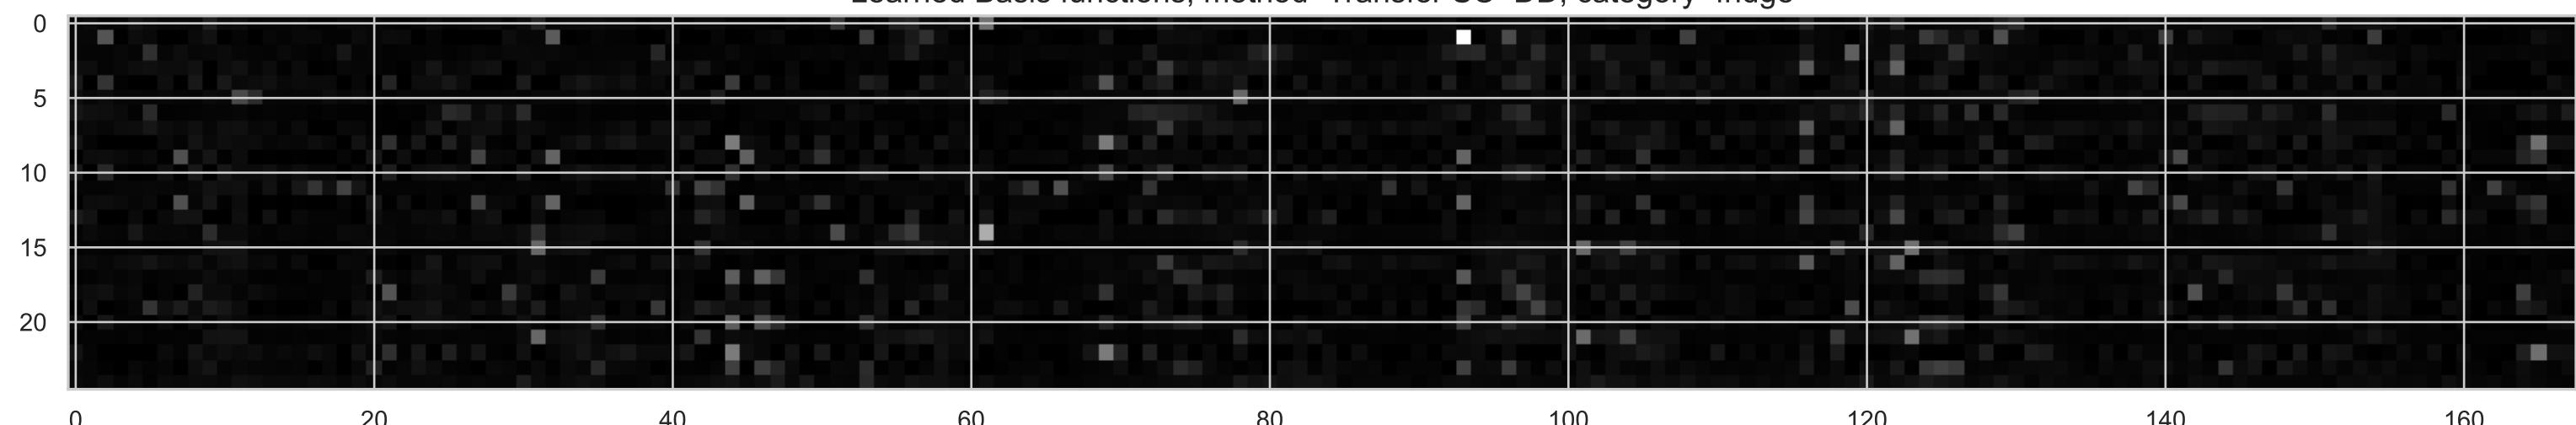

Learned Basis functions, method=SC source, DD target, category=fridge

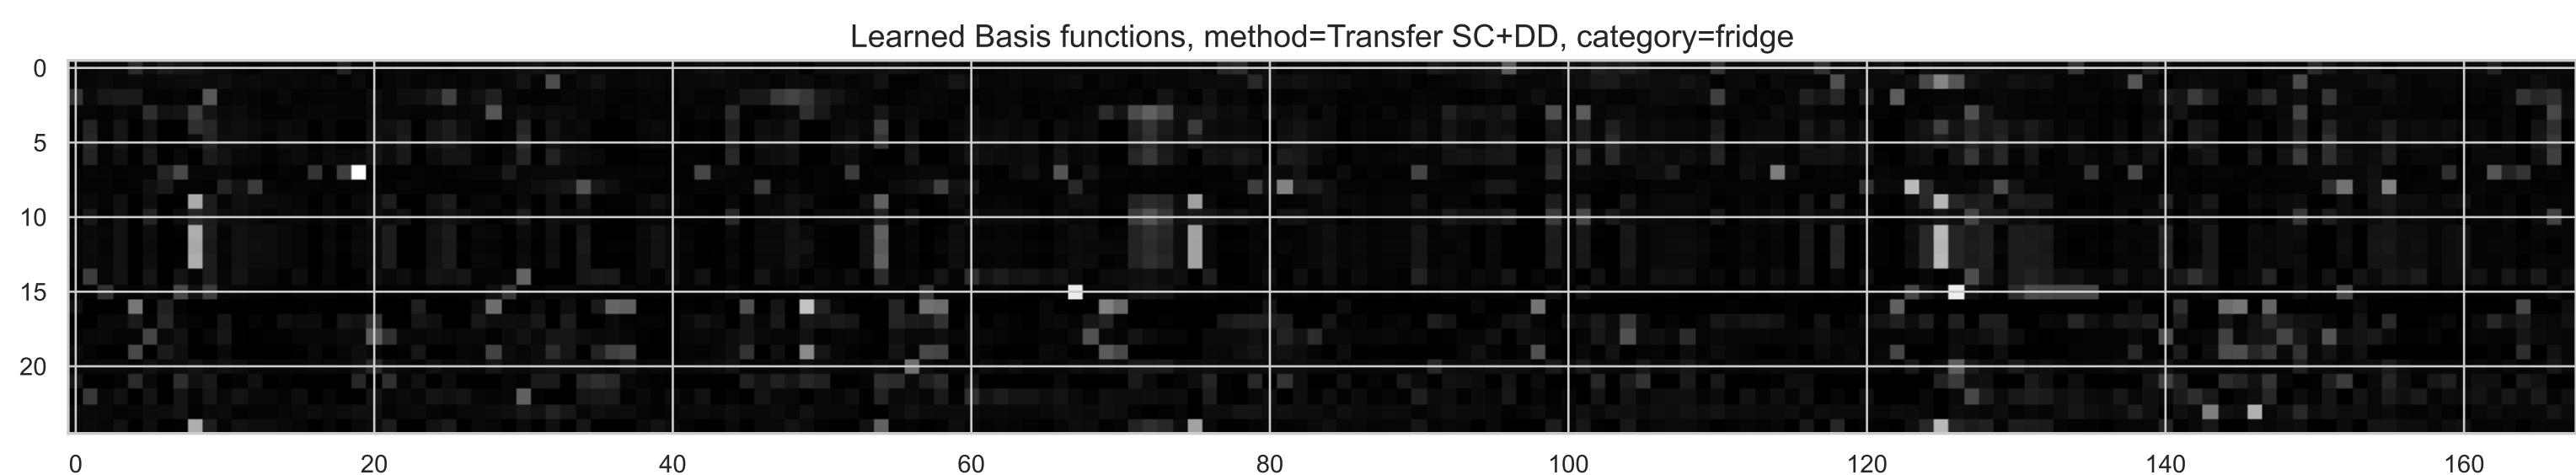

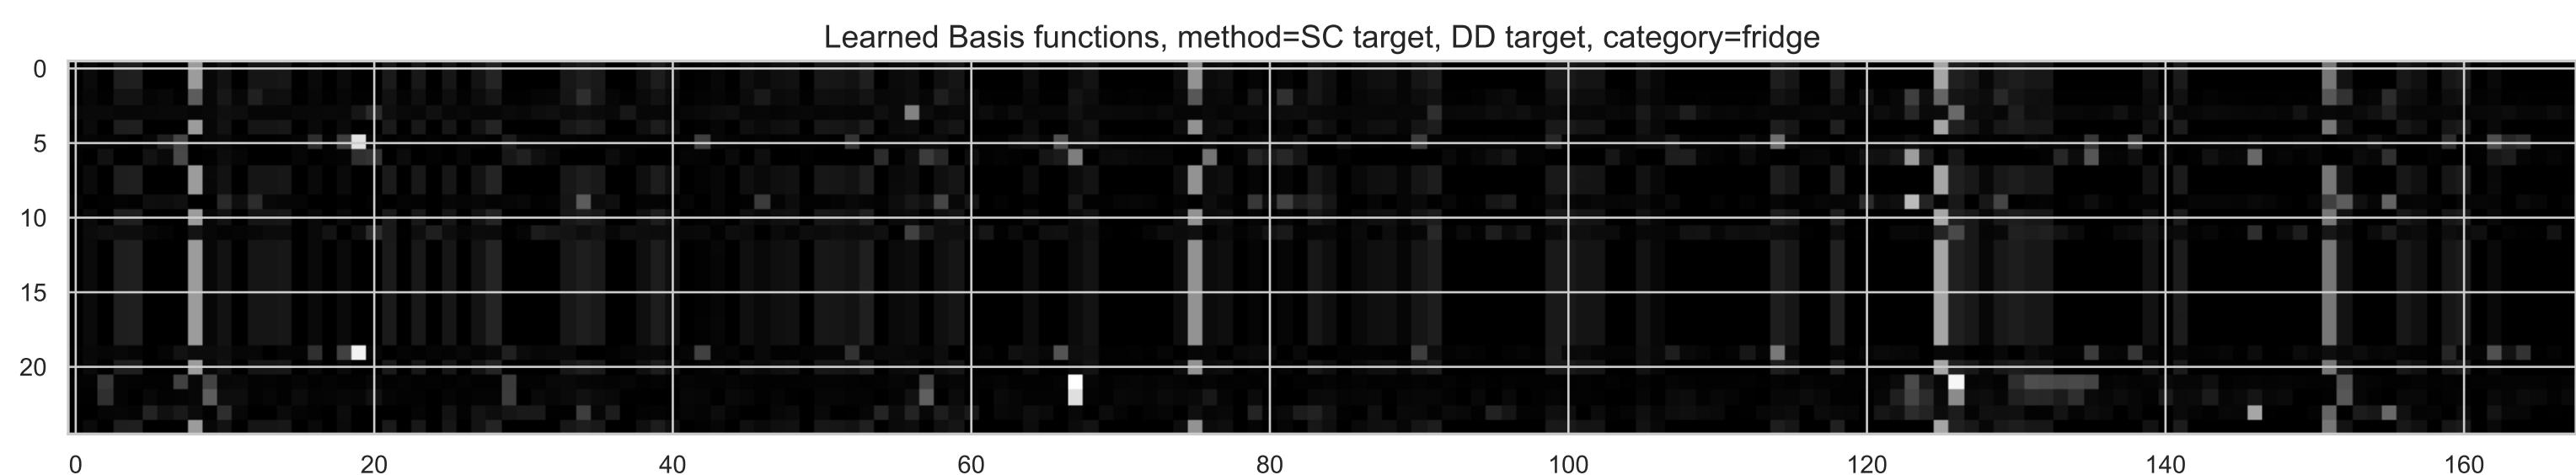

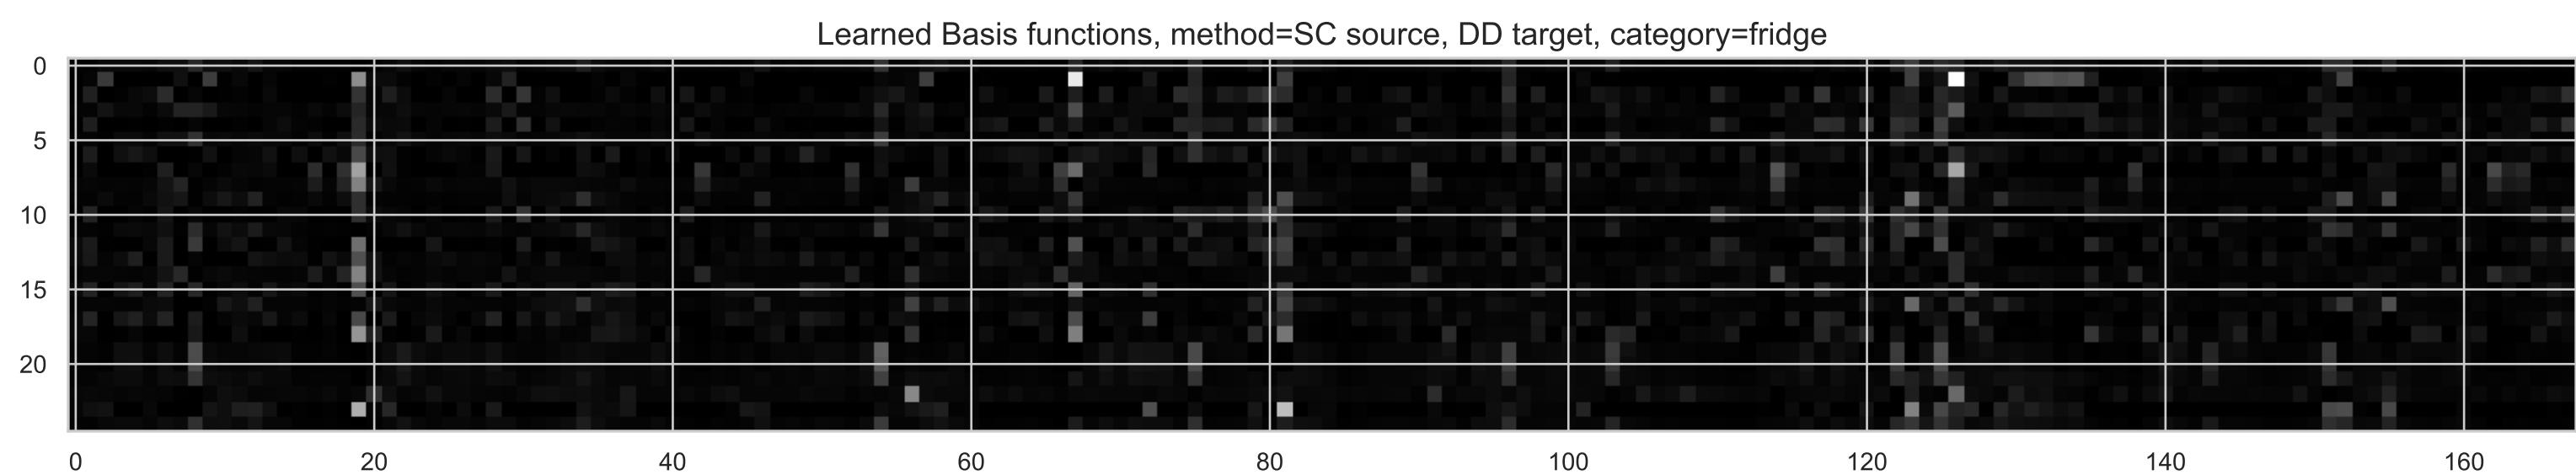

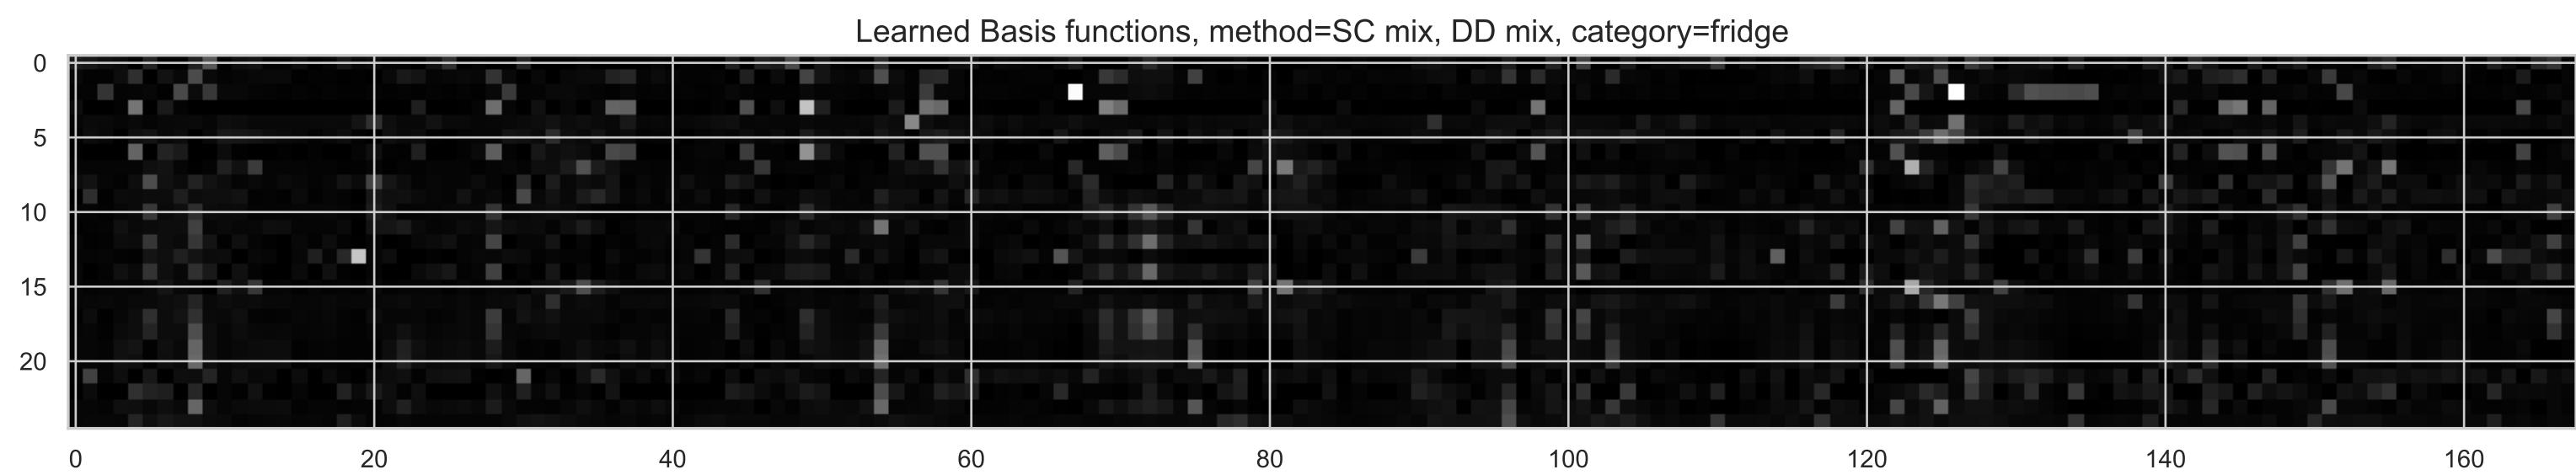

Learned Basis functions, method=SC target, DD target, category=fridge

Learned Basis functions, method=Transfer SC+DD, category=fridge

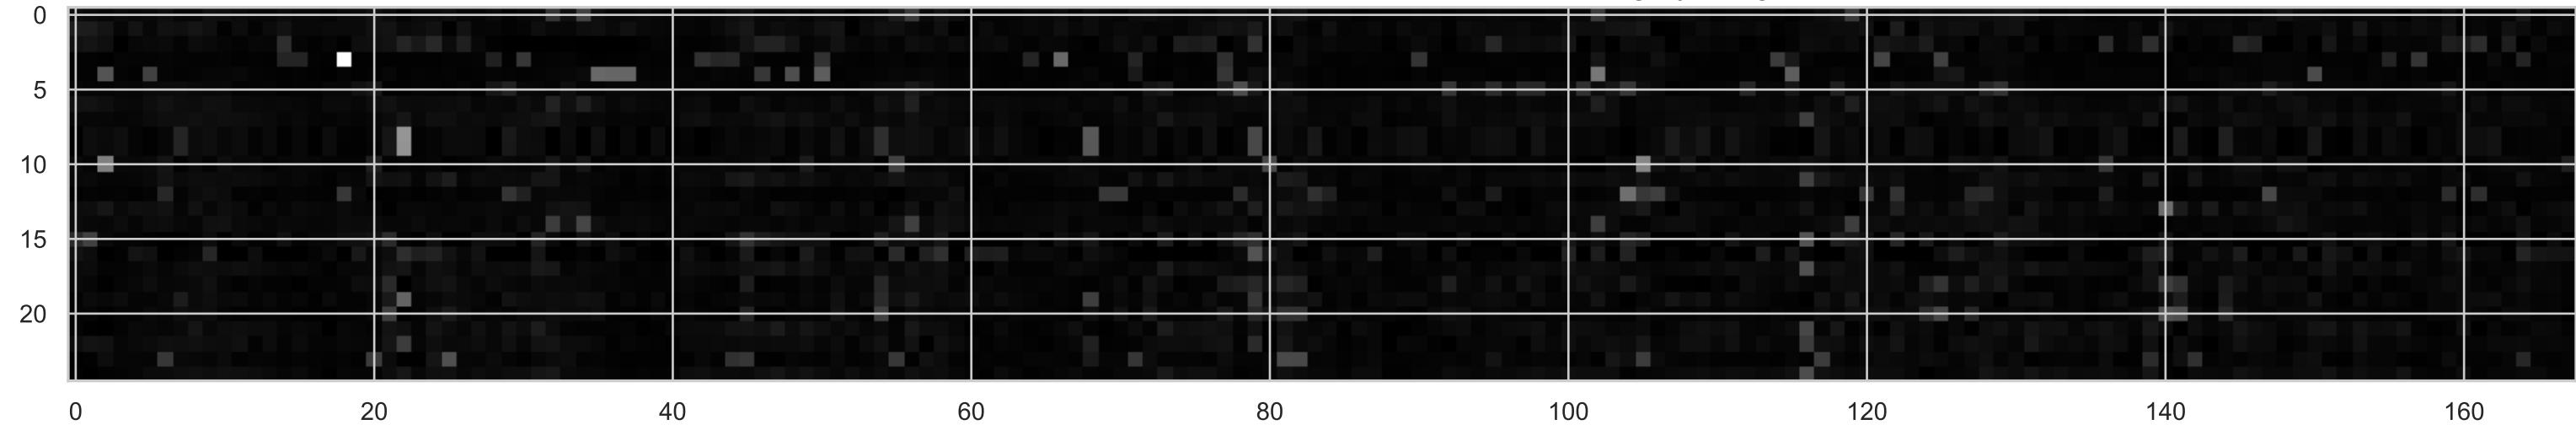

# Week 3

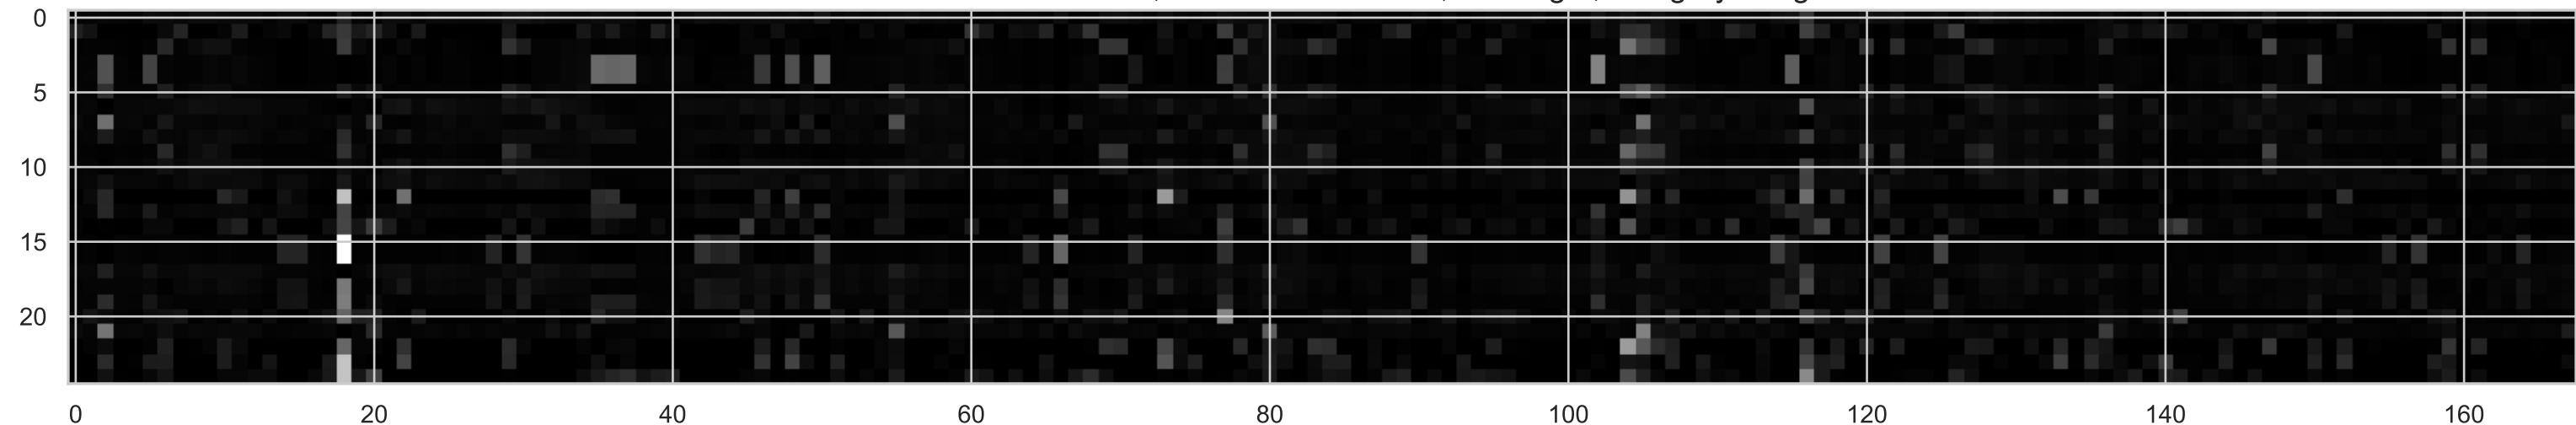

## Week 4

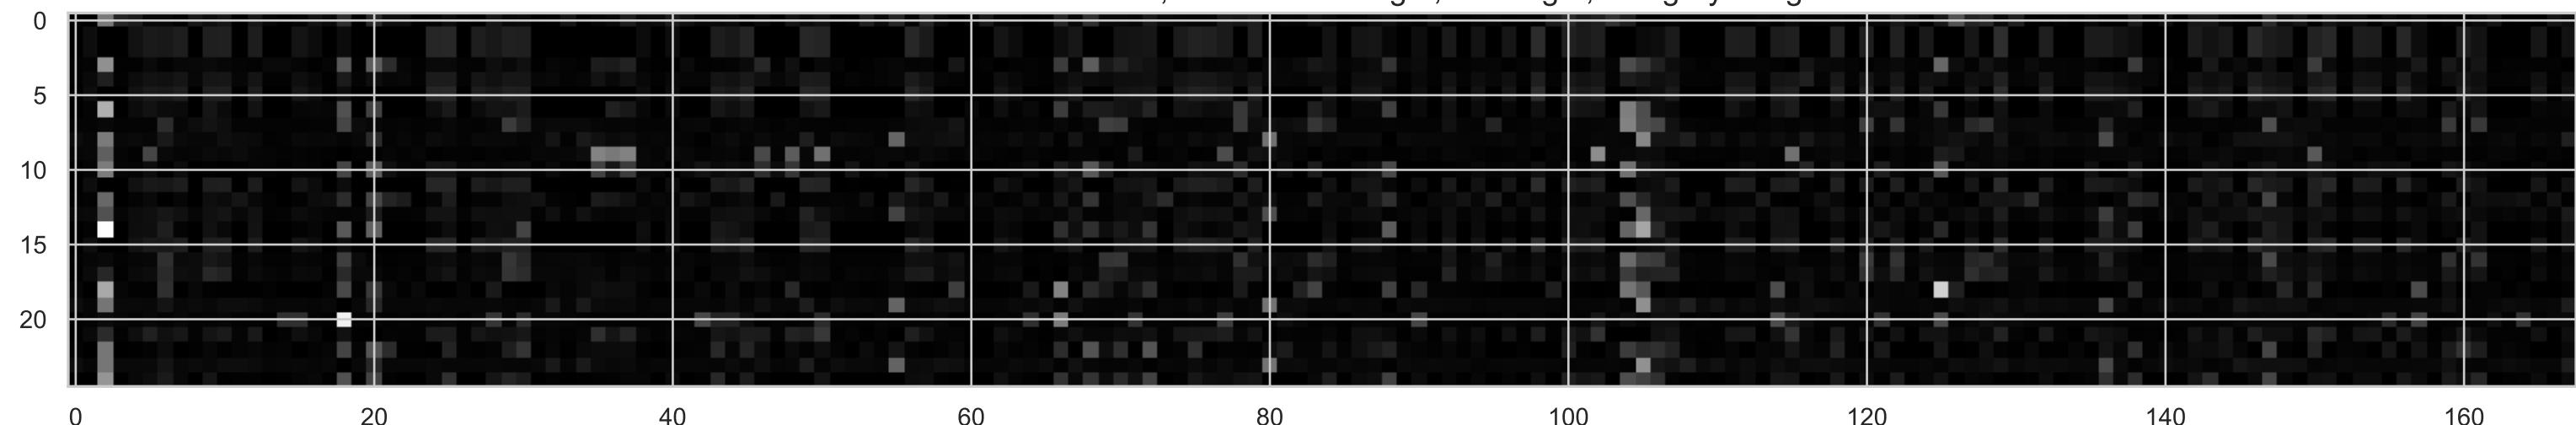

Learned Basis functions, method=SC mix, DD mix, category=fridge

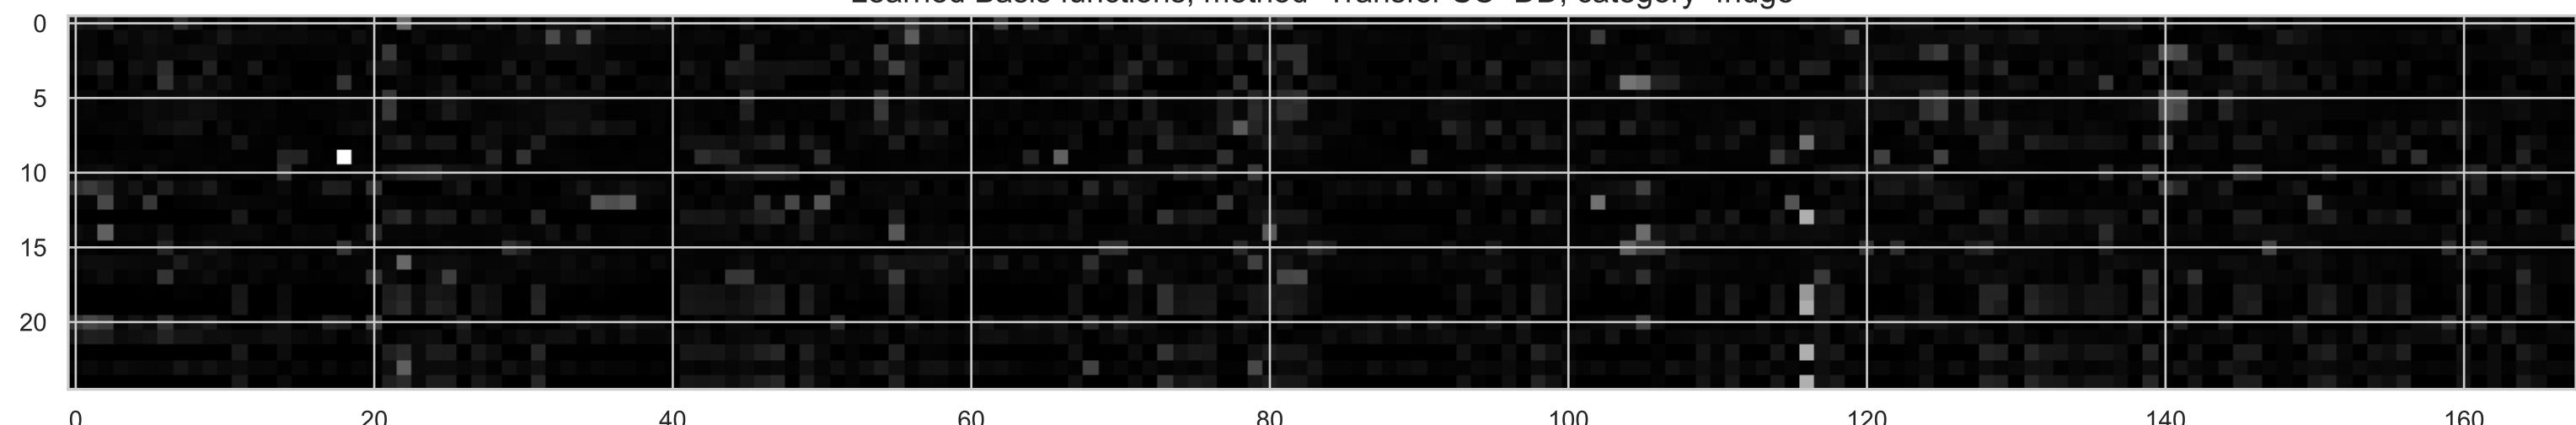

Learned Basis functions, method=SC source, DD target, category=fridge

Learned Basis functions, method=SC target, DD target, category=fridge

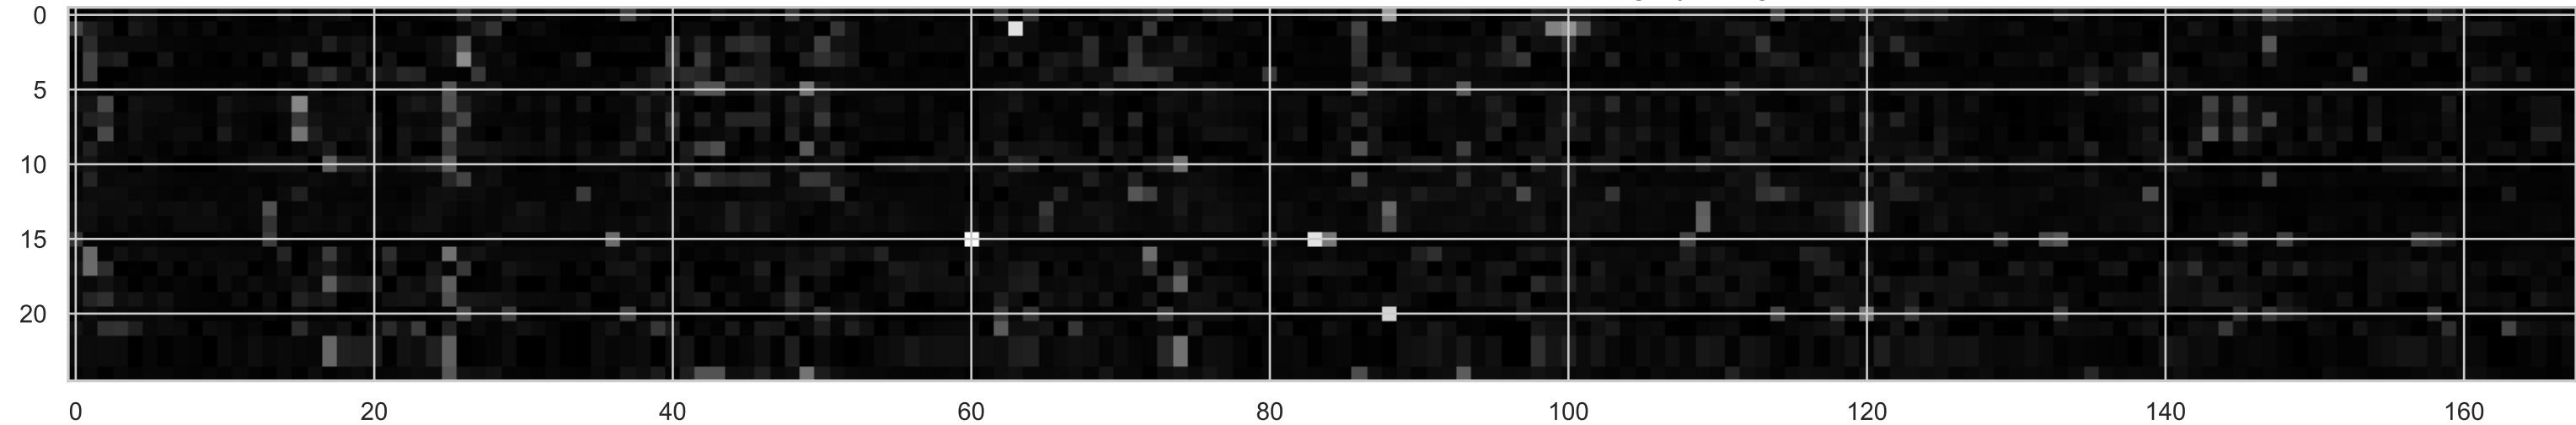

Learned Basis functions, method=Transfer SC+DD, category=fridge

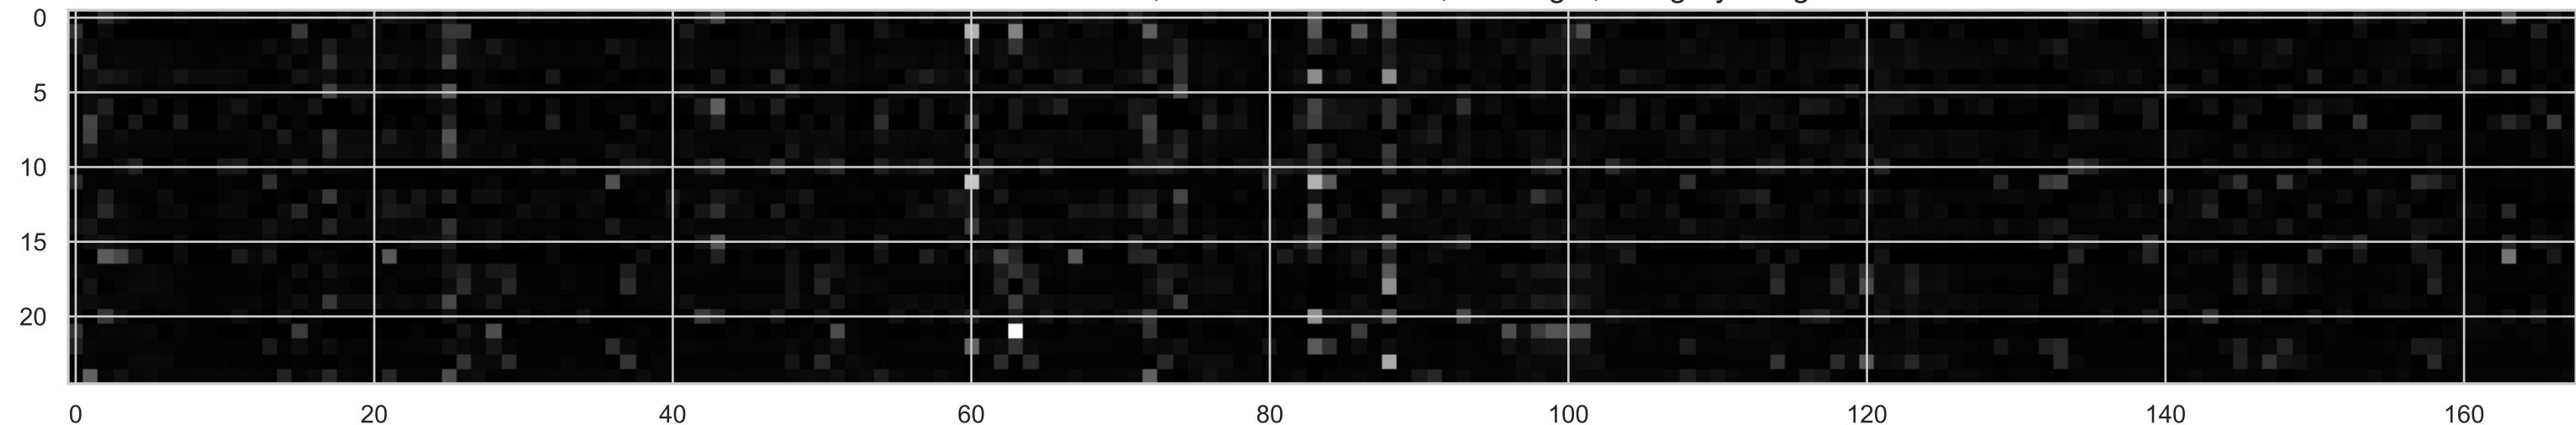

# Week 5

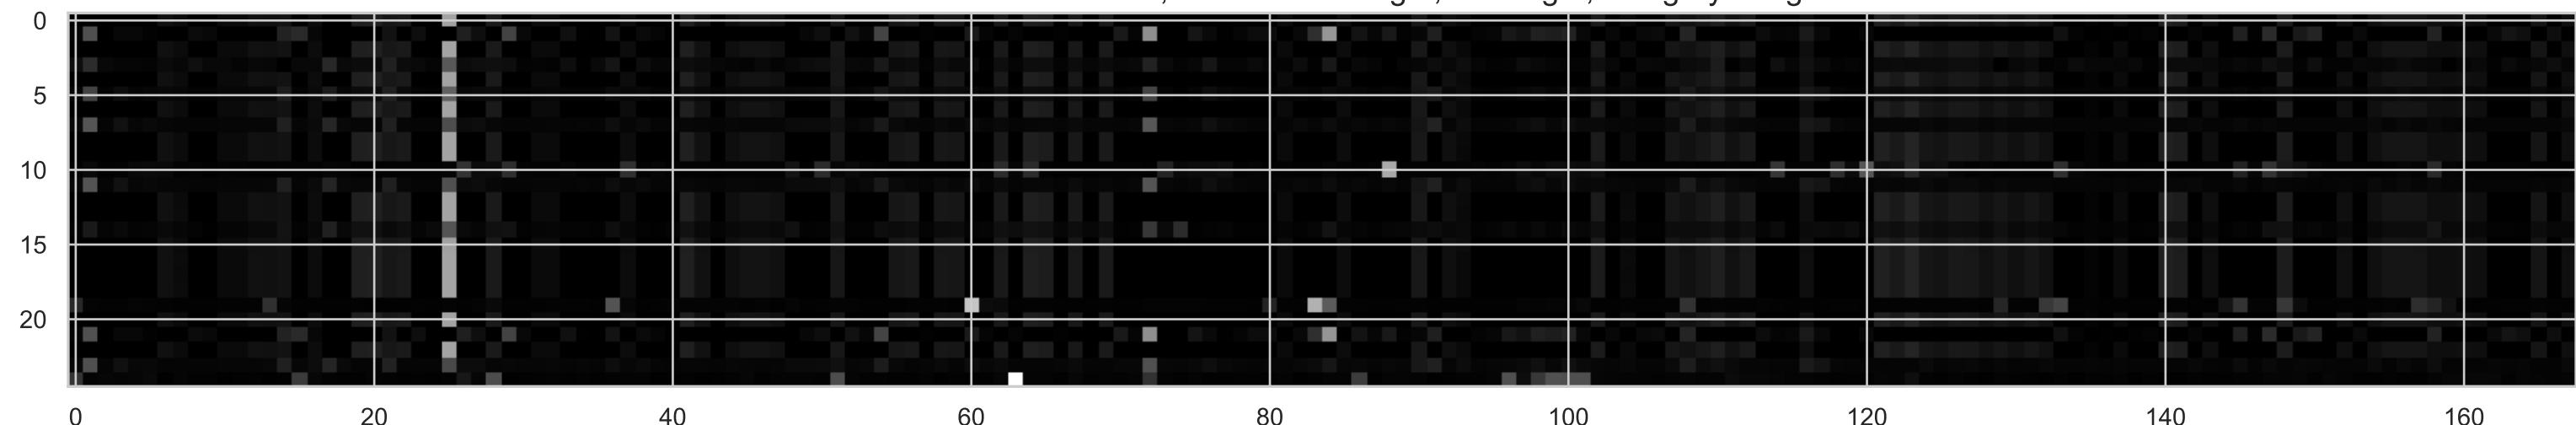

Learned Basis functions, method=SC mix, DD mix, category=fridge

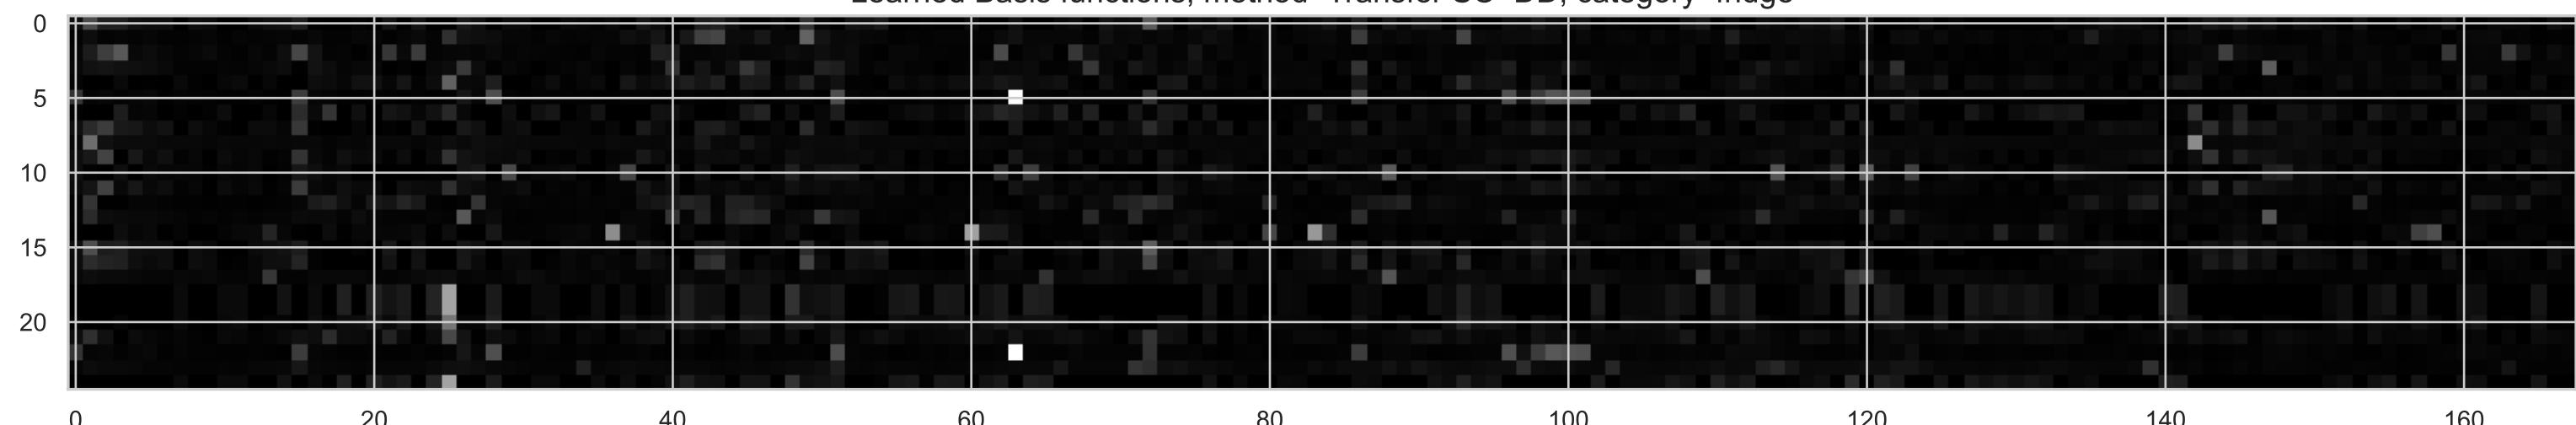

Learned Basis functions, method=SC source, DD target, category=fridge

Learned Basis functions, method=SC target, DD target, category=fridge

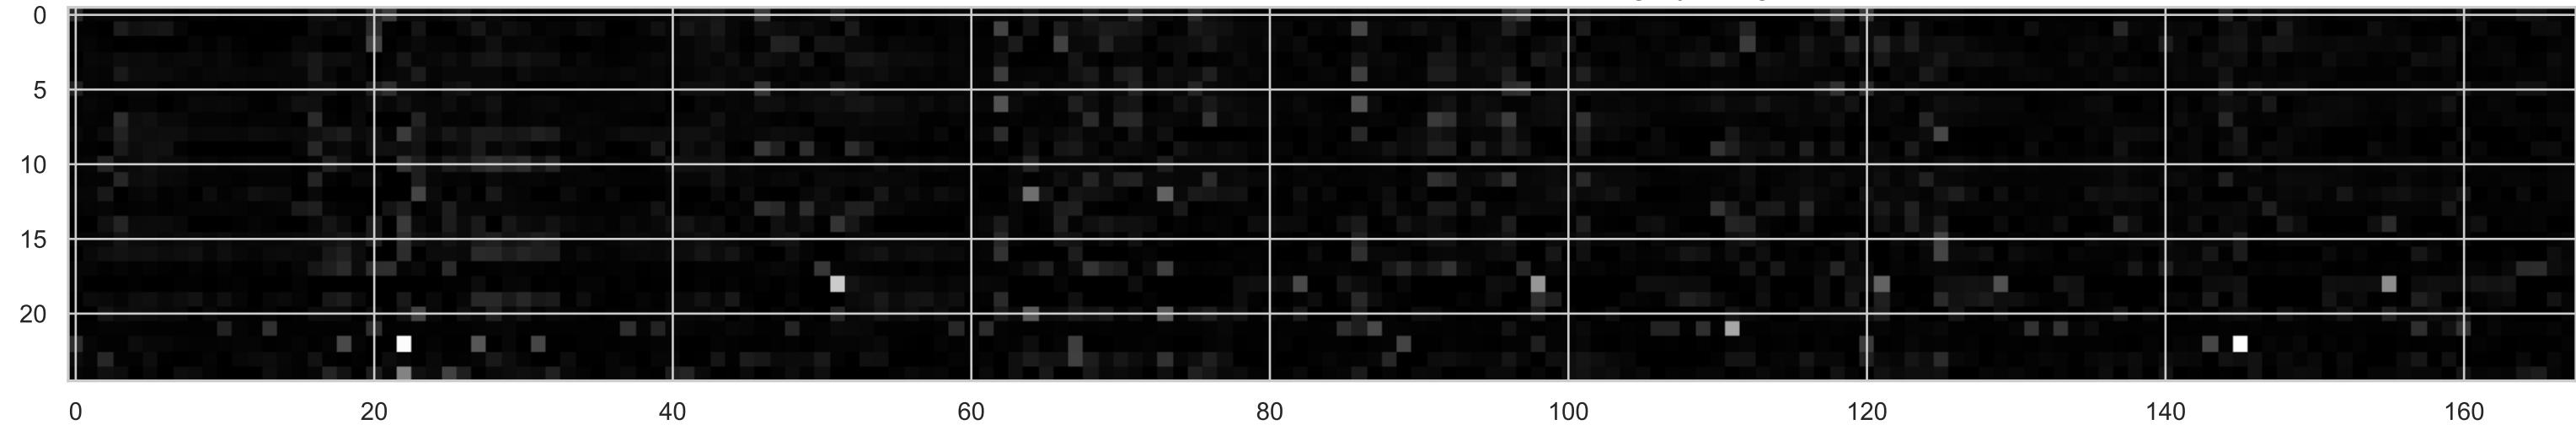

Learned Basis functions, method=Transfer SC+DD, category=fridge

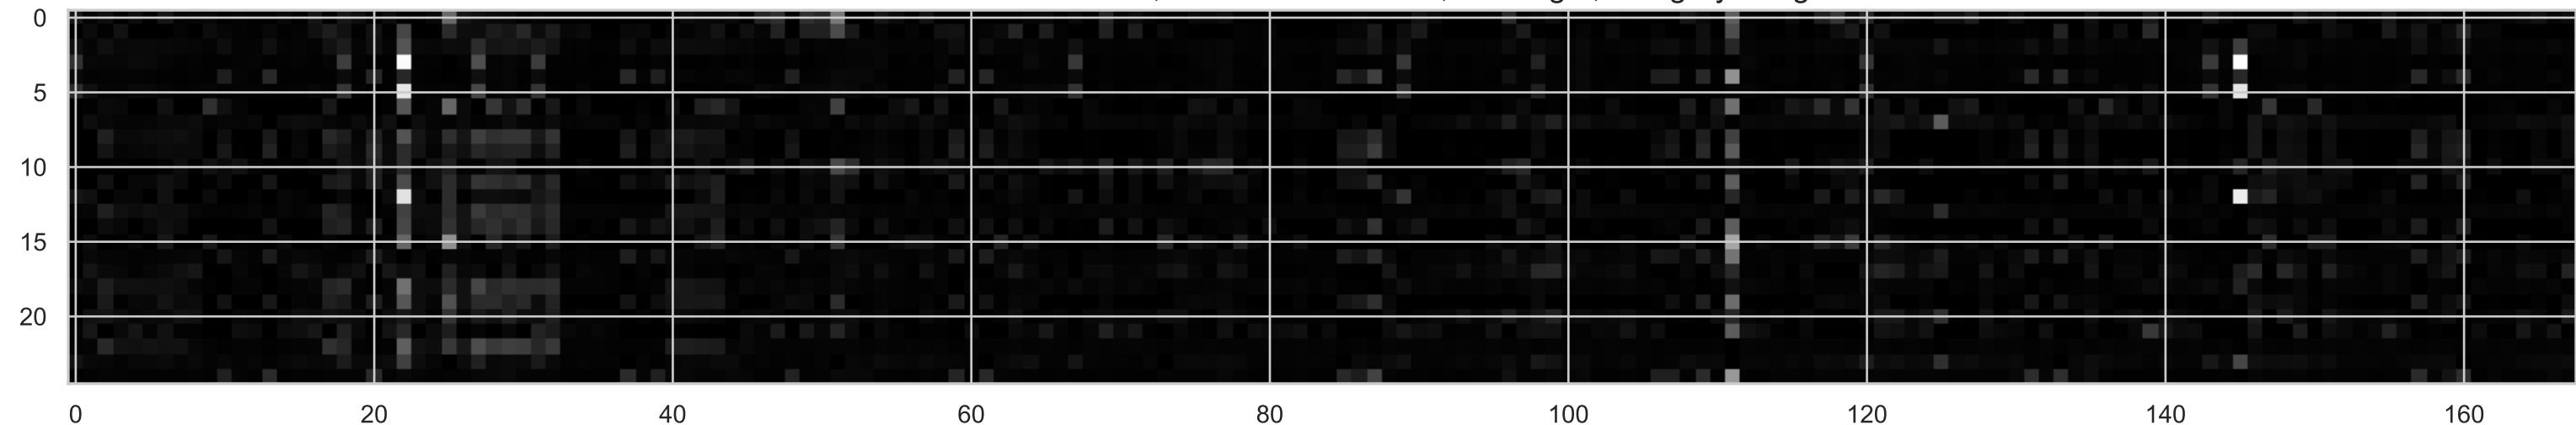

## Week 6

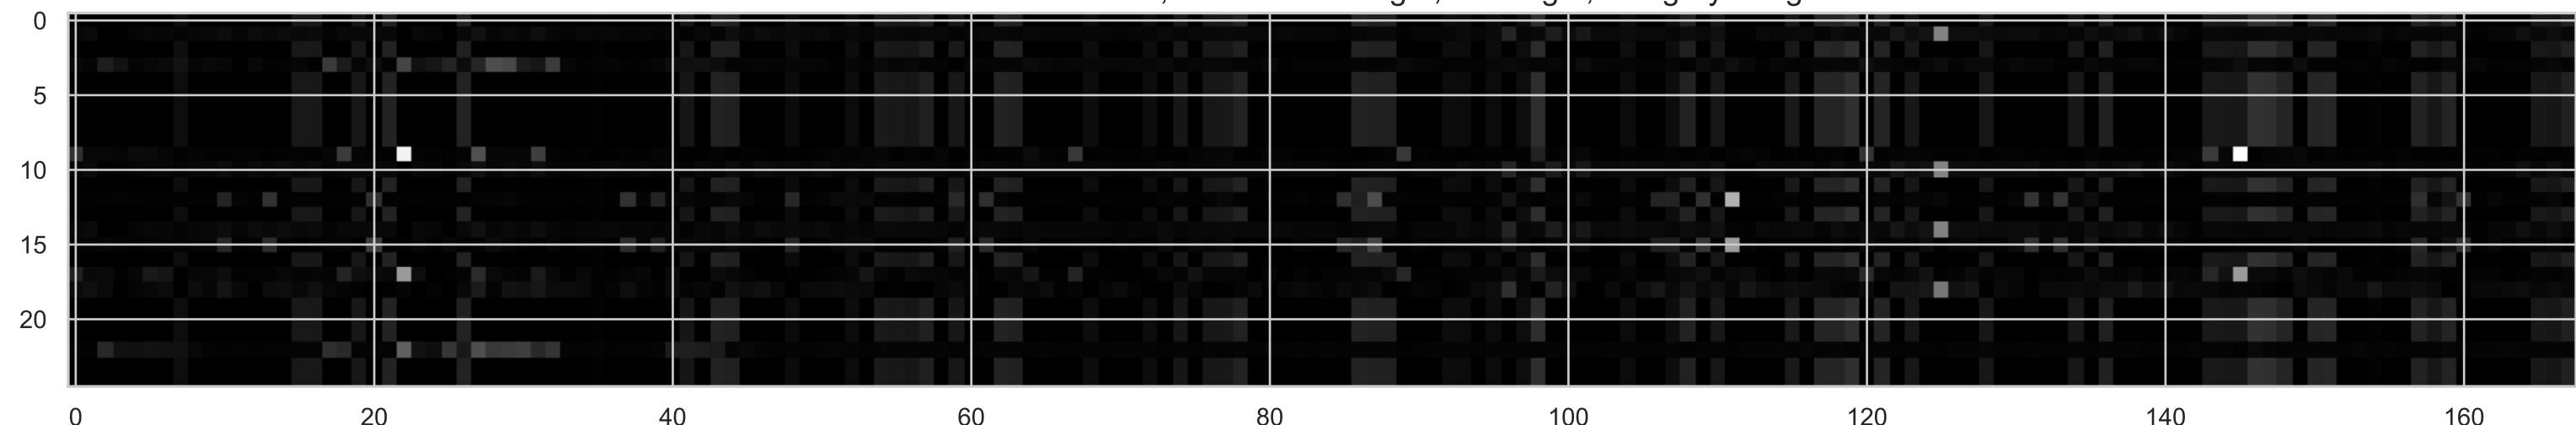

Learned Basis functions, method=SC mix, DD mix, category=fridge

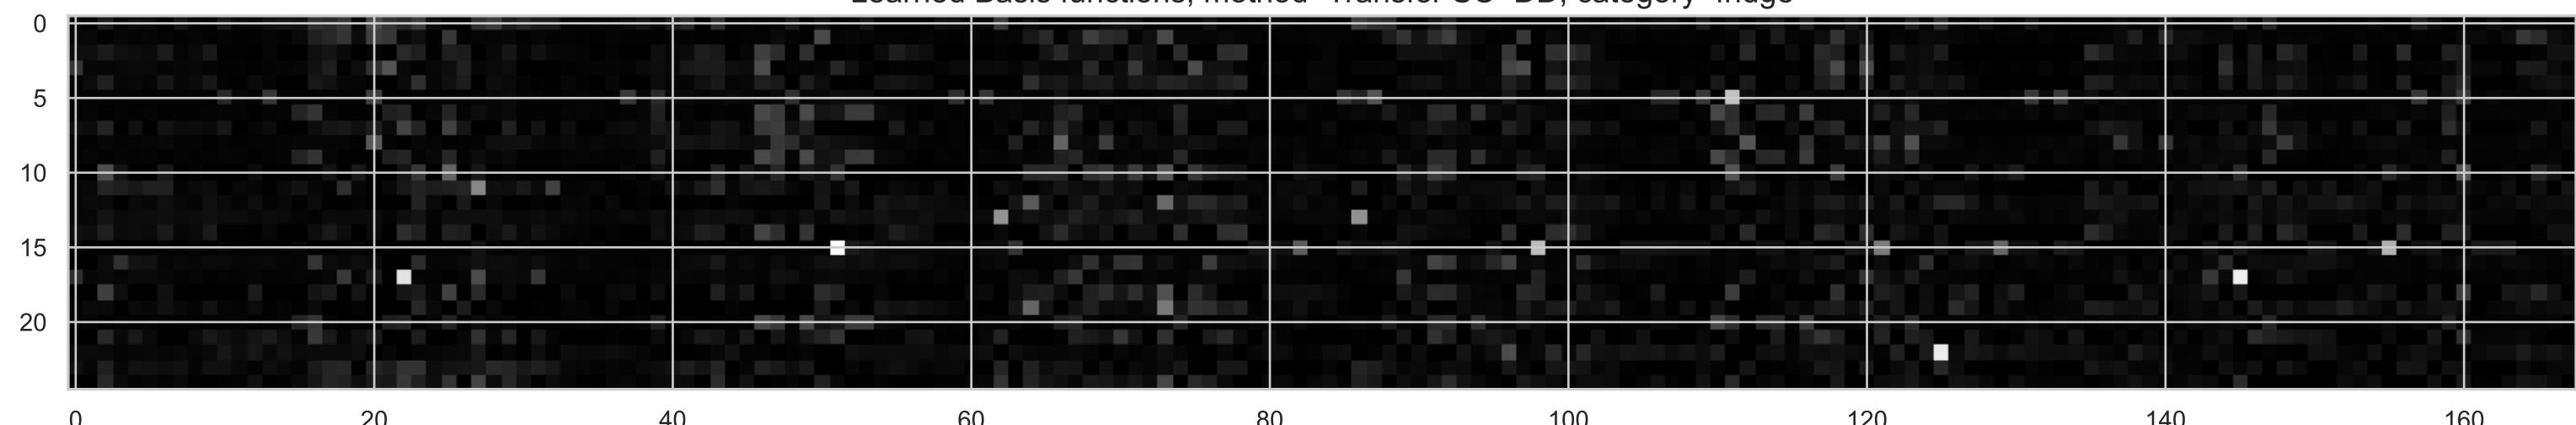

Learned Basis functions, method=SC source, DD target, category=fridge

Learned Basis functions, method=SC target, DD target, category=fridge

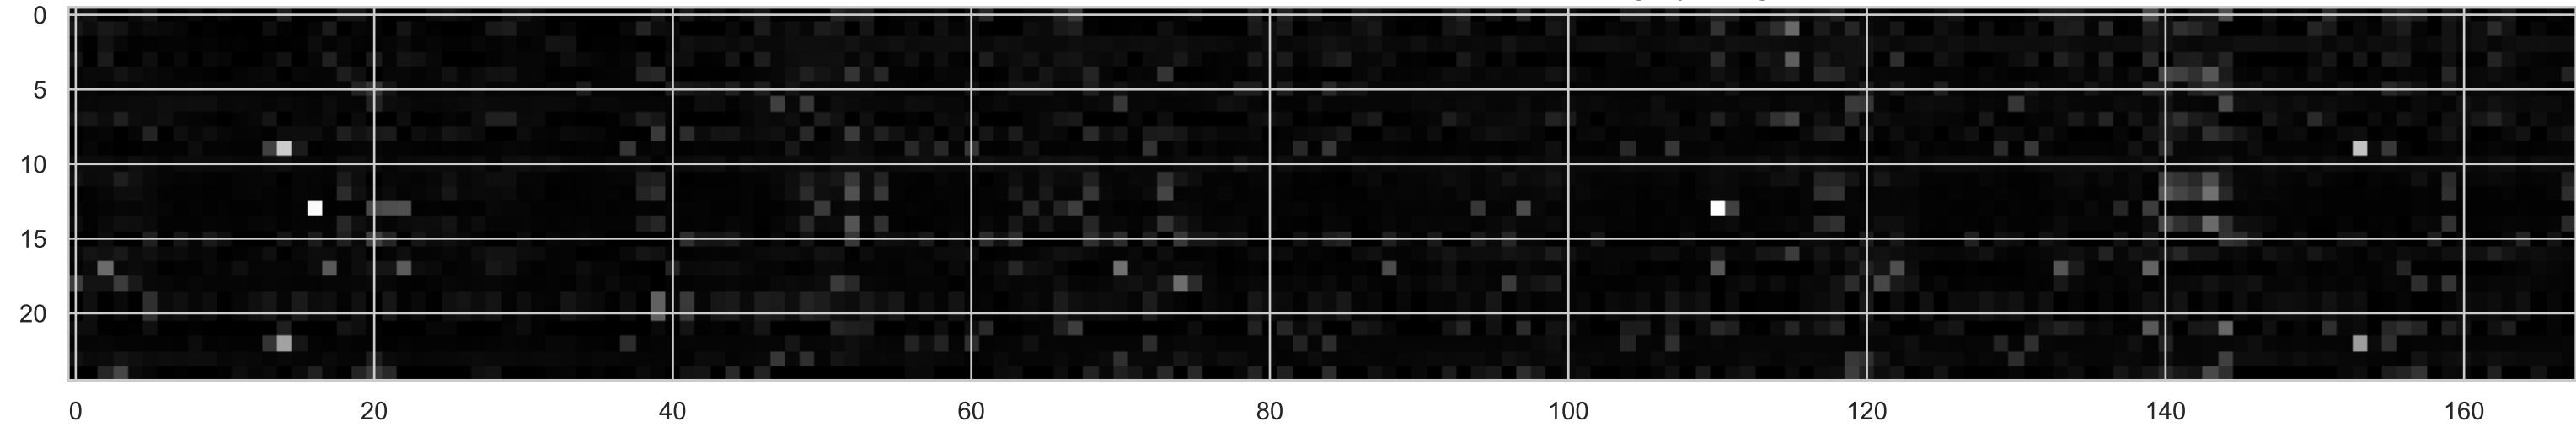

Learned Basis functions, method=Transfer SC+DD, category=fridge

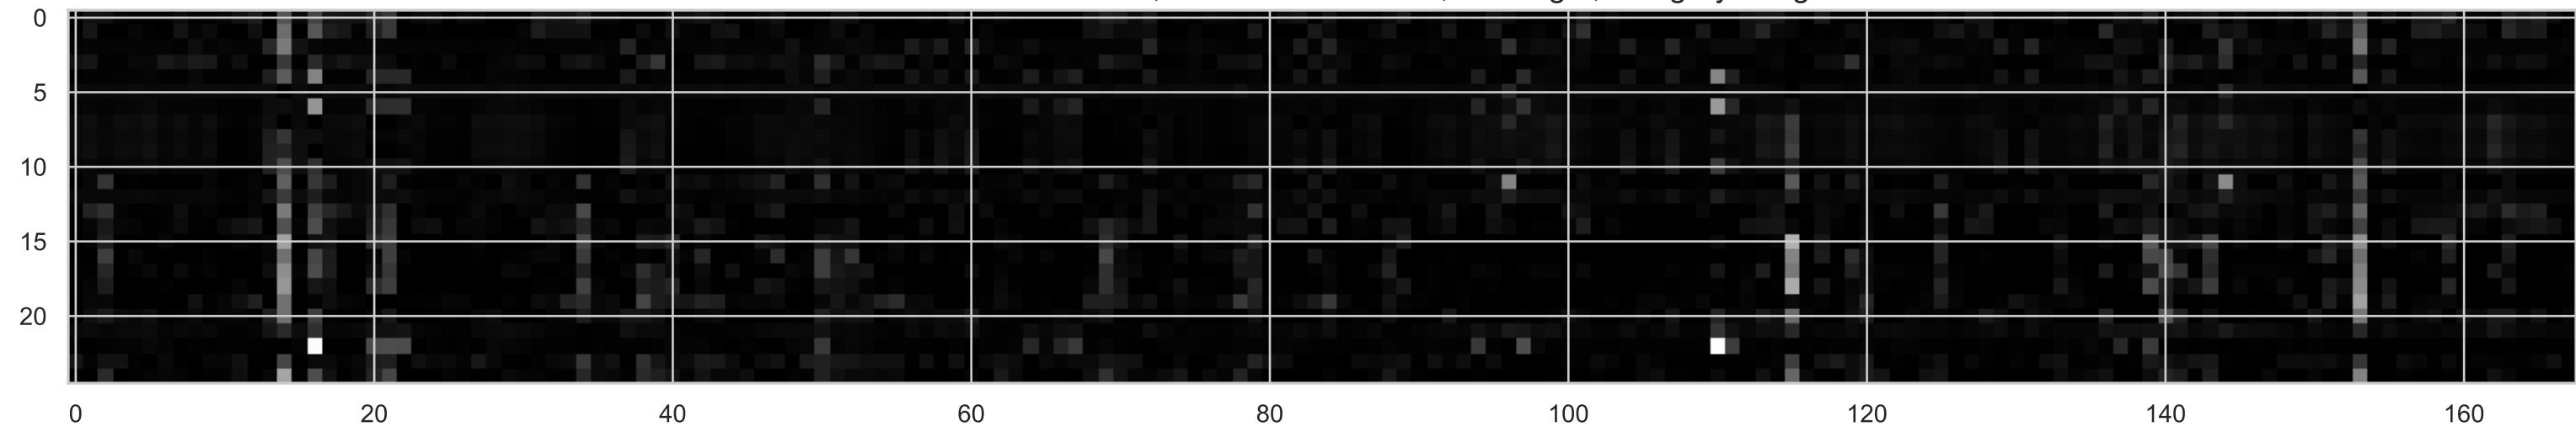

# Week 7

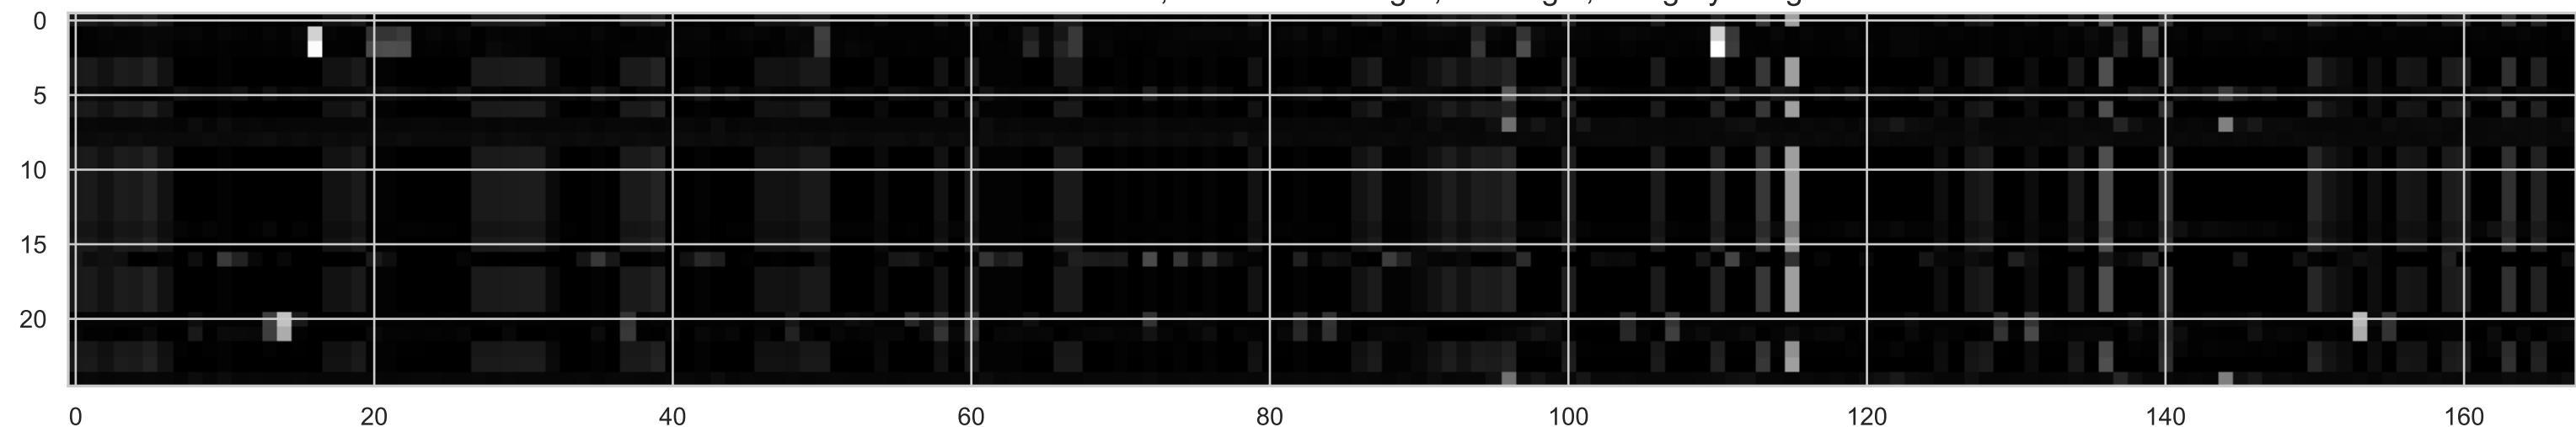

Learned Basis functions, method=SC mix, DD mix, category=fridge

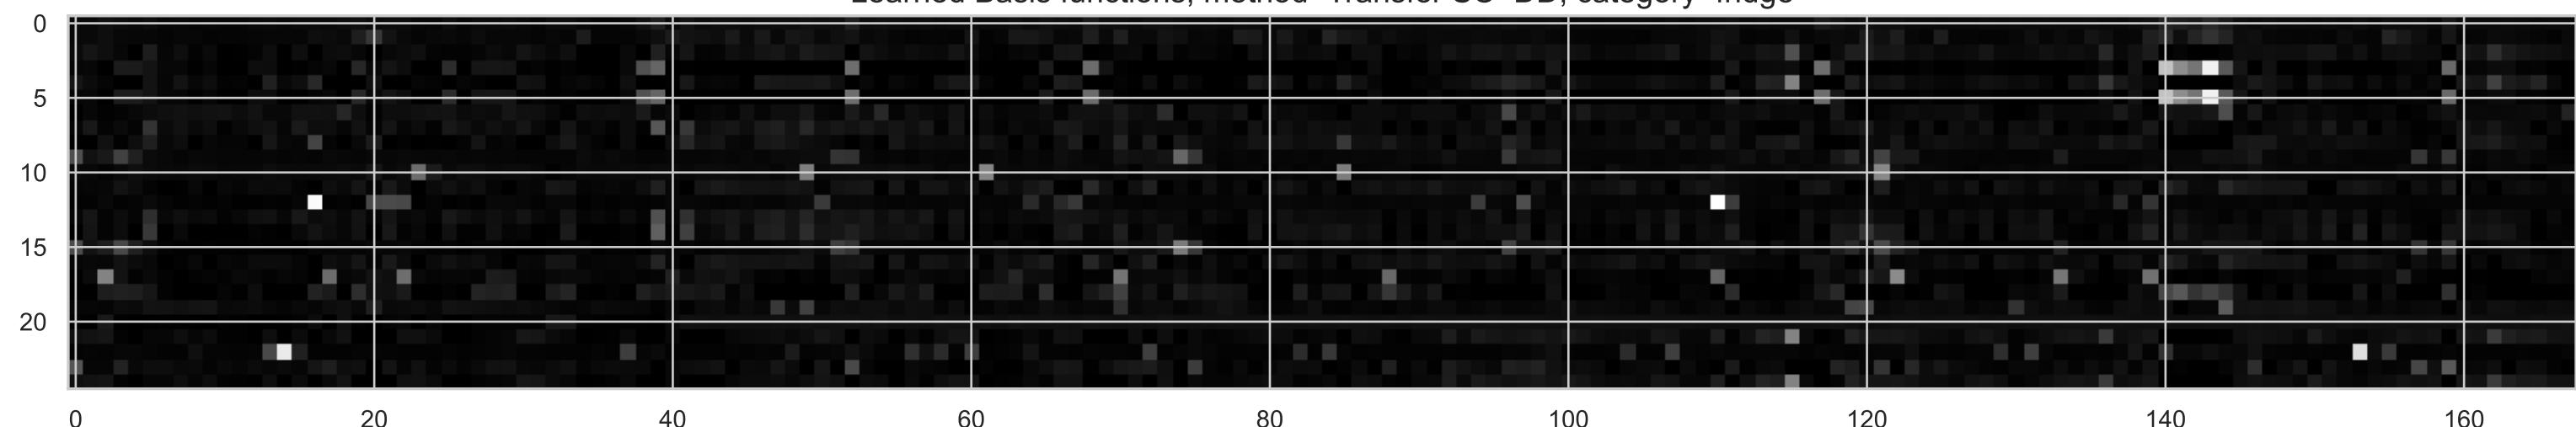

Learned Basis functions, method=SC source, DD target, category=fridge

Learned Basis functions, method=SC target, DD target, category=fridge

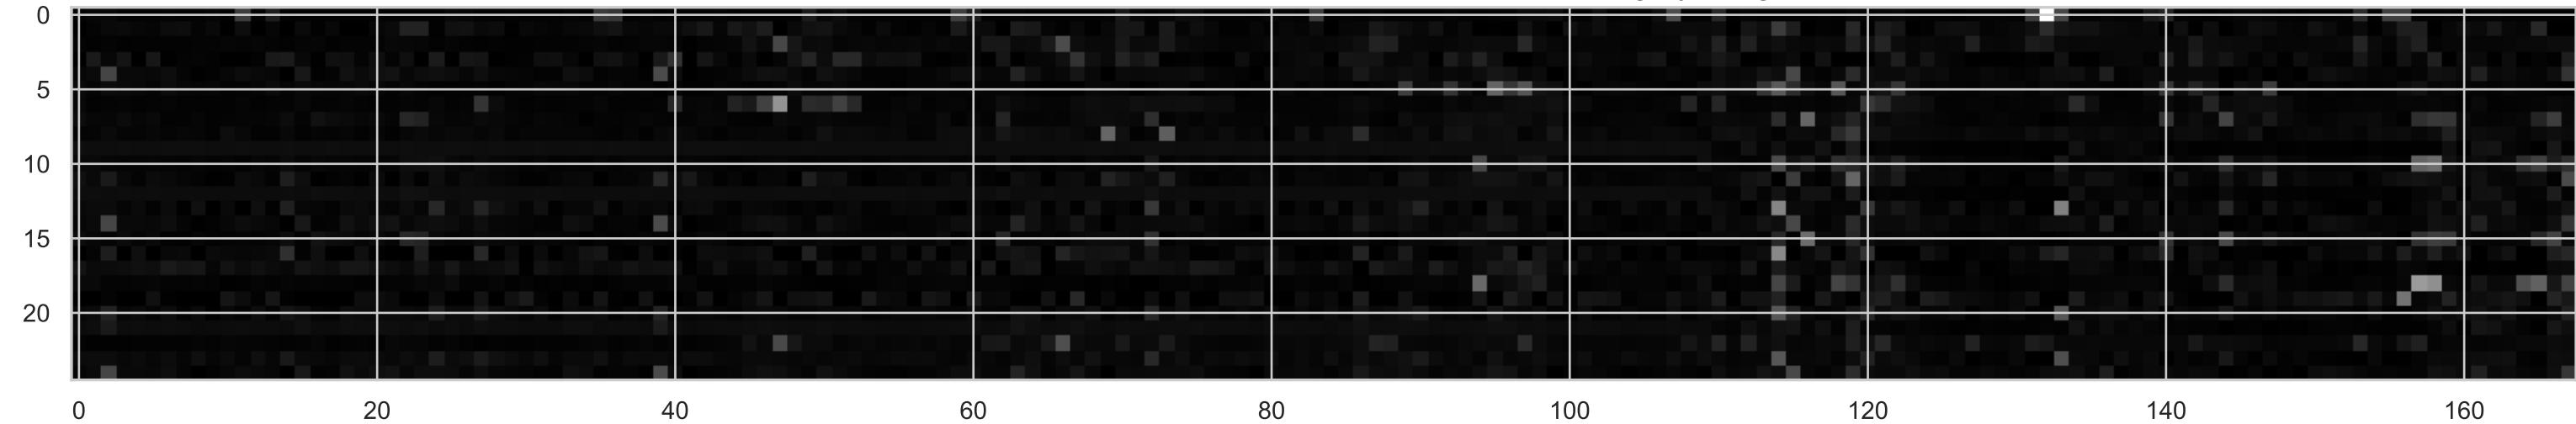

Learned Basis functions, method=Transfer SC+DD, category=fridge

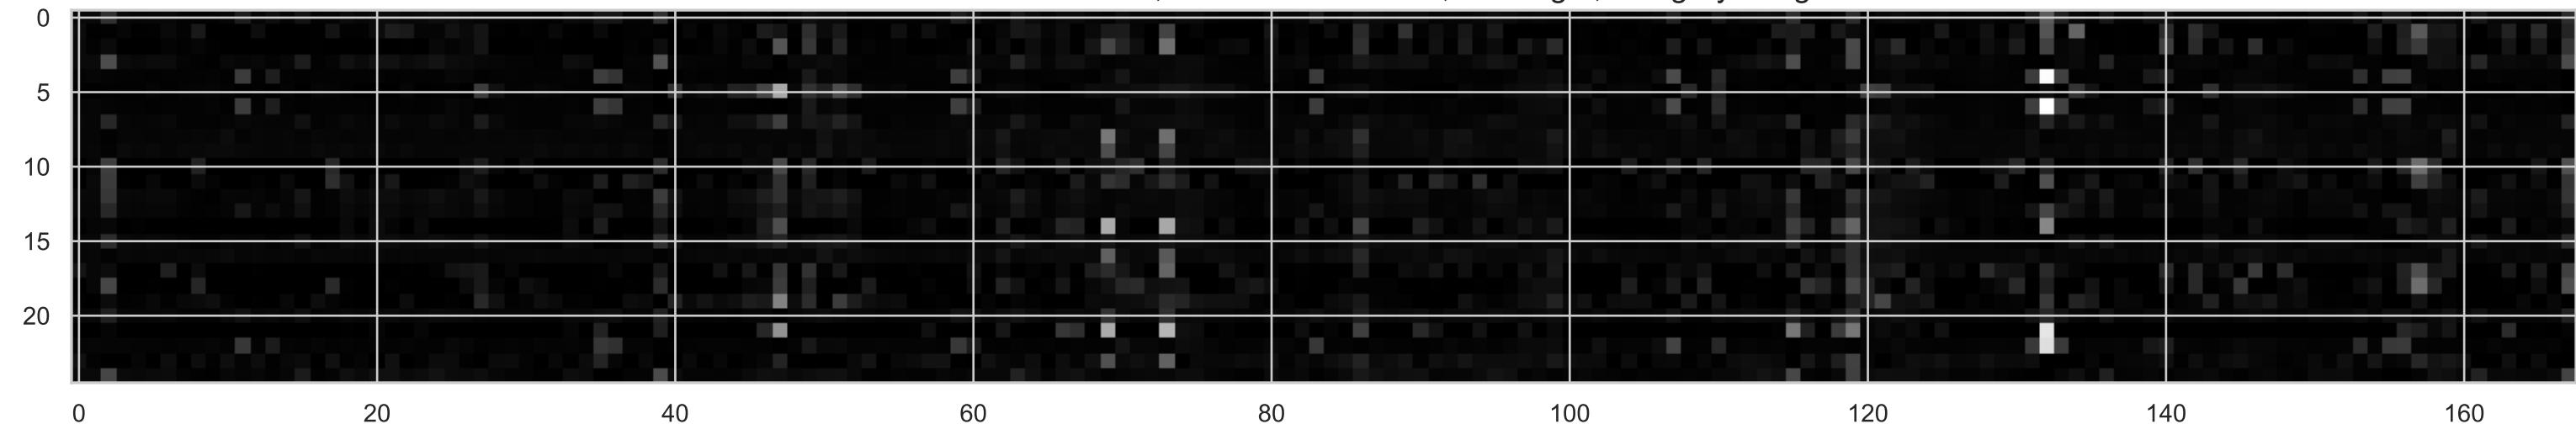

## Week 8

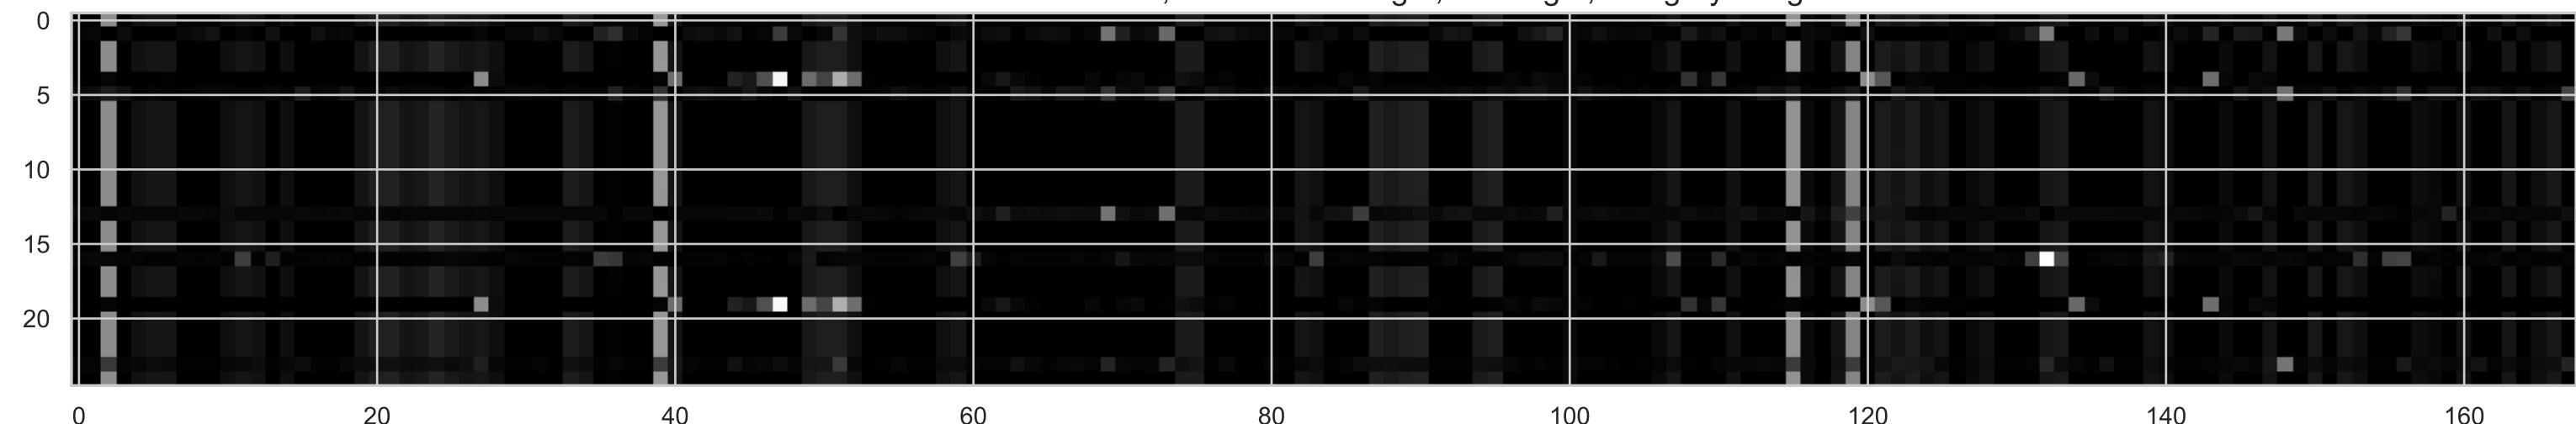

Learned Basis functions, method=SC mix, DD mix, category=fridge

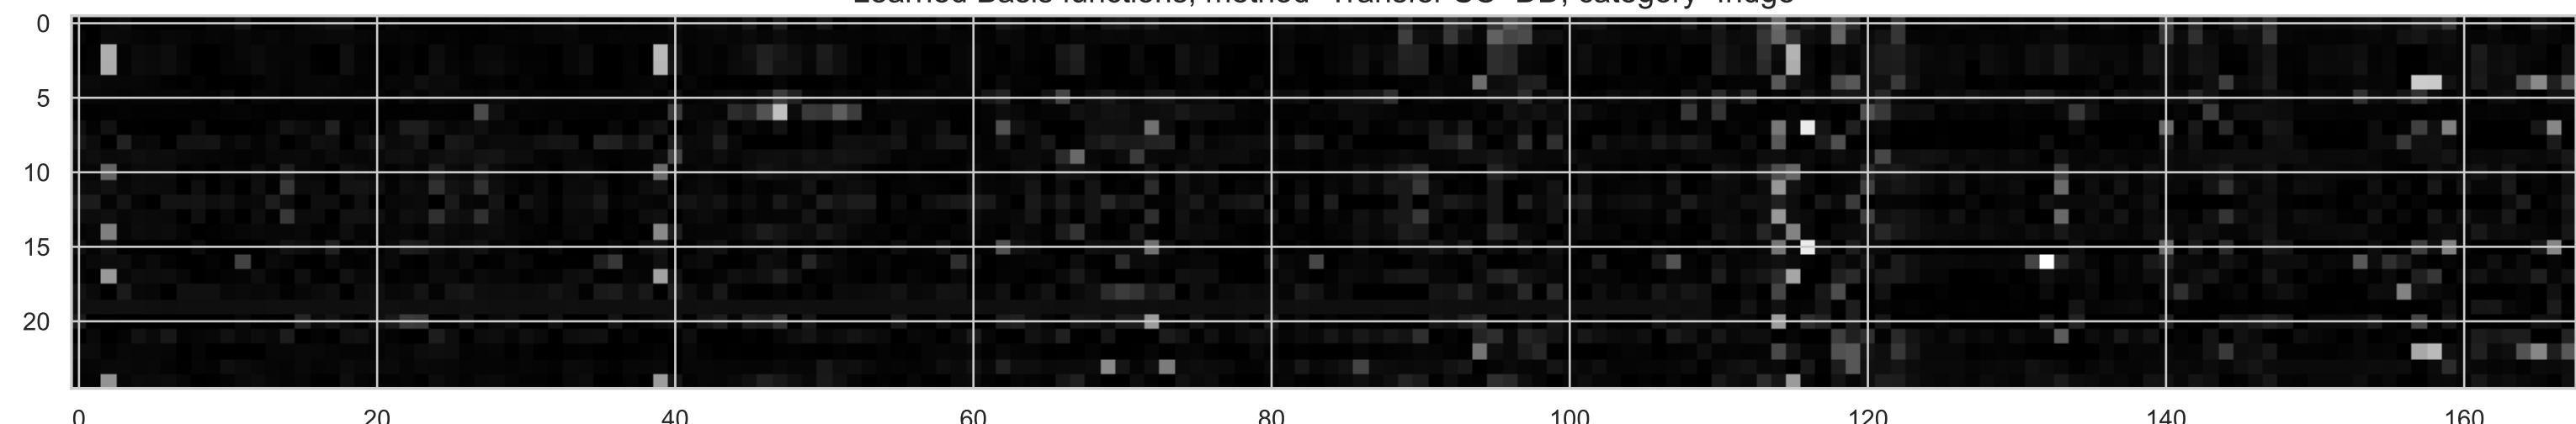

Learned Basis functions, method=SC source, DD target, category=fridge

Learned Basis functions, method=SC target, DD target, category=fridge

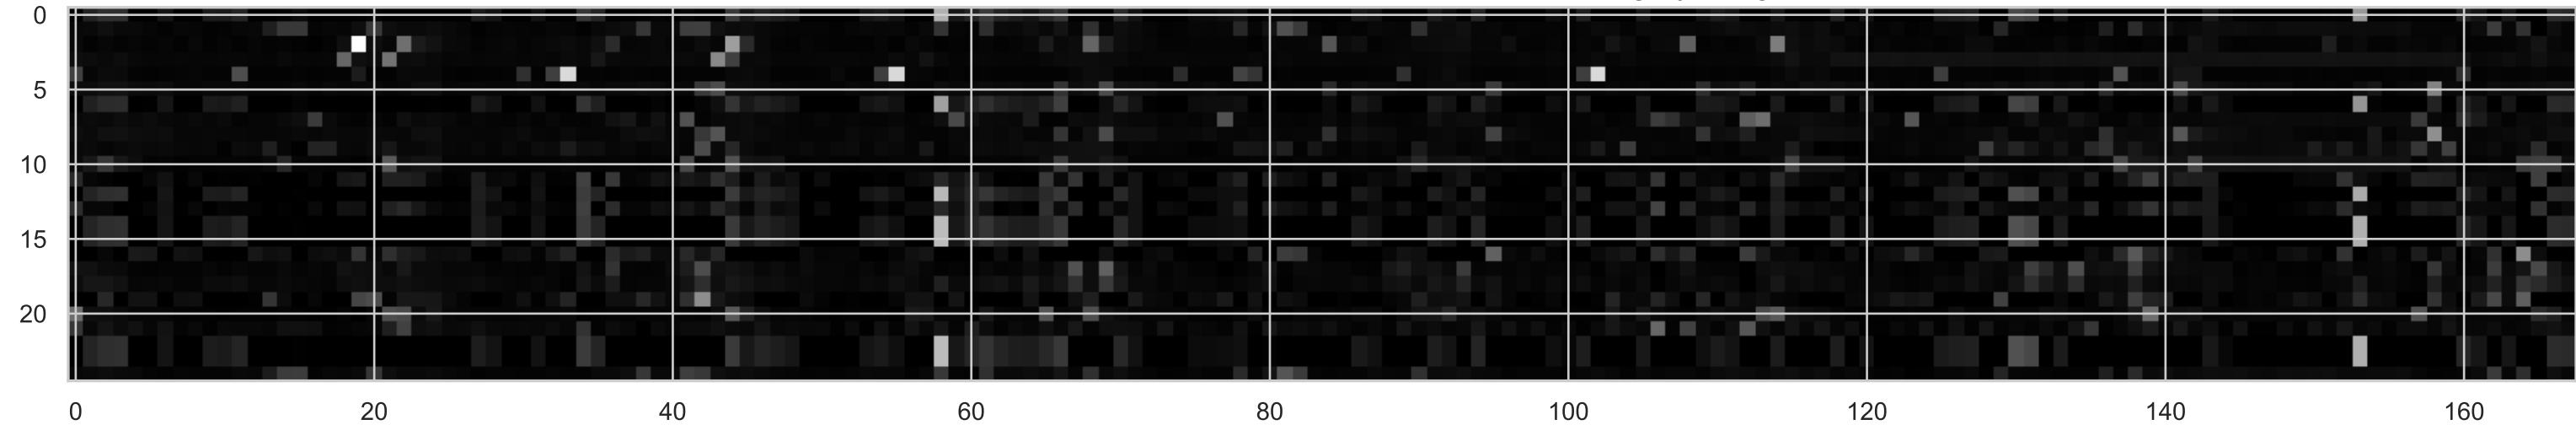

Learned Basis functions, method=Transfer SC+DD, category=fridge

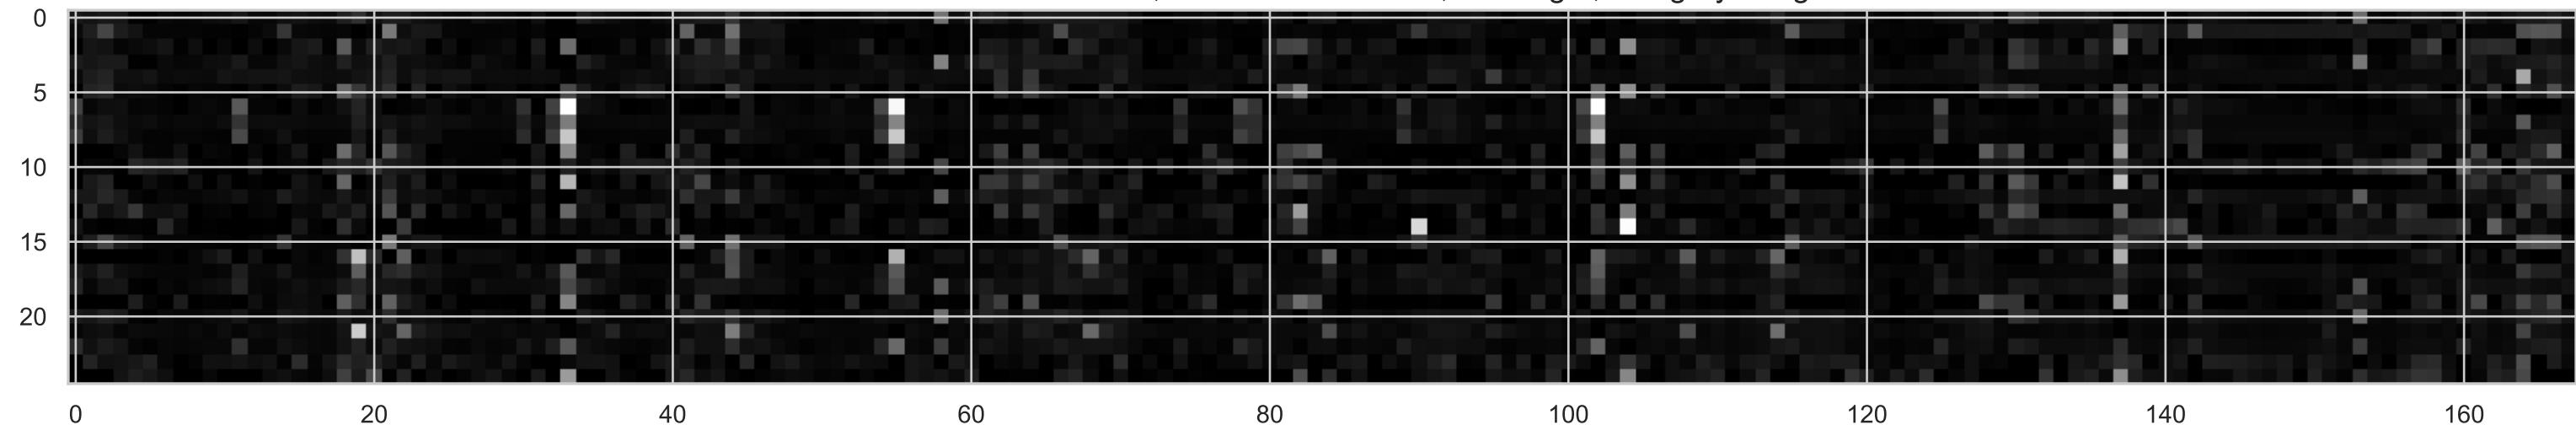

# Week 9

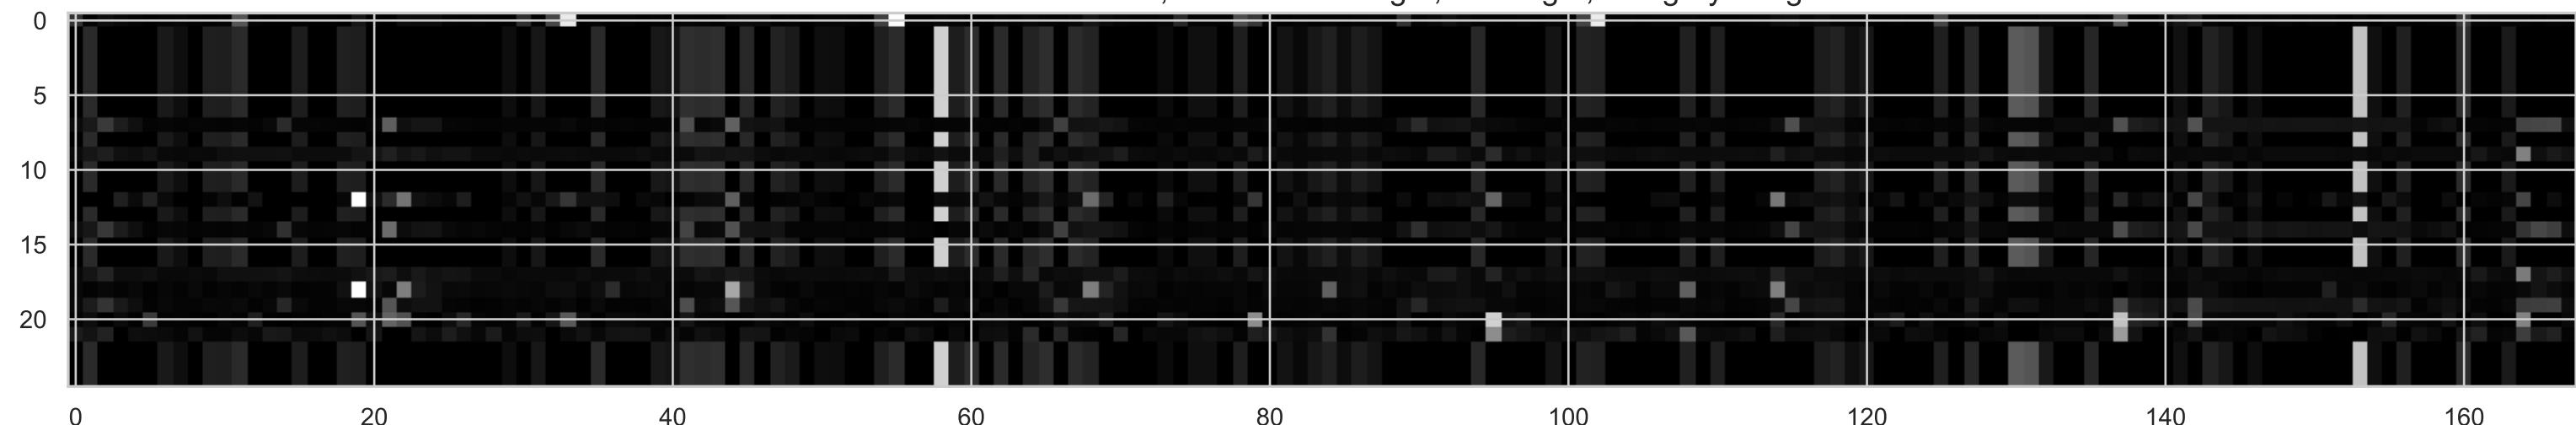

Learned Basis functions, method=SC mix, DD mix, category=fridge

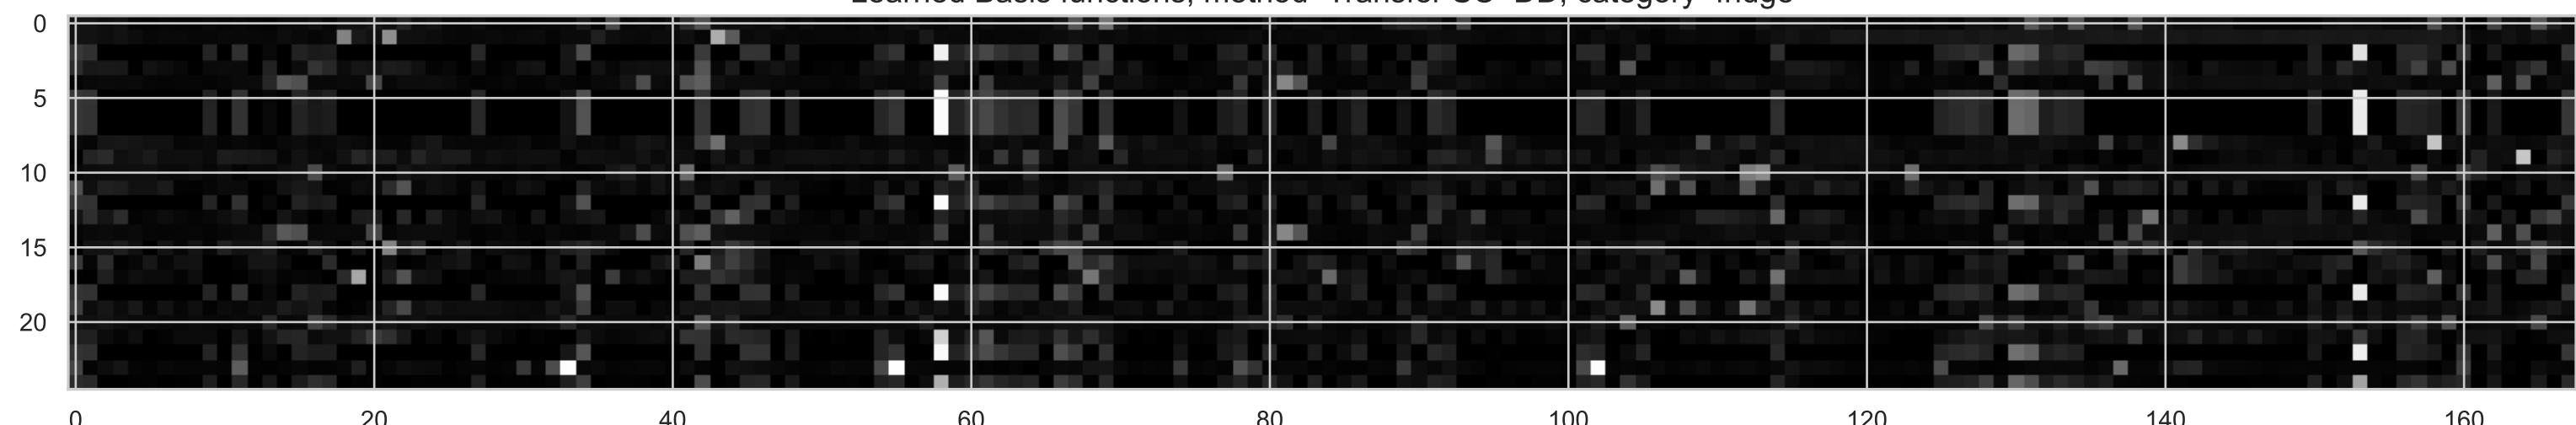

Learned Basis functions, method=SC source, DD target, category=fridge

Learned Basis functions, method=SC target, DD target, category=fridge

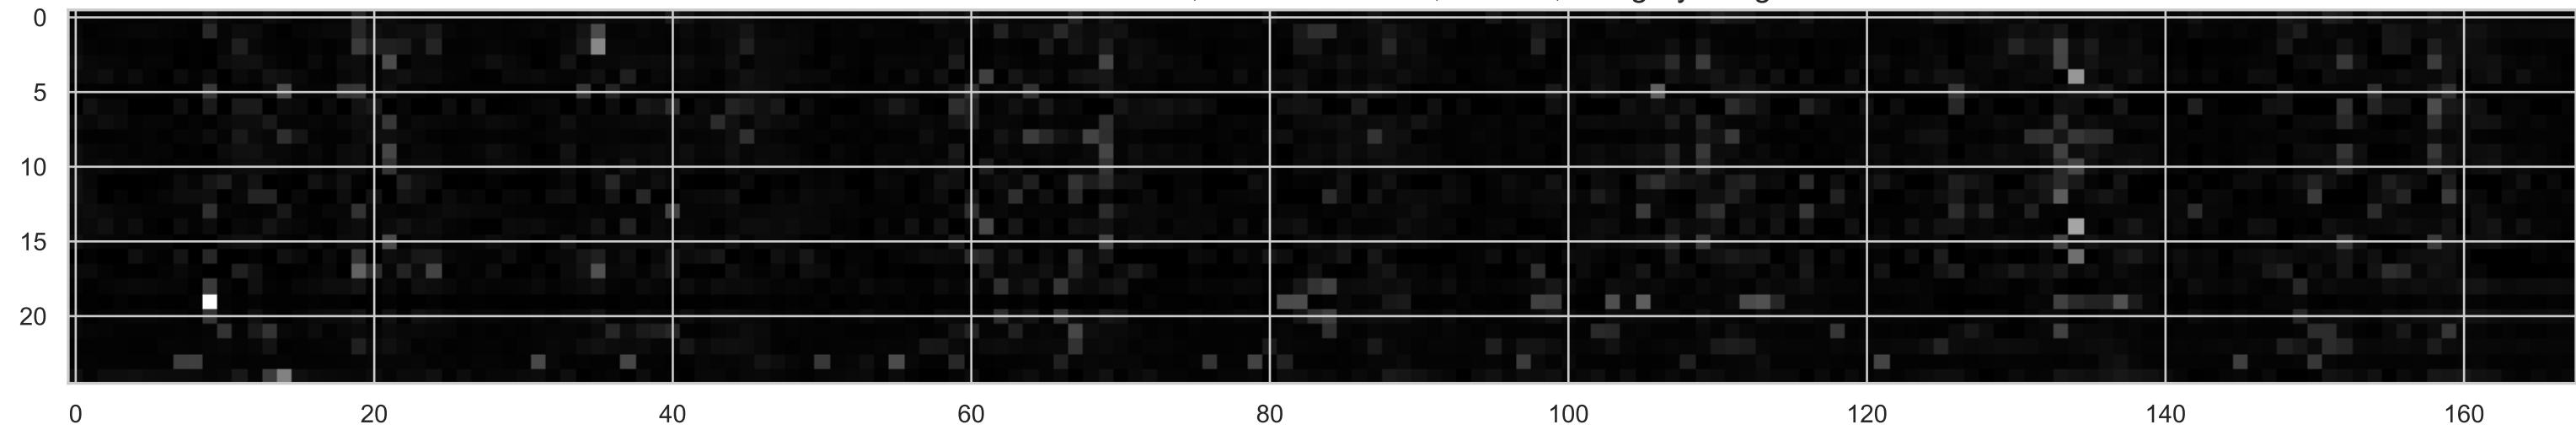

Learned Basis functions, method=Transfer SC+DD, category=fridge

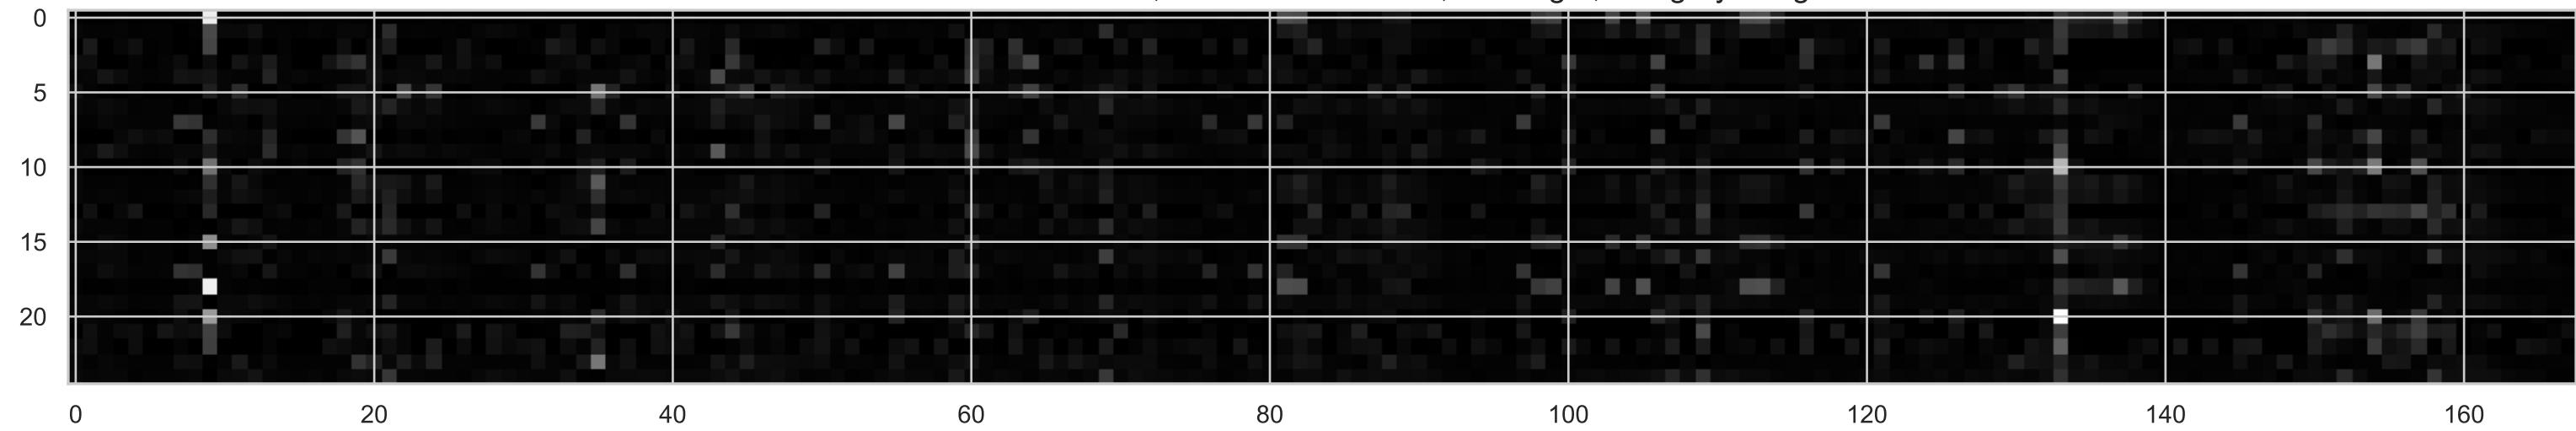

# Week 10

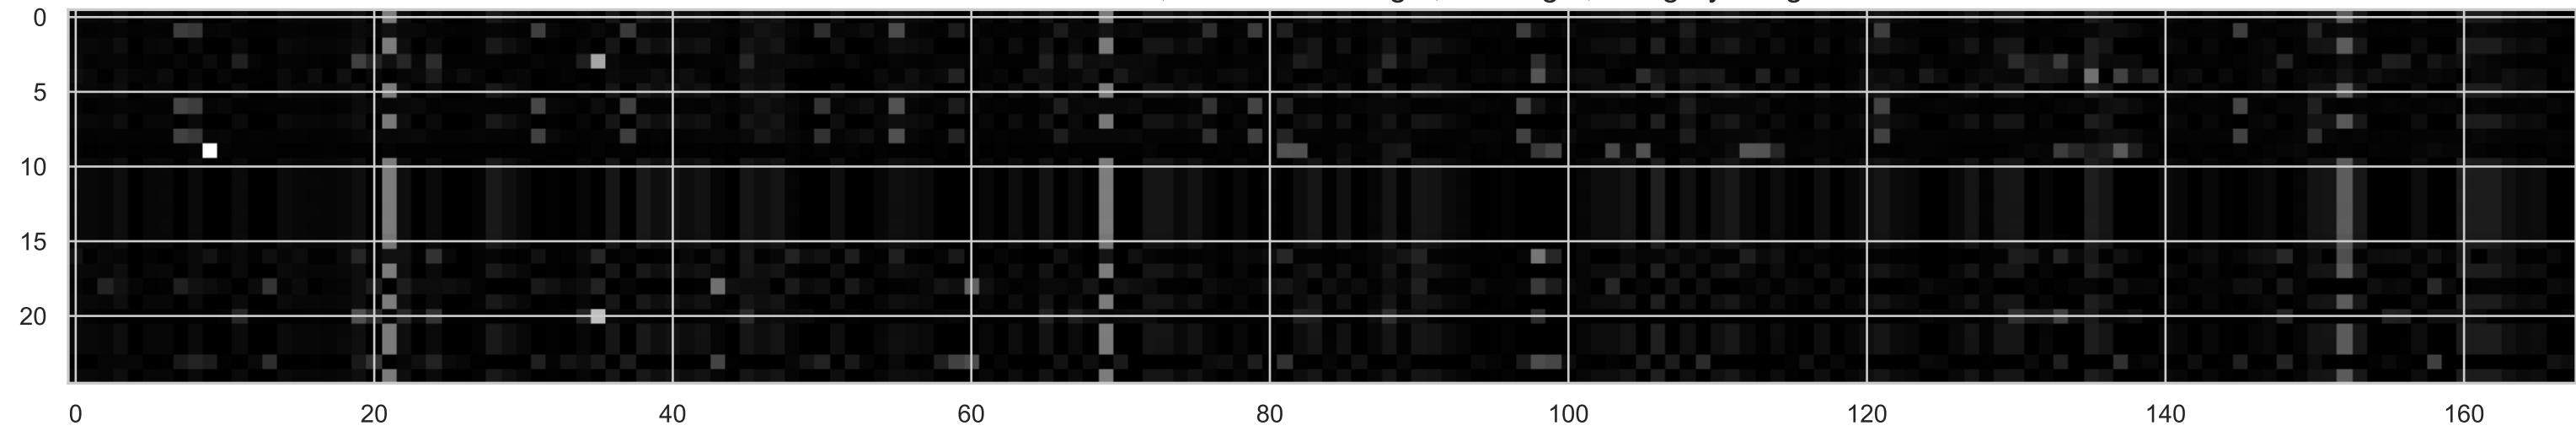

Learned Basis functions, method=SC mix, DD mix, category=fridge

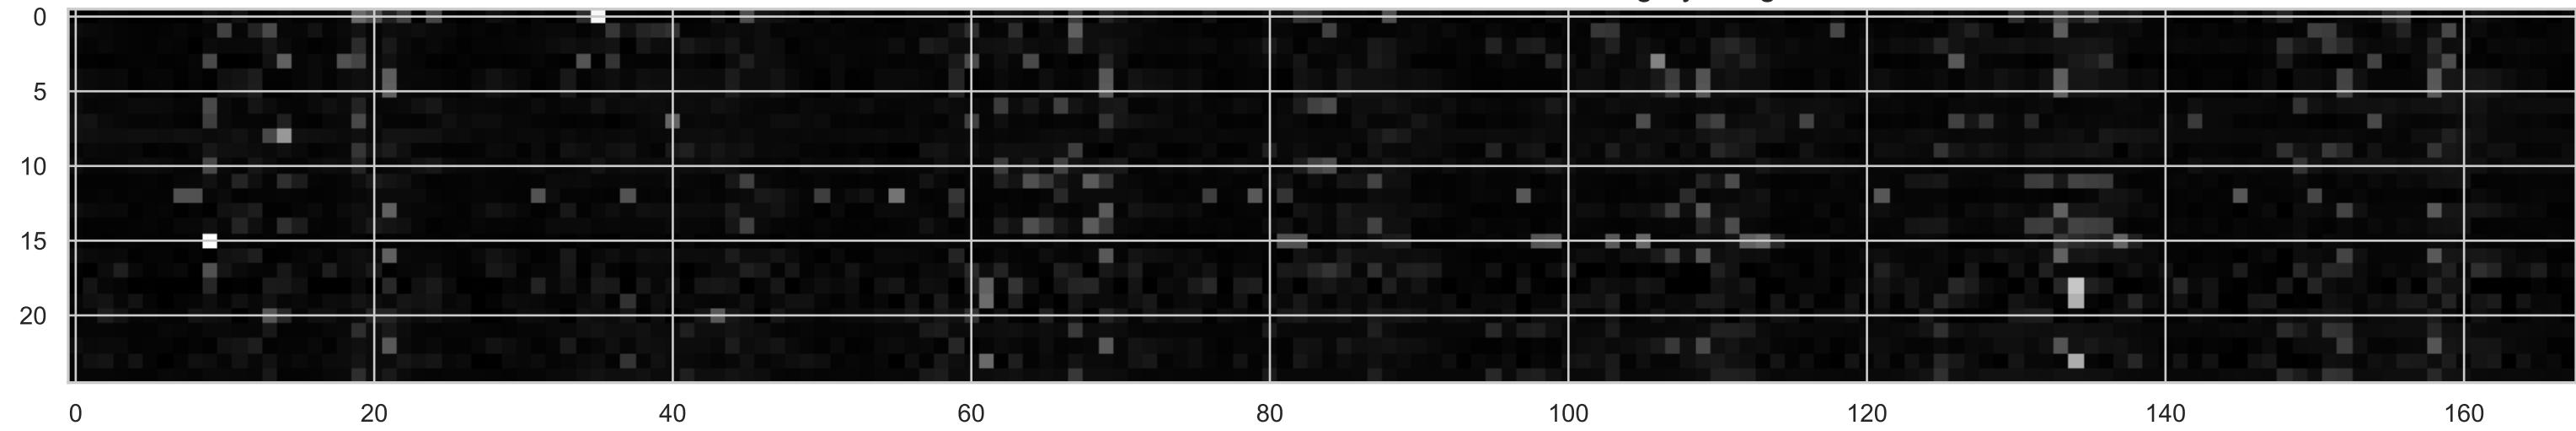

Learned Basis functions, method=SC source, DD target, category=fridge

Learned Basis functions, method=SC target, DD target, category=fridge

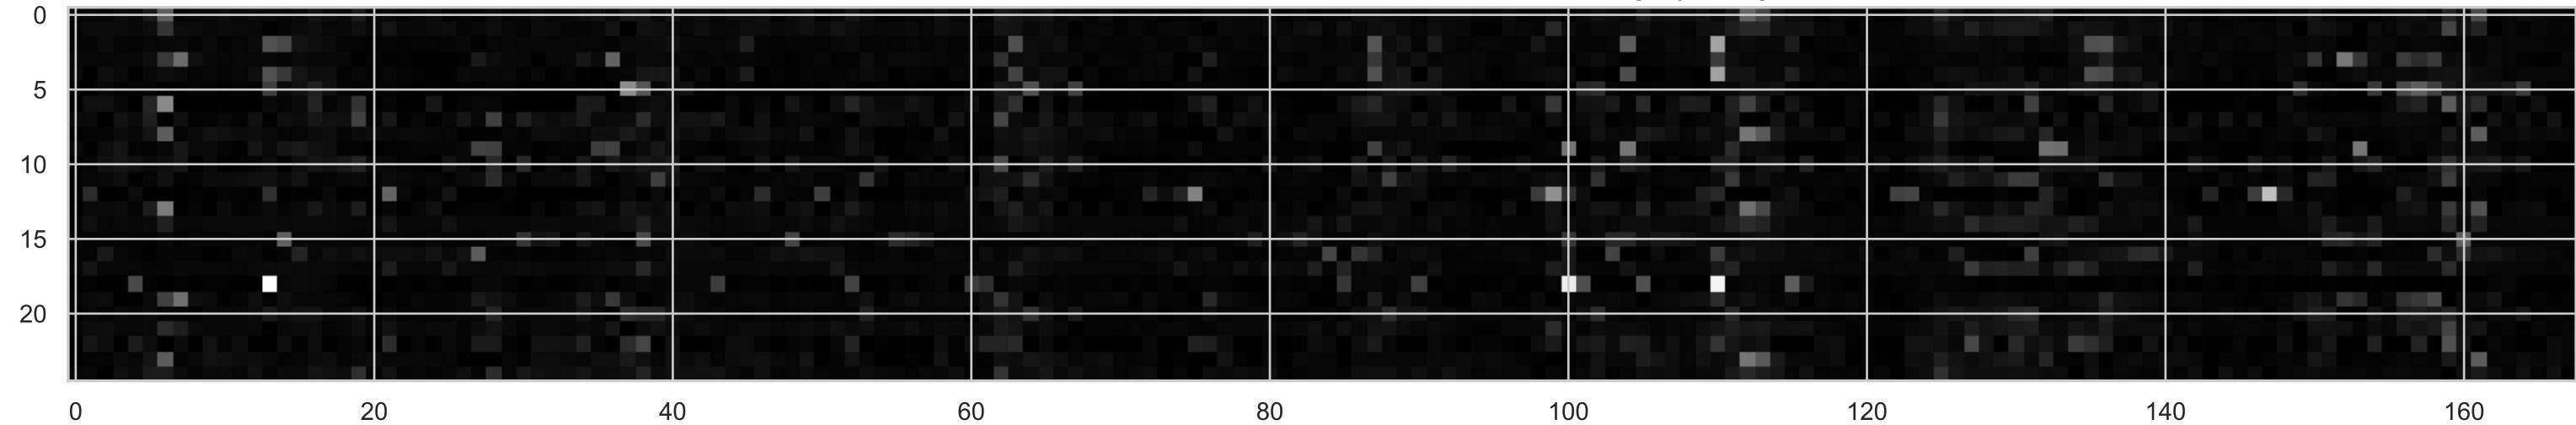

Learned Basis functions, method=Transfer SC+DD, category=fridge

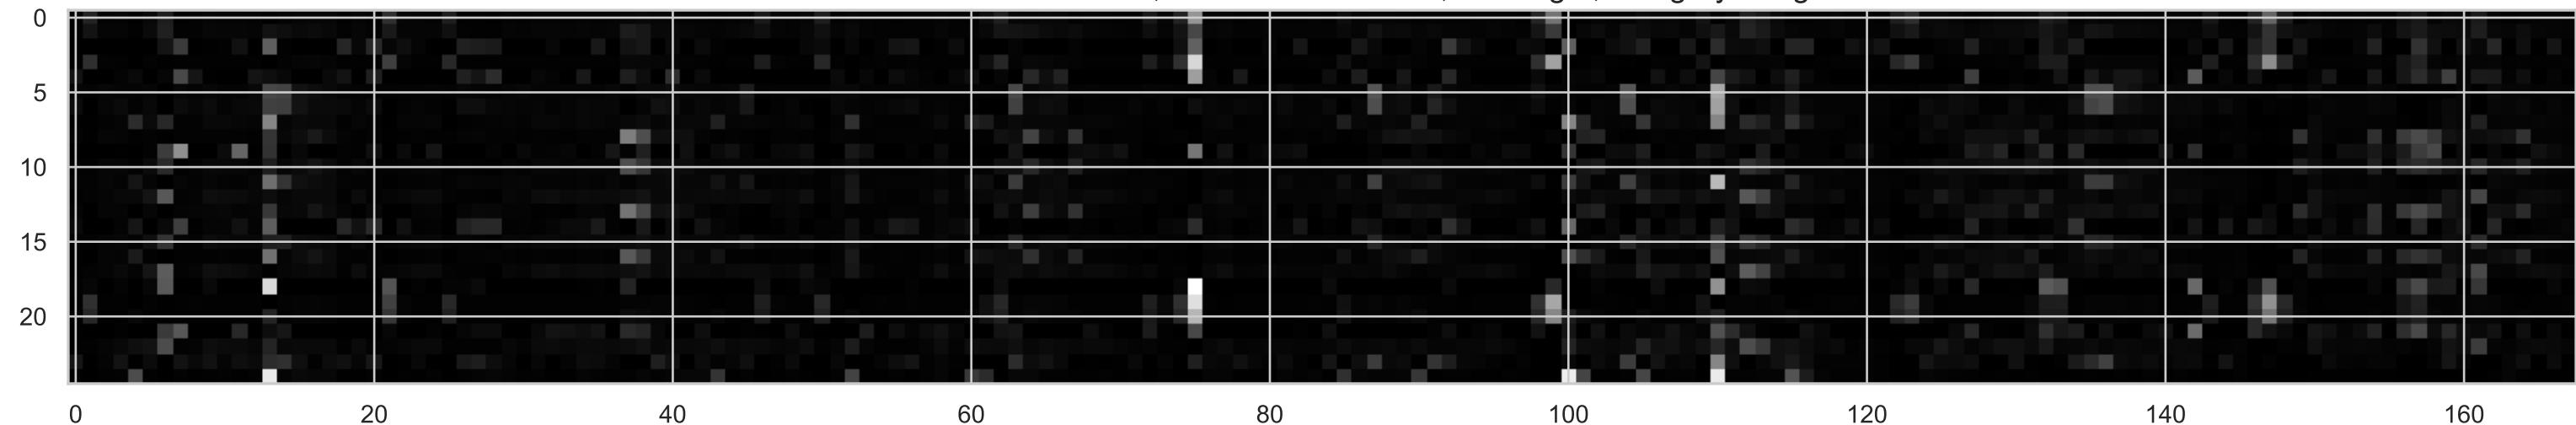

# Week 11

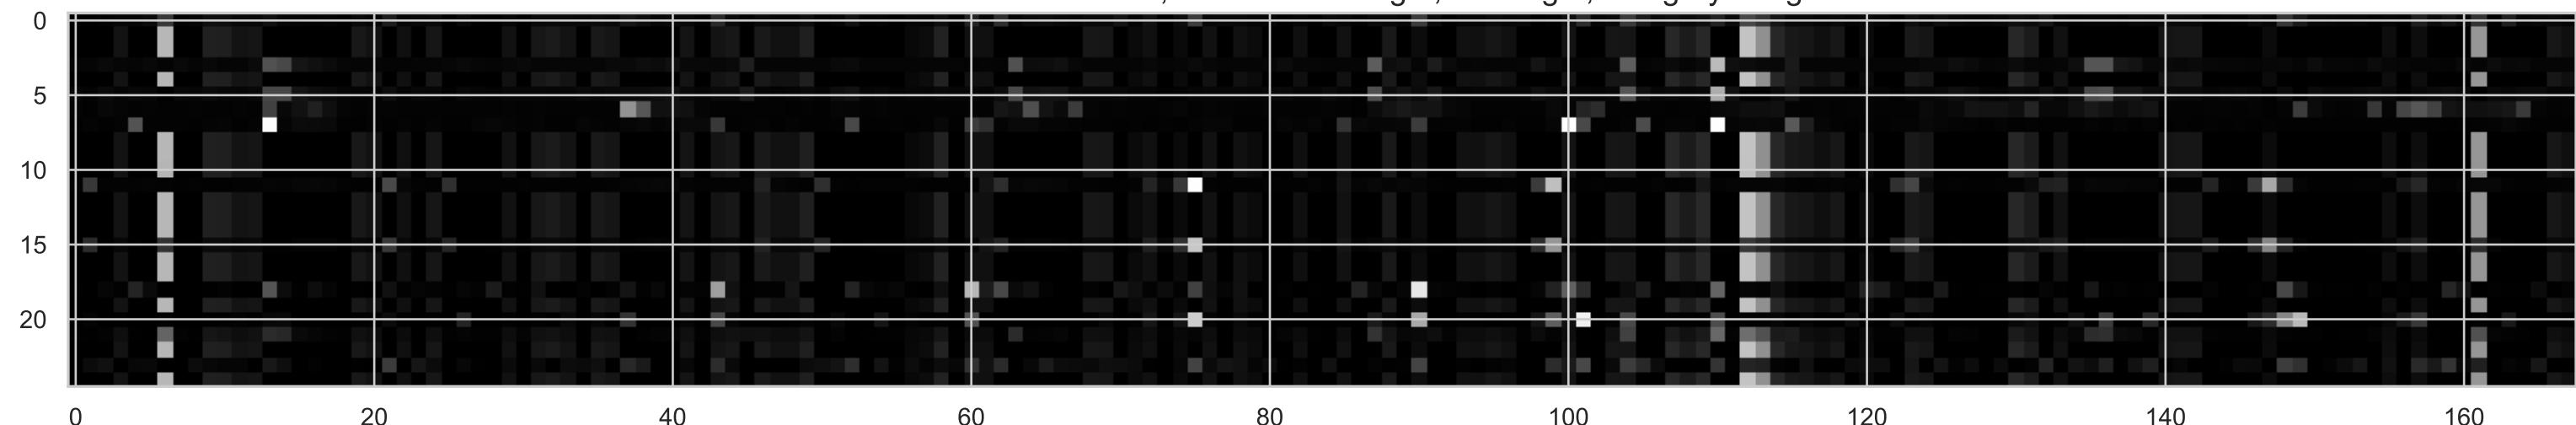

Learned Basis functions, method=SC mix, DD mix, category=fridge

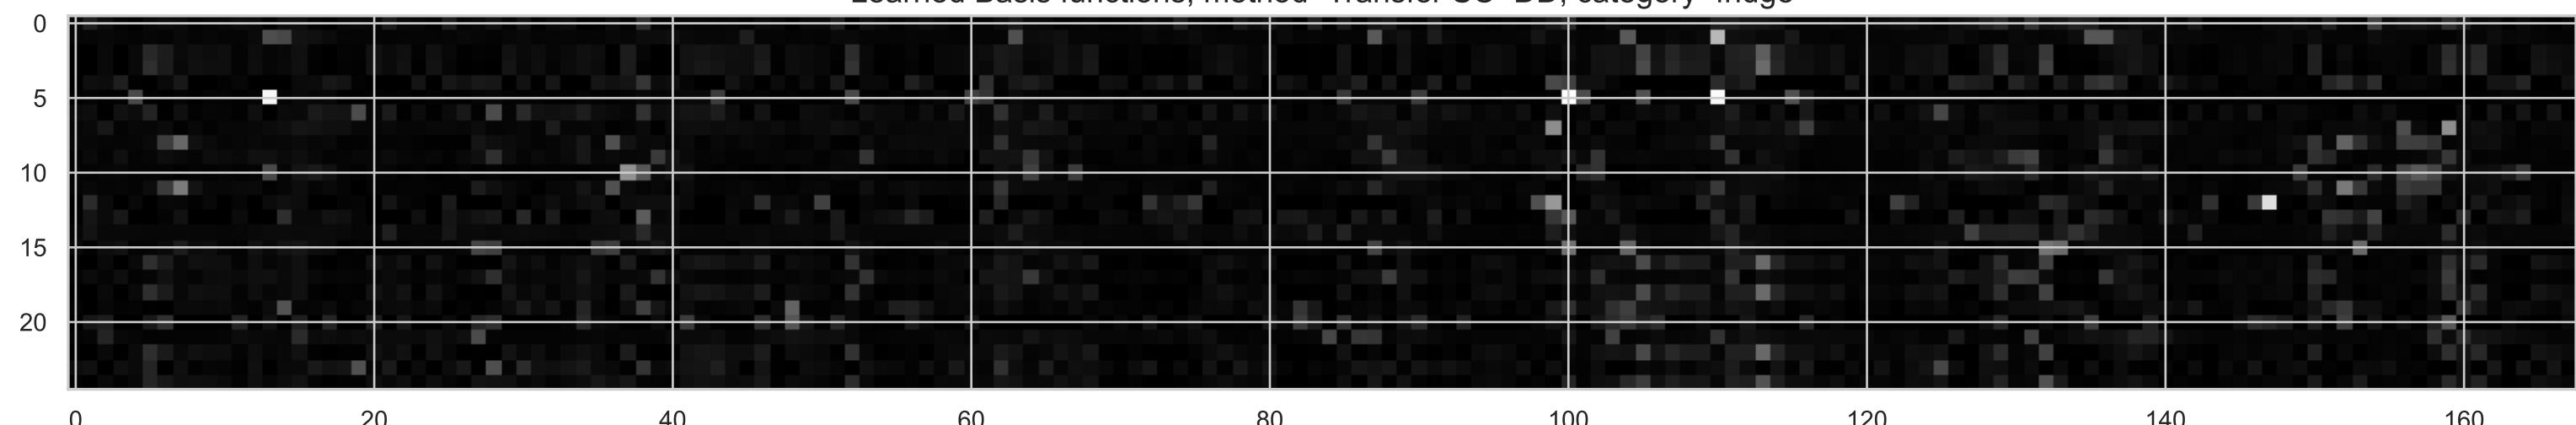

Learned Basis functions, method=SC source, DD target, category=fridge

Learned Basis functions, method=SC target, DD target, category=fridge

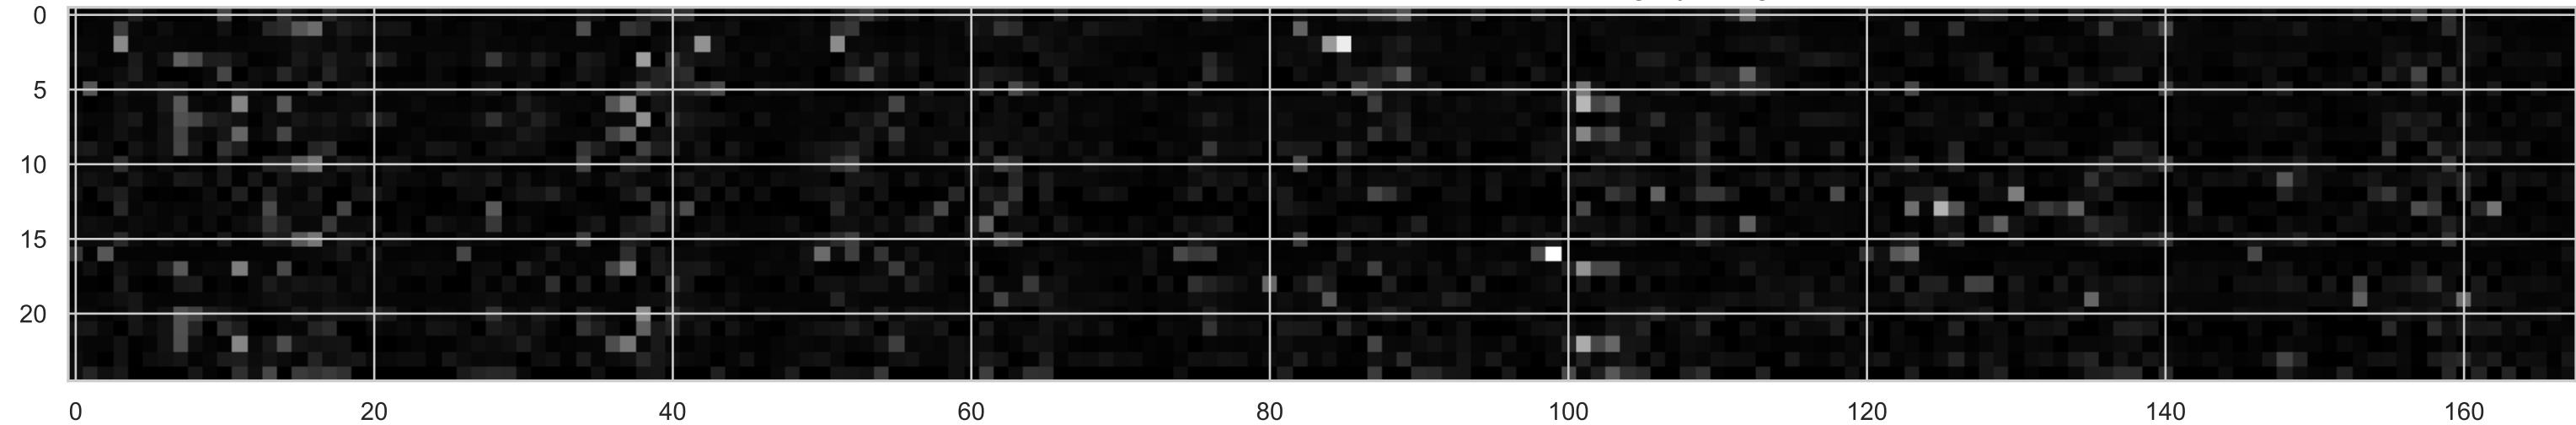

Learned Basis functions, method=Transfer SC+DD, category=fridge

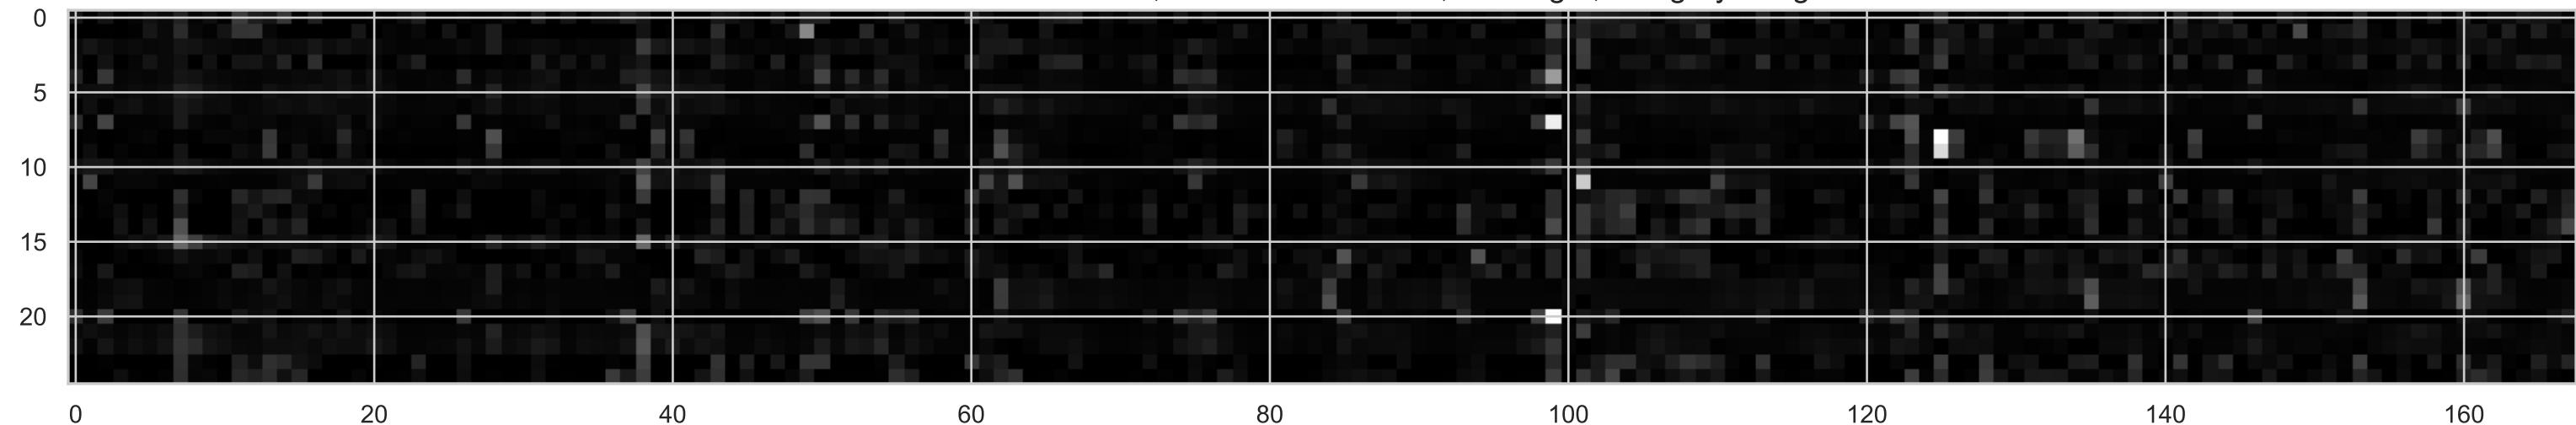

## Week 12

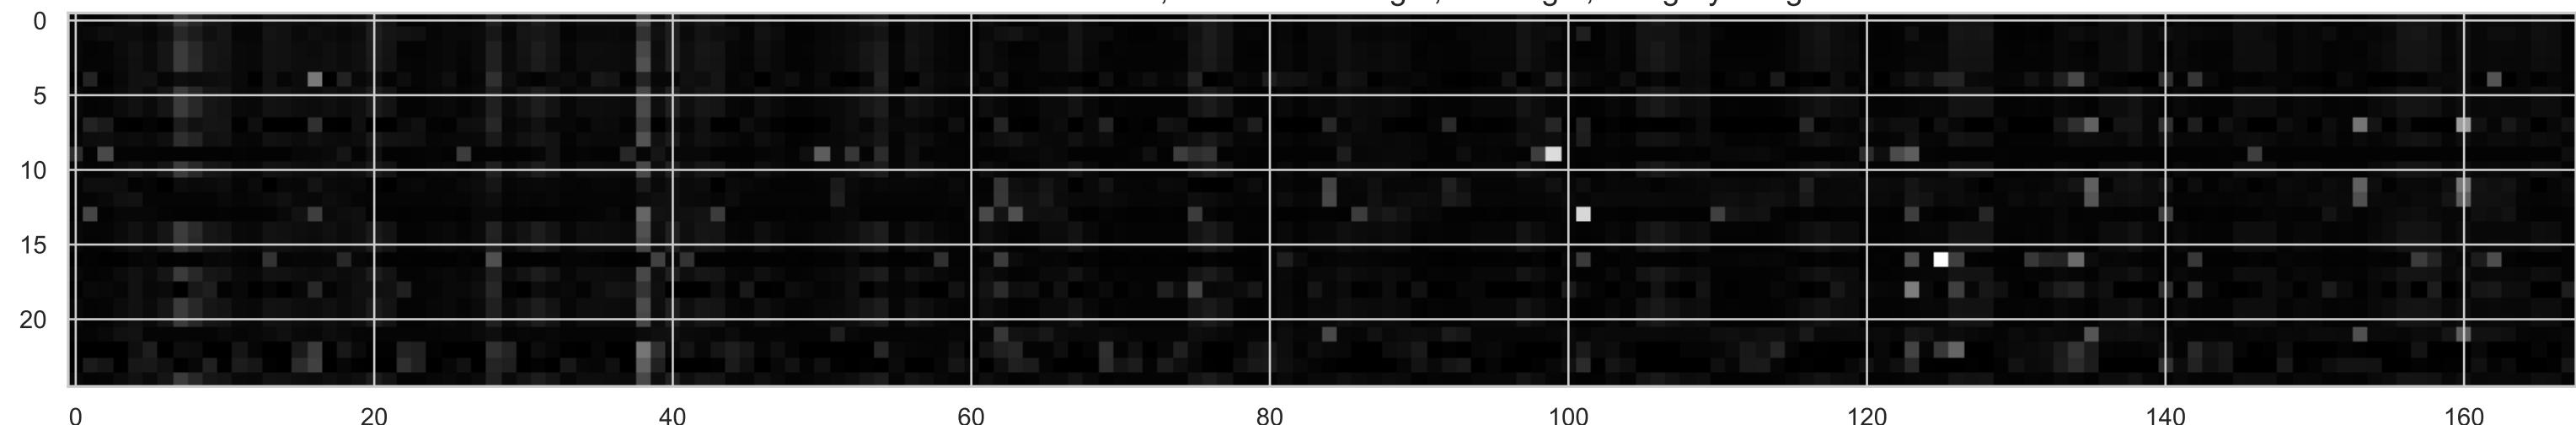

Learned Basis functions, method=SC mix, DD mix, category=fridge

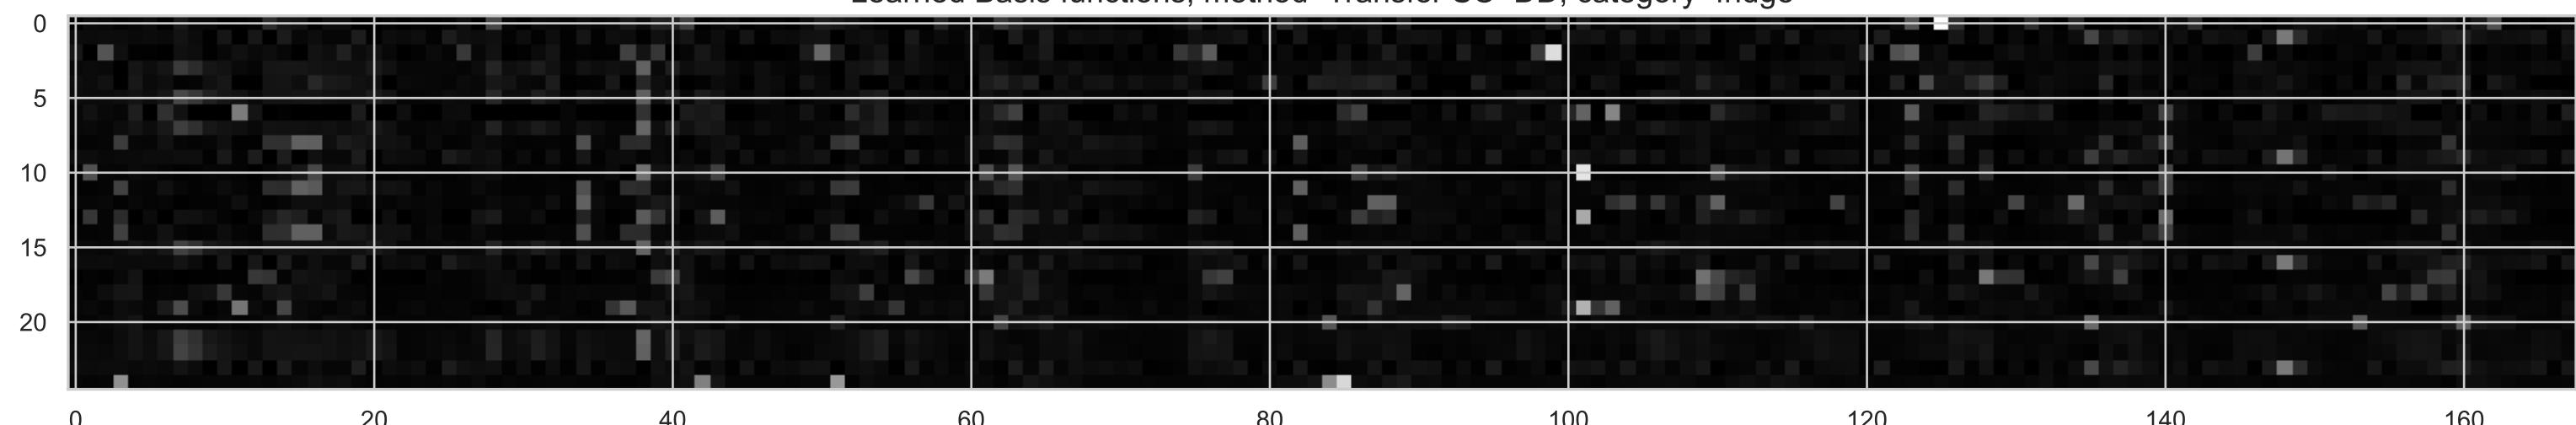

Learned Basis functions, method=SC source, DD target, category=fridge

Learned Basis functions, method=SC target, DD target, category=fridge

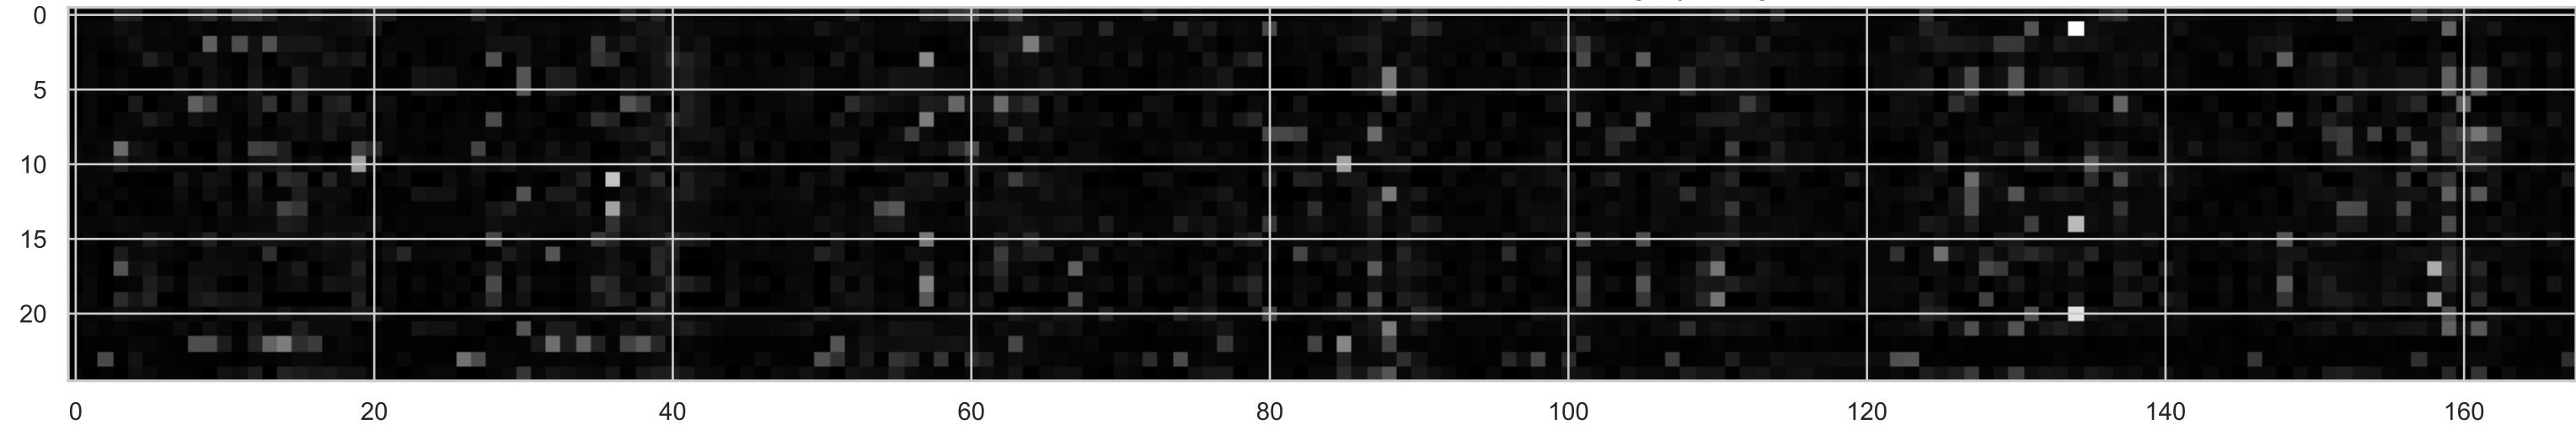

Learned Basis functions, method=Transfer SC+DD, category=fridge

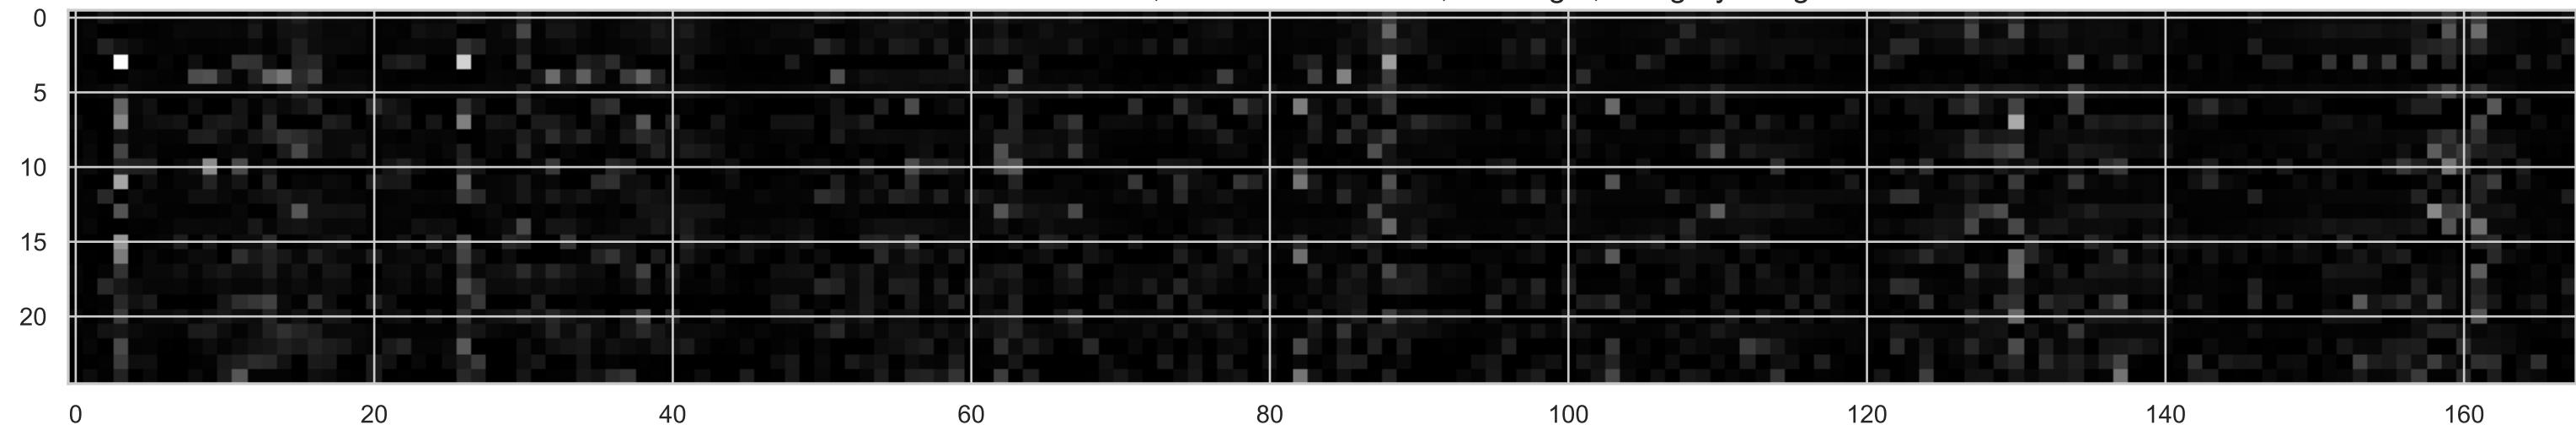

# Week 13

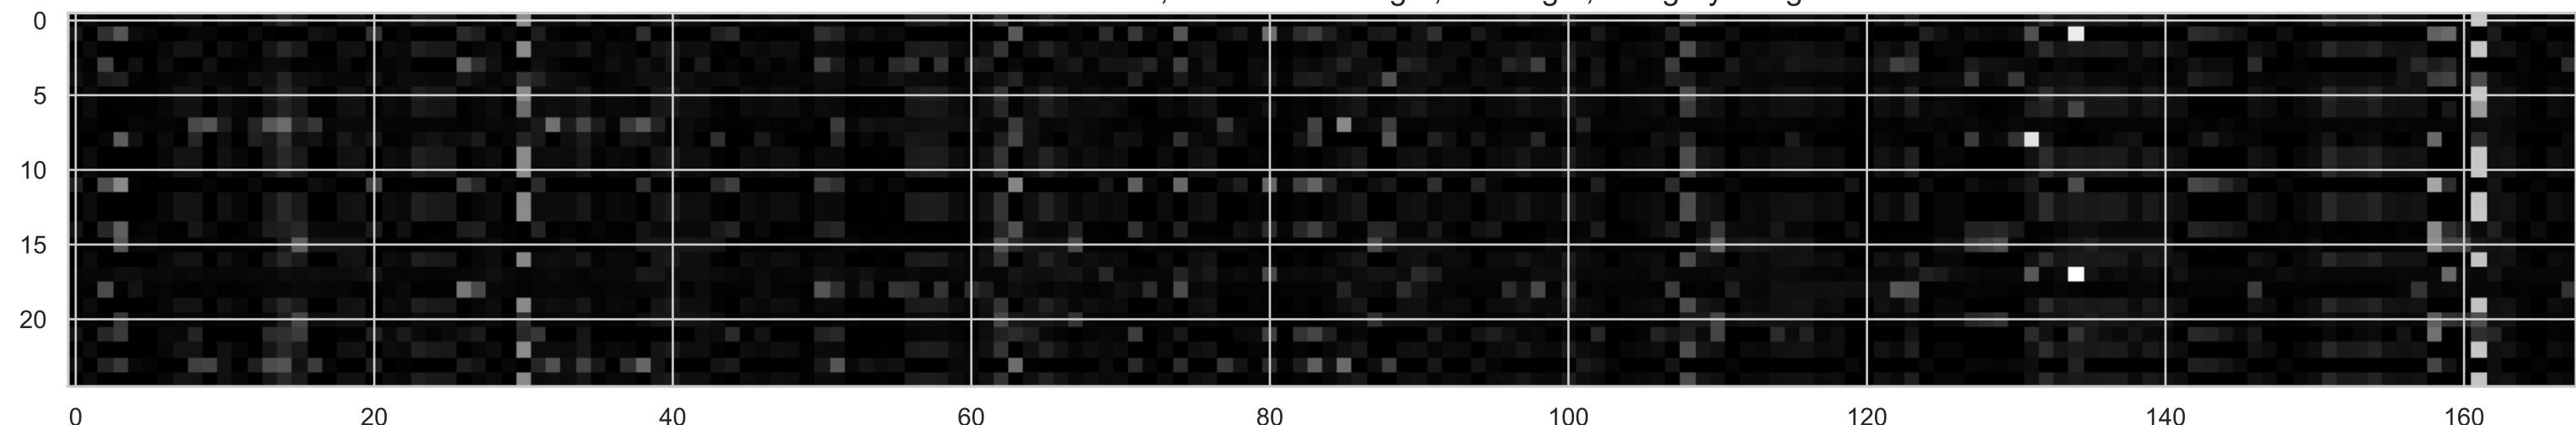

Learned Basis functions, method=SC mix, DD mix, category=fridge

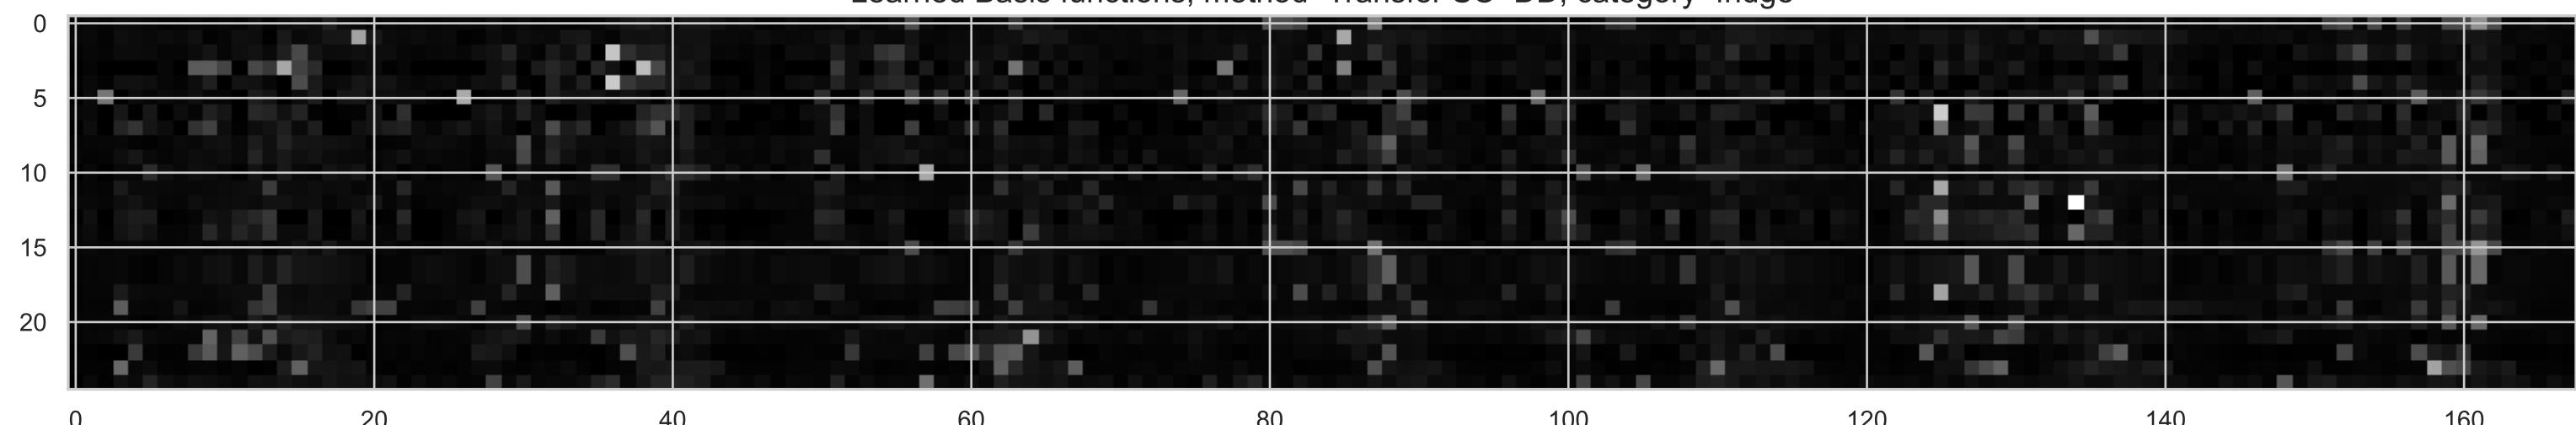

Learned Basis functions, method=SC source, DD target, category=fridge

Learned Basis functions, method=SC target, DD target, category=fridge

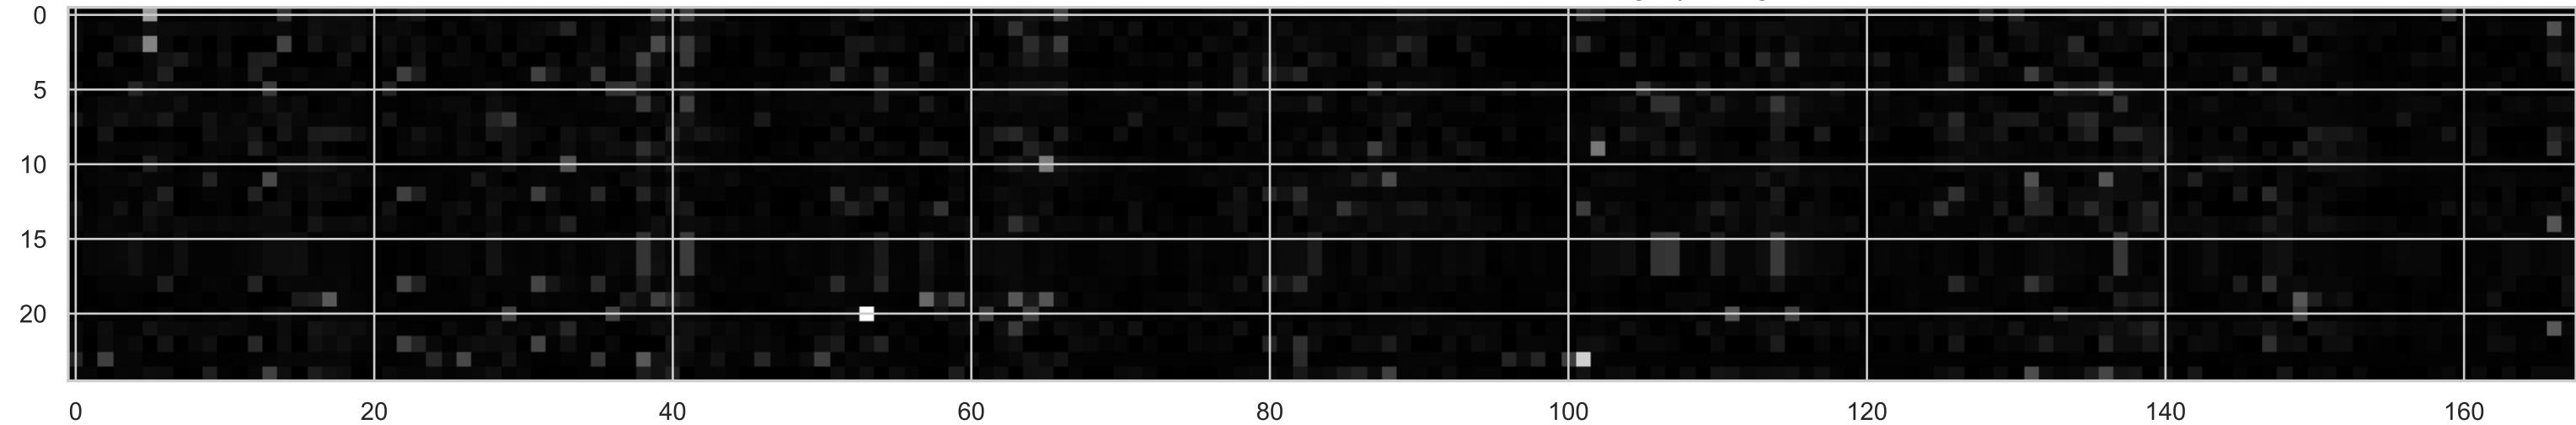

Learned Basis functions, method=Transfer SC+DD, category=fridge

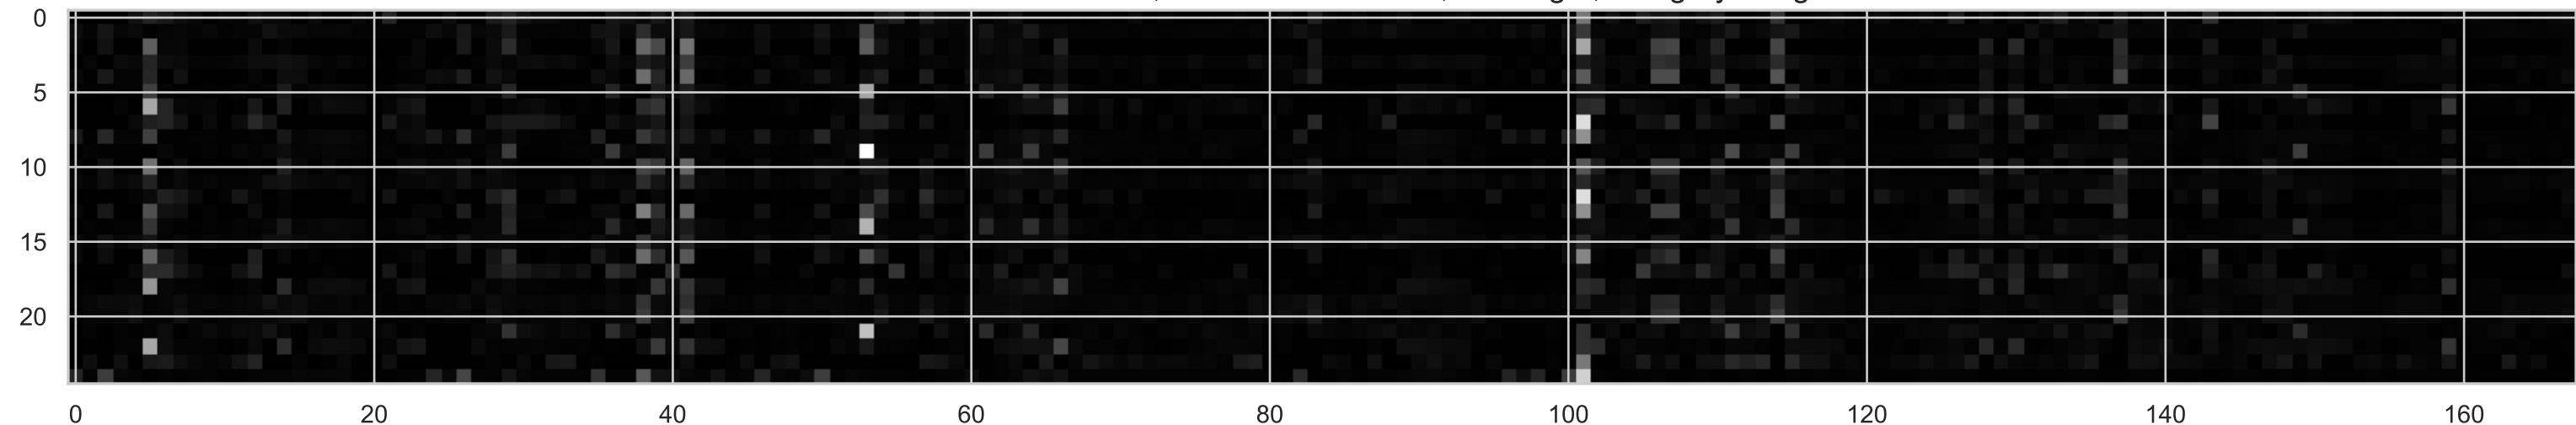

# Week 14

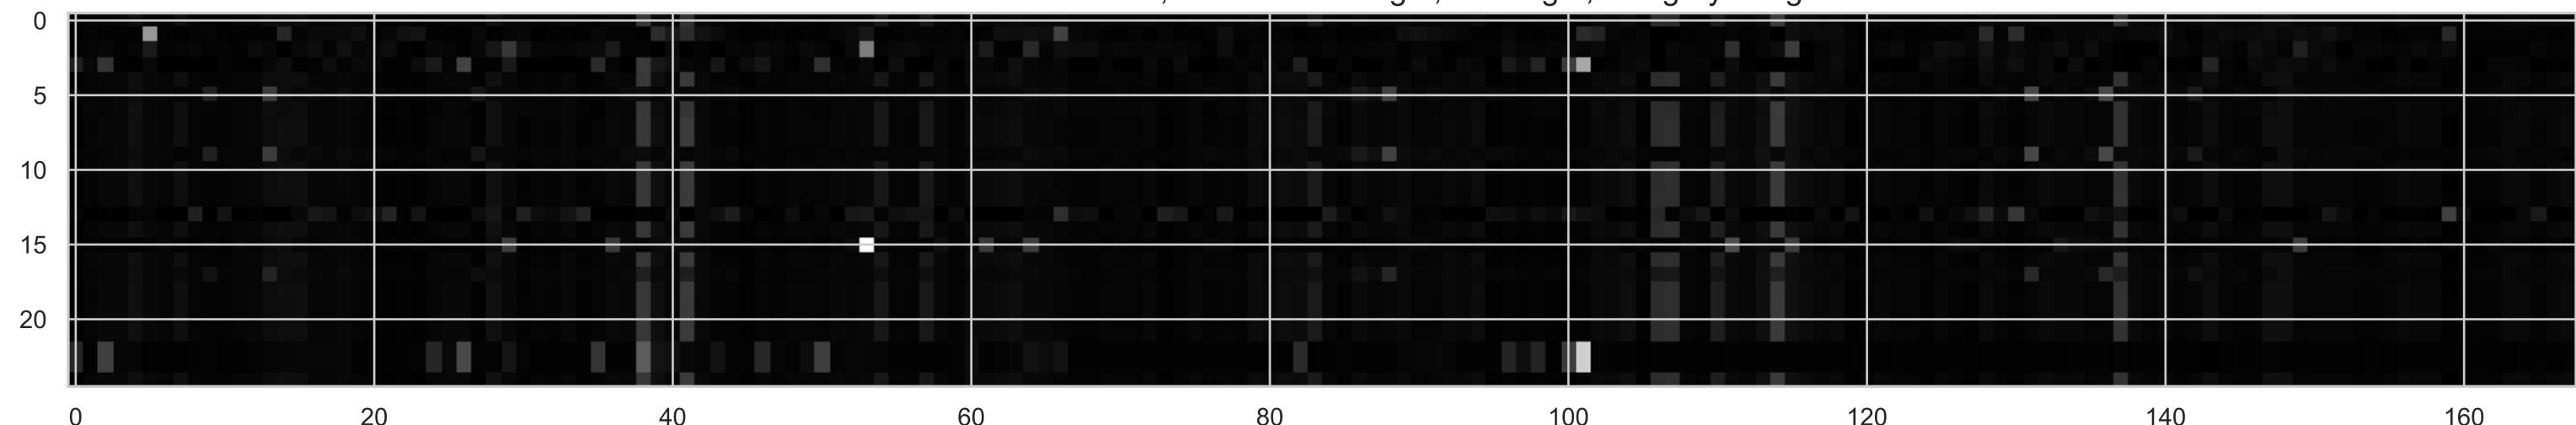

Learned Basis functions, method=SC mix, DD mix, category=fridge

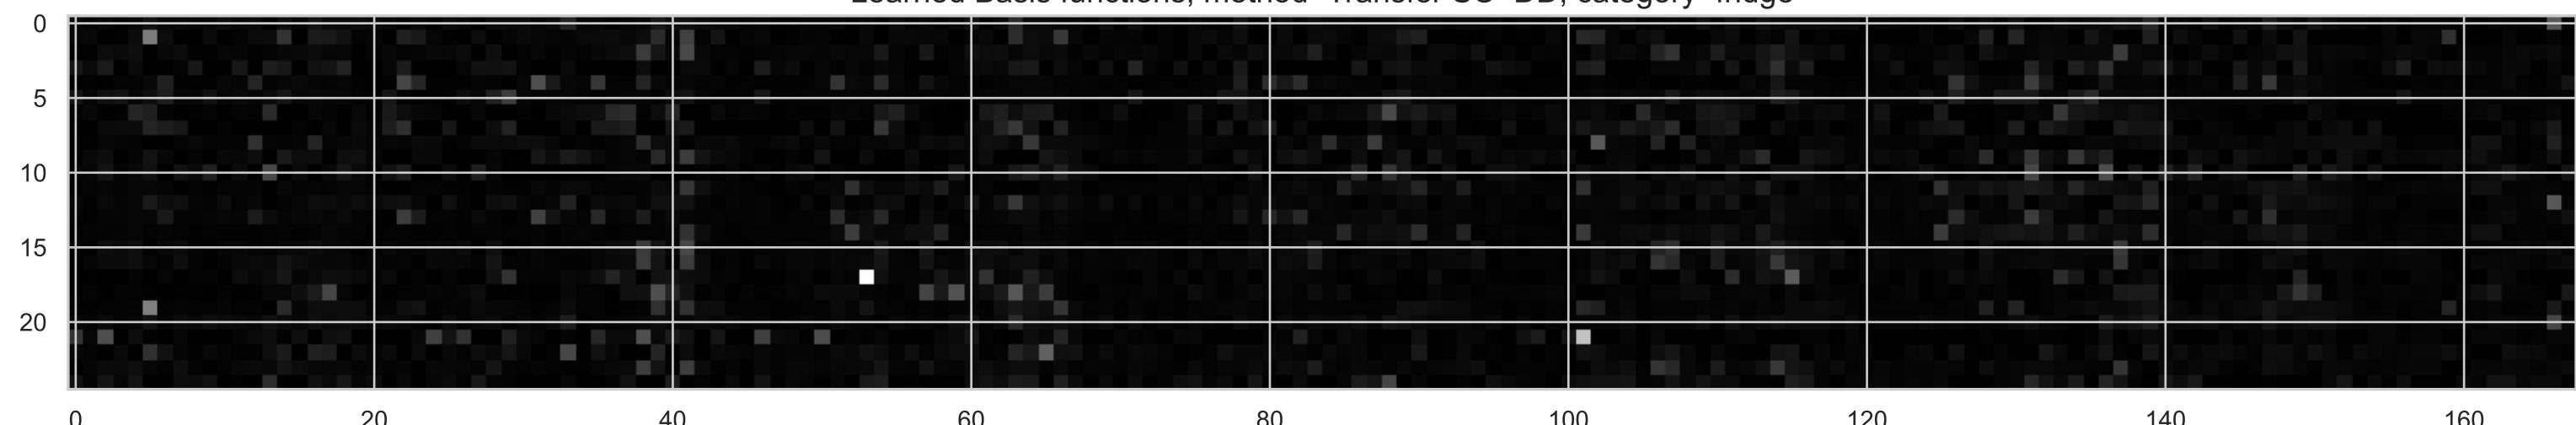

Learned Basis functions, method=SC source, DD target, category=fridge

Learned Basis functions, method=SC target, DD target, category=fridge

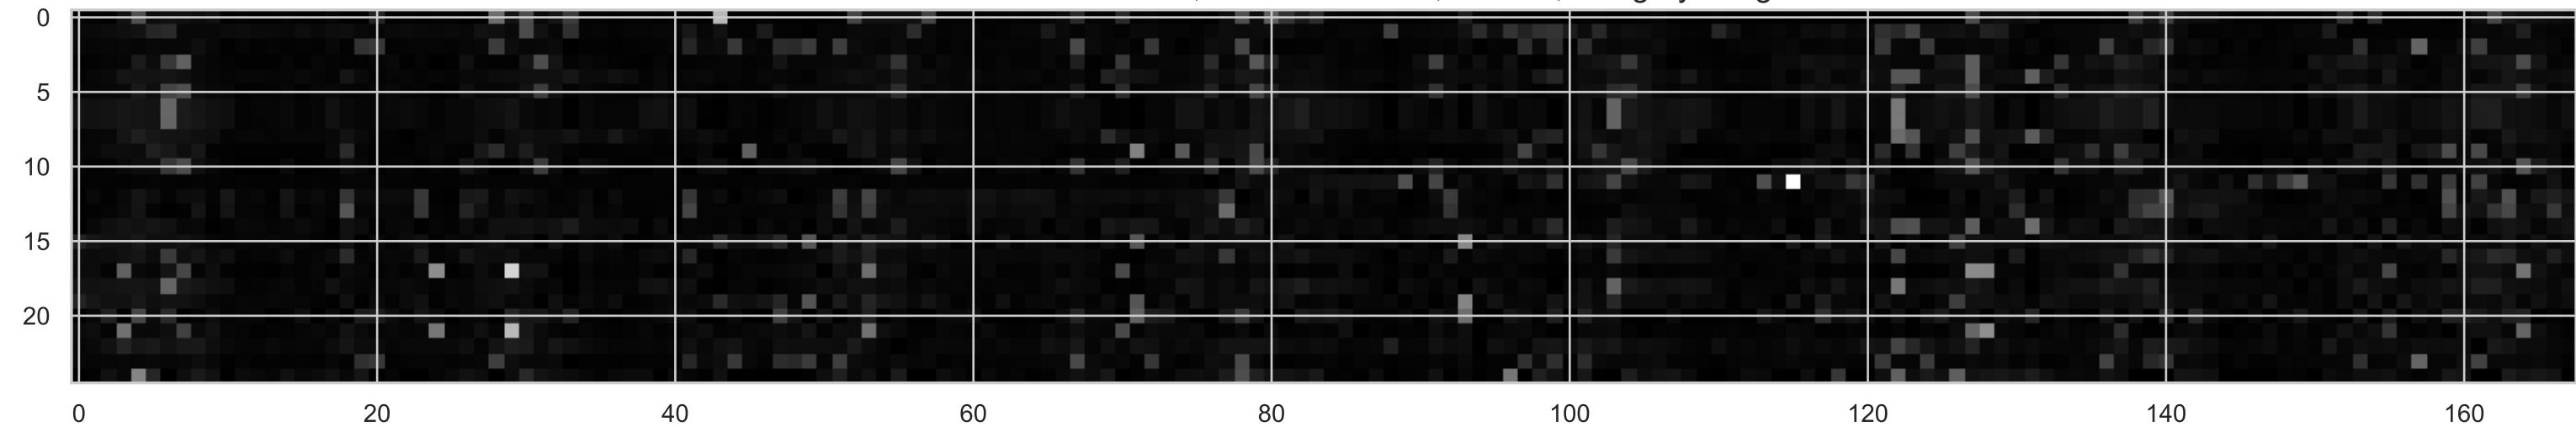

Learned Basis functions, method=Transfer SC+DD, category=fridge

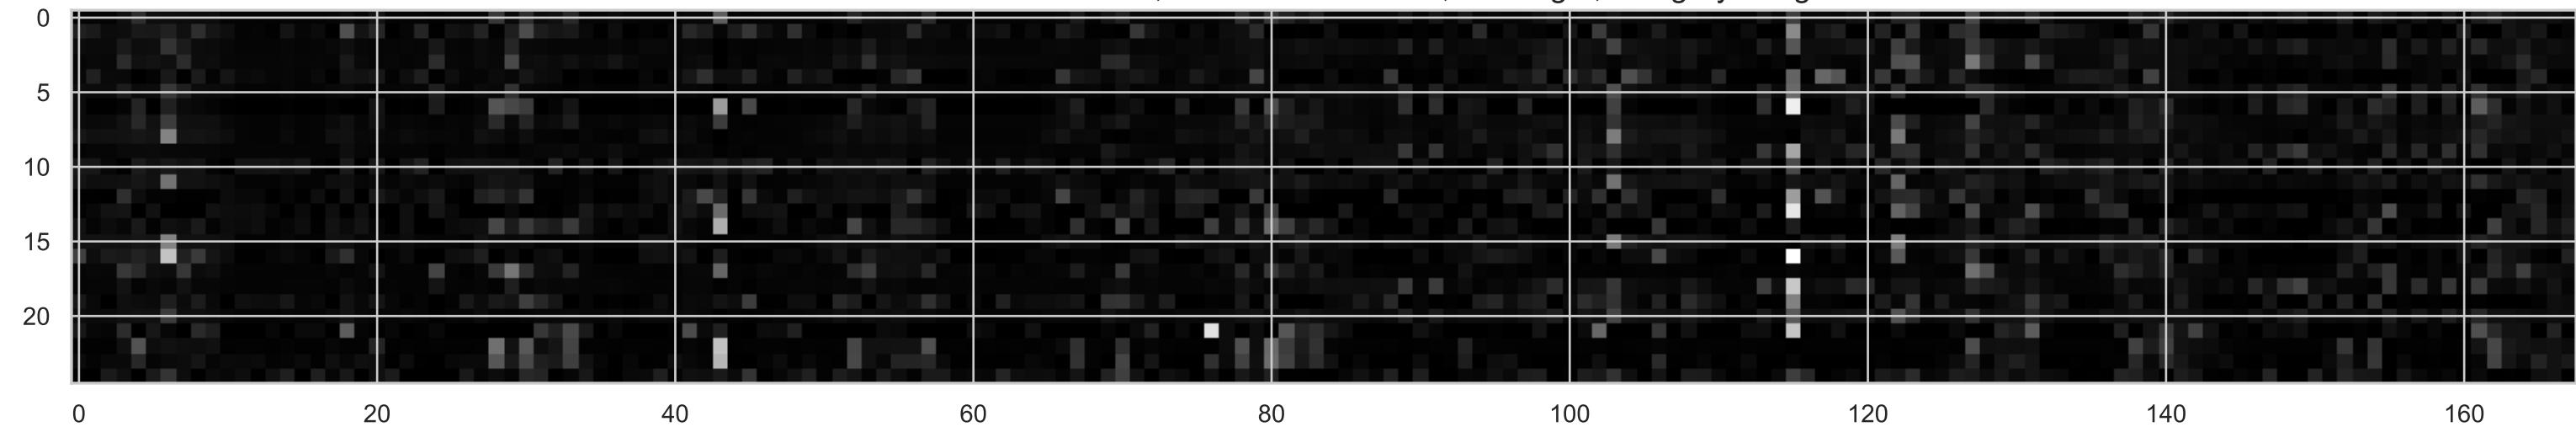

# Week 15

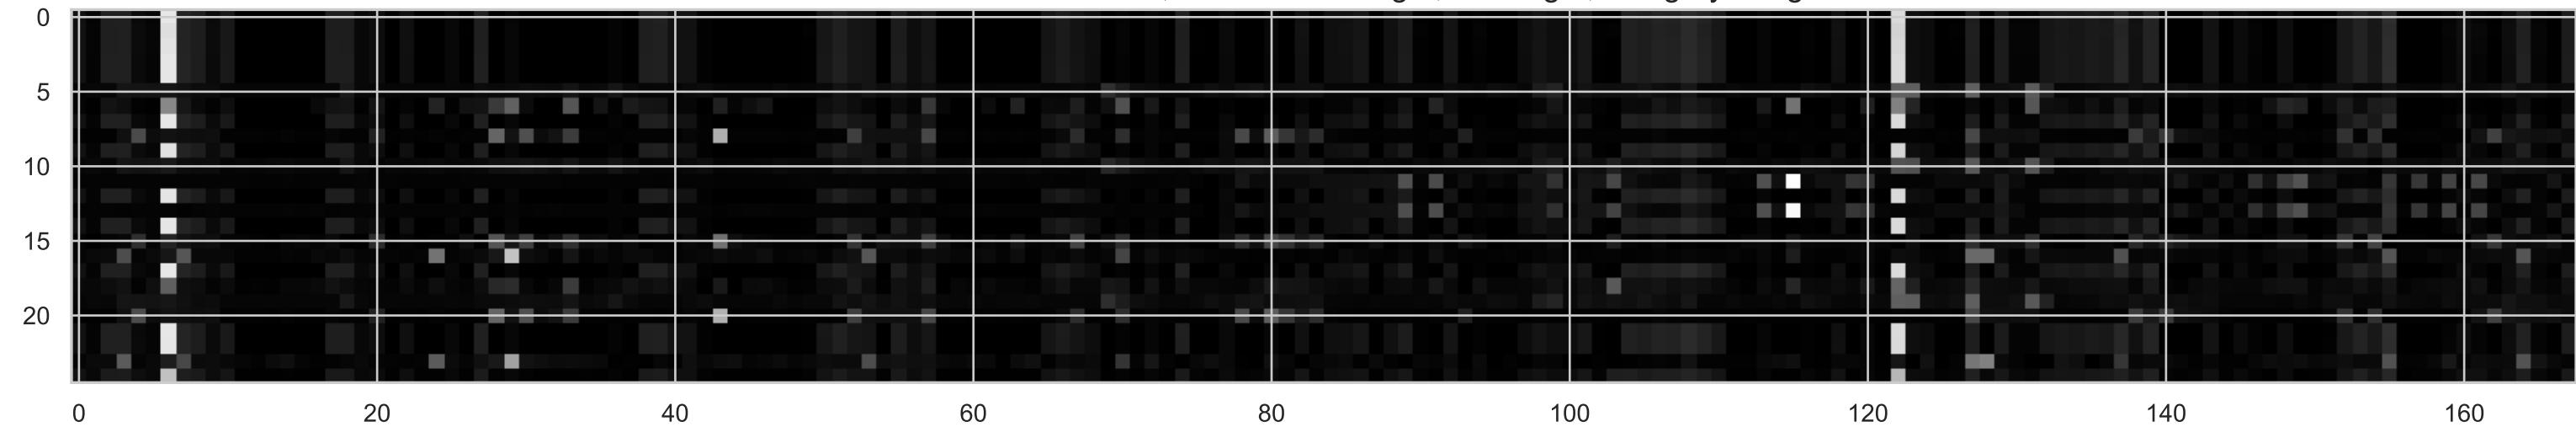

Learned Basis functions, method=SC mix, DD mix, category=fridge

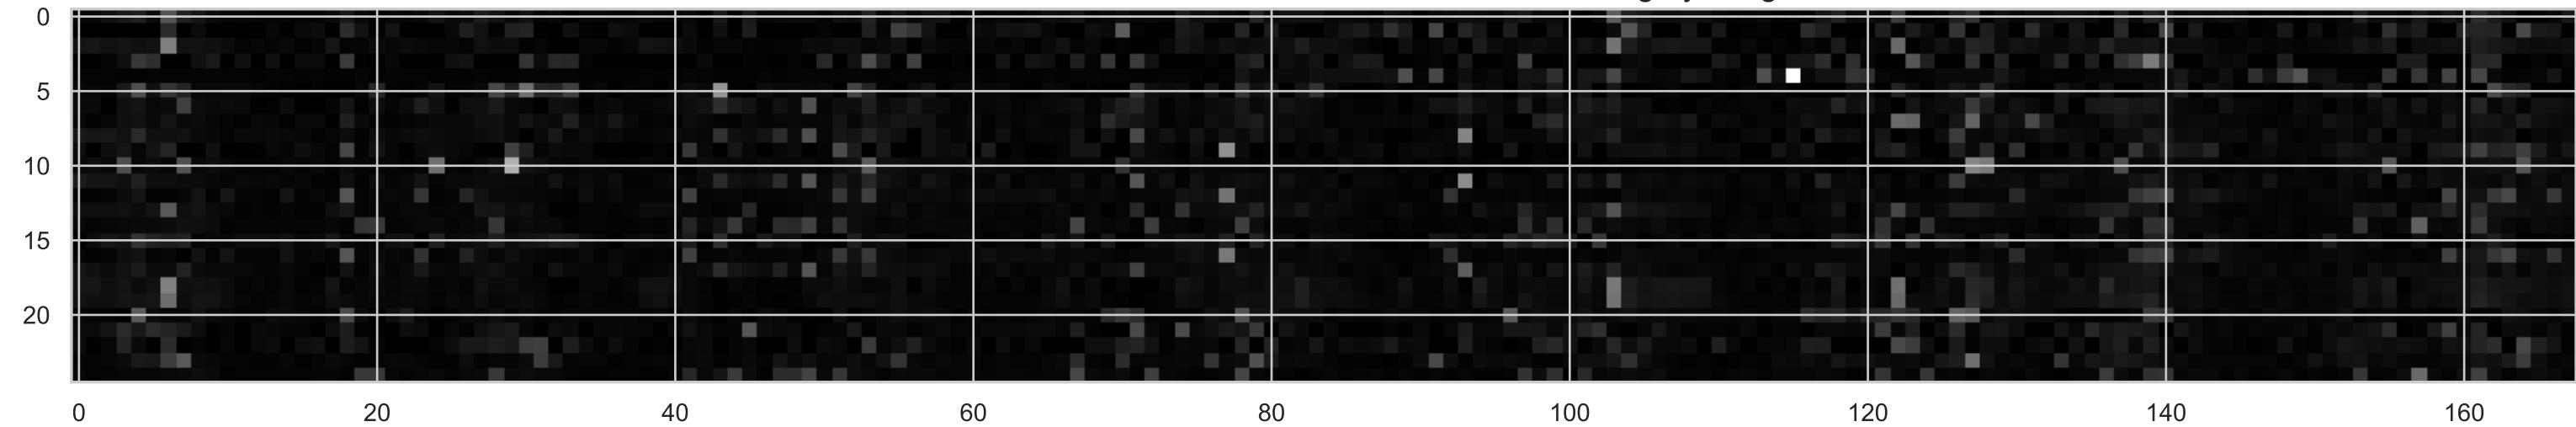

Learned Basis functions, method=SC source, DD target, category=fridge

Learned Basis functions, method=SC target, DD target, category=fridge

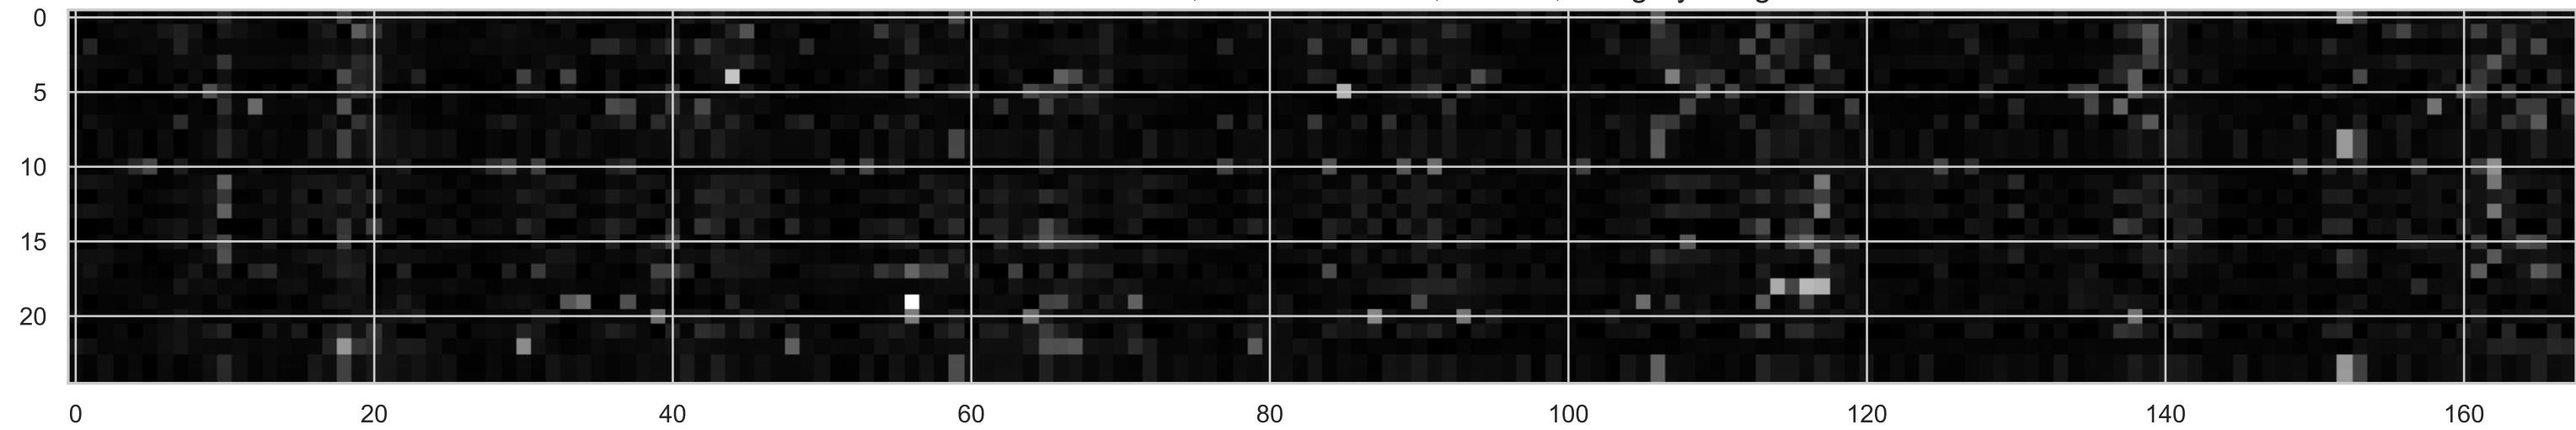

Learned Basis functions, method=Transfer SC+DD, category=fridge

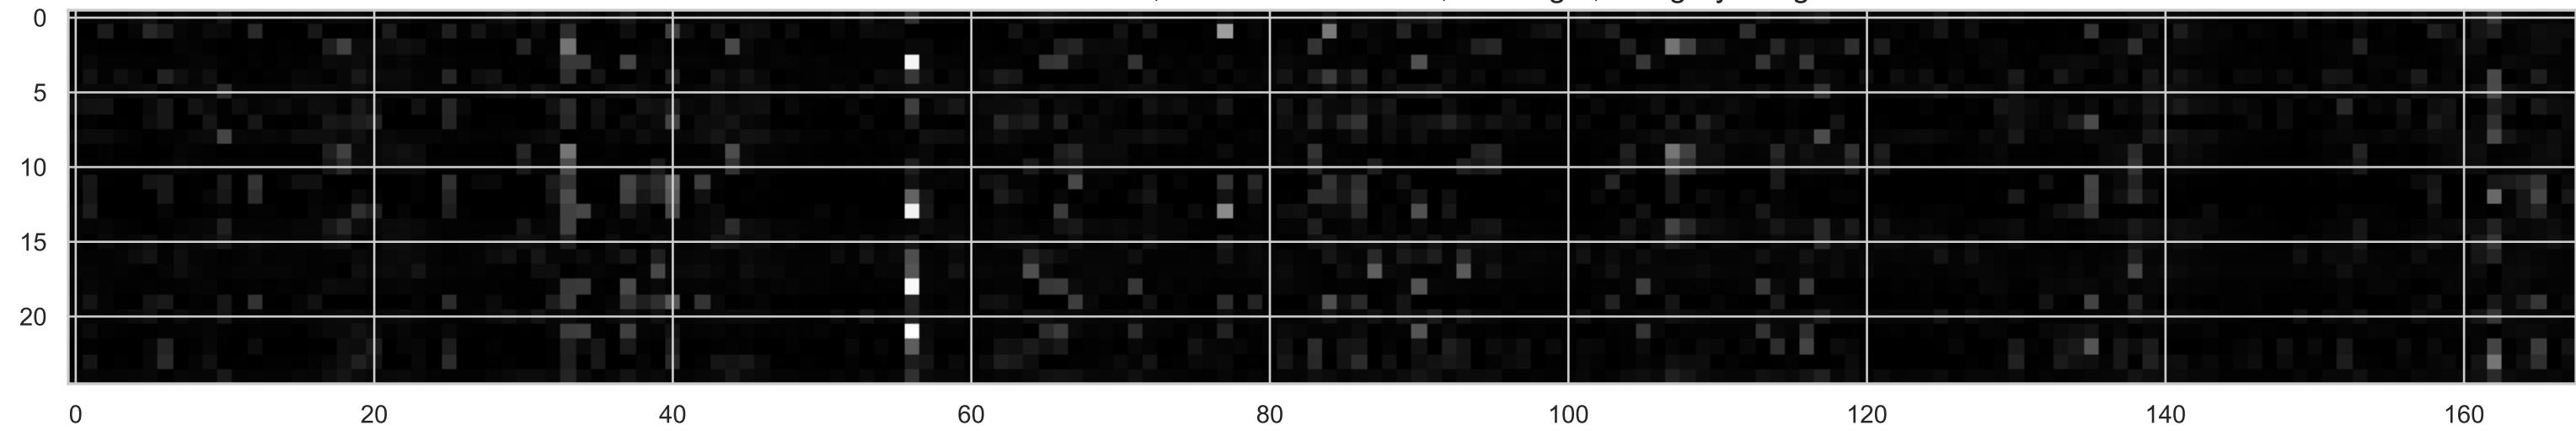

# Week 16

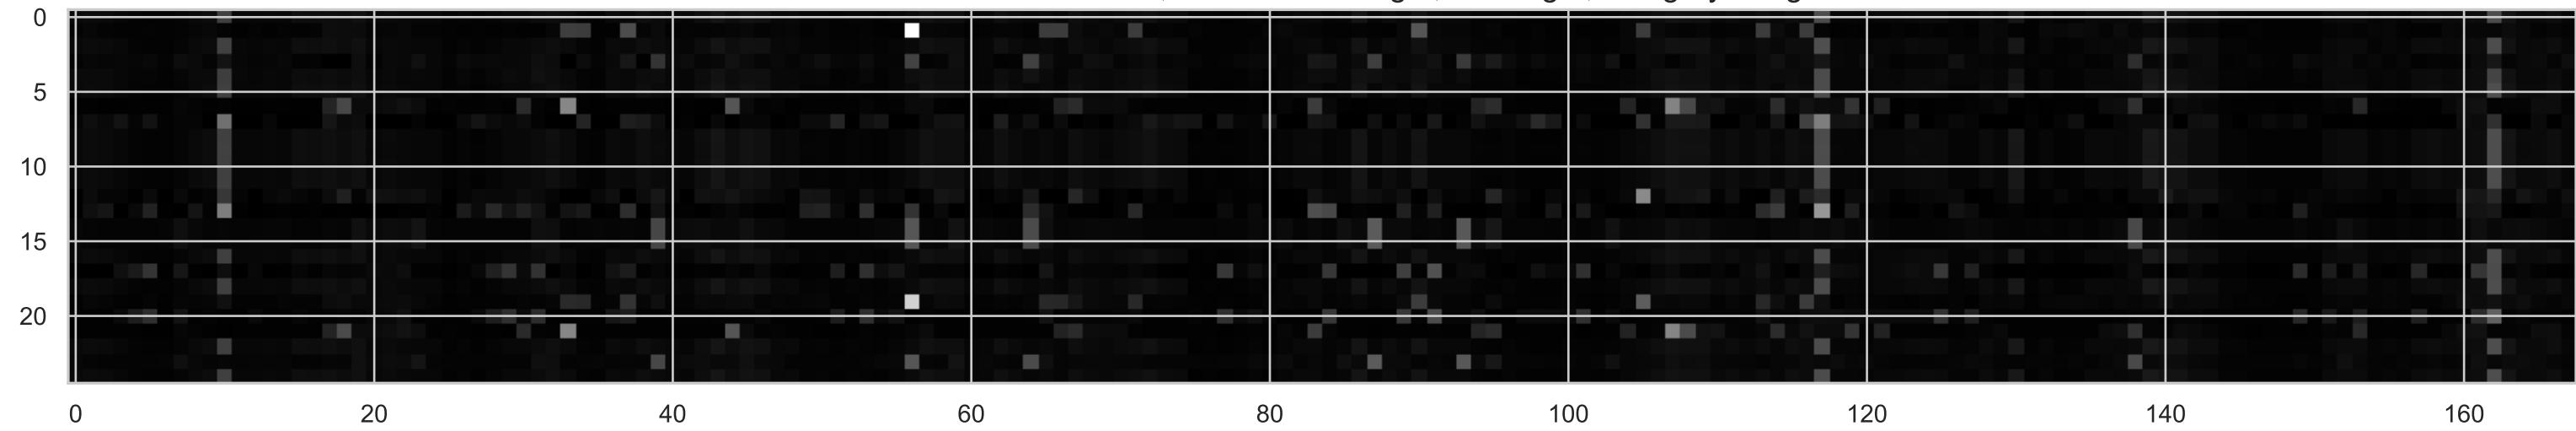

Learned Basis functions, method=SC mix, DD mix, category=fridge

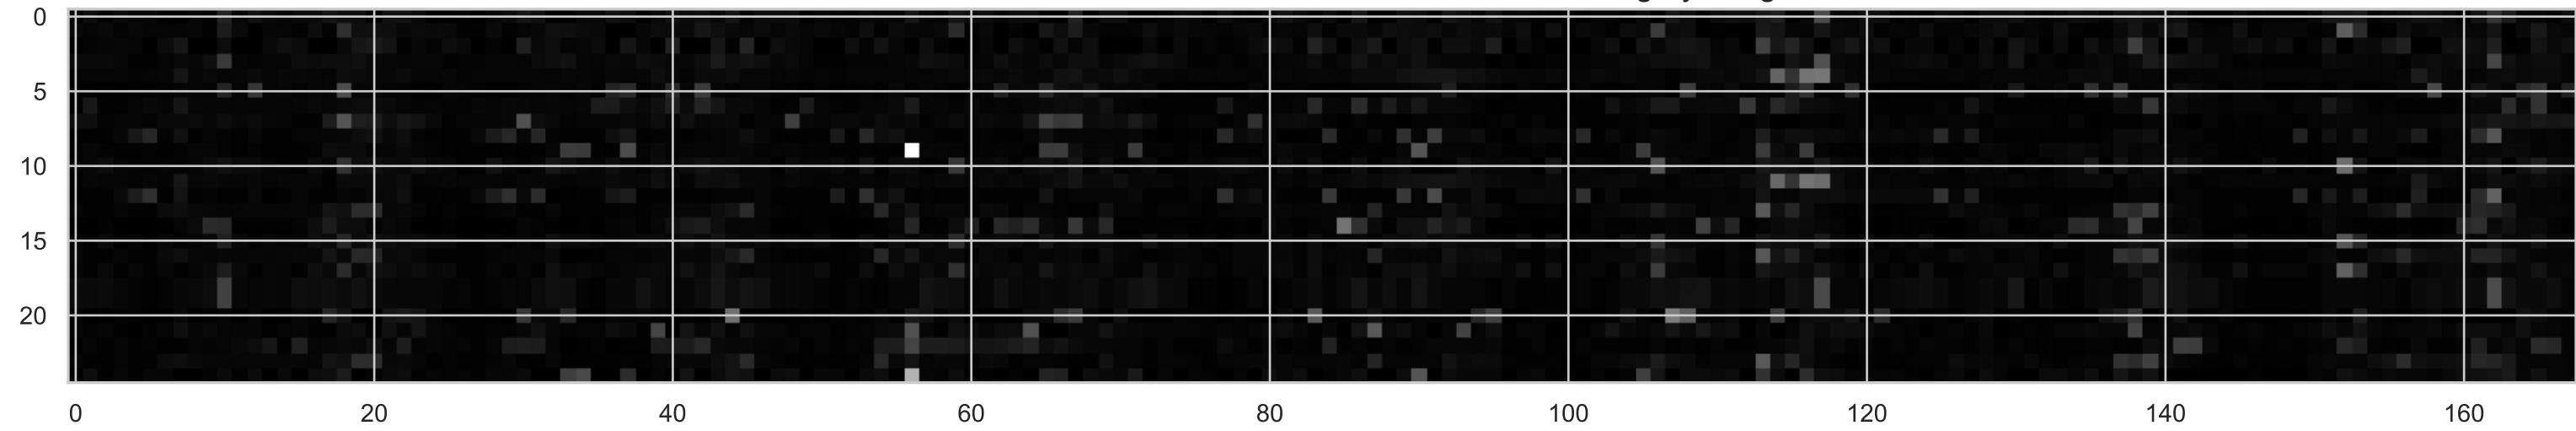

Learned Basis functions, method=SC source, DD target, category=fridge

Learned Basis functions, method=SC target, DD target, category=fridge

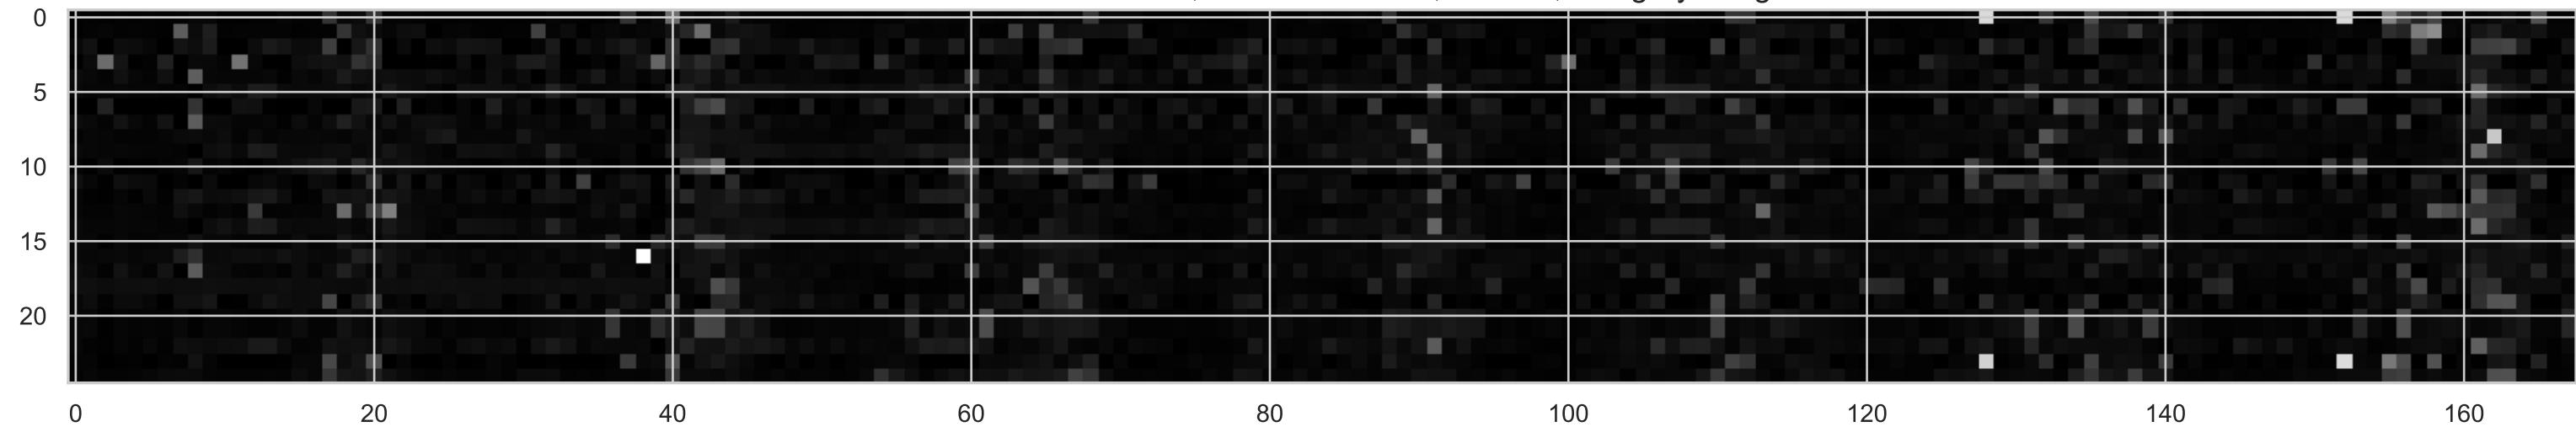

Learned Basis functions, method=Transfer SC+DD, category=fridge

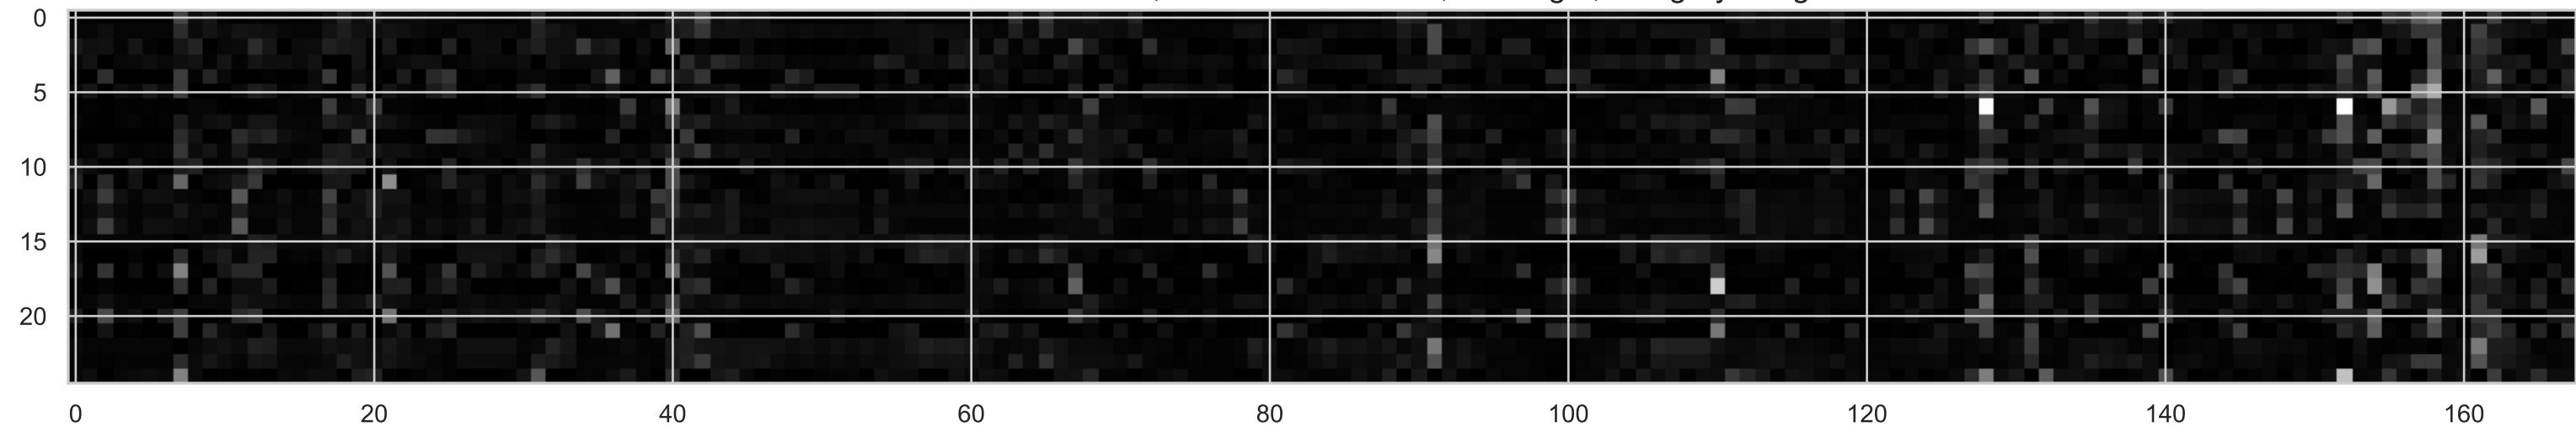

# Week 17

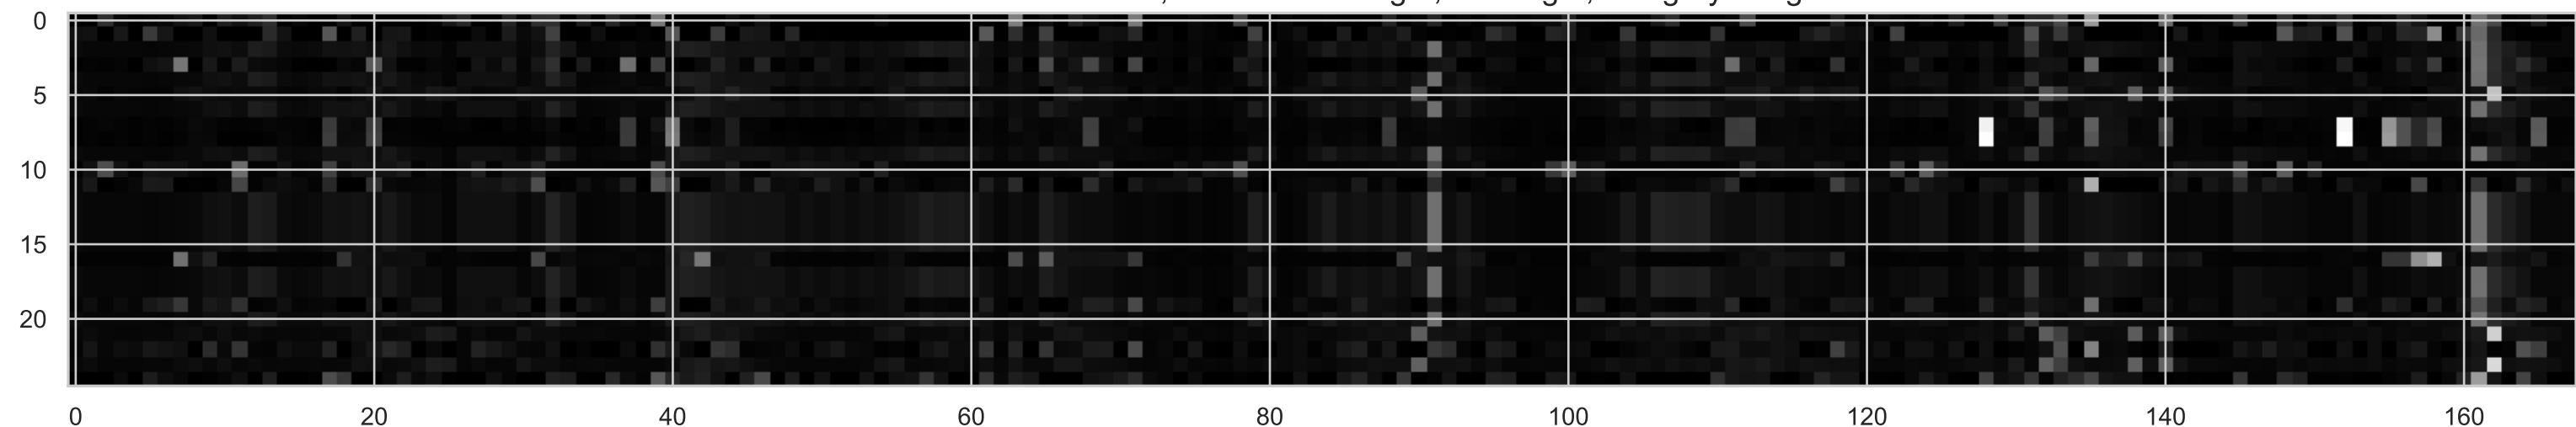

Learned Basis functions, method=SC mix, DD mix, category=fridge

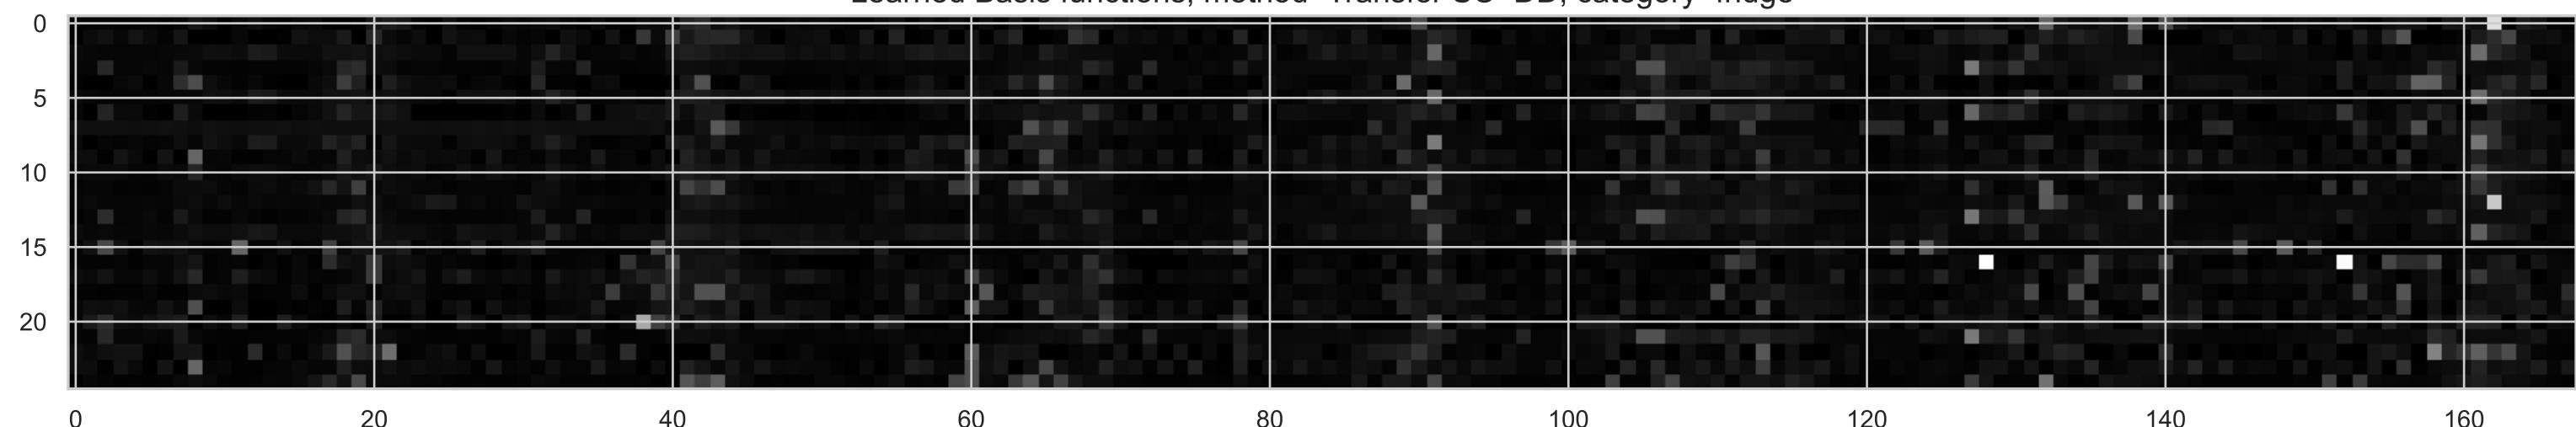

Learned Basis functions, method=SC source, DD target, category=fridge

Learned Basis functions, method=SC target, DD target, category=fridge

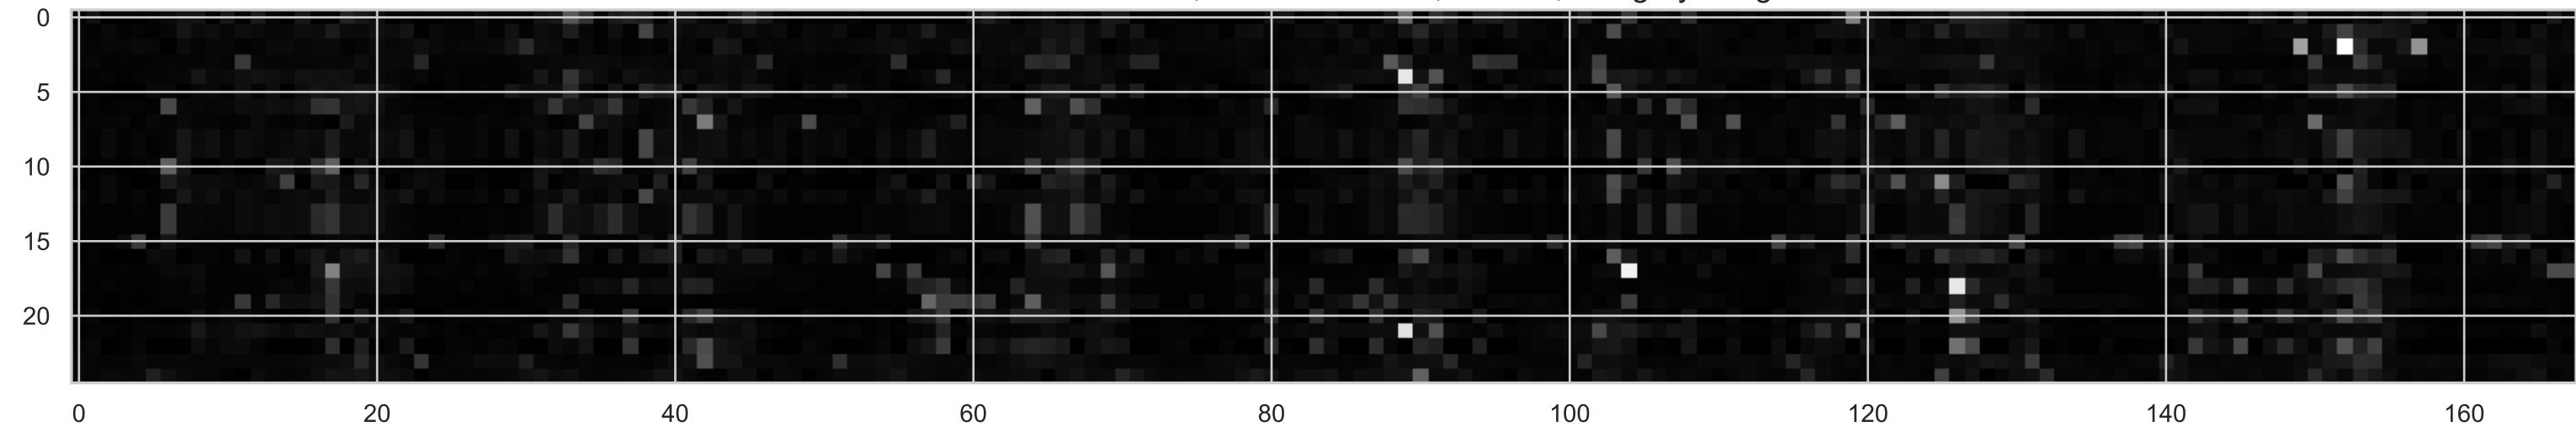

Learned Basis functions, method=Transfer SC+DD, category=fridge

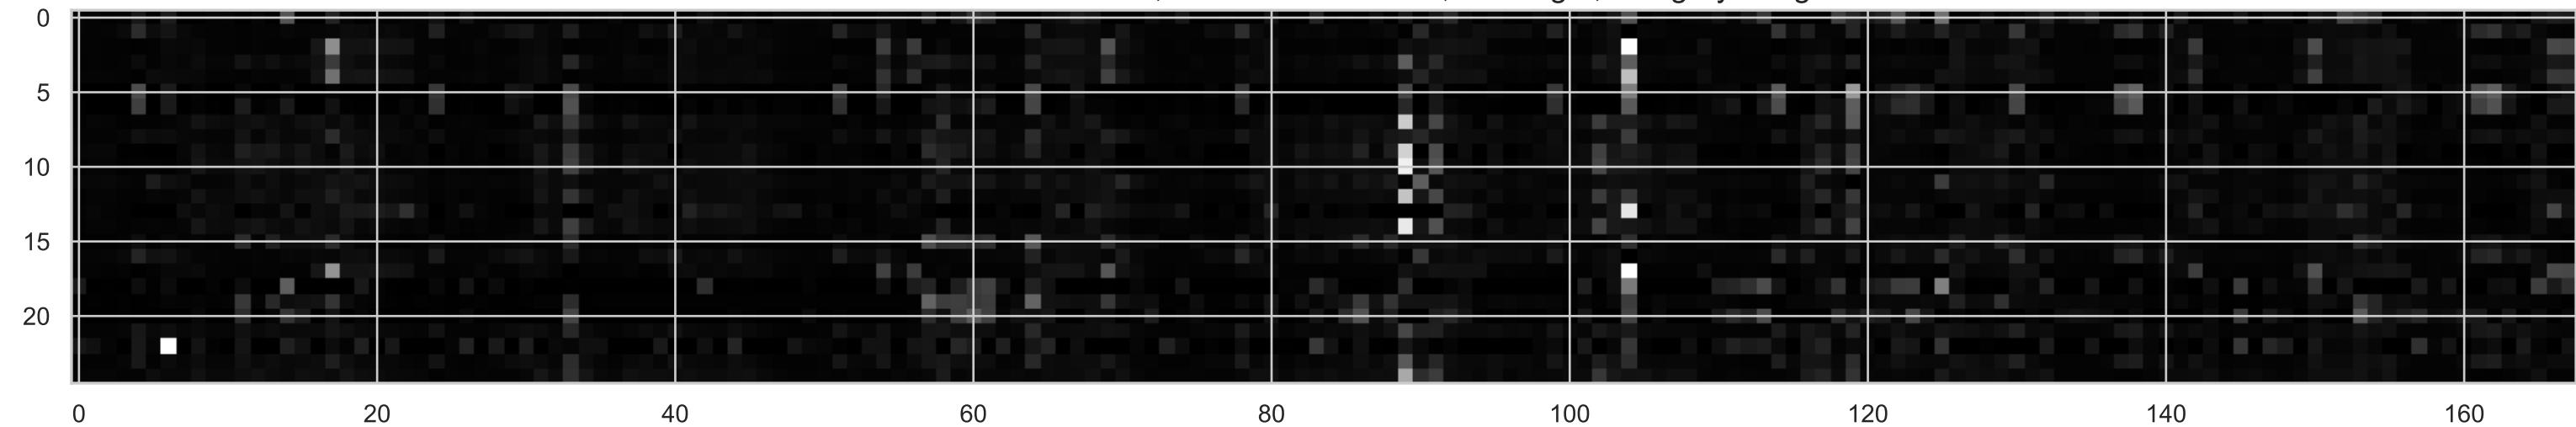

# Week 18

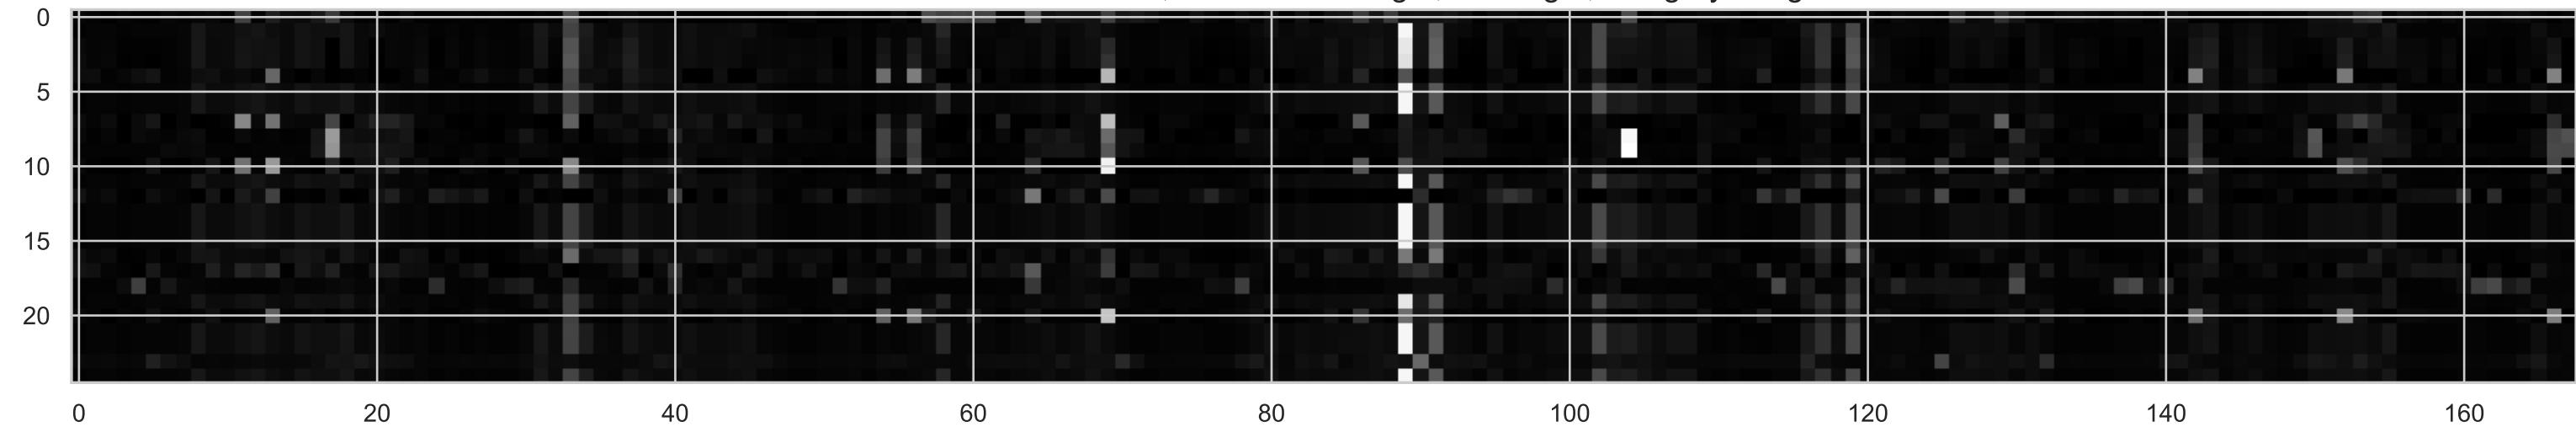

Learned Basis functions, method=SC mix, DD mix, category=fridge

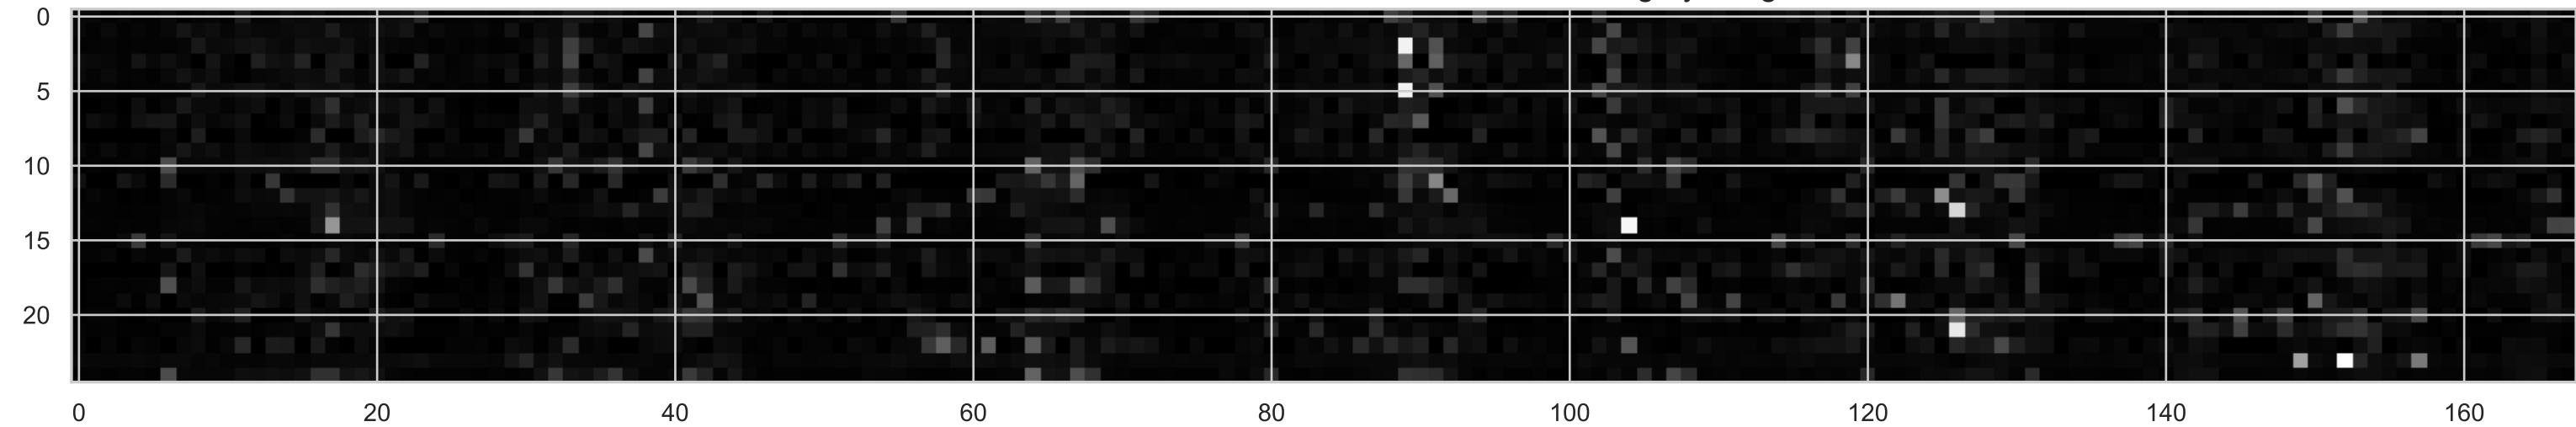

Learned Basis functions, method=SC source, DD target, category=fridge

Learned Basis functions, method=SC target, DD target, category=fridge

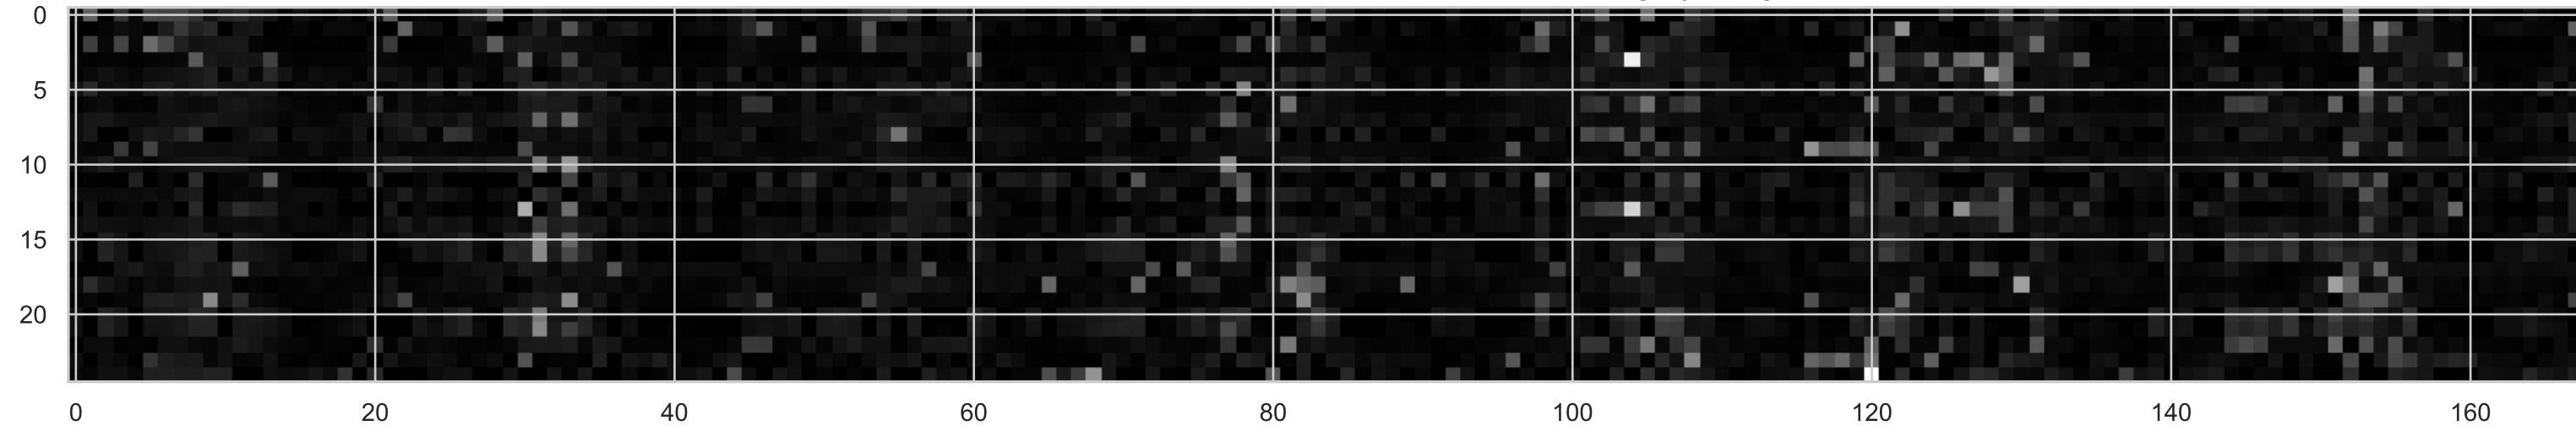

Learned Basis functions, method=Transfer SC+DD, category=fridge

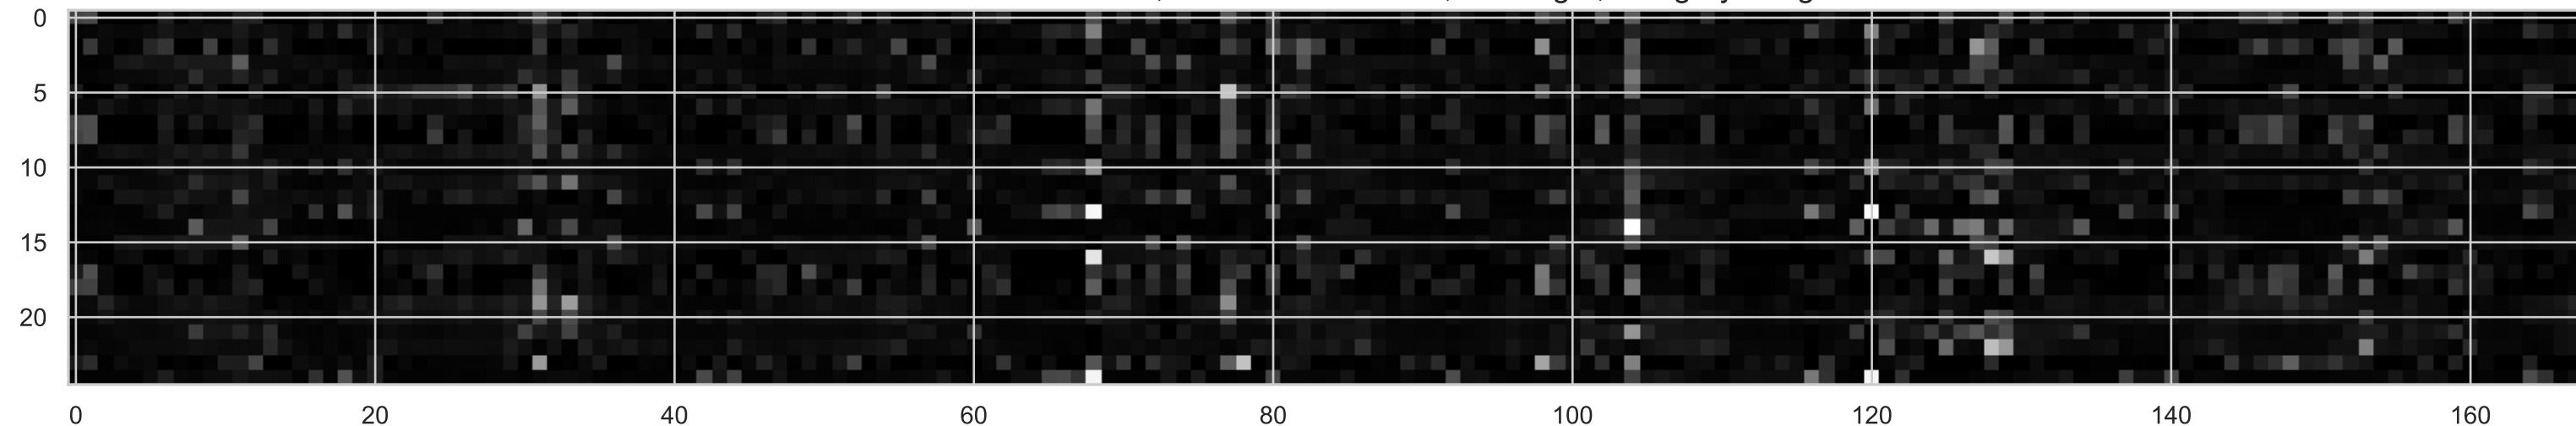

# Week 19

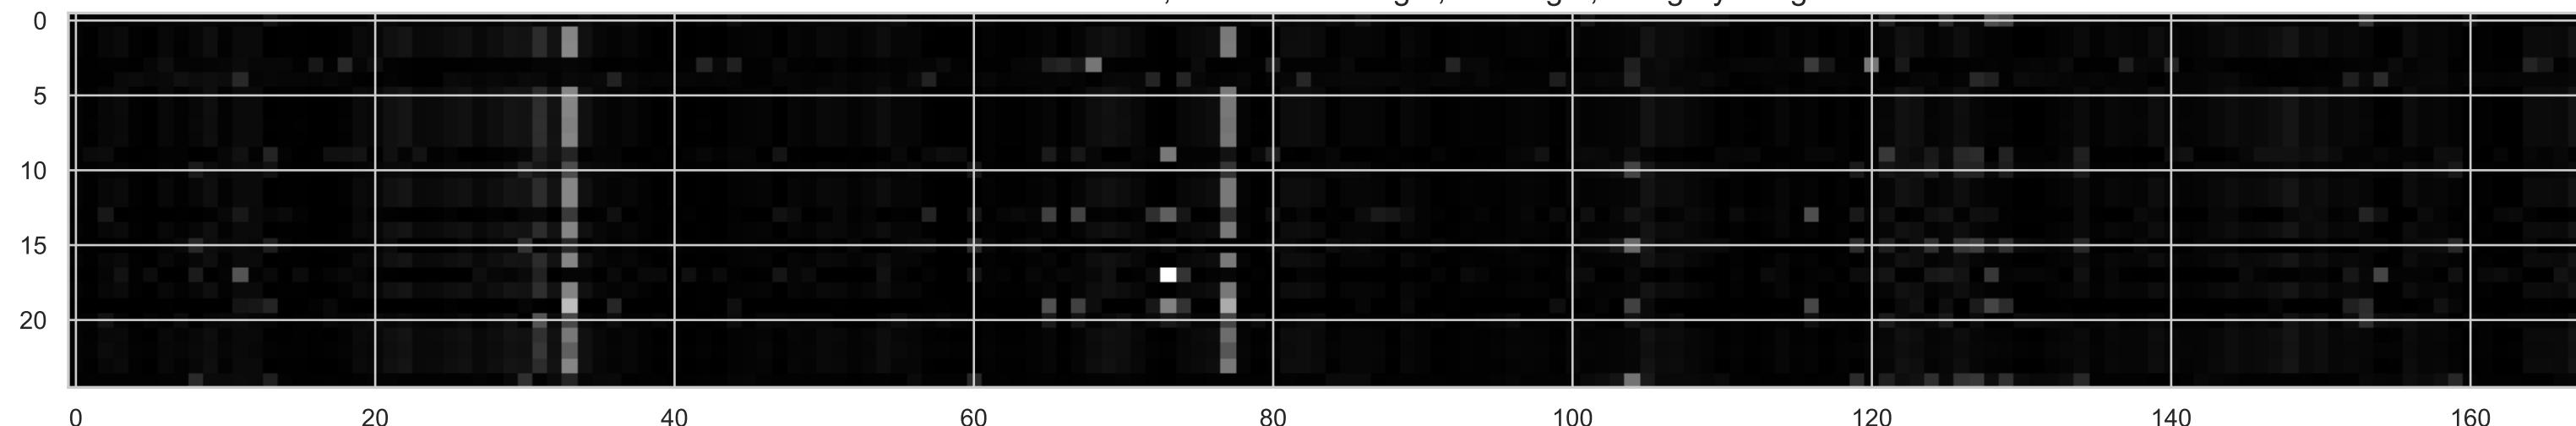

Learned Basis functions, method=SC mix, DD mix, category=fridge

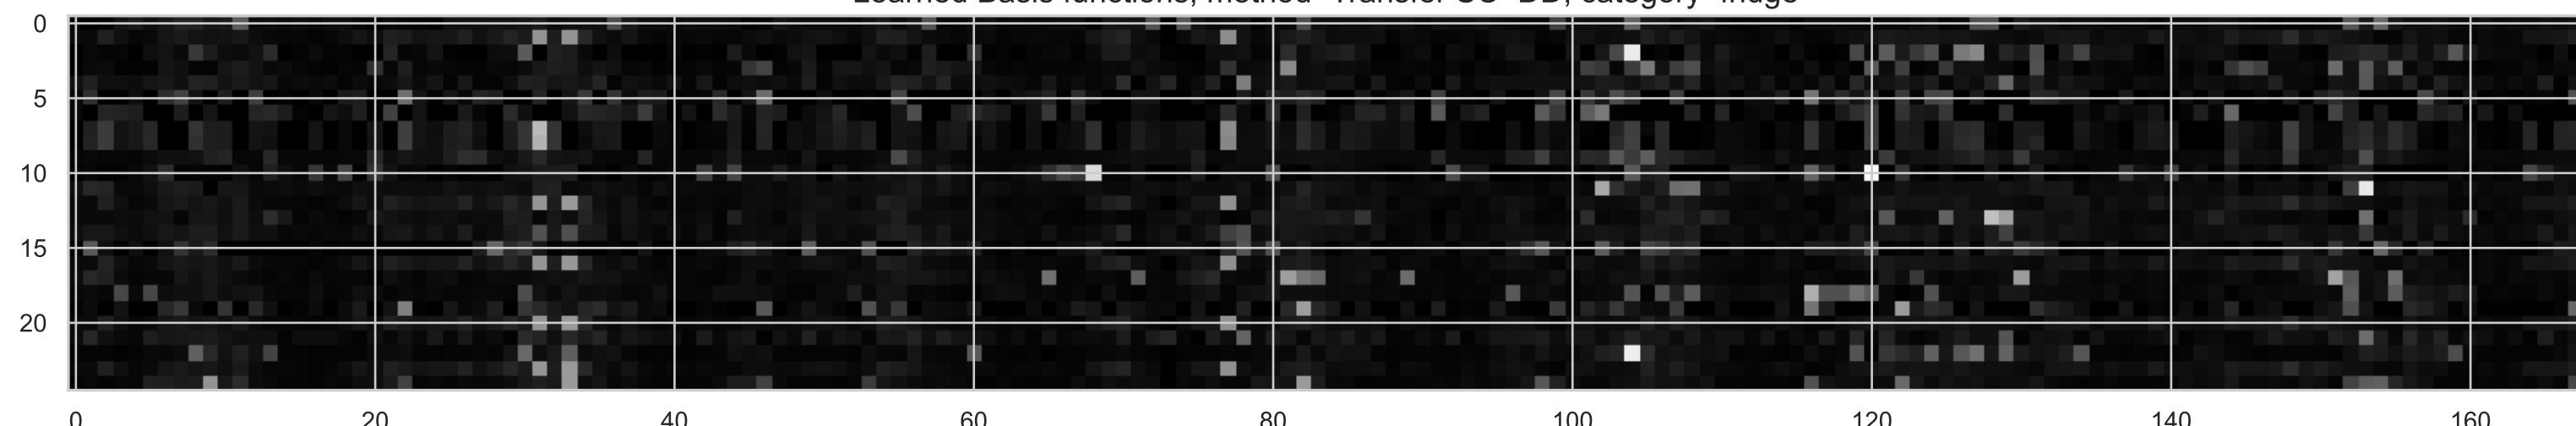

Learned Basis functions, method=SC source, DD target, category=fridge

Learned Basis functions, method=SC target, DD target, category=fridge

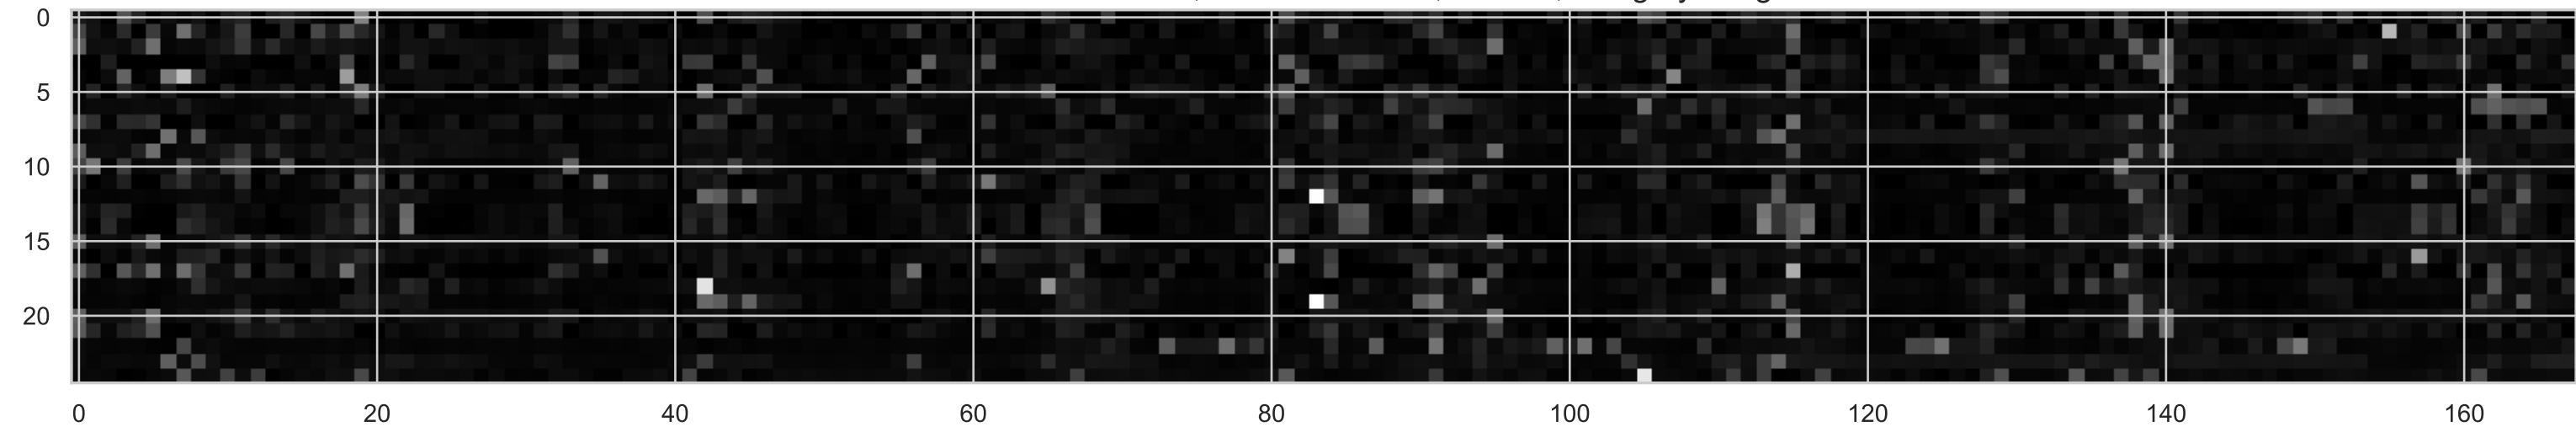

Learned Basis functions, method=Transfer SC+DD, category=fridge

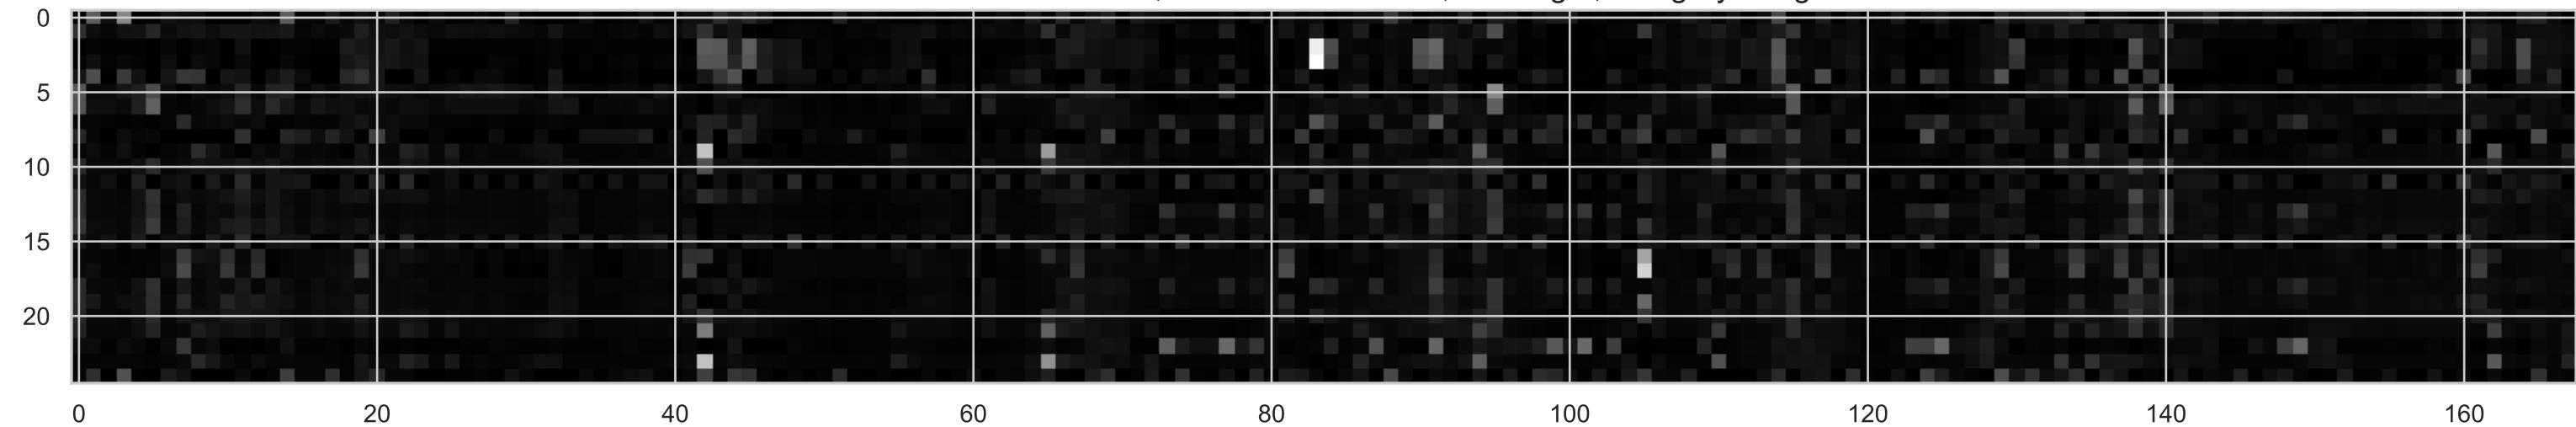

# Week 20

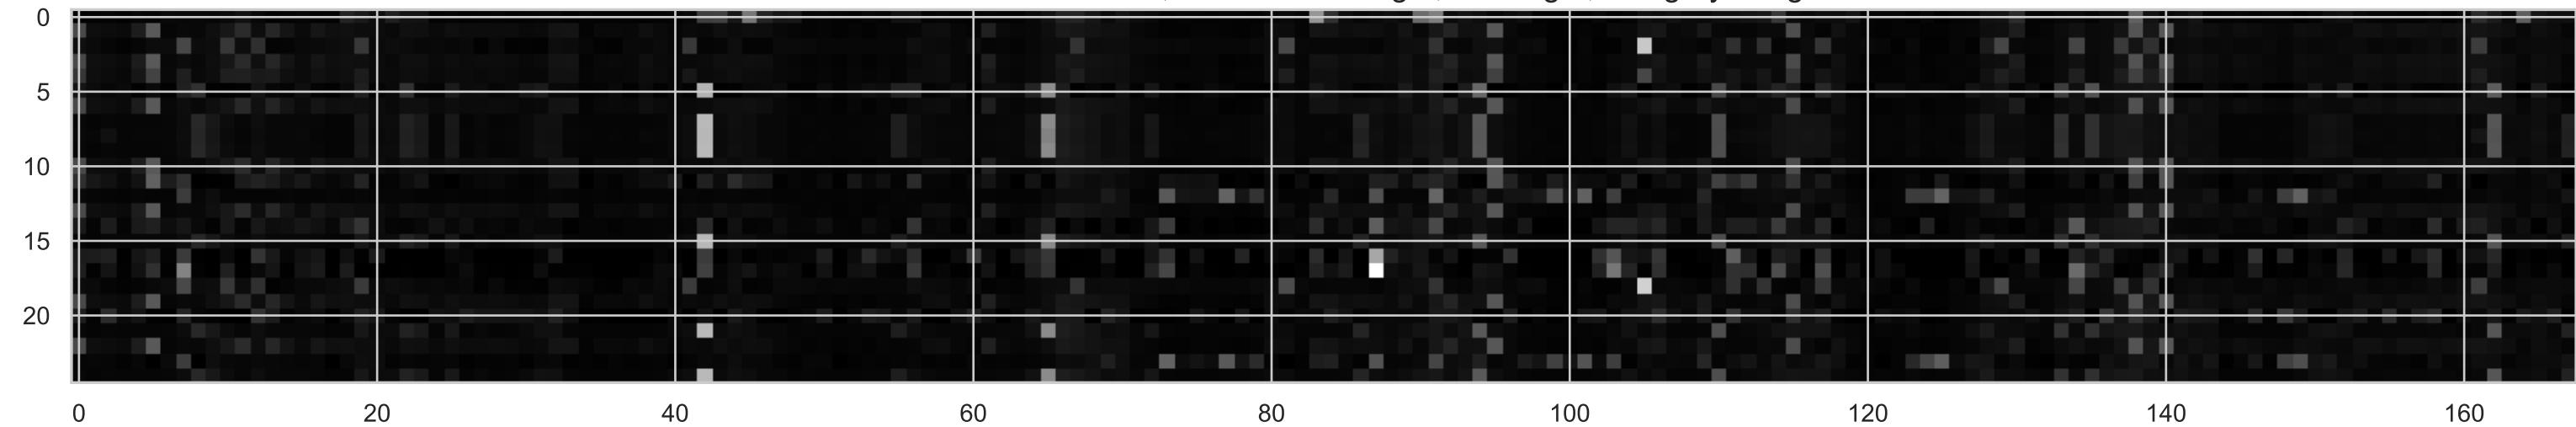

Learned Basis functions, method=SC mix, DD mix, category=fridge

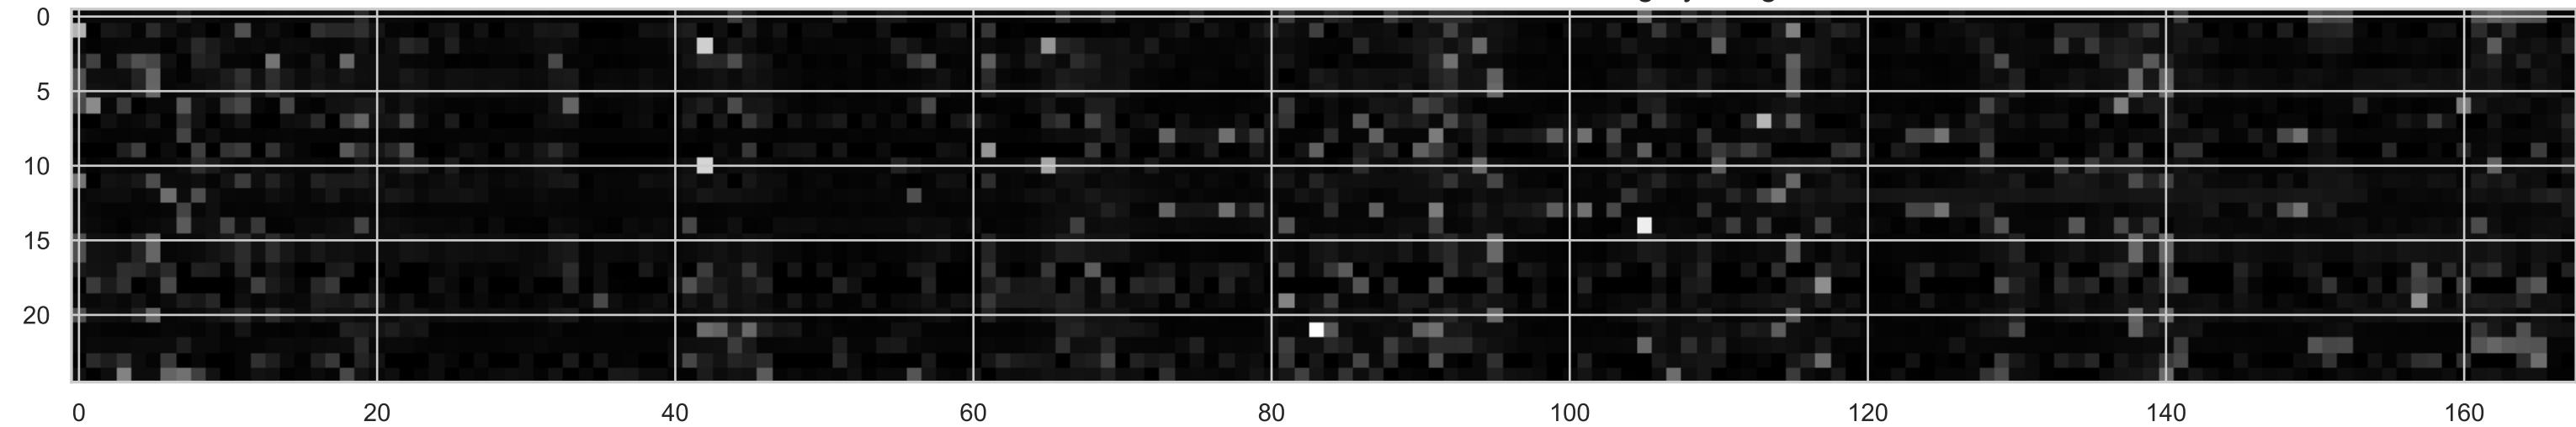

Learned Basis functions, method=SC source, DD target, category=fridge

Learned Basis functions, method=SC target, DD target, category=fridge

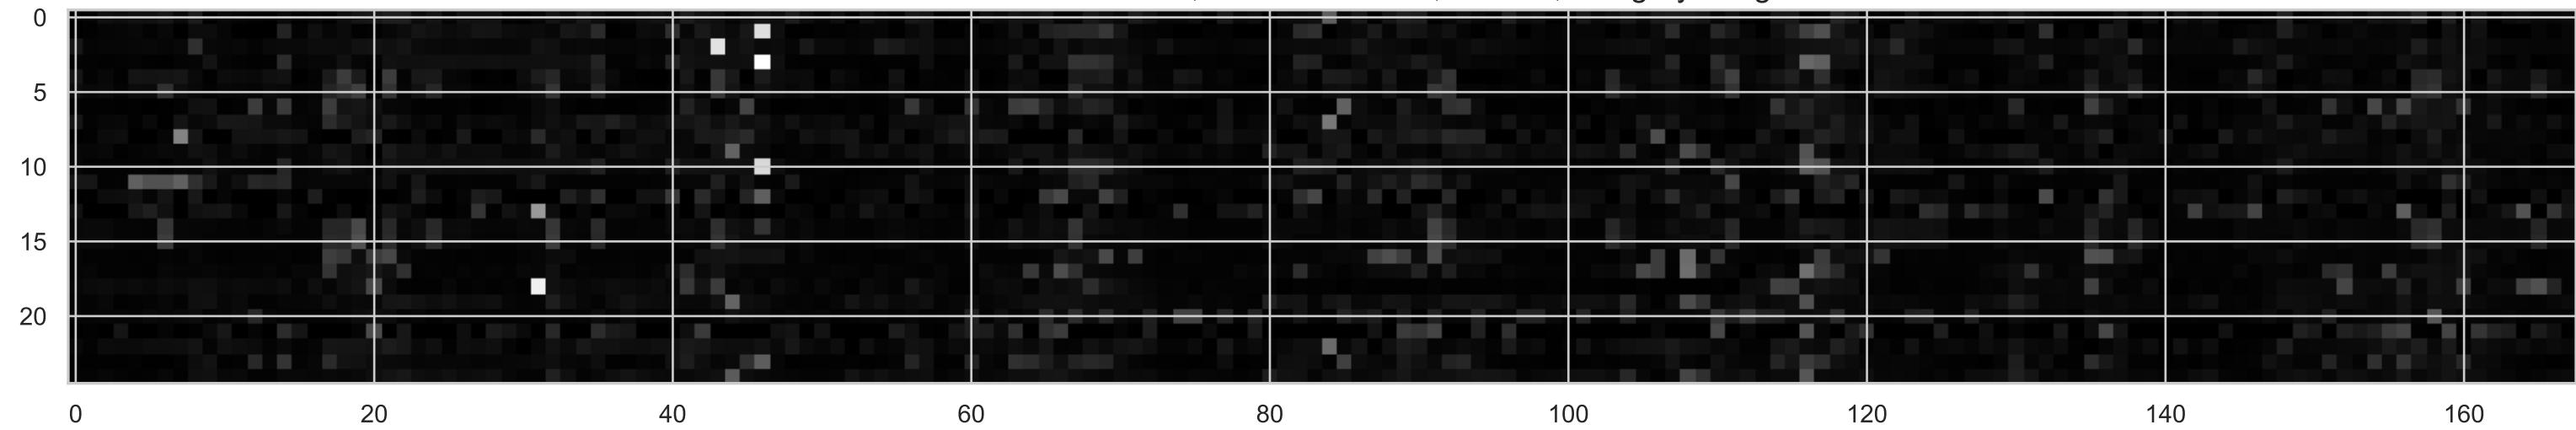

Learned Basis functions, method=Transfer SC+DD, category=fridge

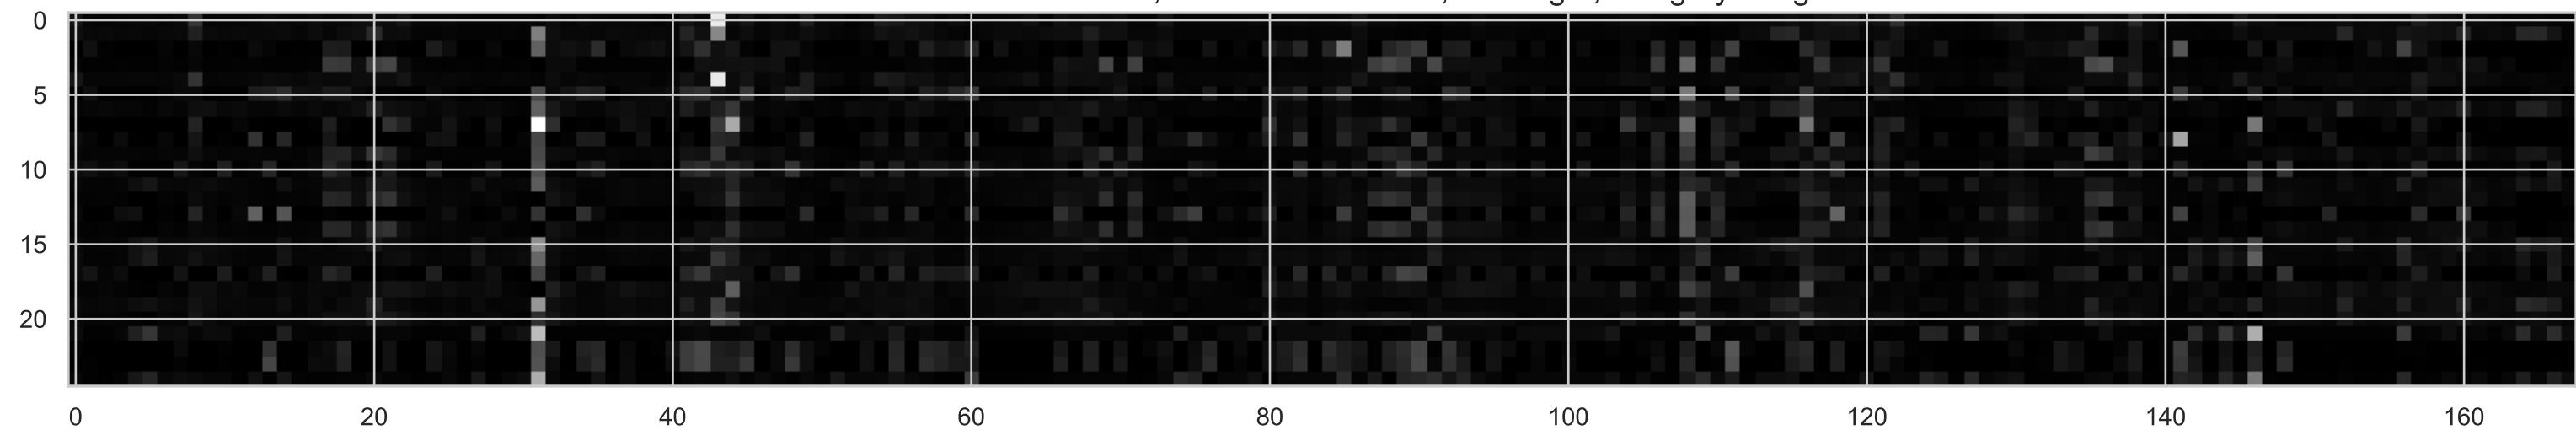

# Week 21

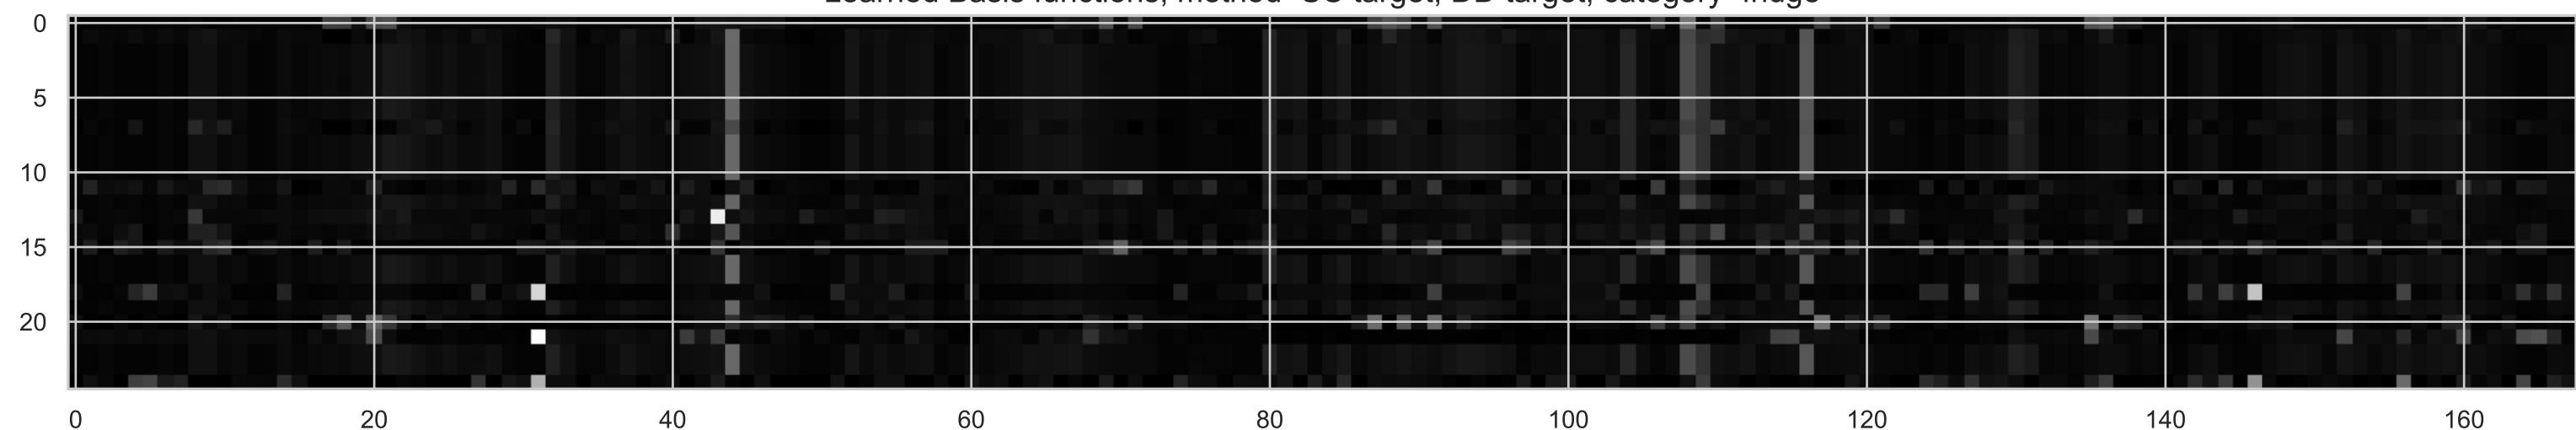

Learned Basis functions, method=SC mix, DD mix, category=fridge

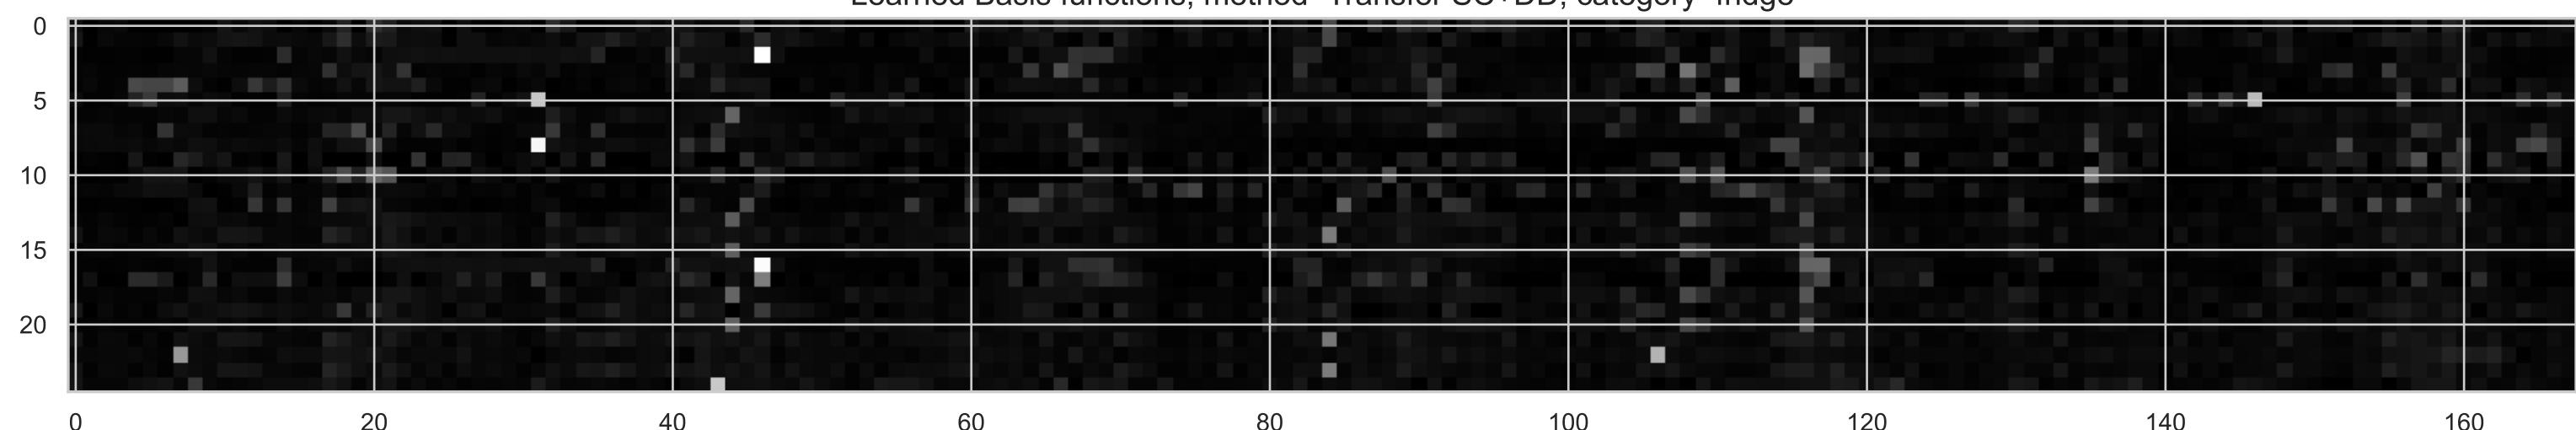

Learned Basis functions, method=SC source, DD target, category=fridge

Learned Basis functions, method=SC target, DD target, category=fridge

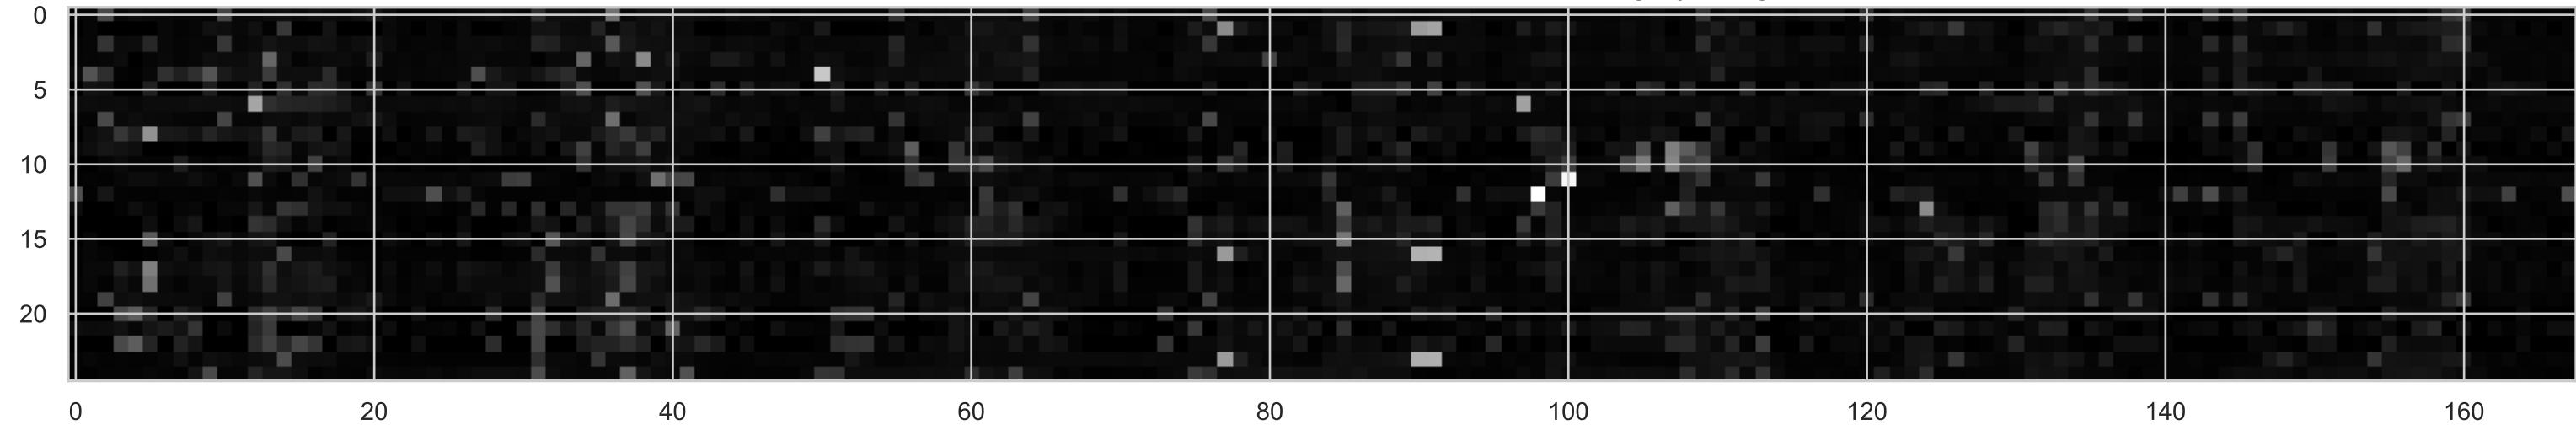

Learned Basis functions, method=Transfer SC+DD, category=fridge

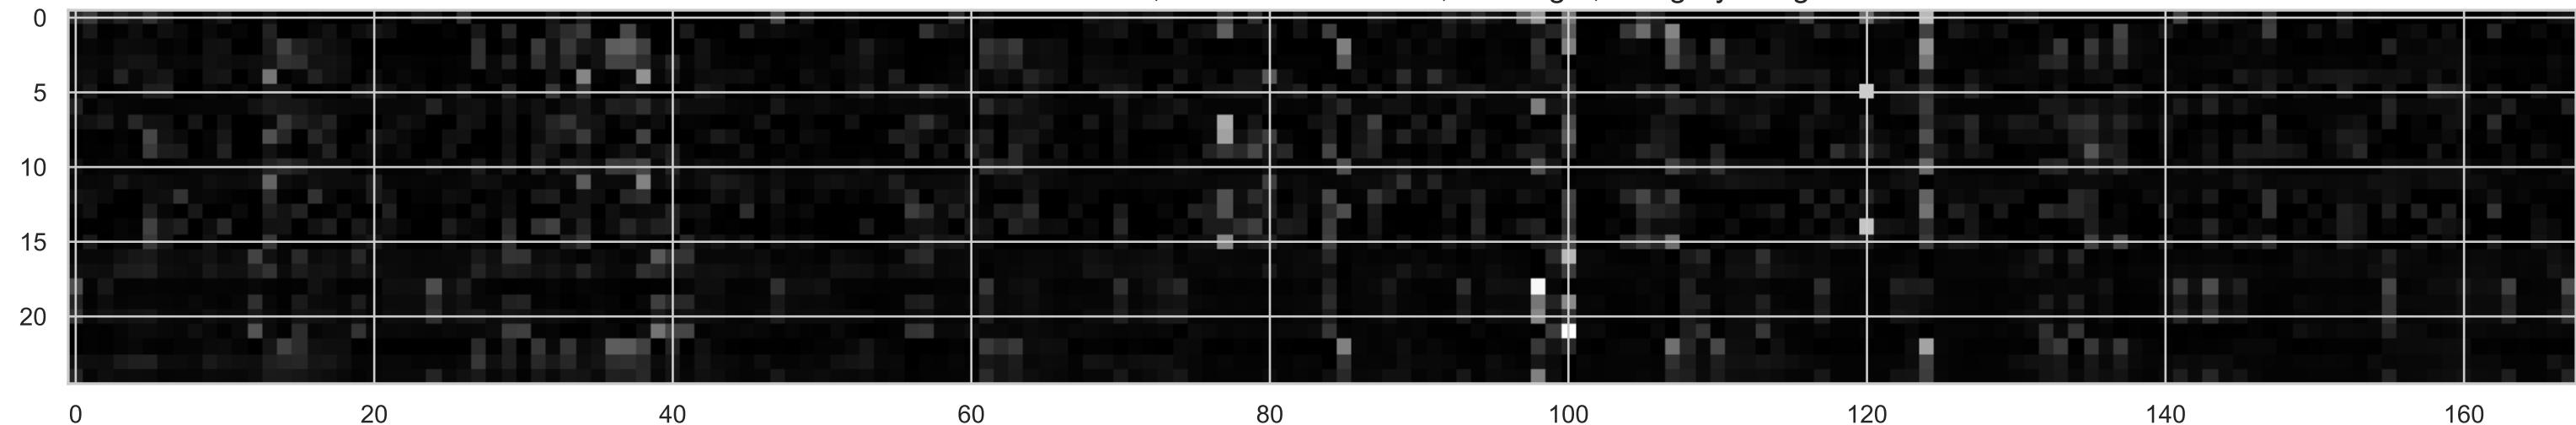

## Week 22

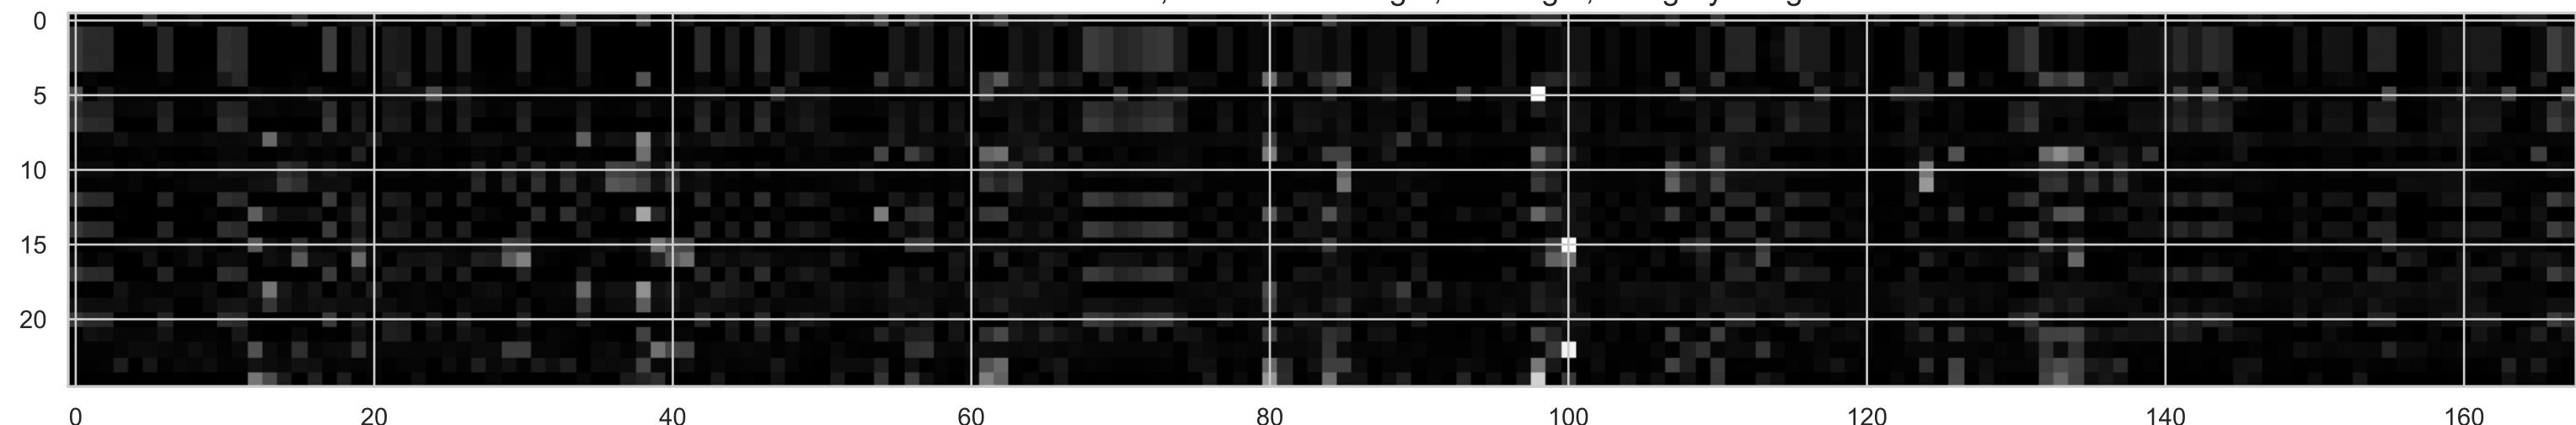

Learned Basis functions, method=SC mix, DD mix, category=fridge

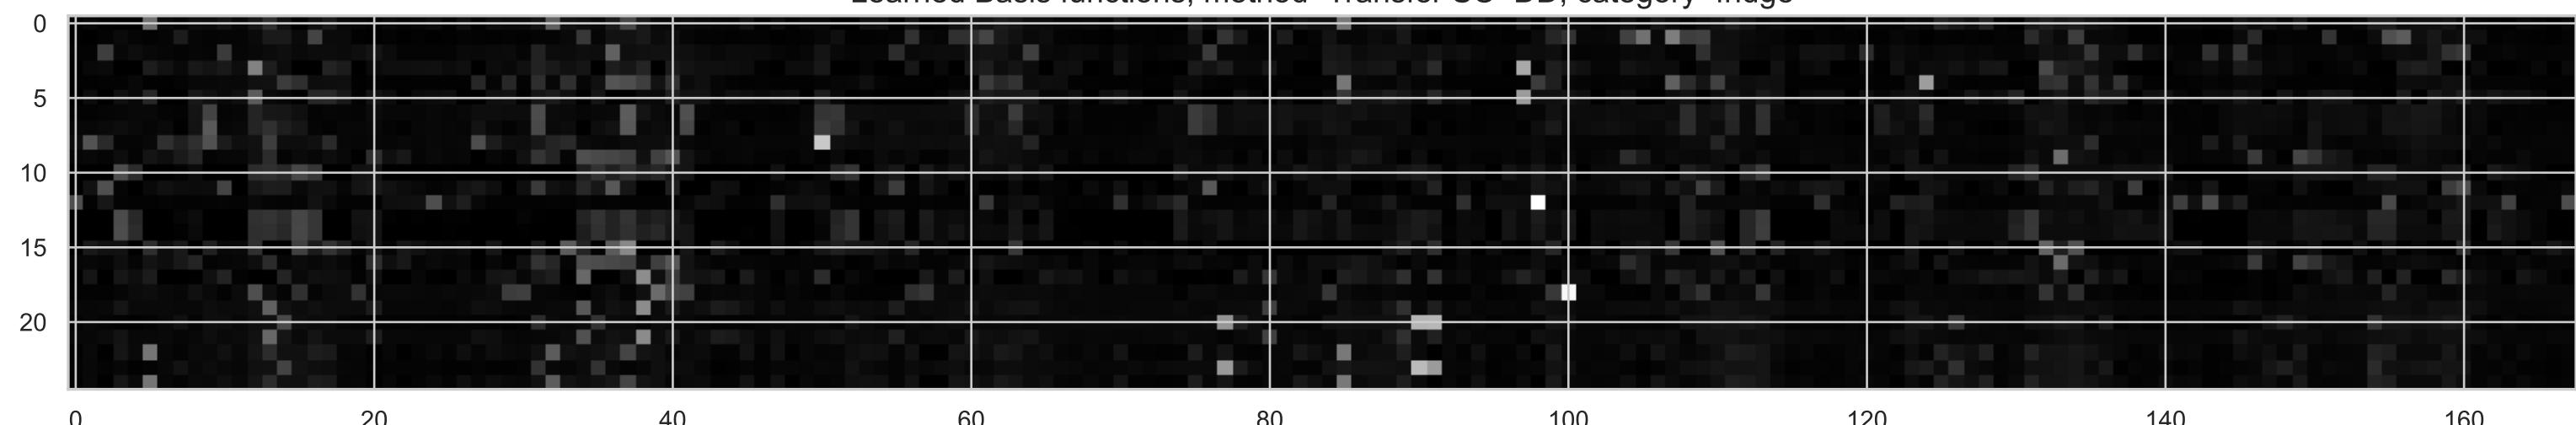

Learned Basis functions, method=SC source, DD target, category=fridge

Learned Basis functions, method=SC target, DD target, category=fridge

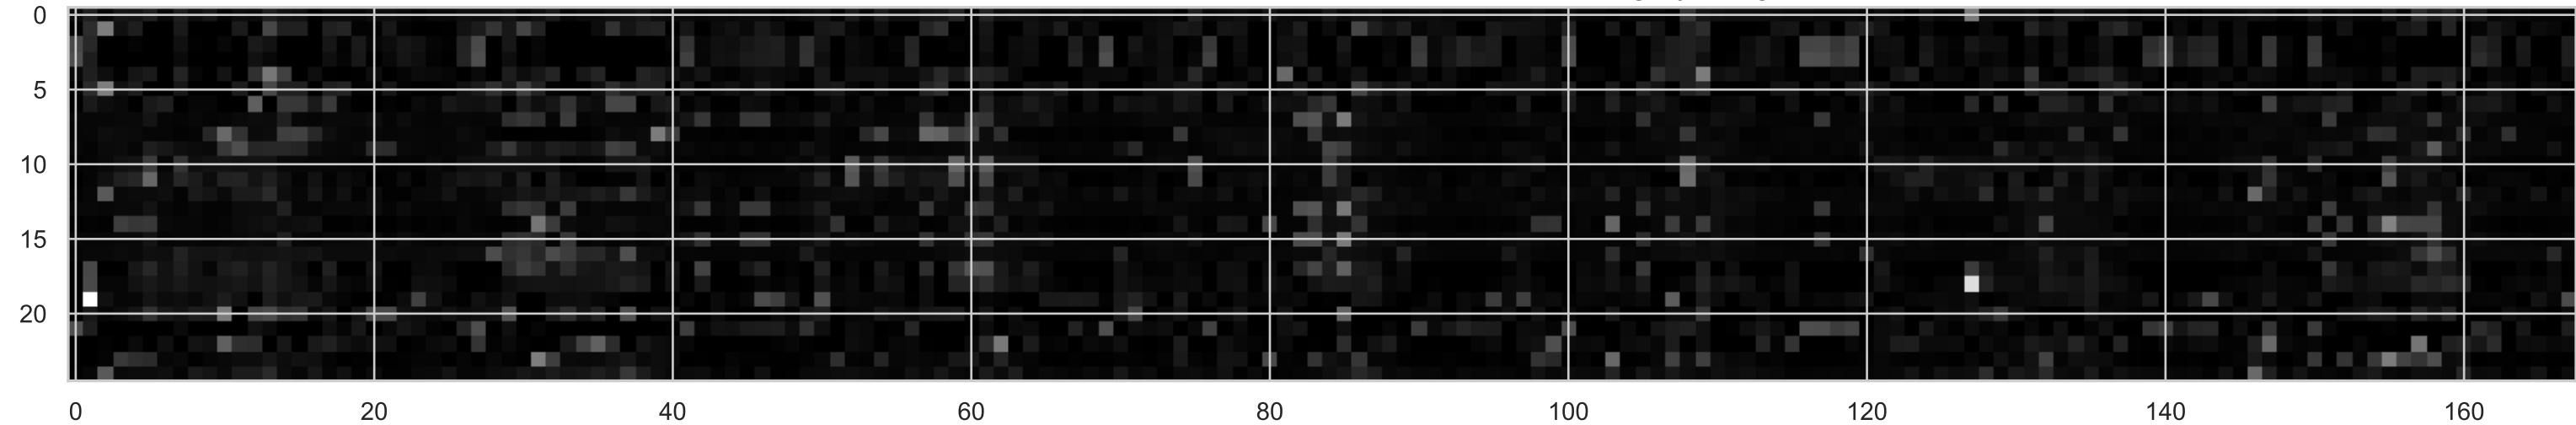

Learned Basis functions, method=Transfer SC+DD, category=fridge

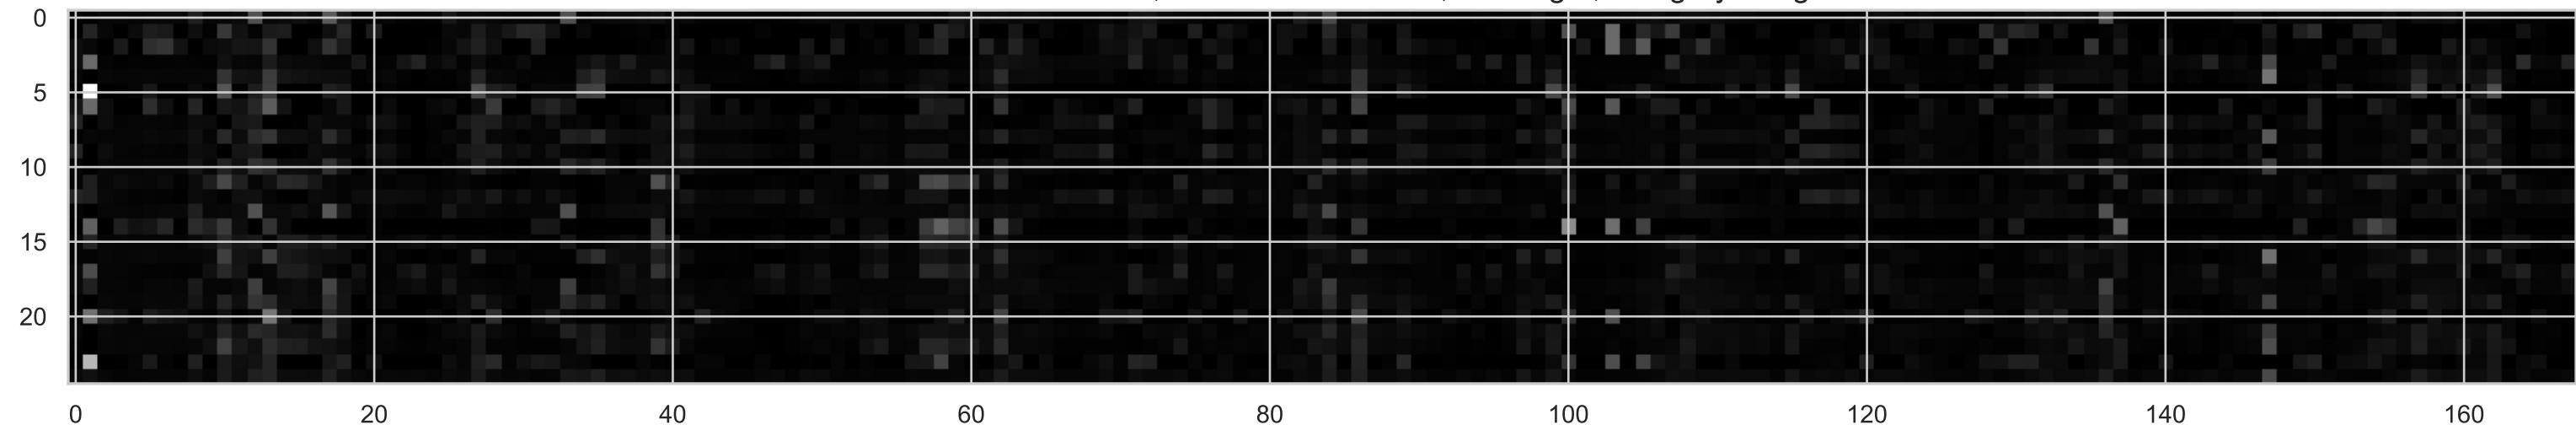

# Week 23

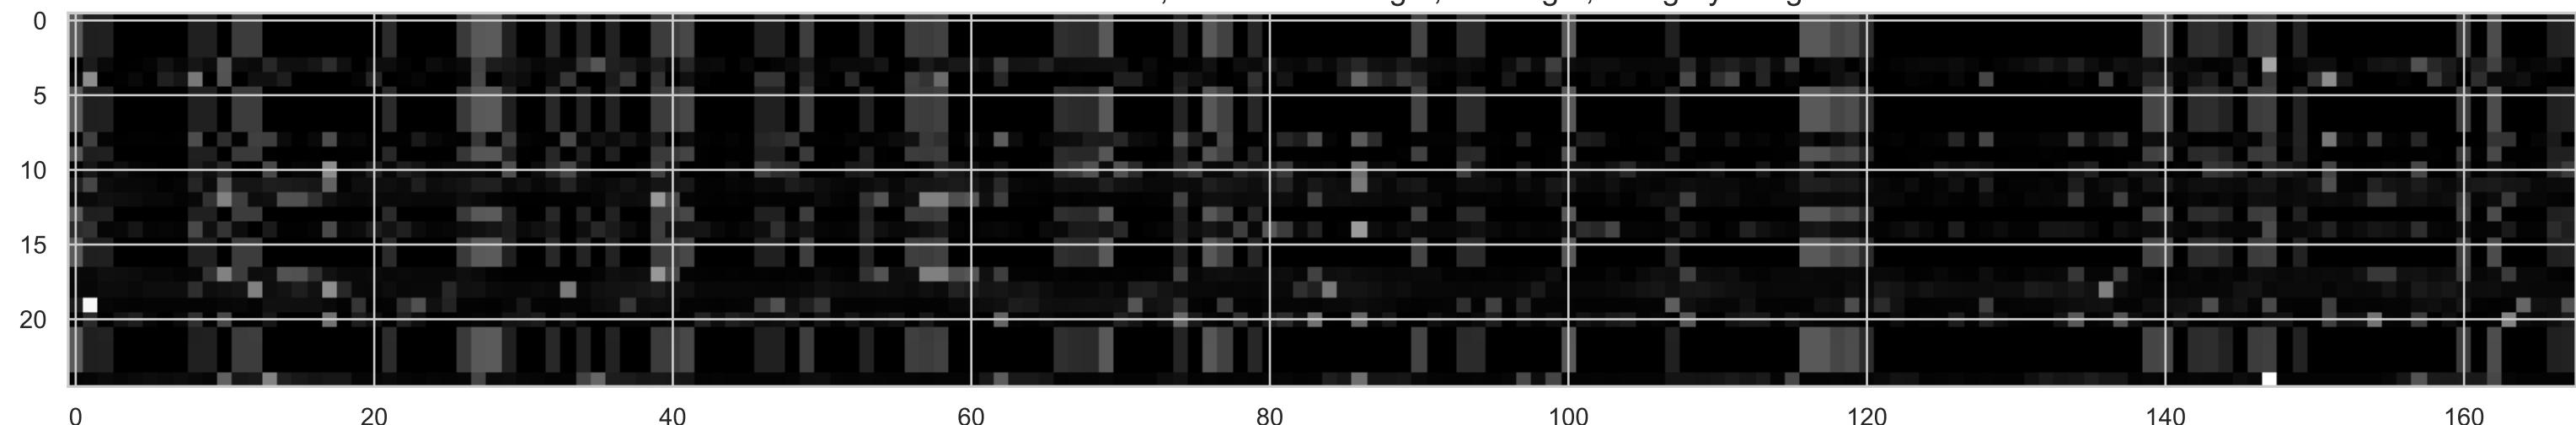

Learned Basis functions, method=SC mix, DD mix, category=fridge

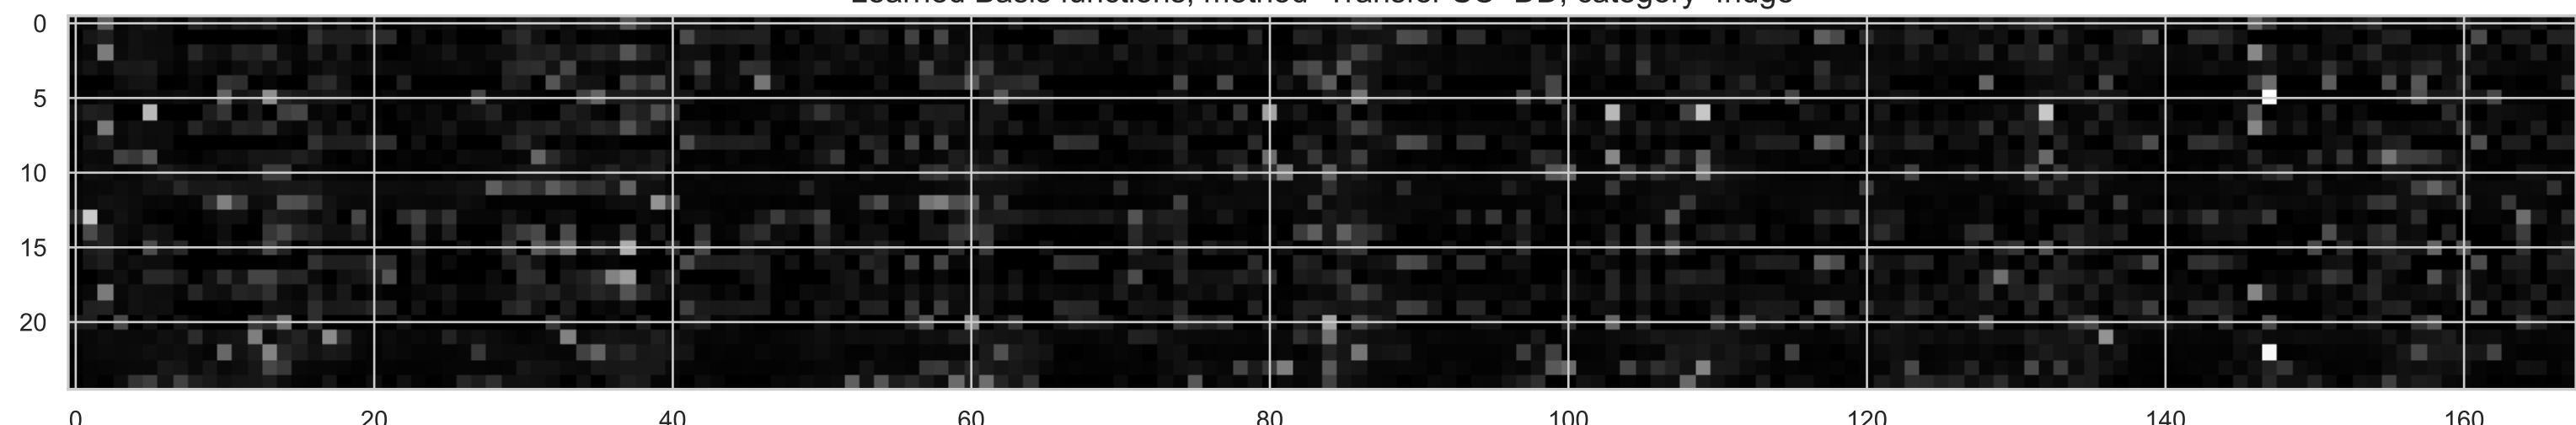

Learned Basis functions, method=SC source, DD target, category=fridge

Learned Basis functions, method=SC target, DD target, category=fridge

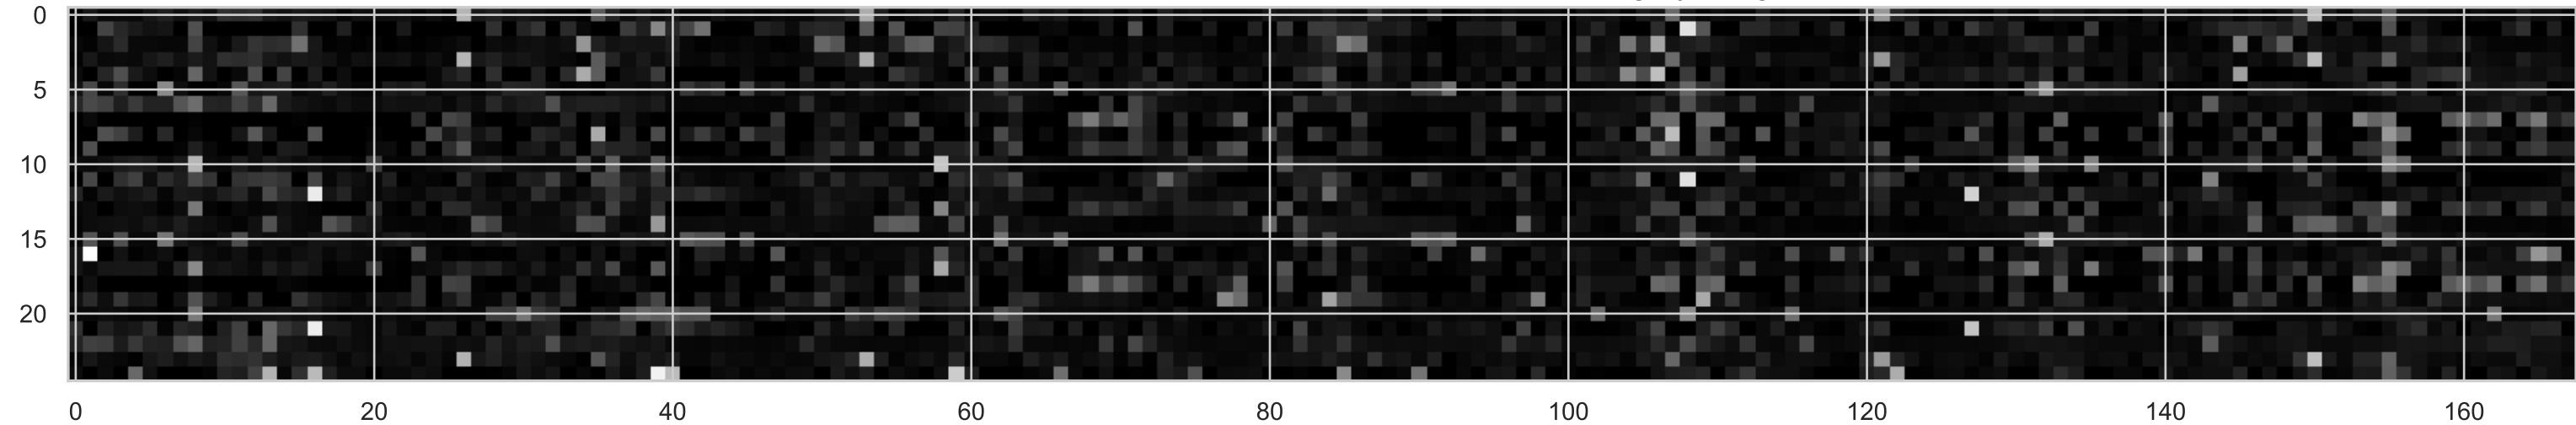

Learned Basis functions, method=Transfer SC+DD, category=fridge

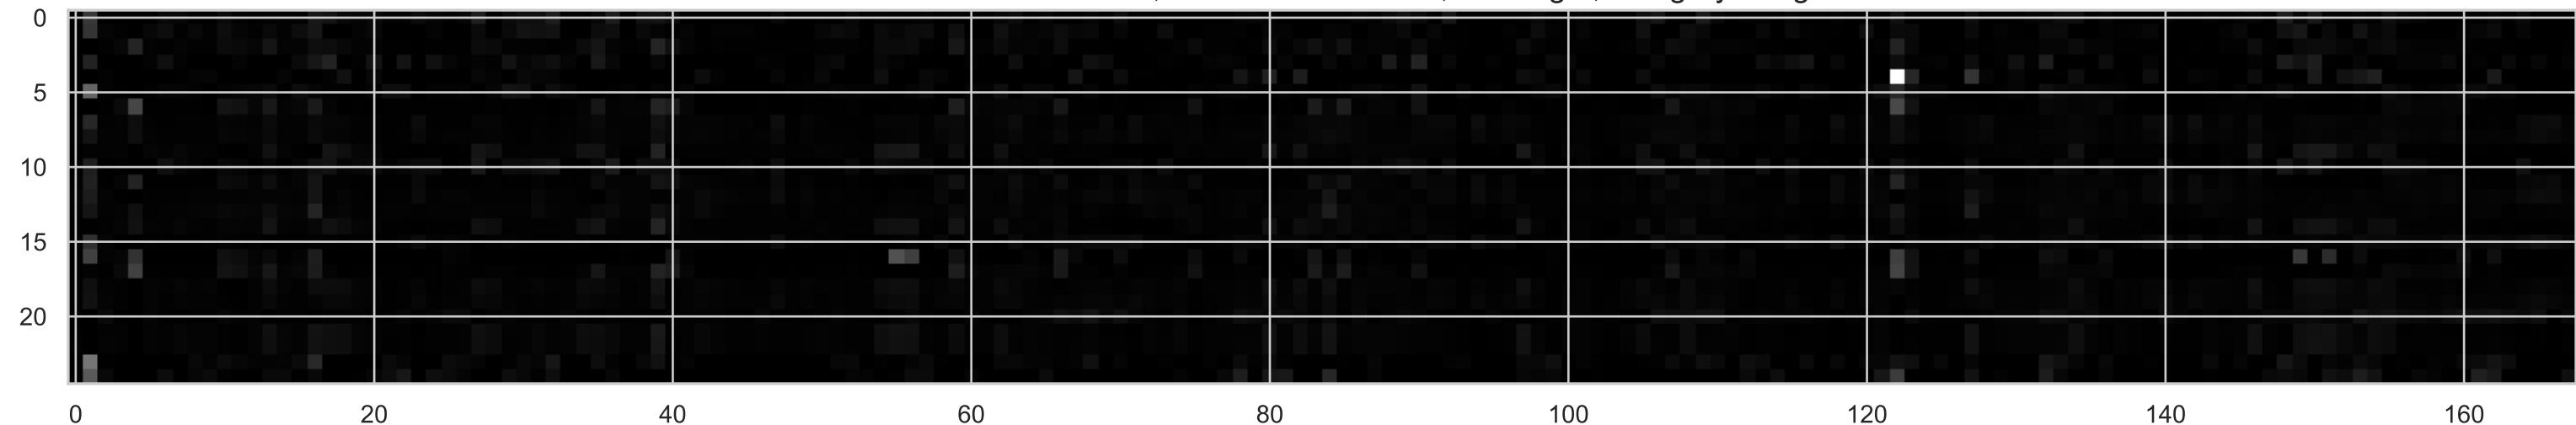

## Week 24

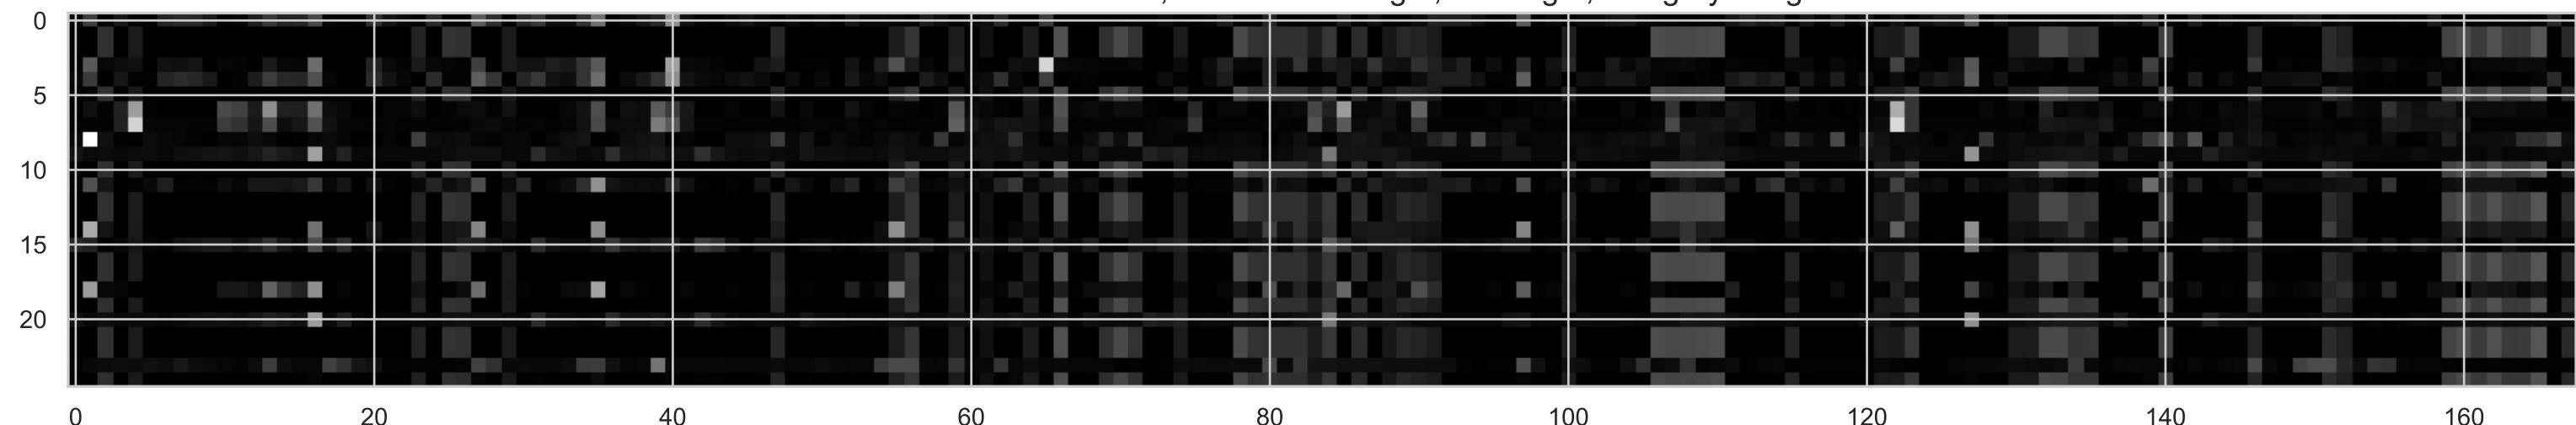

Learned Basis functions, method=SC mix, DD mix, category=fridge

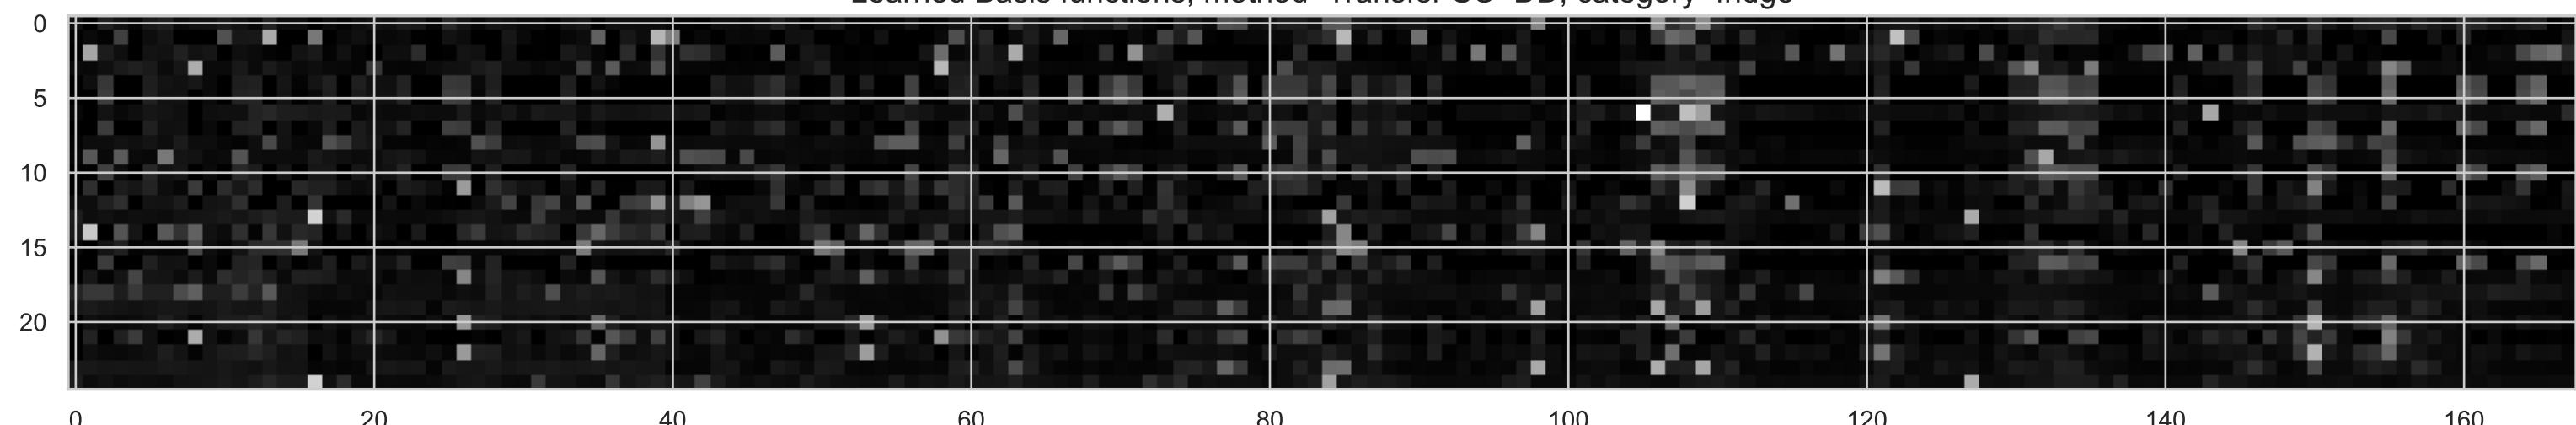

Learned Basis functions, method=SC source, DD target, category=fridge

Learned Basis functions, method=SC target, DD target, category=fridge

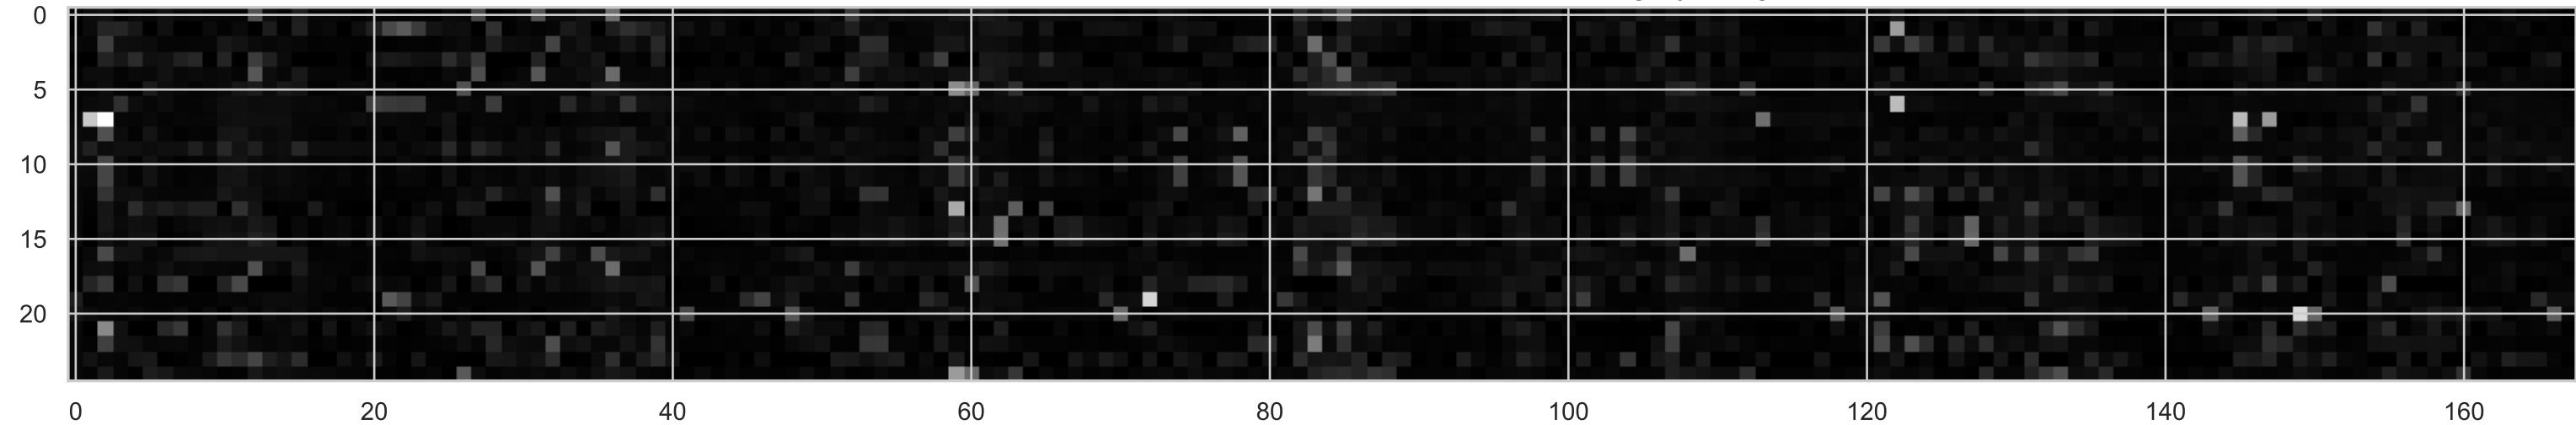

Learned Basis functions, method=Transfer SC+DD, category=fridge

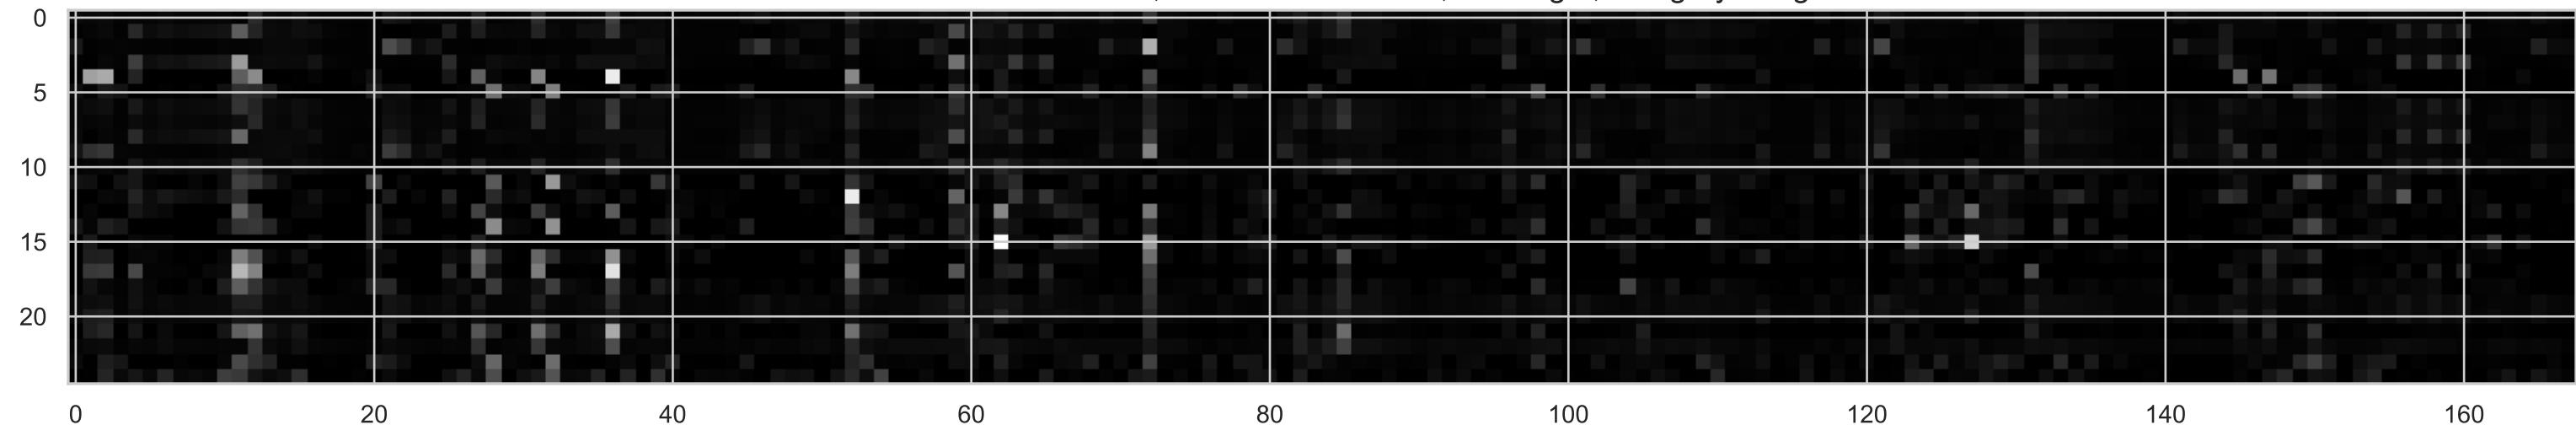

# Week 25

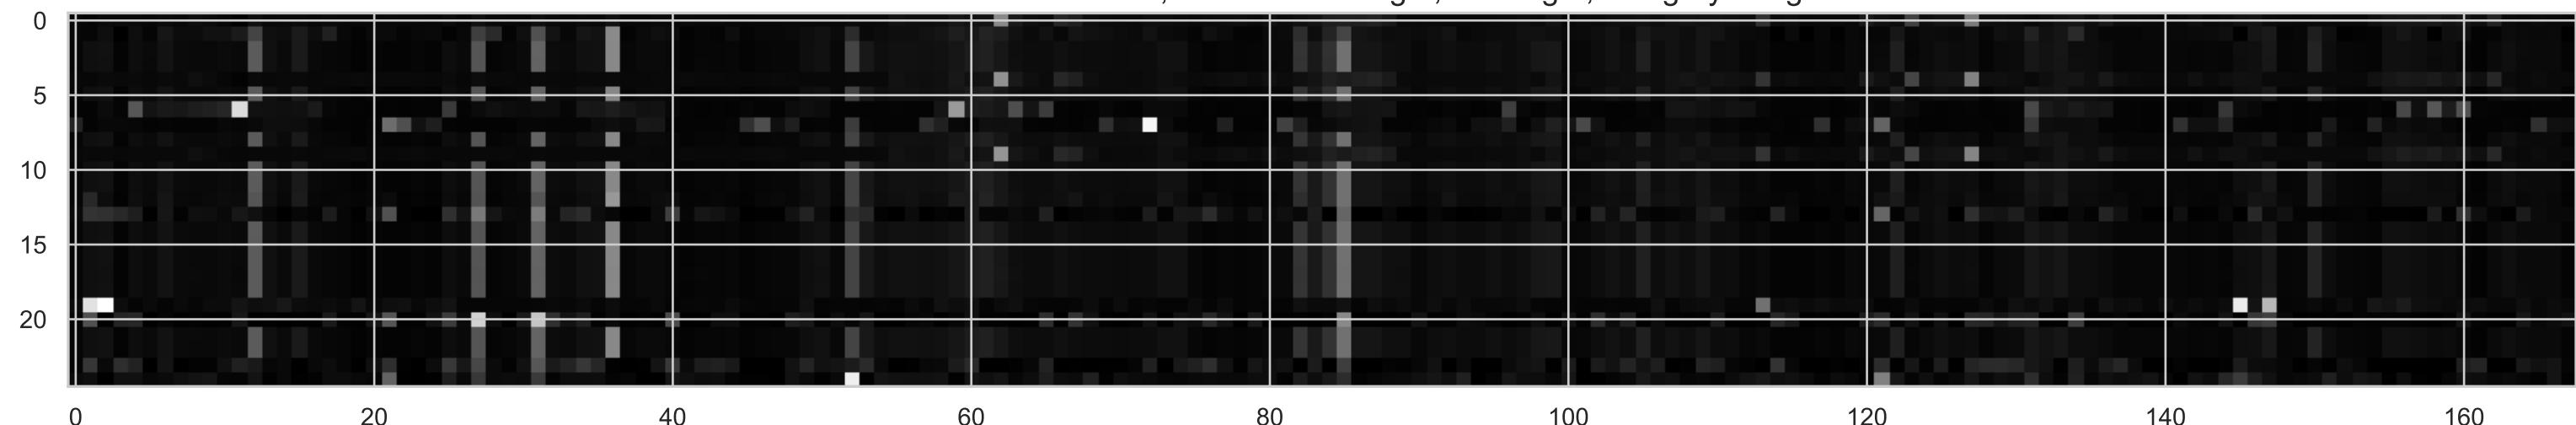

Learned Basis functions, method=SC mix, DD mix, category=fridge

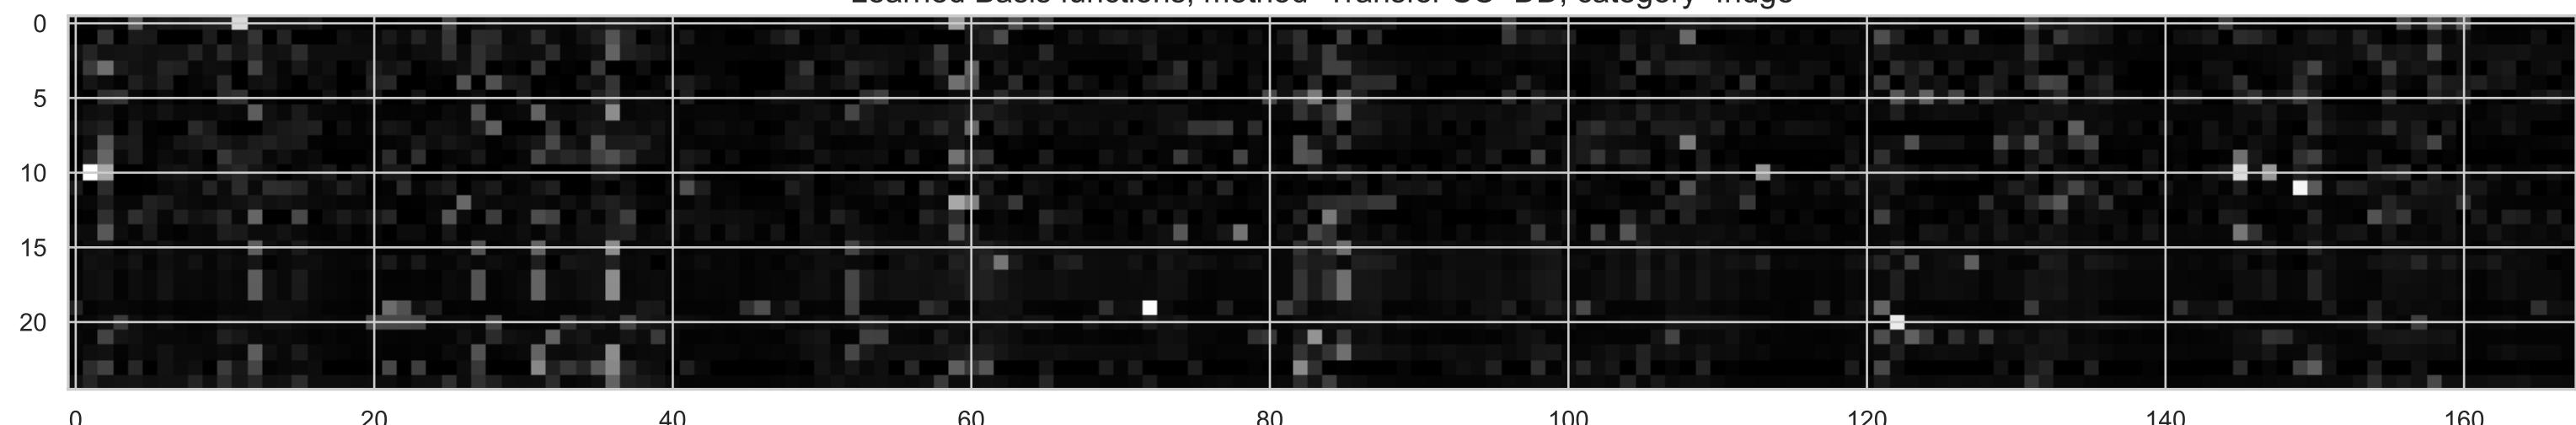

Learned Basis functions, method=SC source, DD target, category=fridge

Learned Basis functions, method=SC target, DD target, category=fridge

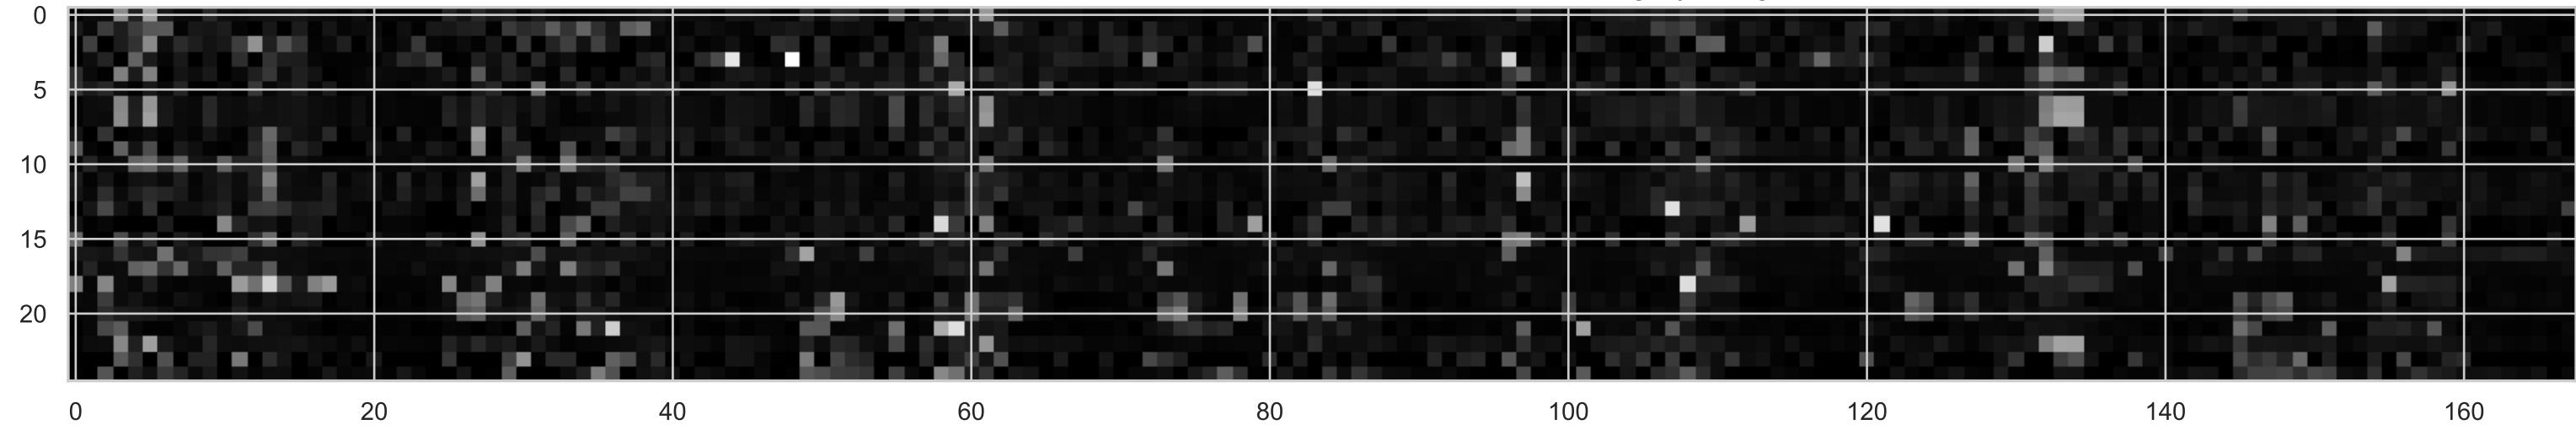

Learned Basis functions, method=Transfer SC+DD, category=fridge

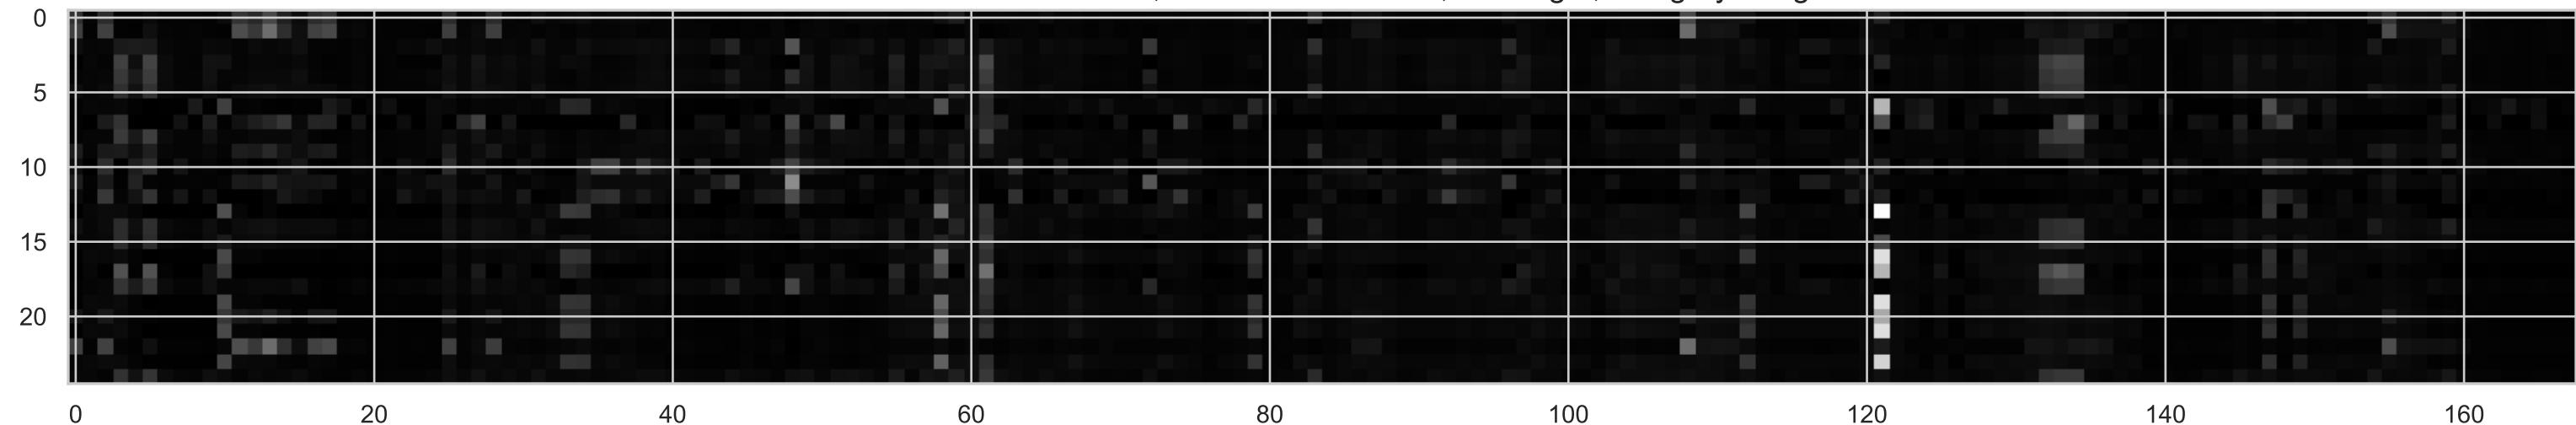

# Week 26

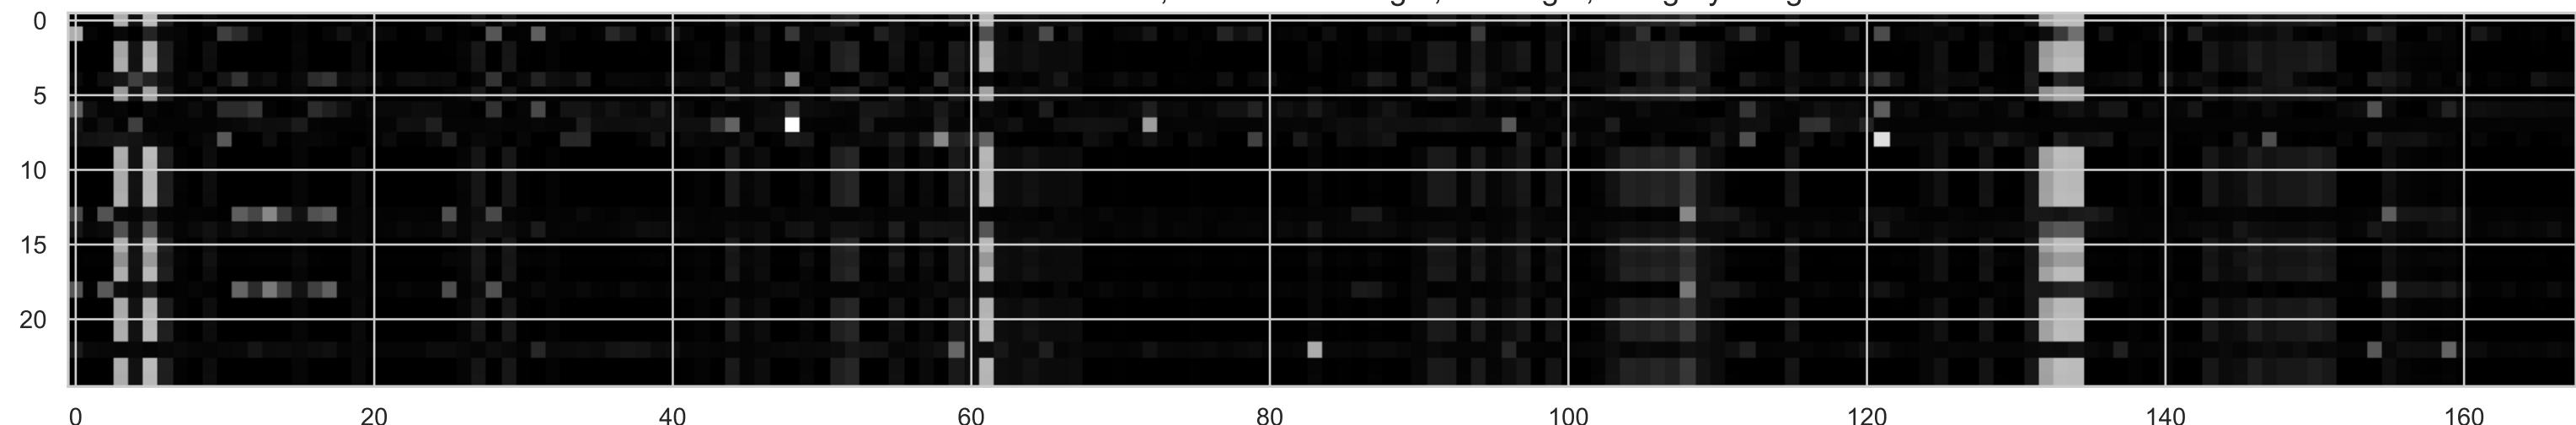

Learned Basis functions, method=SC mix, DD mix, category=fridge

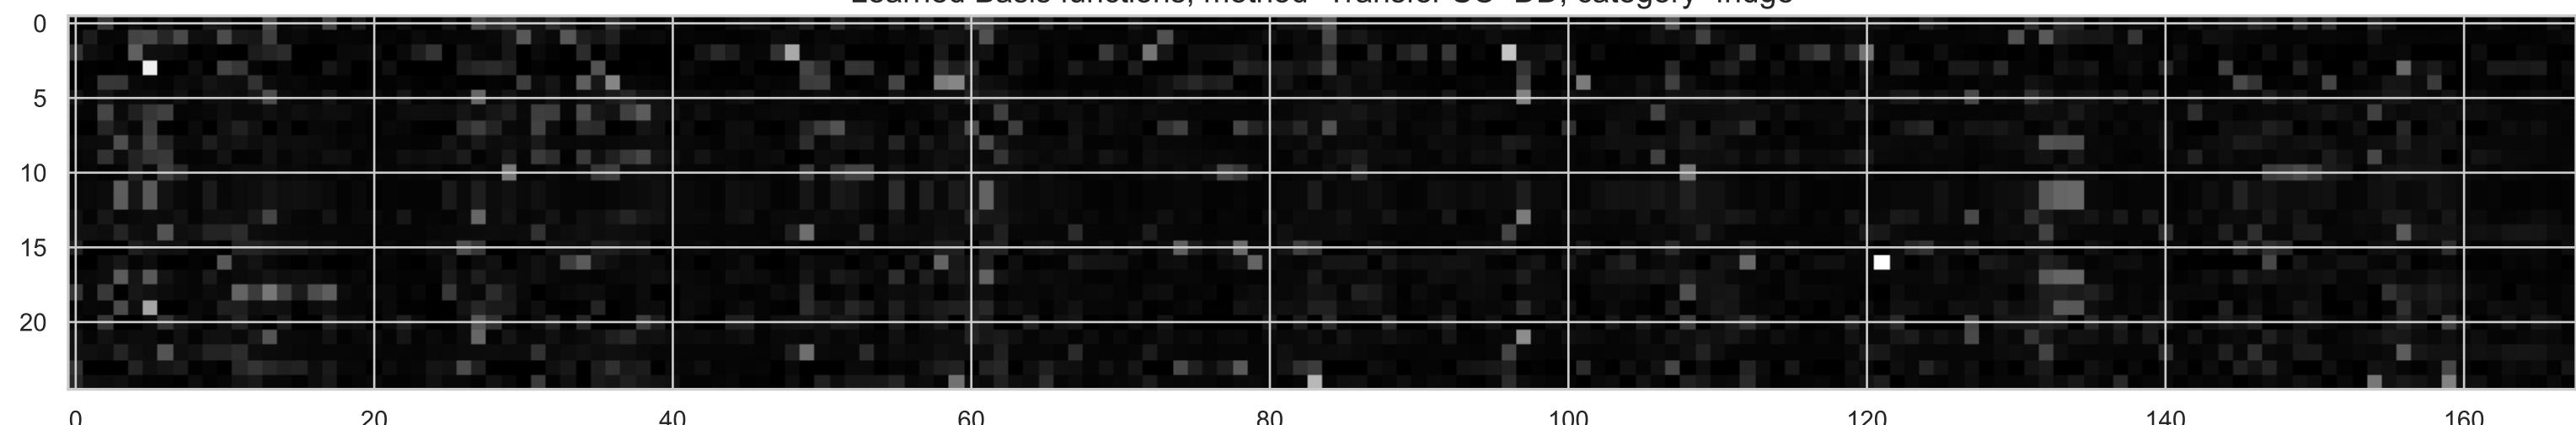

Learned Basis functions, method=SC source, DD target, category=fridge

Learned Basis functions, method=SC target, DD target, category=fridge

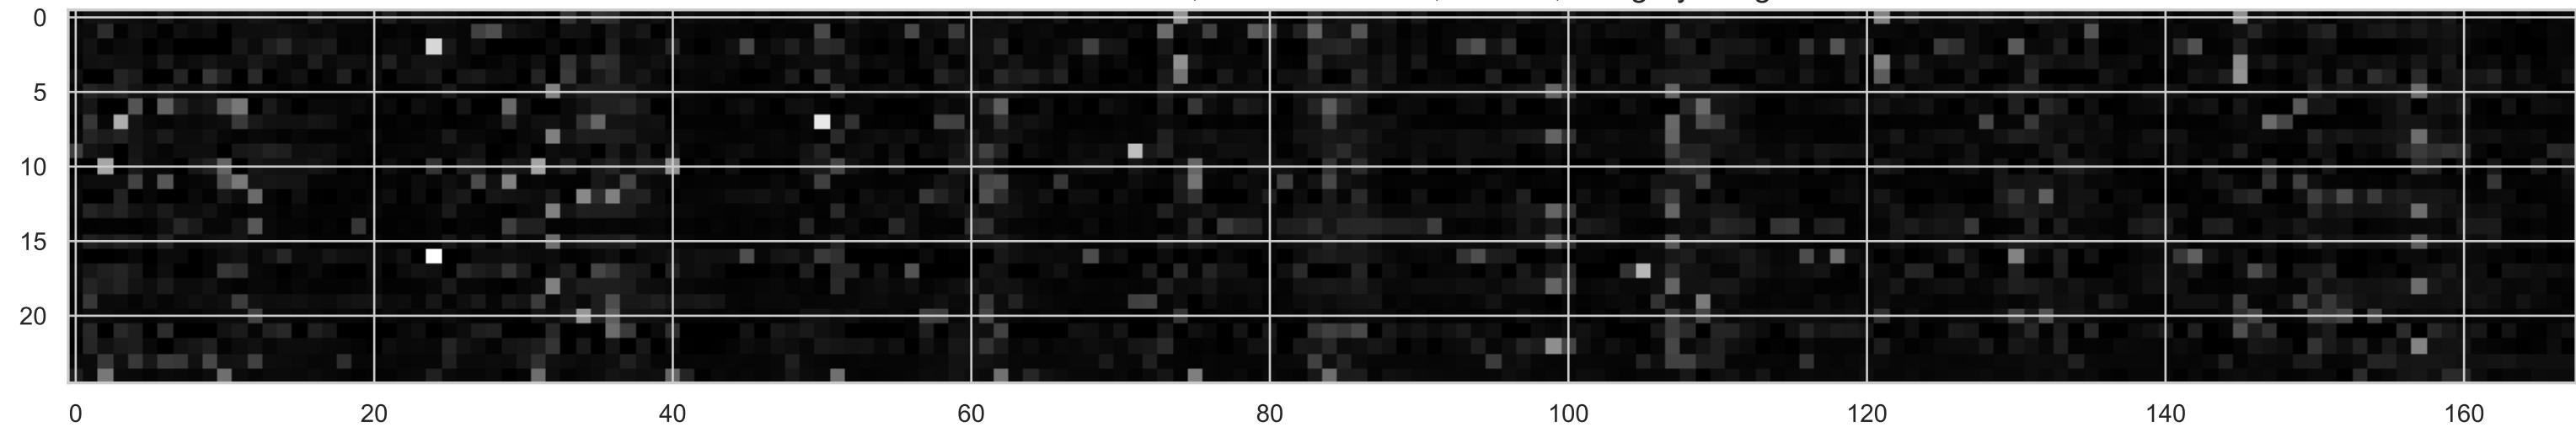

Learned Basis functions, method=Transfer SC+DD, category=fridge

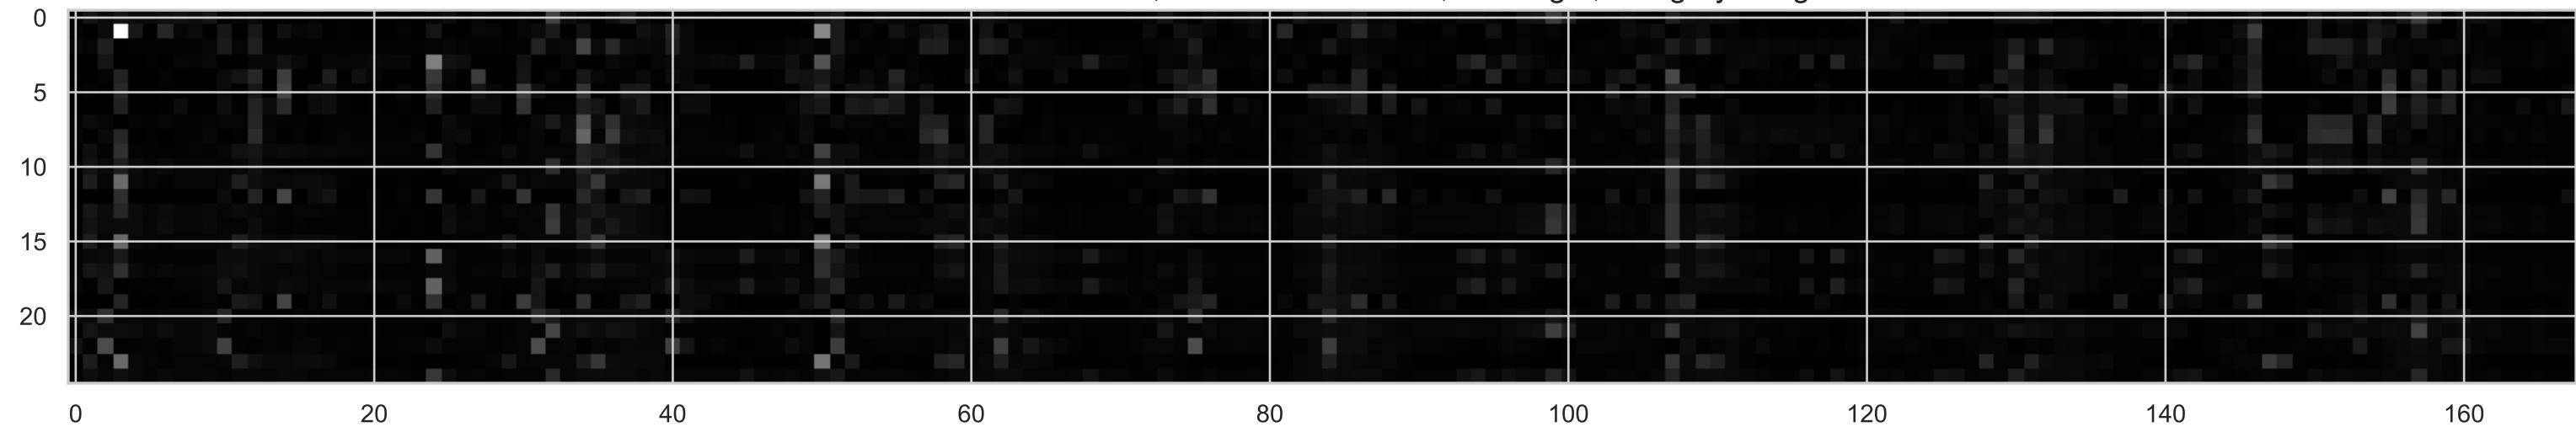

# Week 27

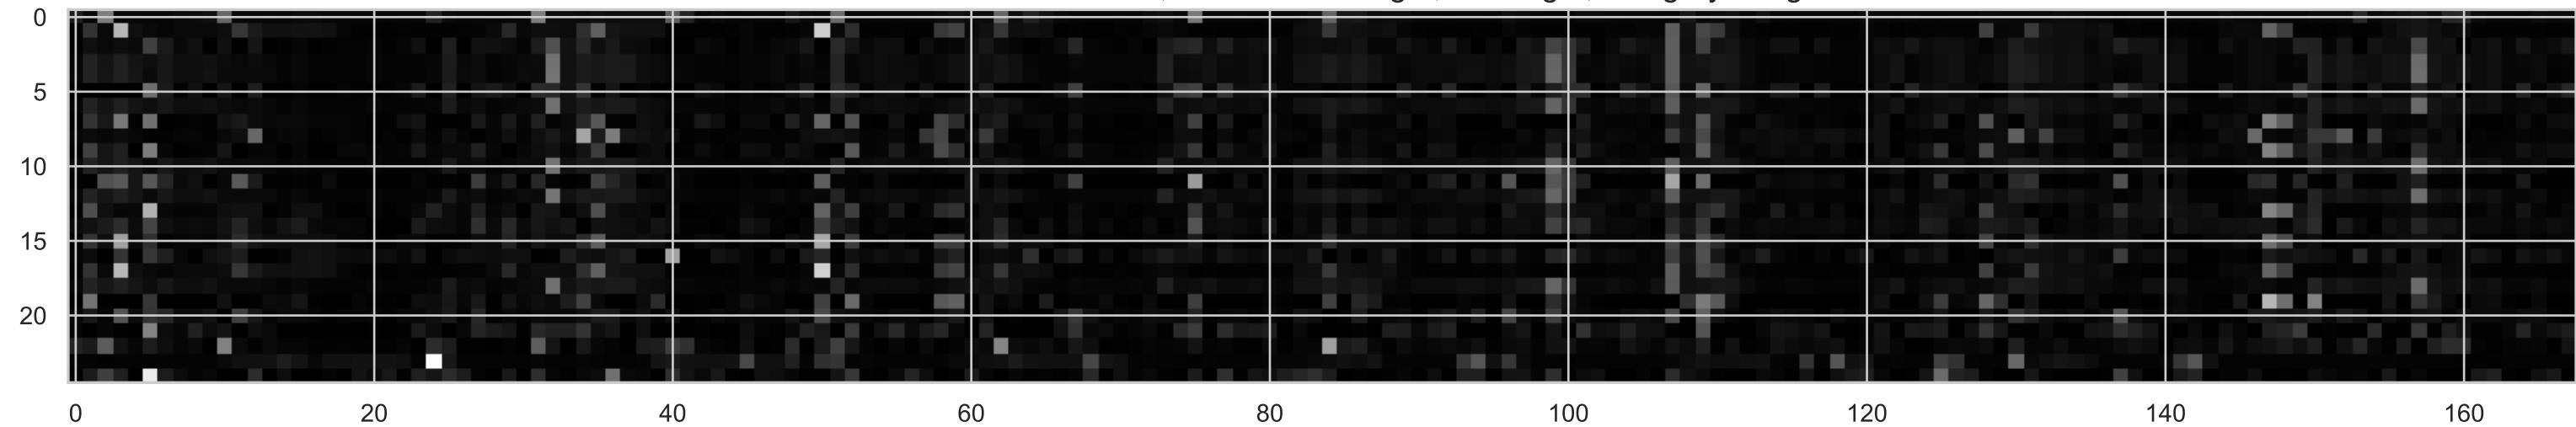

Learned Basis functions, method=SC mix, DD mix, category=fridge

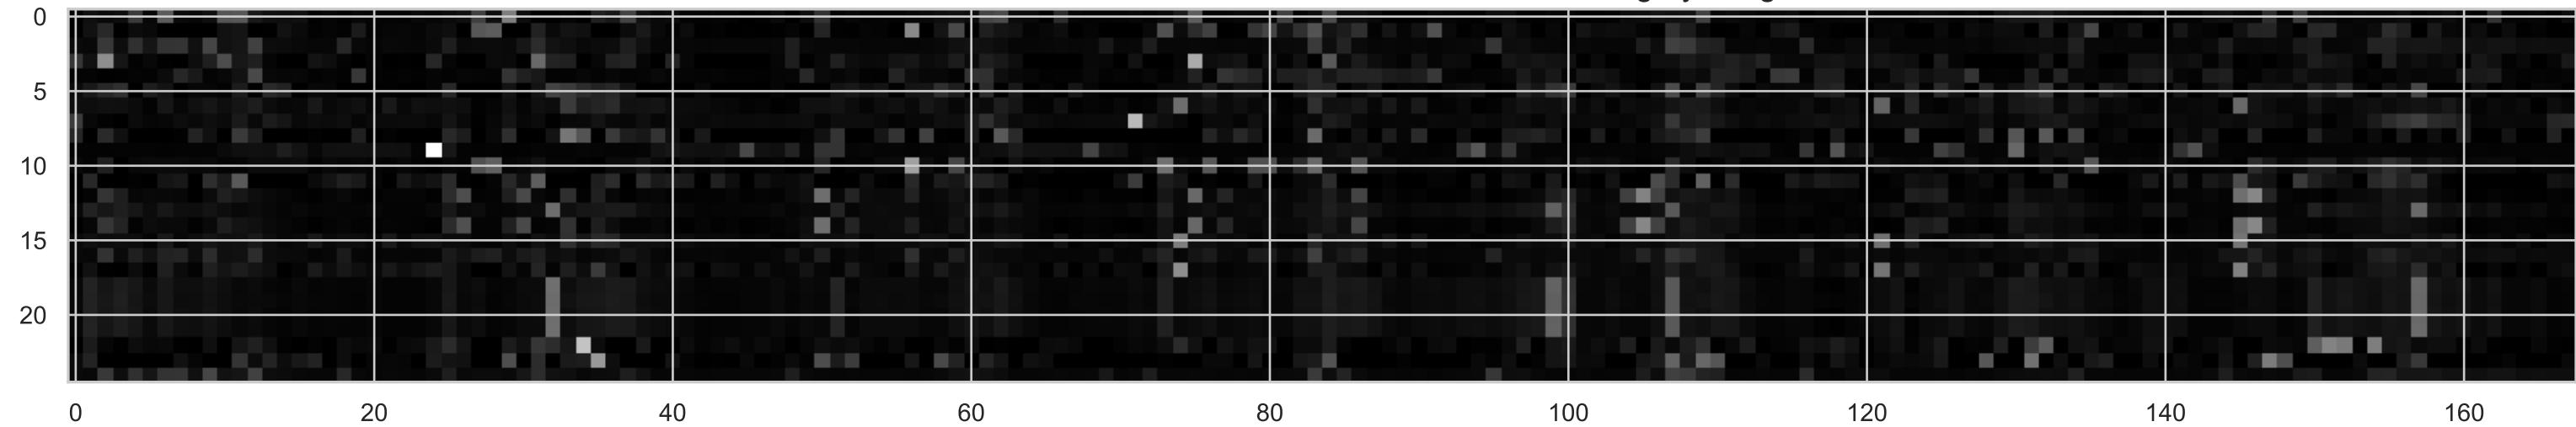

Learned Basis functions, method=SC source, DD target, category=fridge

Learned Basis functions, method=SC target, DD target, category=fridge

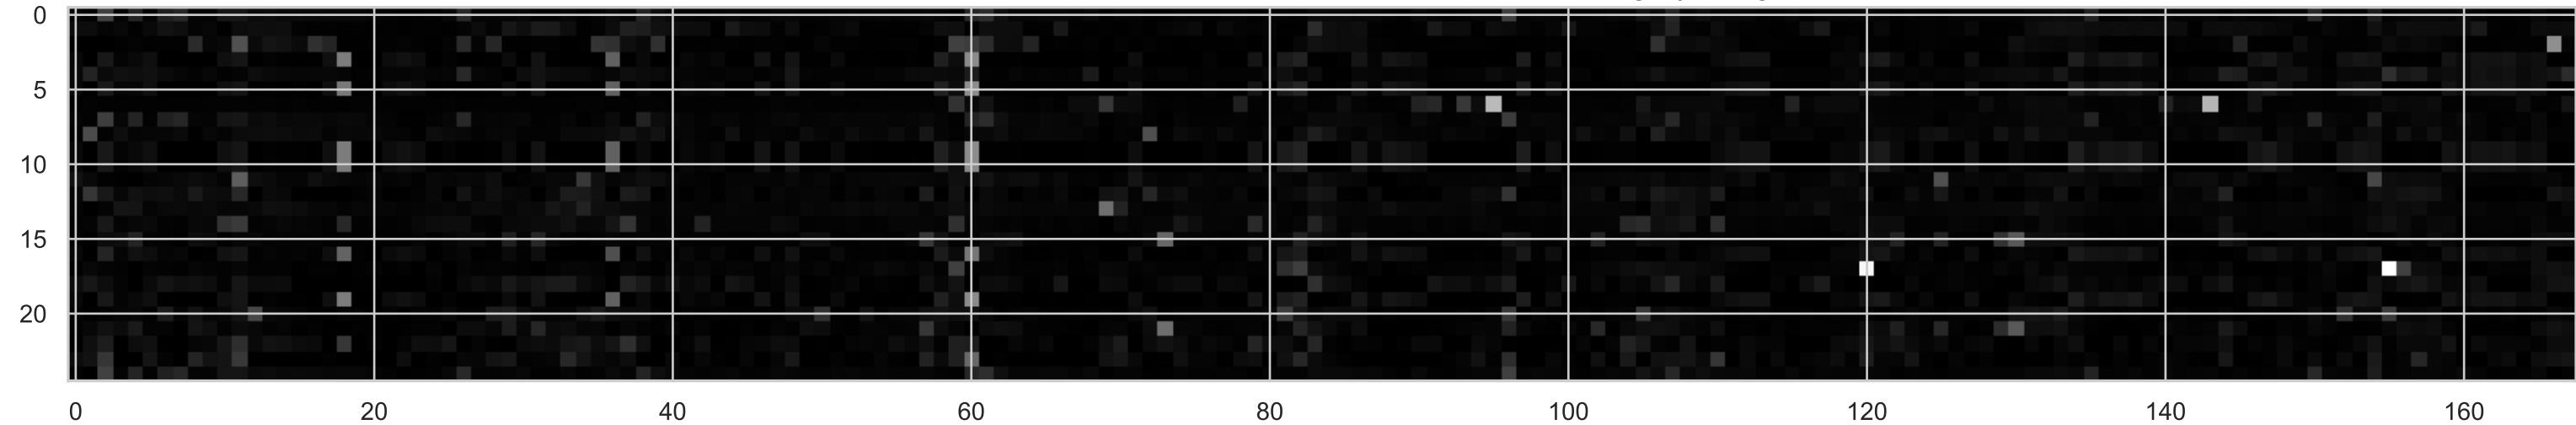

Learned Basis functions, method=Transfer SC+DD, category=fridge

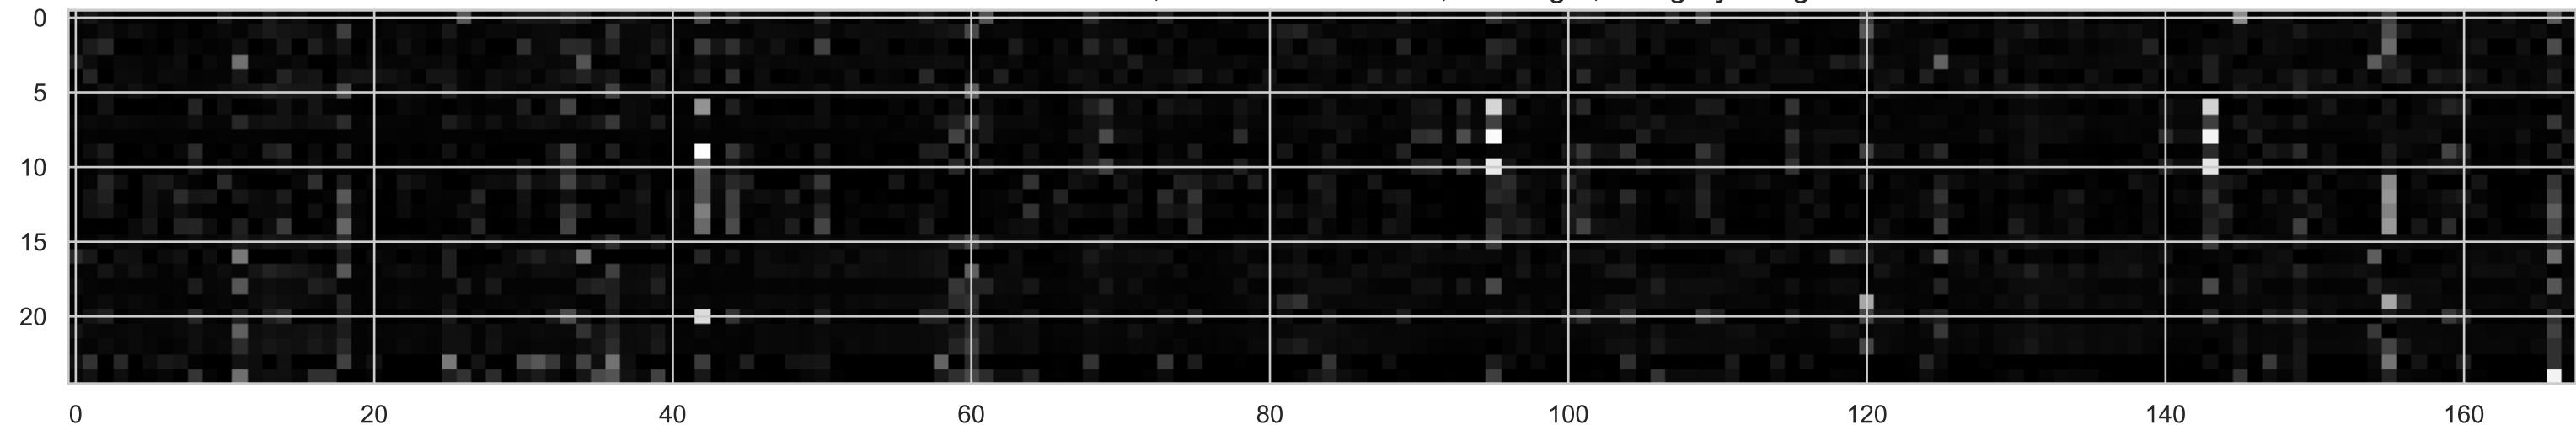

# Week 28

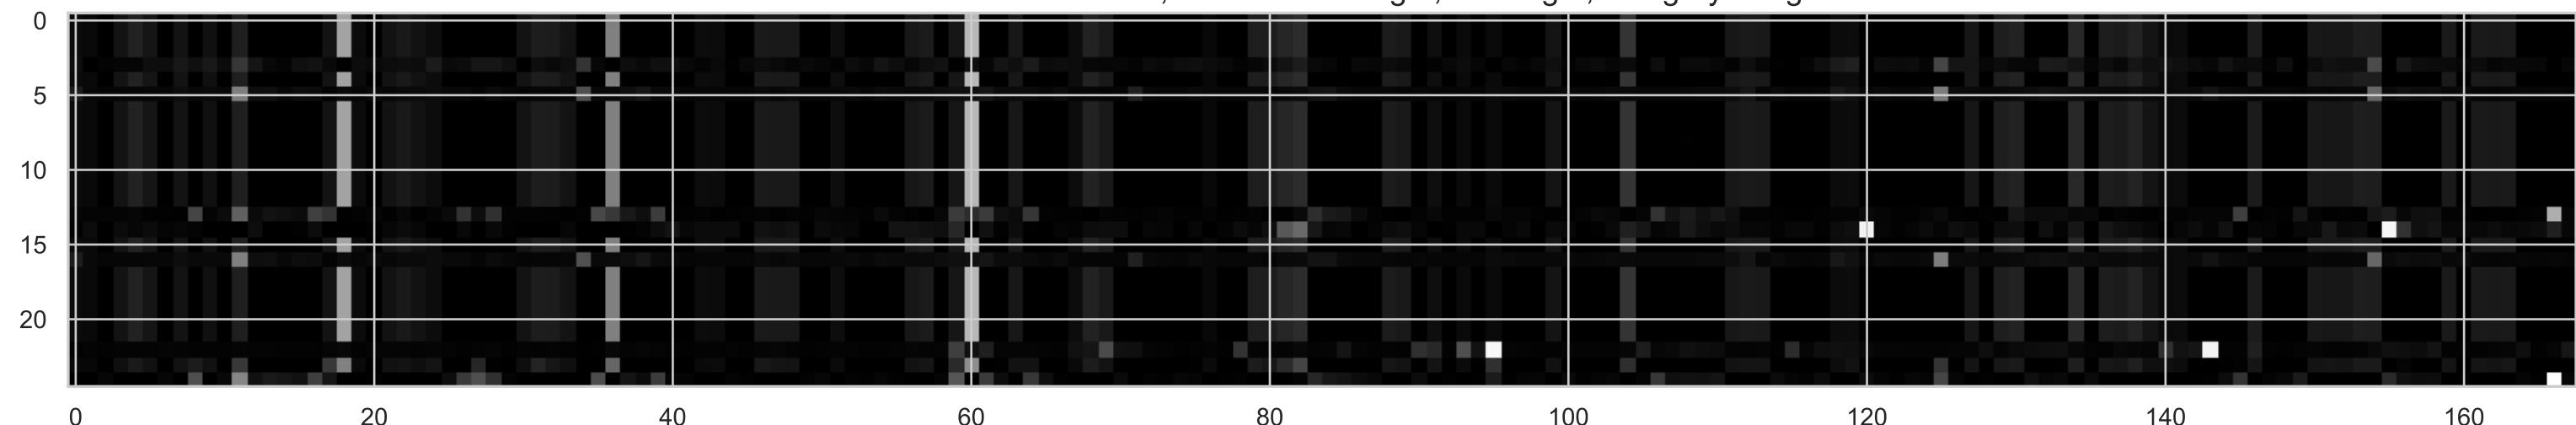

Learned Basis functions, method=SC mix, DD mix, category=fridge

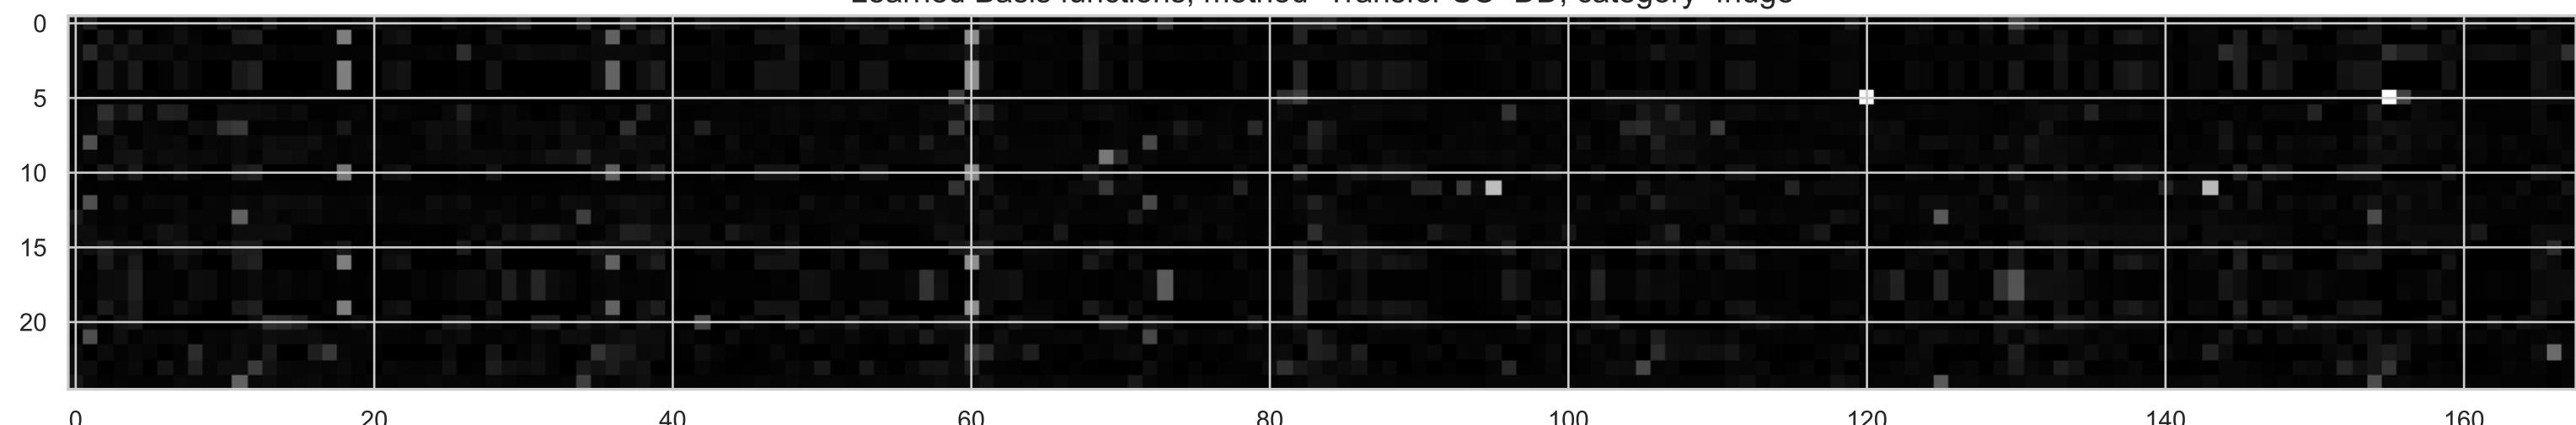

Learned Basis functions, method=SC source, DD target, category=fridge

Learned Basis functions, method=SC target, DD target, category=fridge

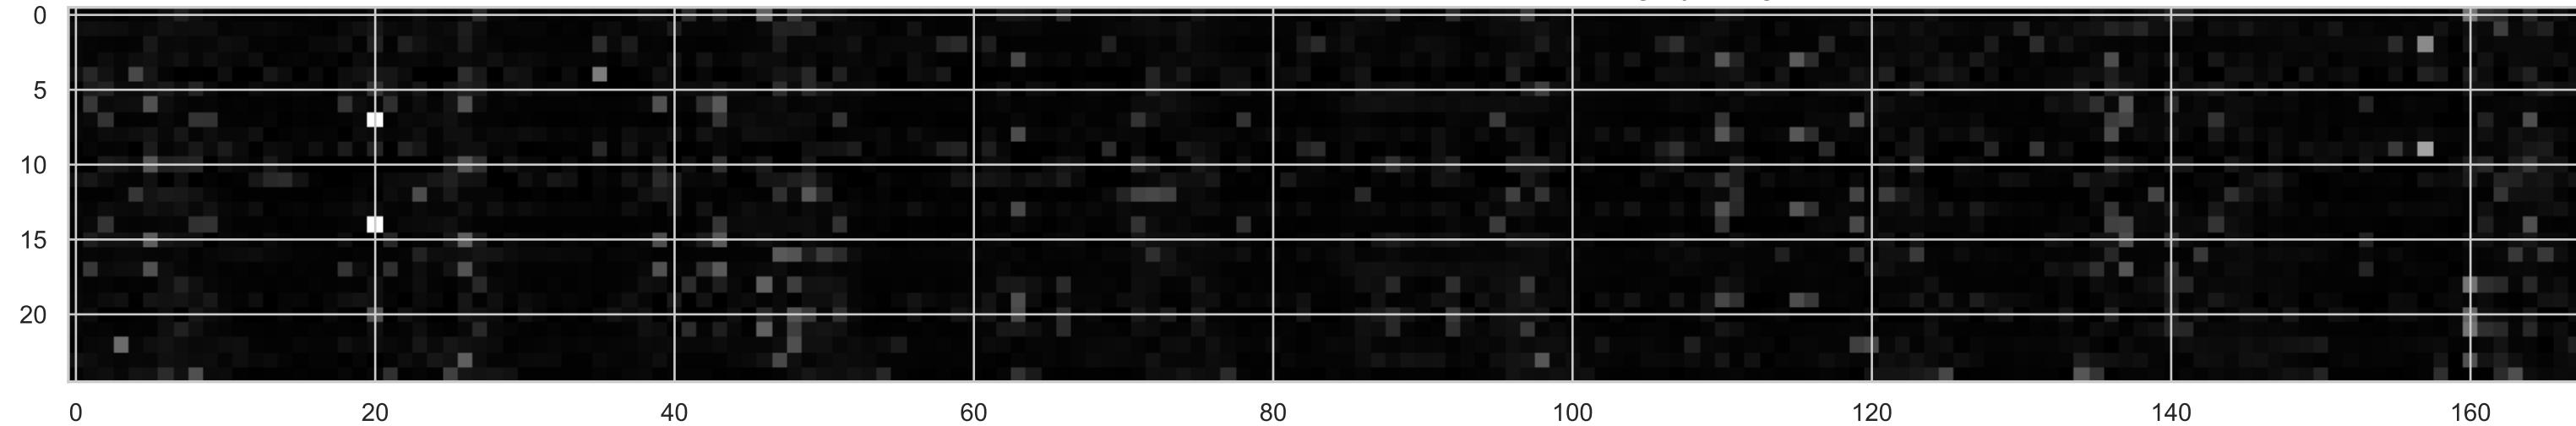

Learned Basis functions, method=Transfer SC+DD, category=fridge

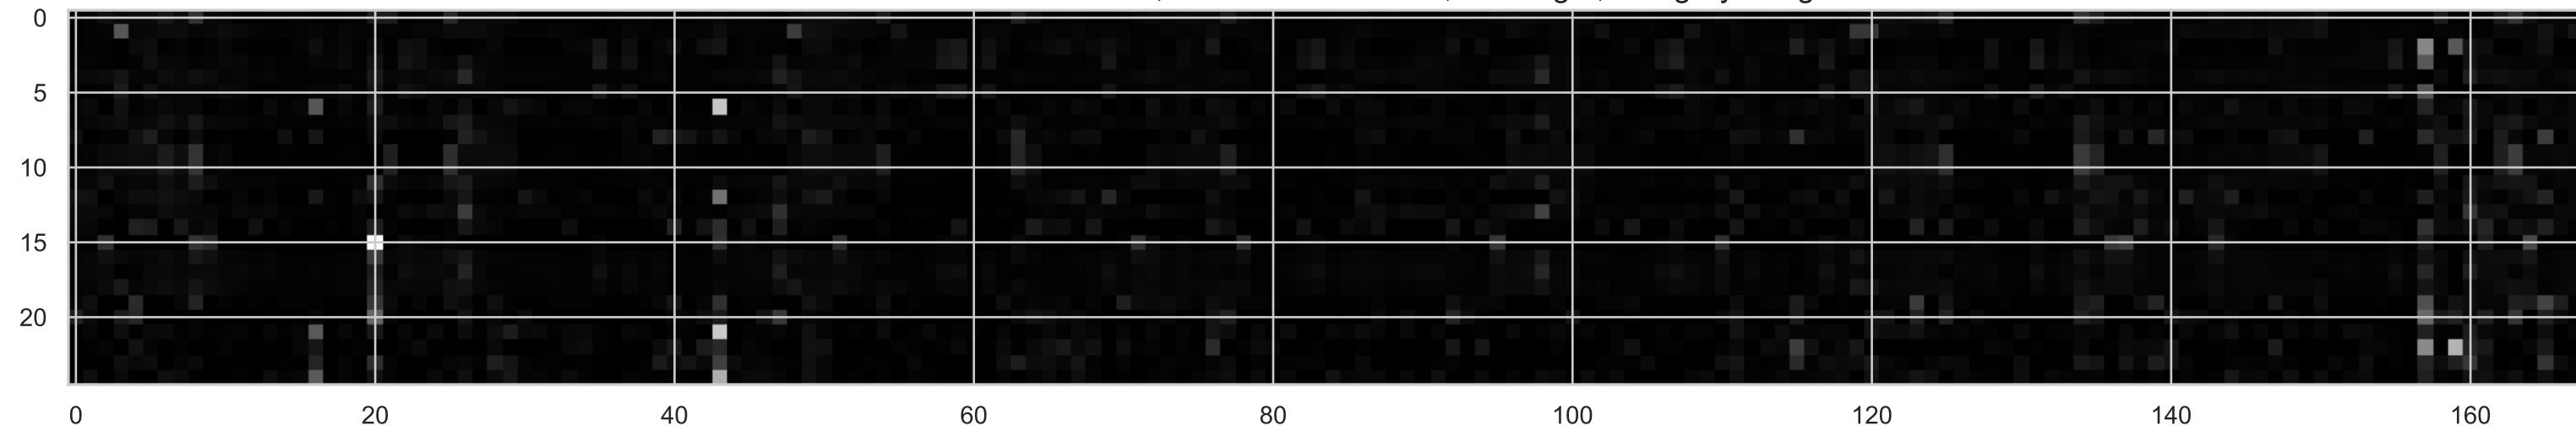

# Week 29

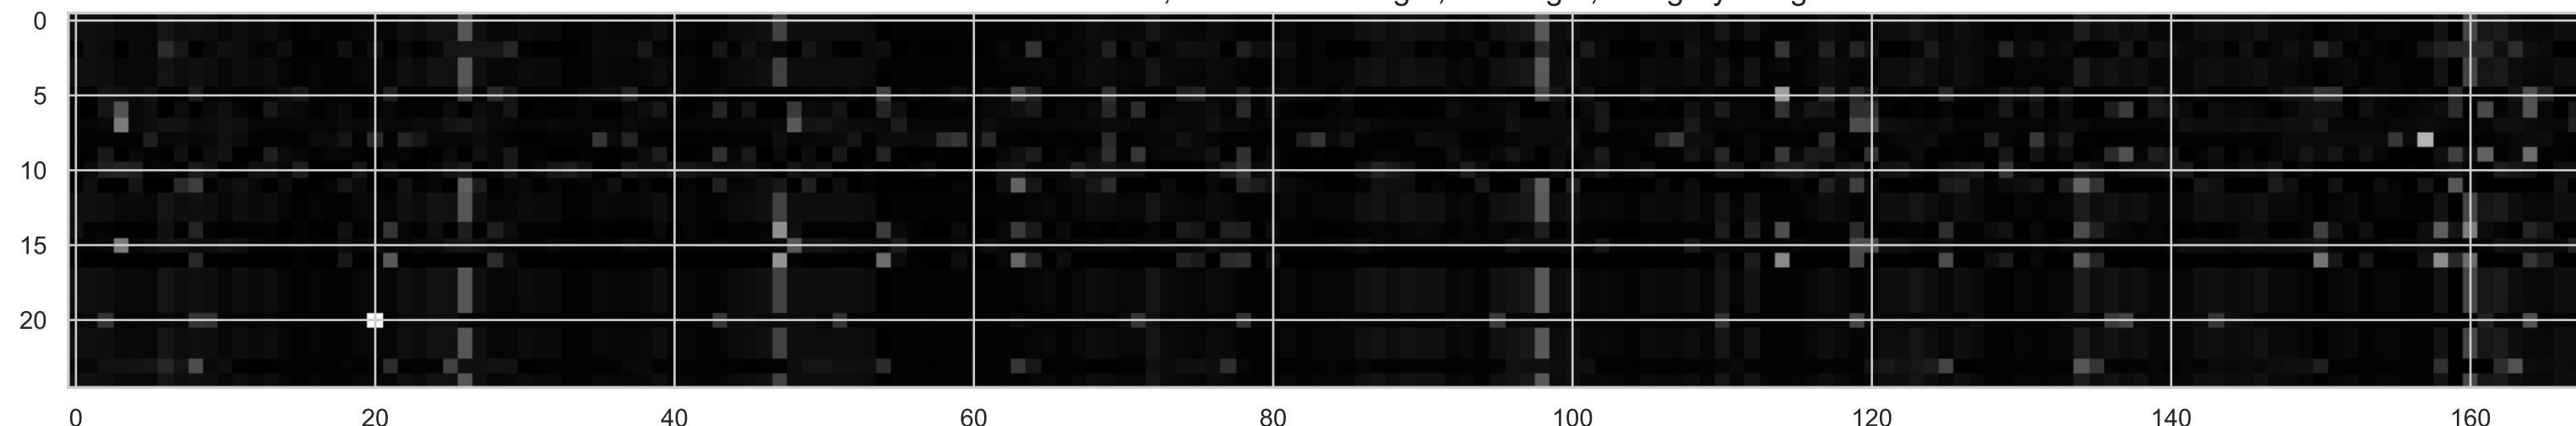

Learned Basis functions, method=SC mix, DD mix, category=fridge

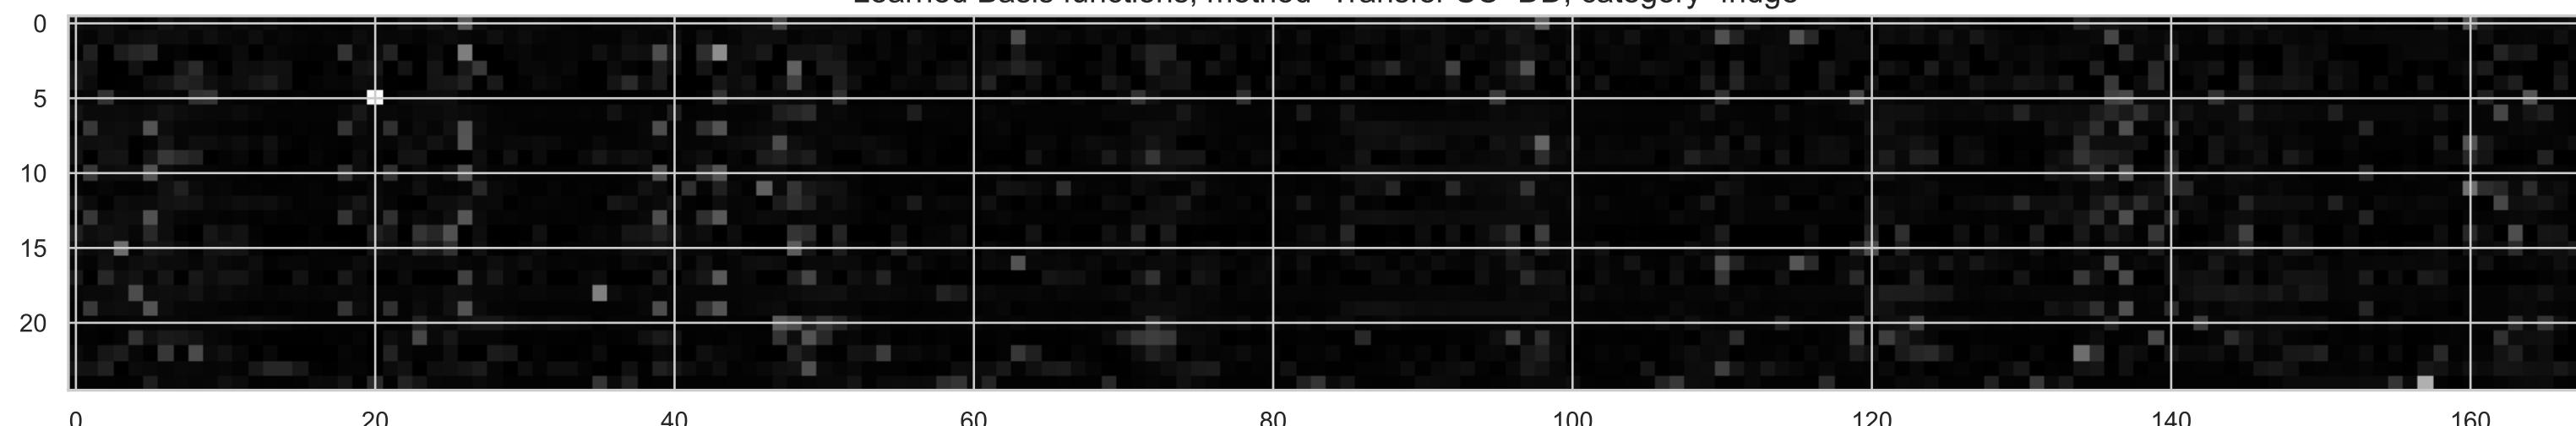

Learned Basis functions, method=SC source, DD target, category=fridge

Learned Basis functions, method=SC target, DD target, category=fridge

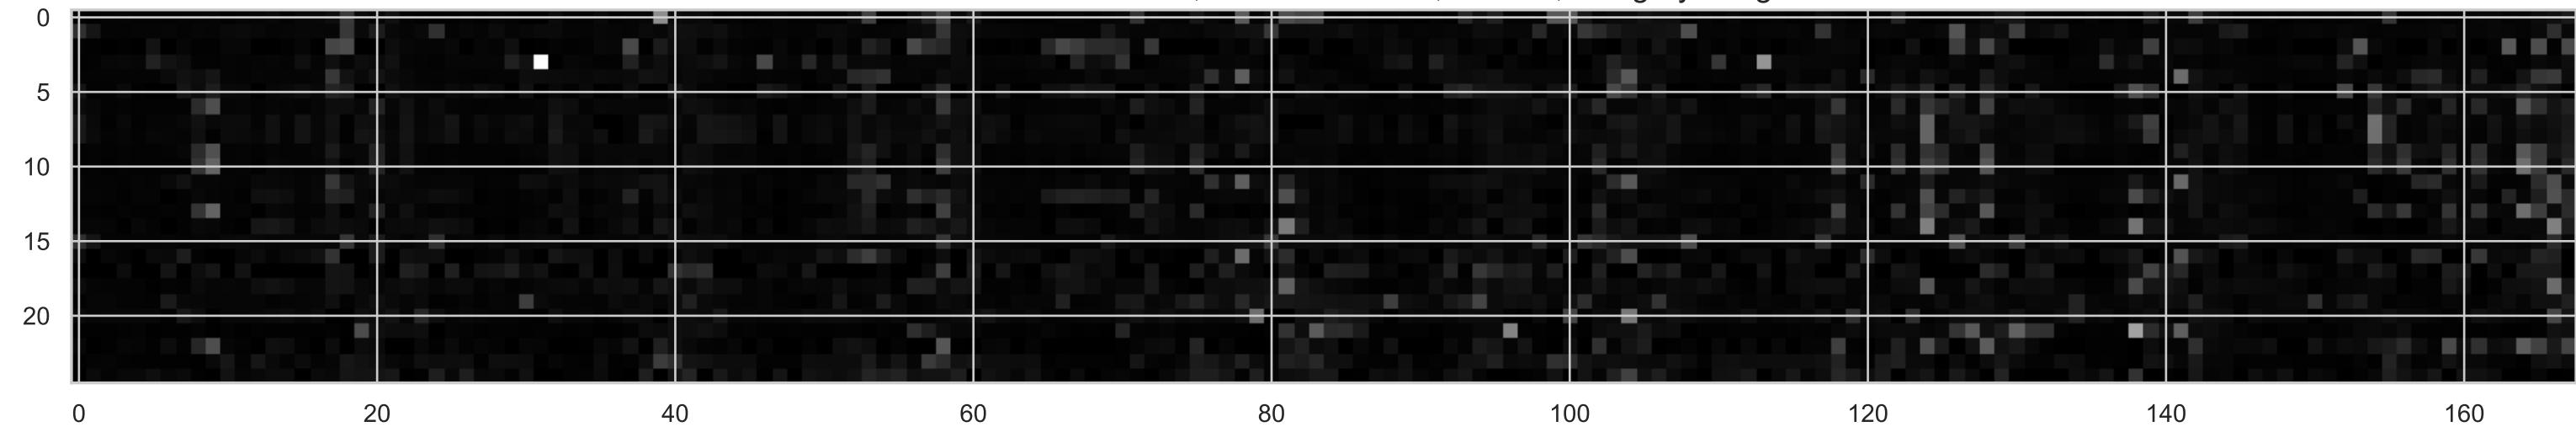

Learned Basis functions, method=Transfer SC+DD, category=fridge

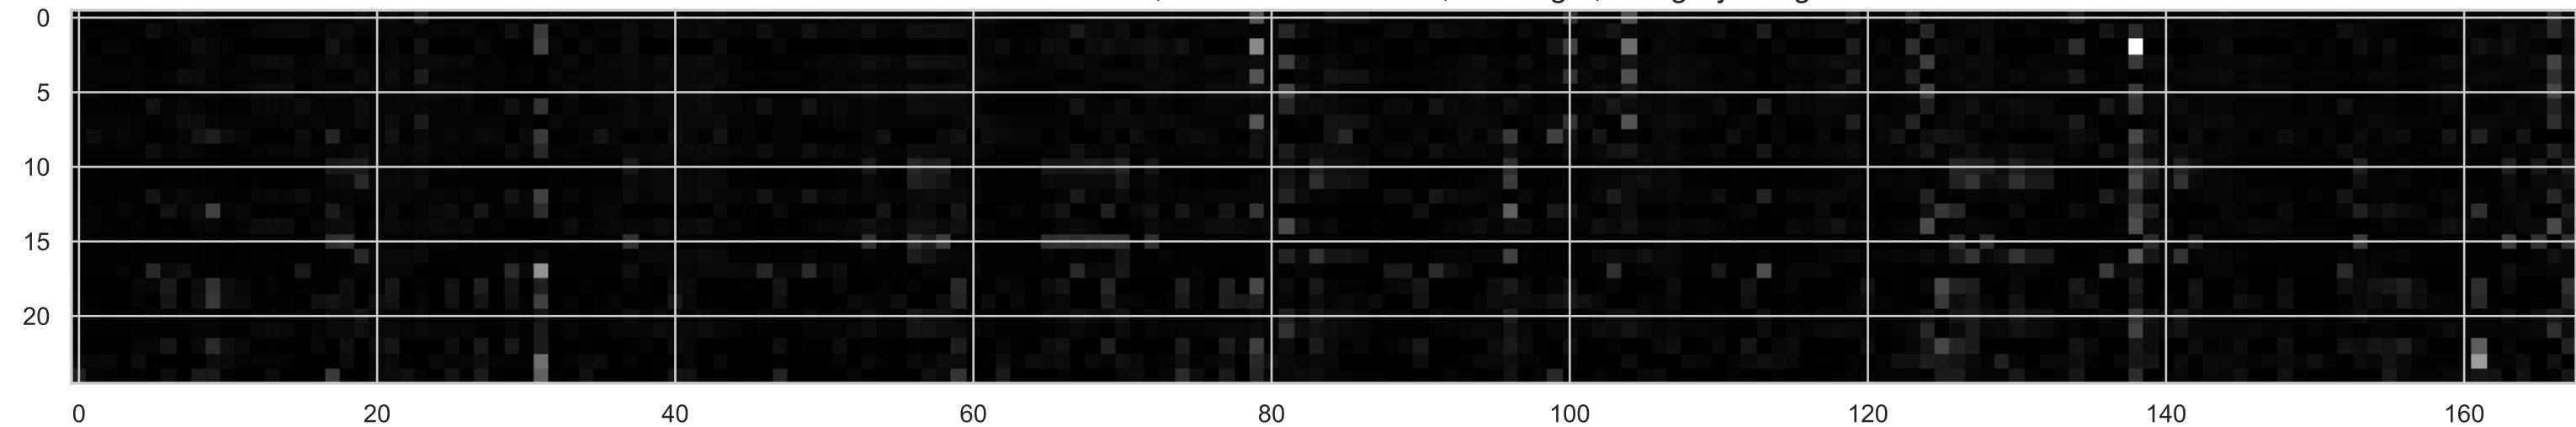

# Week 30

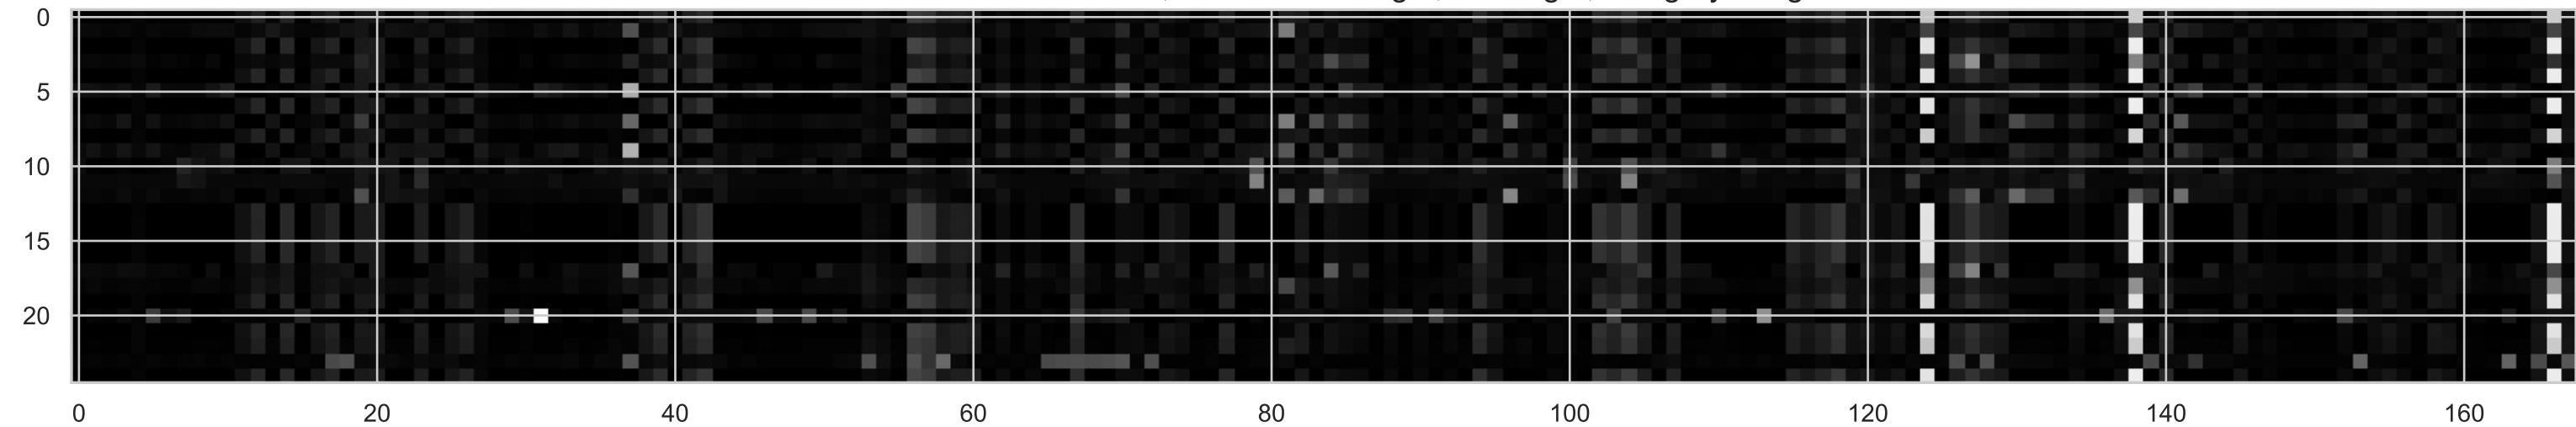

Learned Basis functions, method=SC mix, DD mix, category=fridge

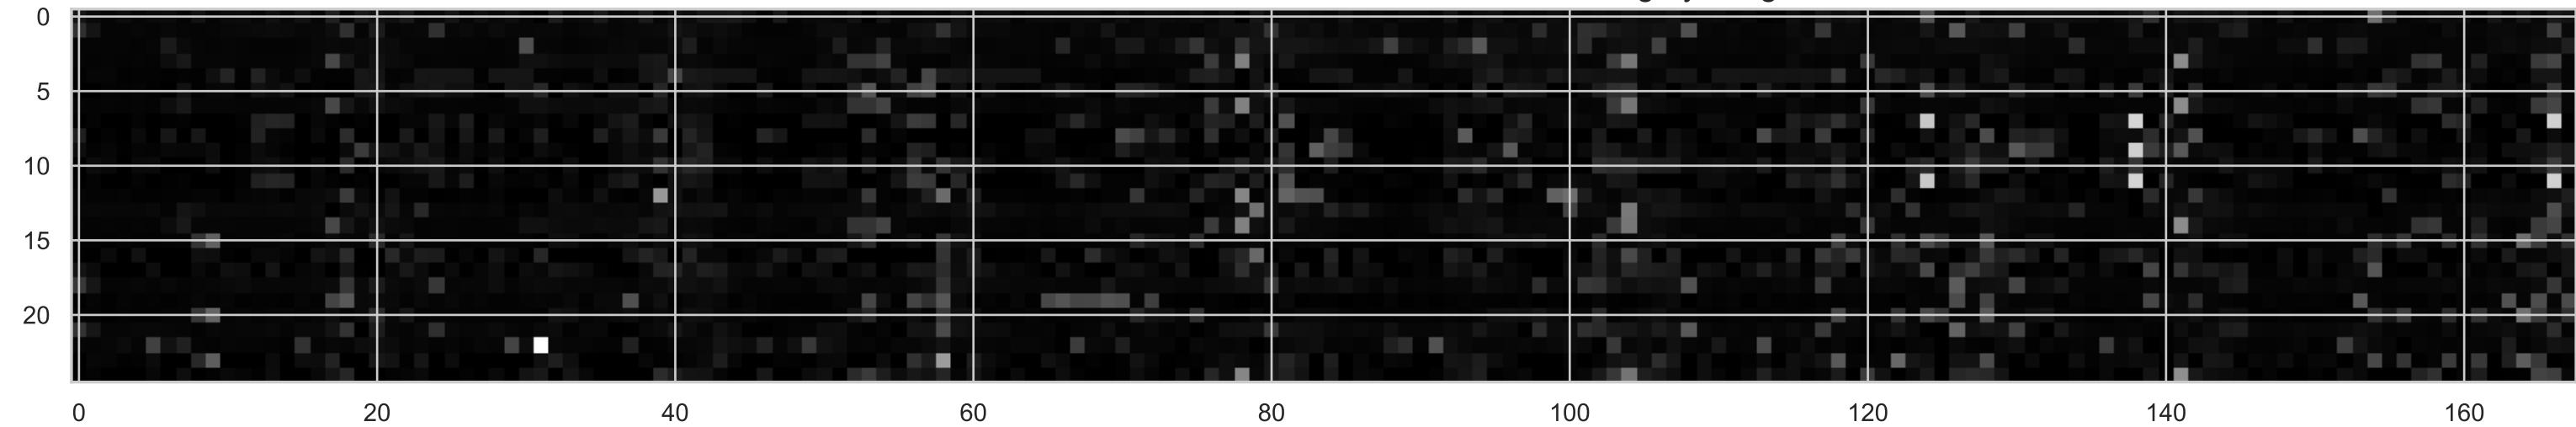

Learned Basis functions, method=SC source, DD target, category=fridge

Learned Basis functions, method=SC target, DD target, category=fridge

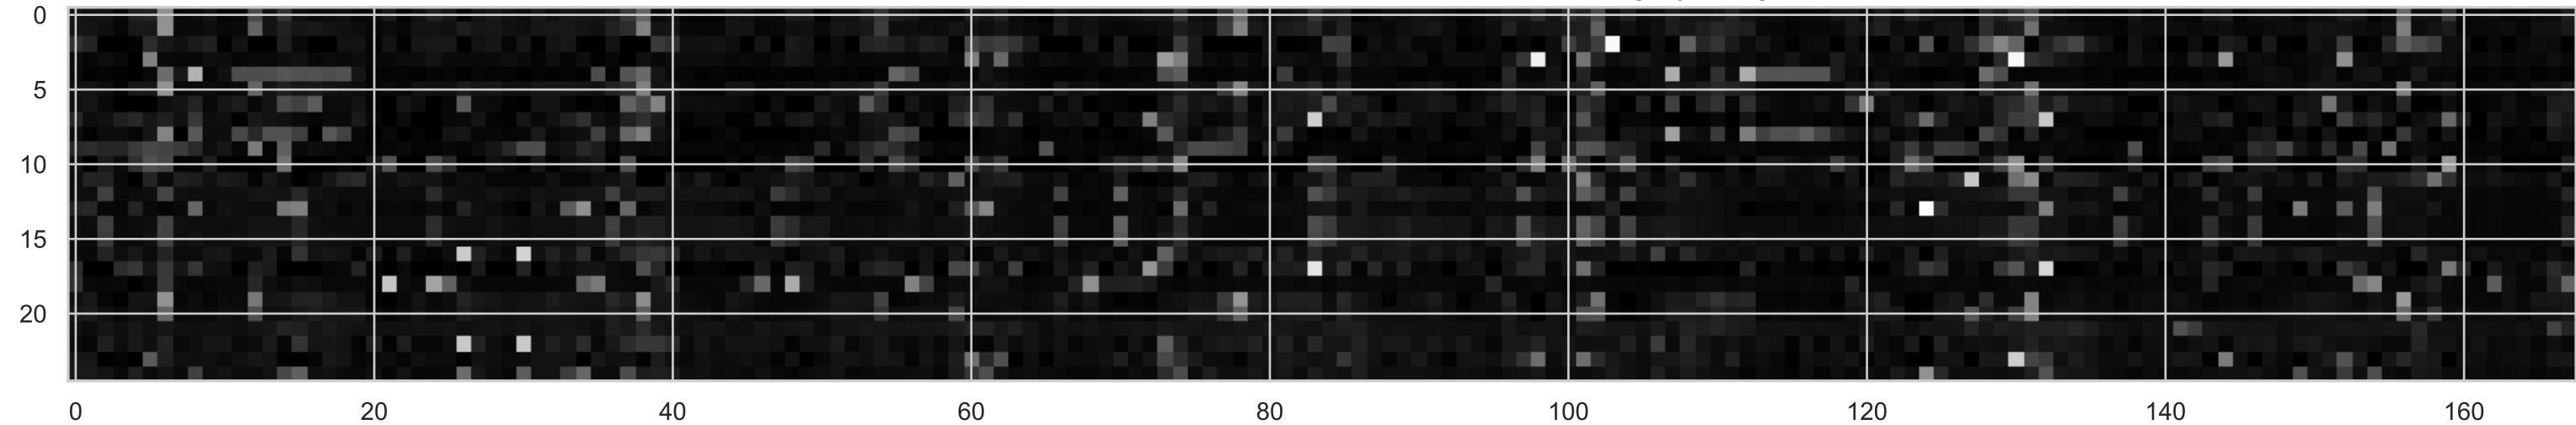

Learned Basis functions, method=Transfer SC+DD, category=fridge

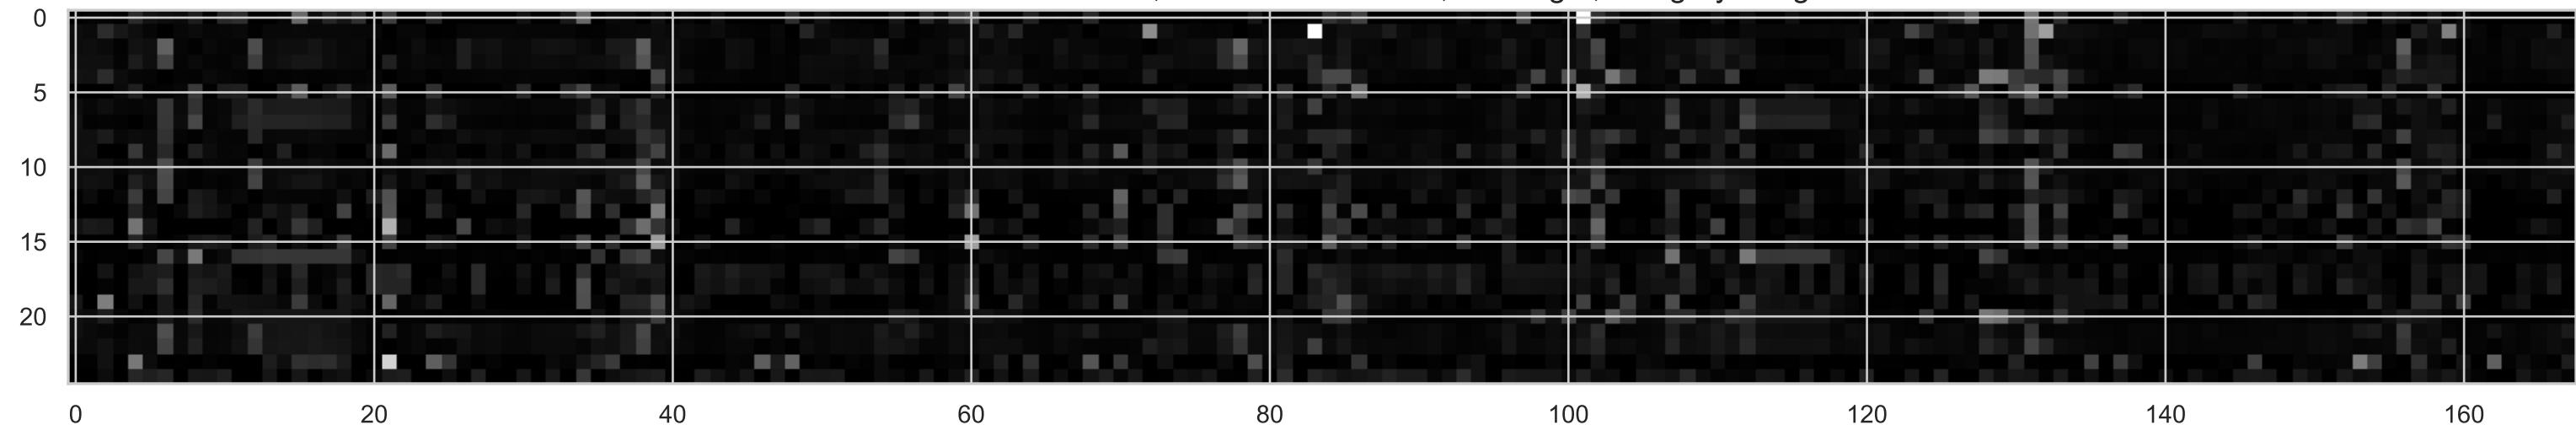

# Week 31

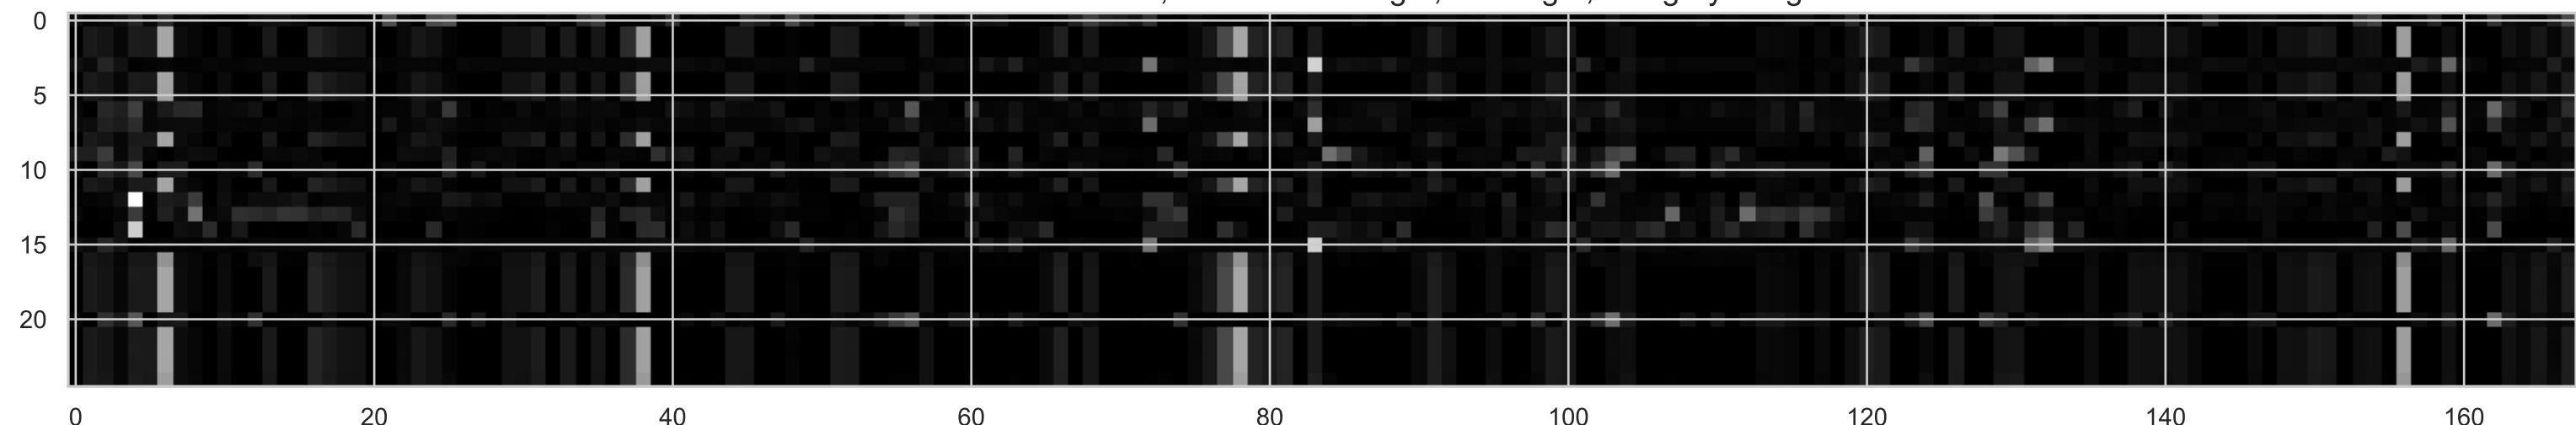

Learned Basis functions, method=SC mix, DD mix, category=fridge

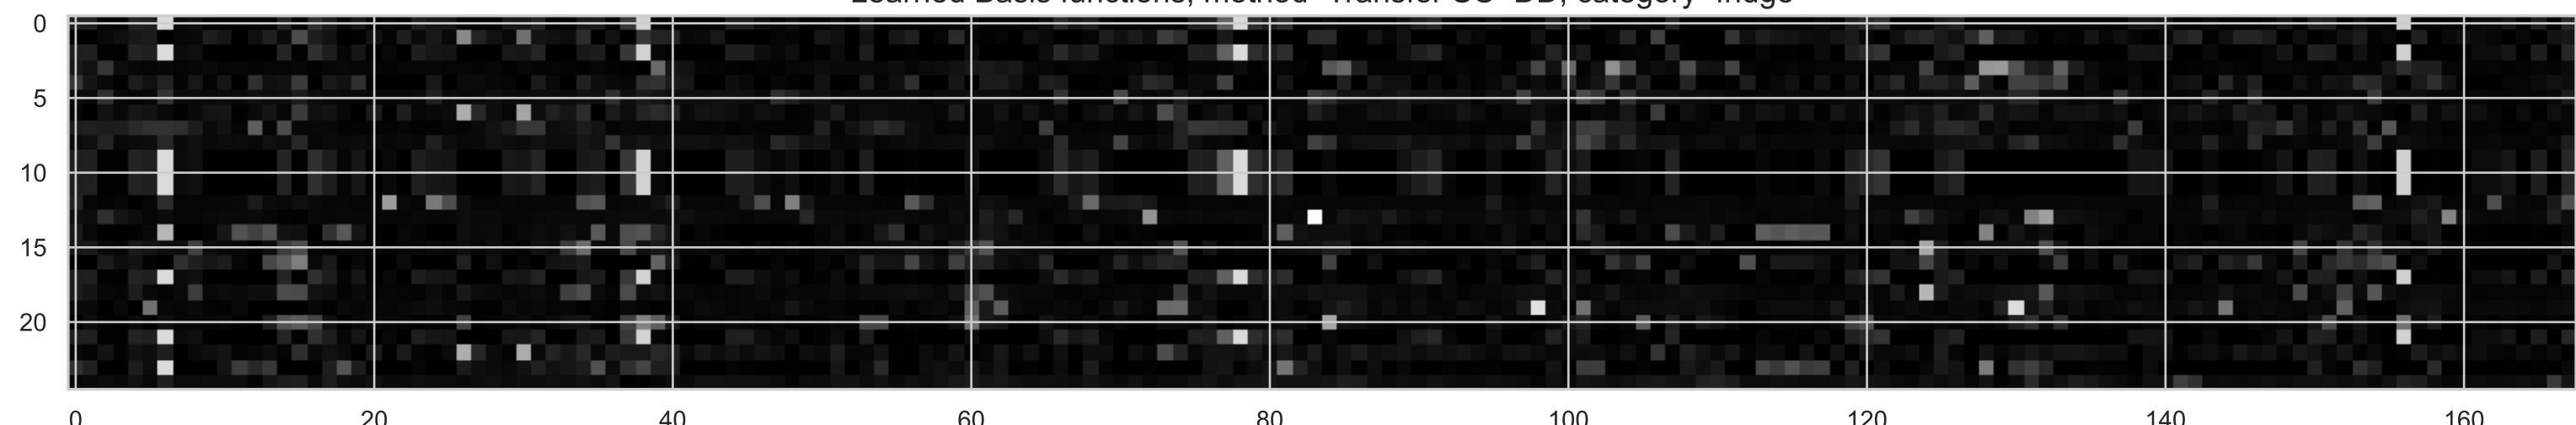

Learned Basis functions, method=SC source, DD target, category=fridge

Learned Basis functions, method=SC target, DD target, category=fridge

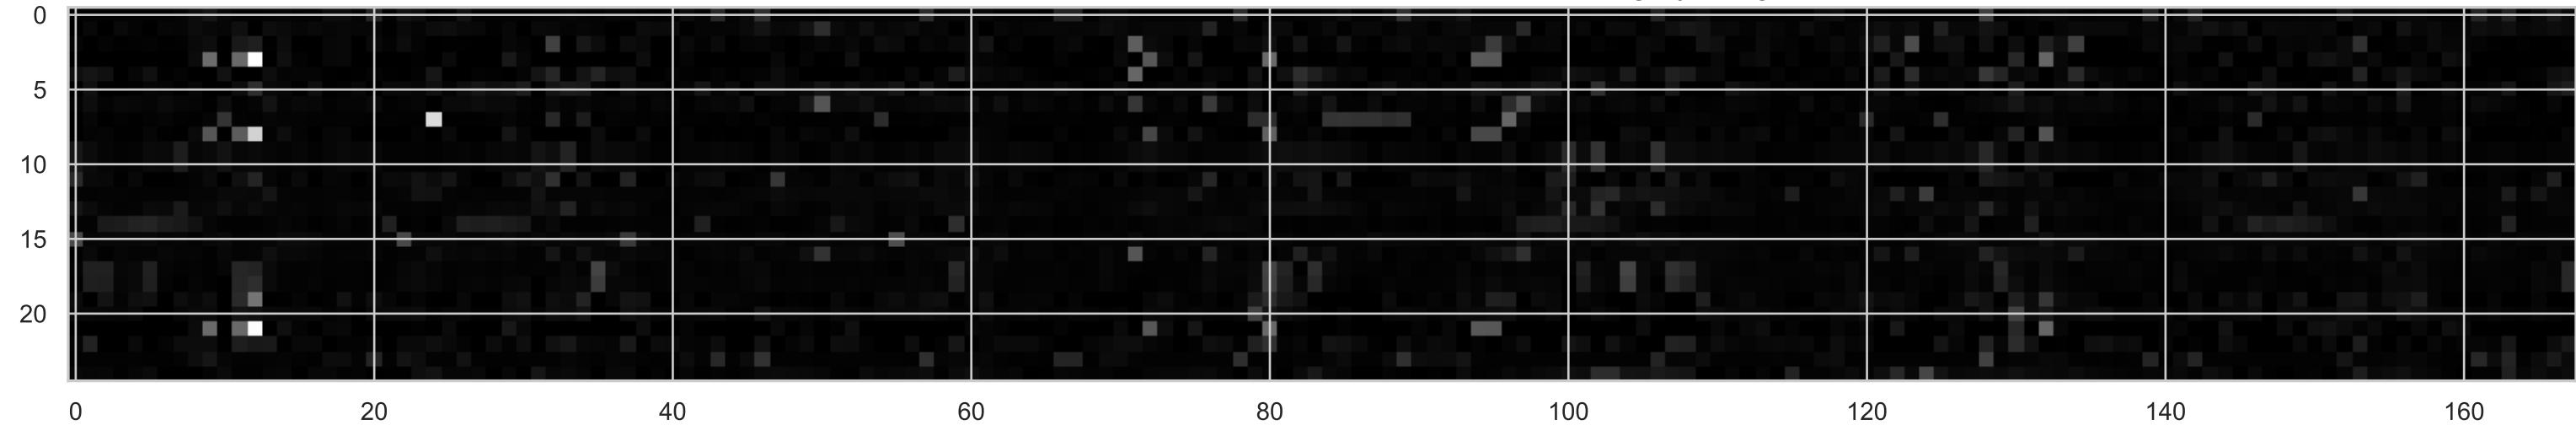

Learned Basis functions, method=Transfer SC+DD, category=fridge

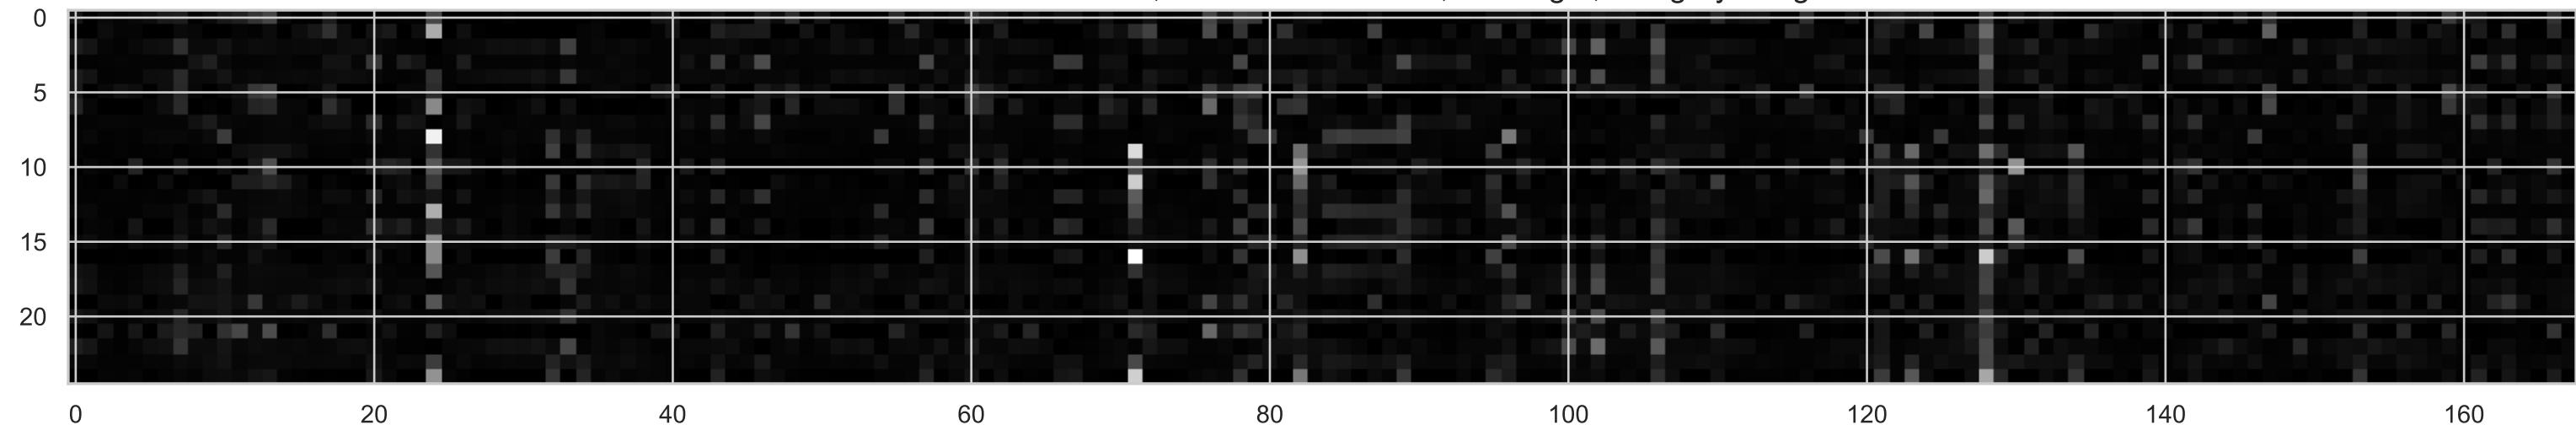

# Week 32

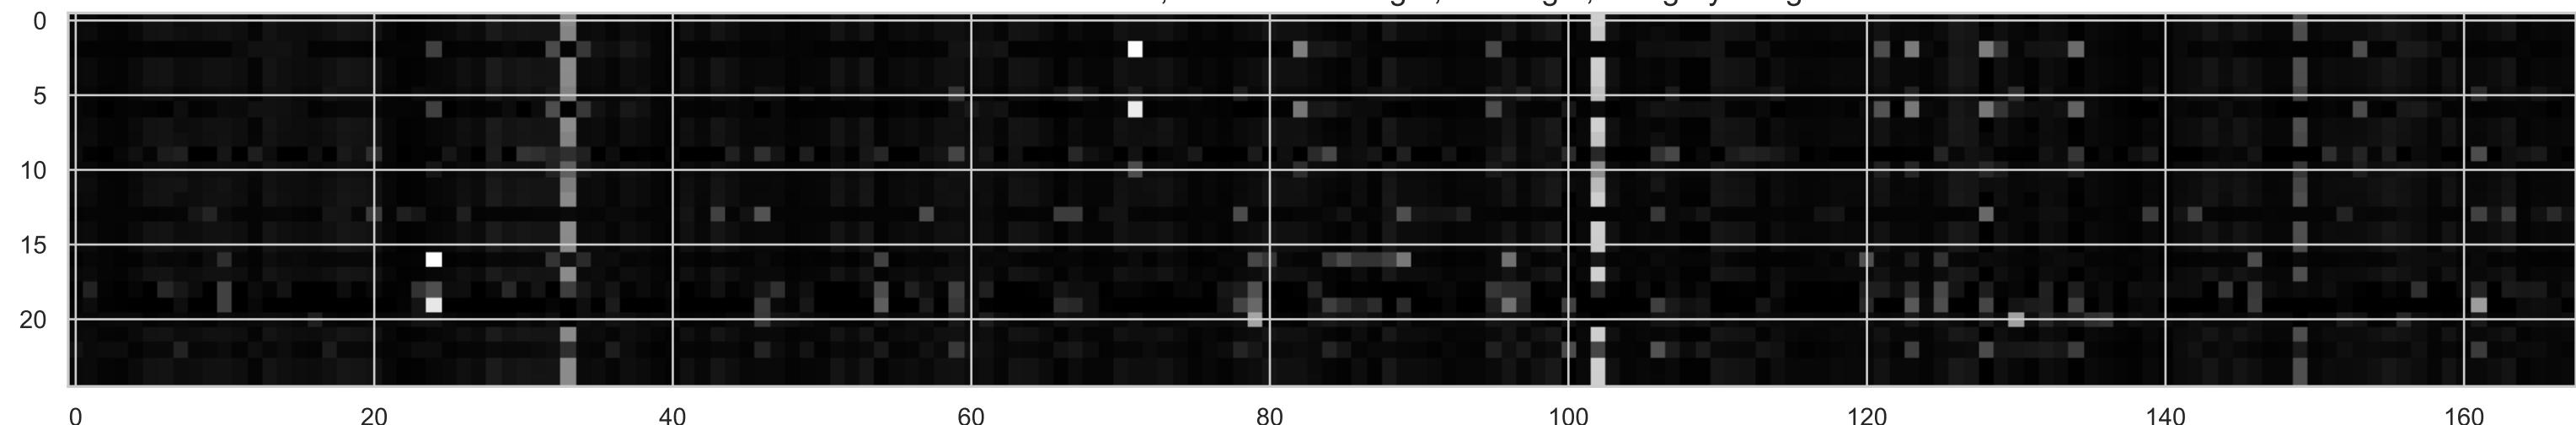

Learned Basis functions, method=SC mix, DD mix, category=fridge

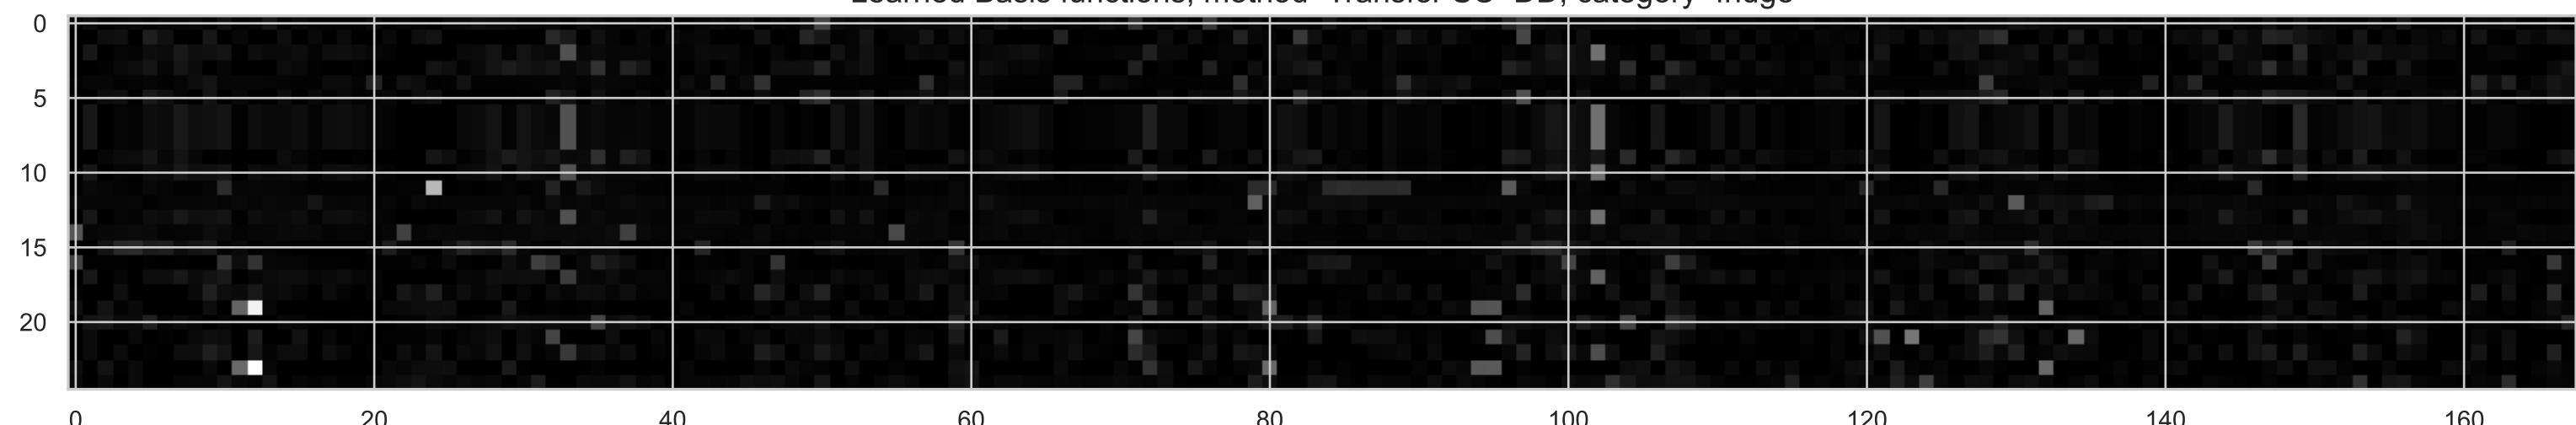

Learned Basis functions, method=SC source, DD target, category=fridge

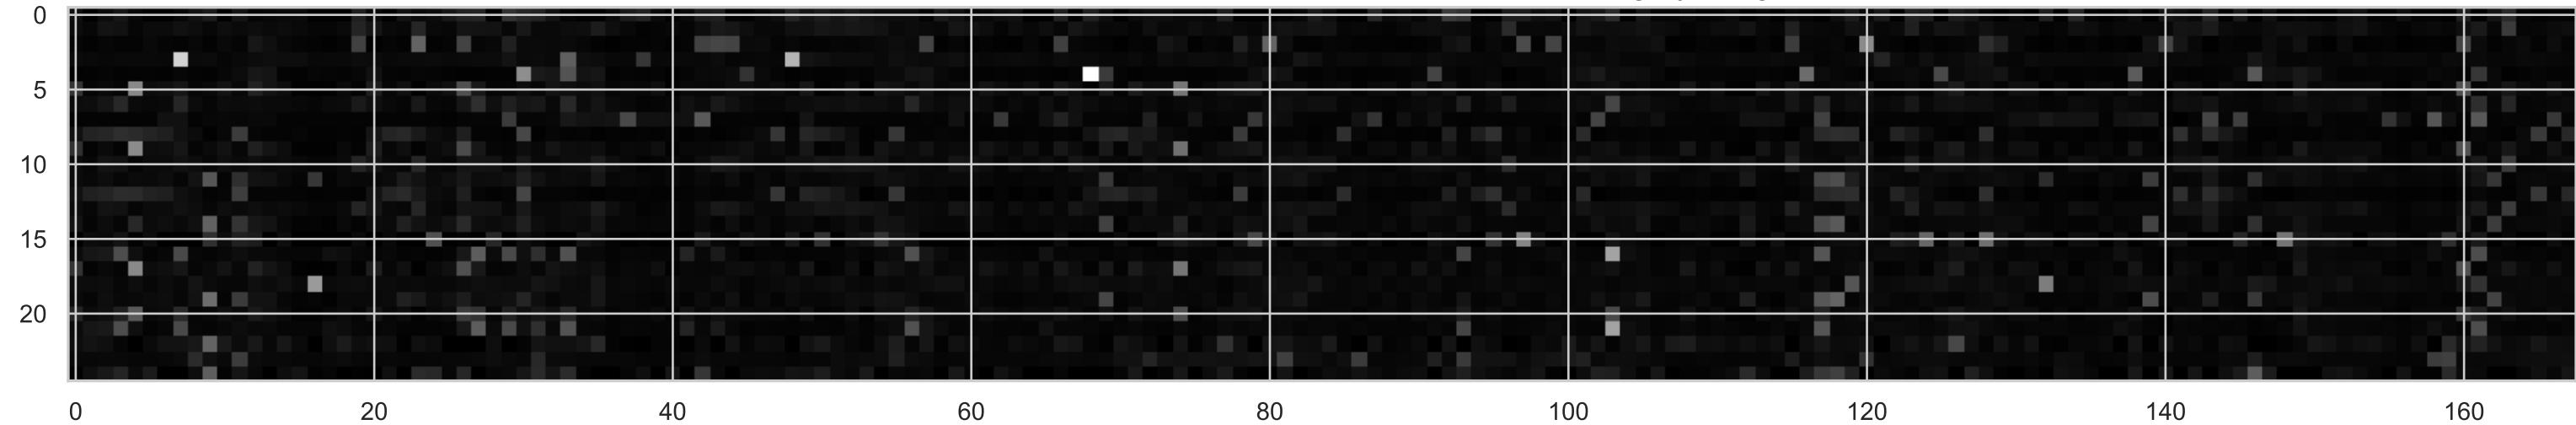

Learned Basis functions, method=SC target, DD target, category=fridge

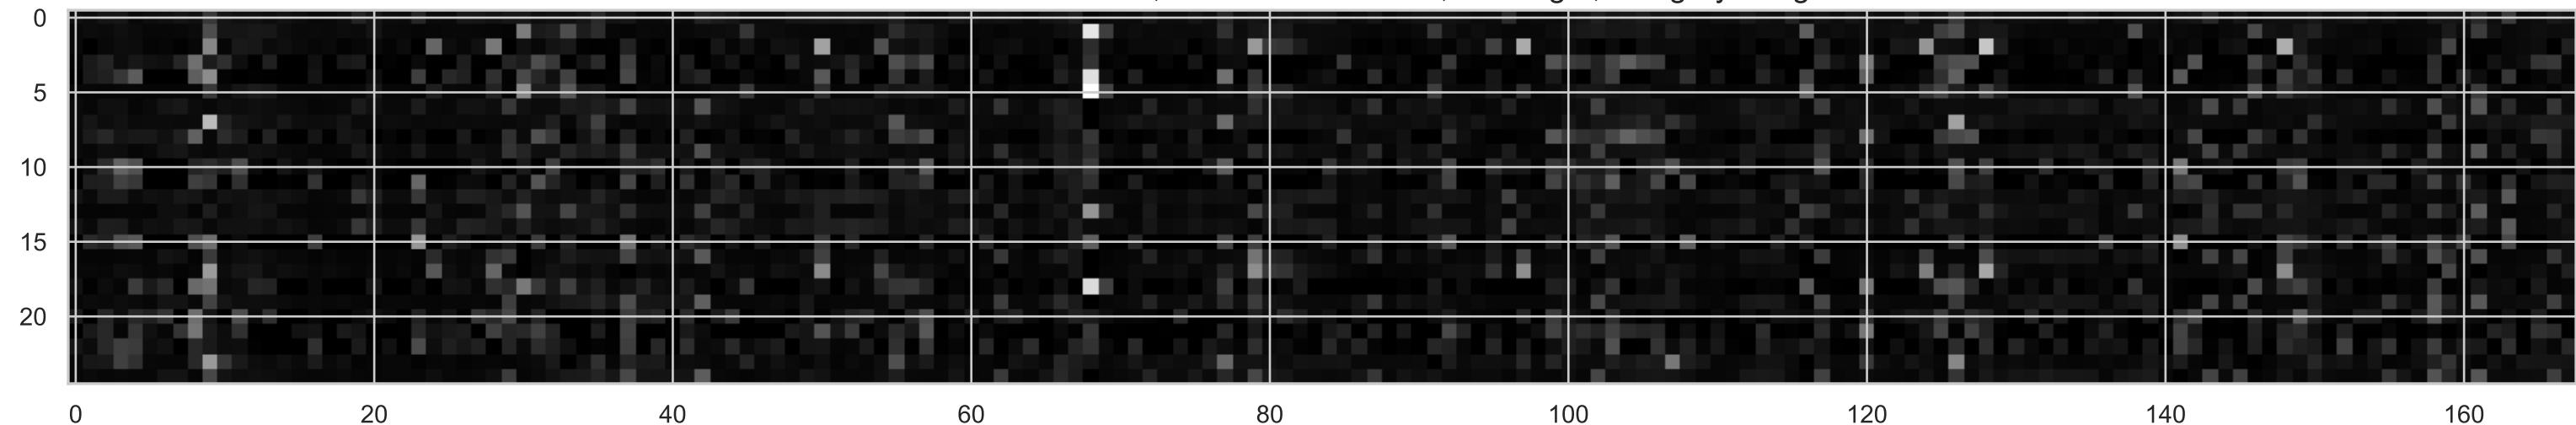

Learned Basis functions, method=Transfer SC+DD, category=fridge

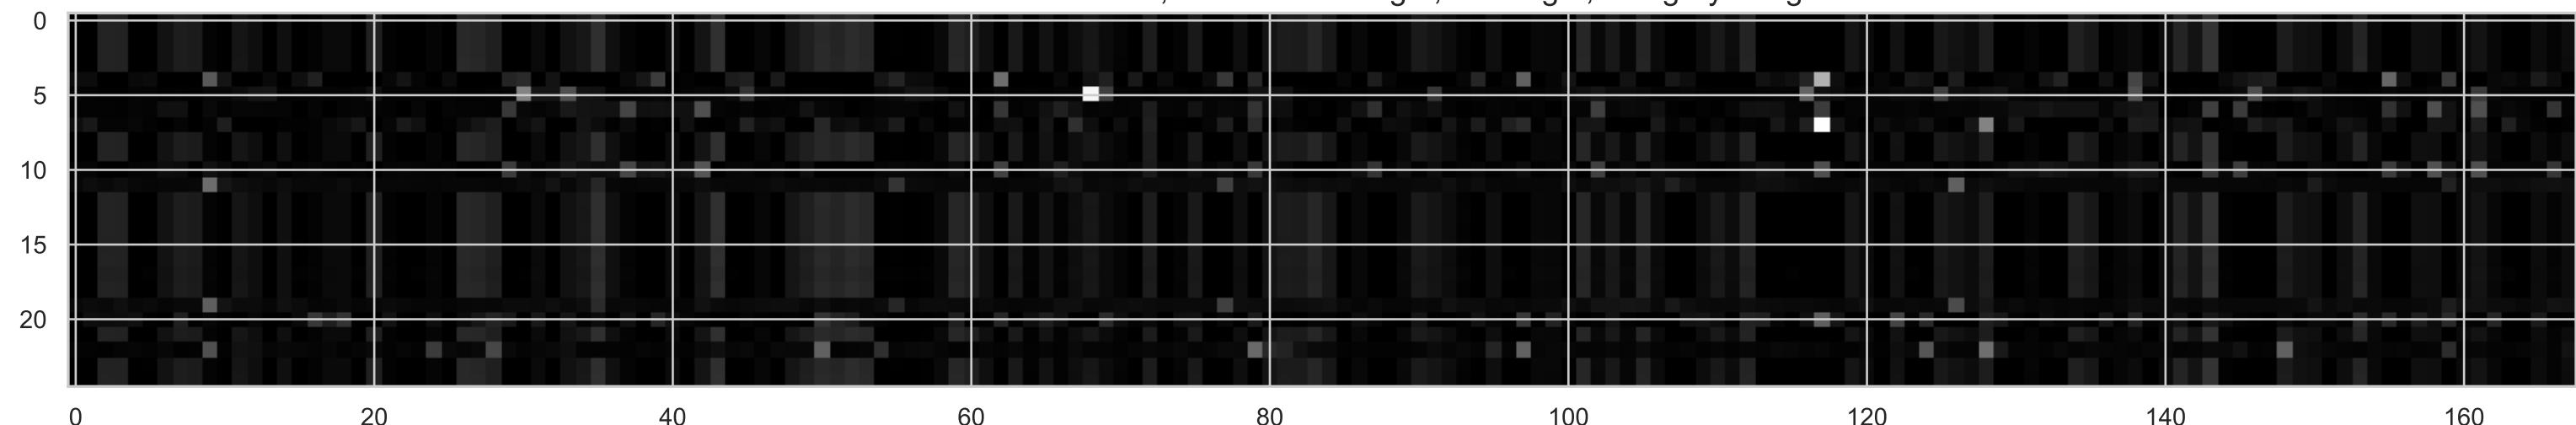

Learned Basis functions, method=SC mix, DD mix, category=fridge

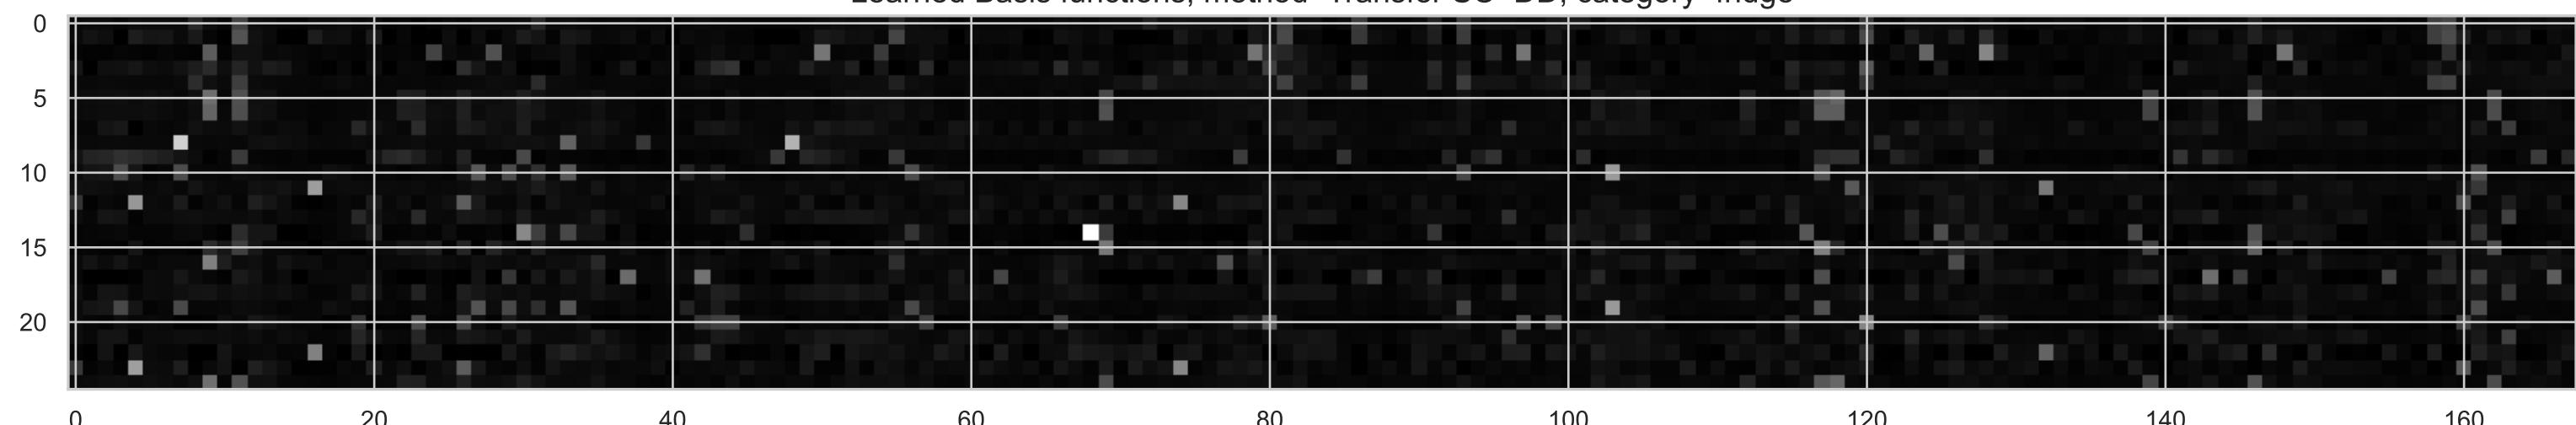

Learned Basis functions, method=SC source, DD target, category=fridge

Learned Basis functions, method=SC target, DD target, category=fridge

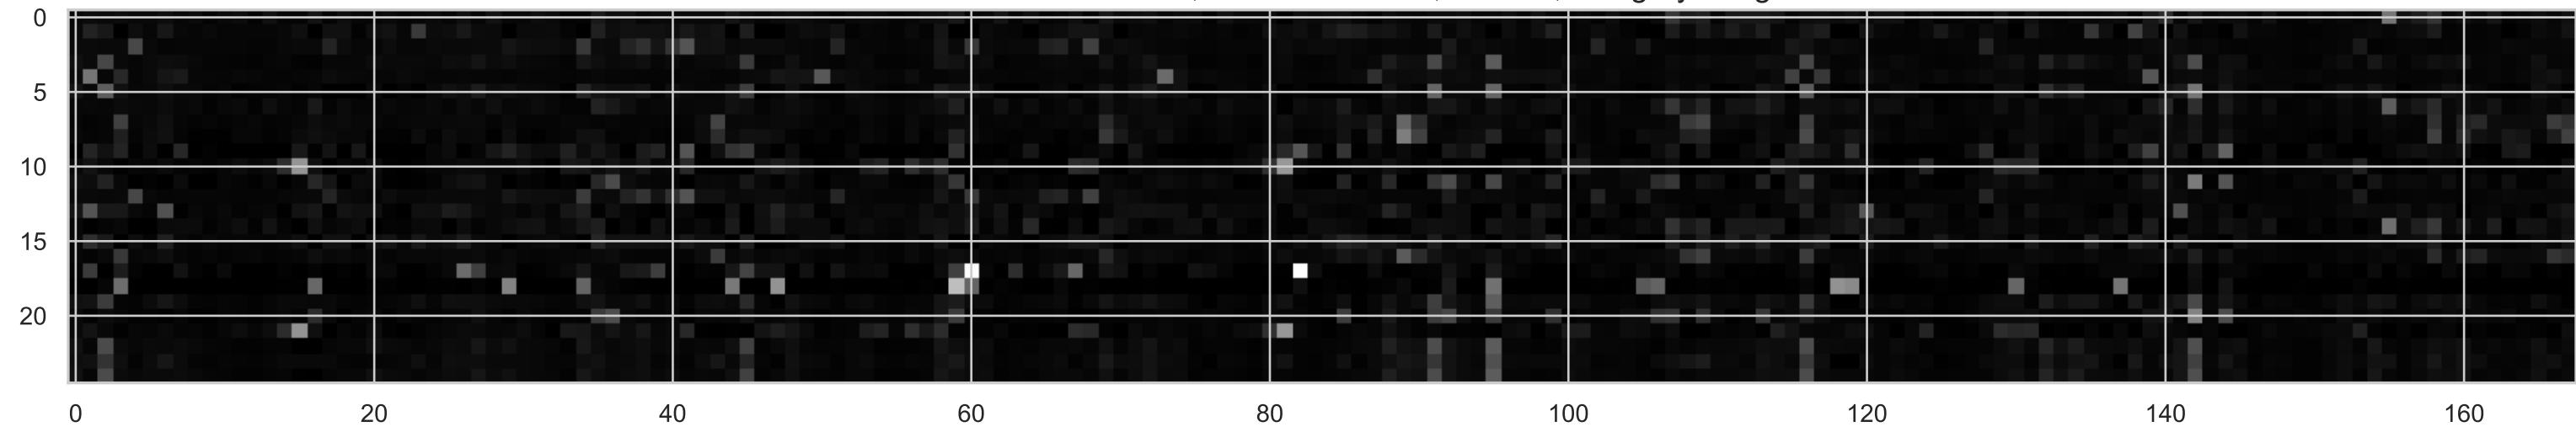

Learned Basis functions, method=Transfer SC+DD, category=fridge

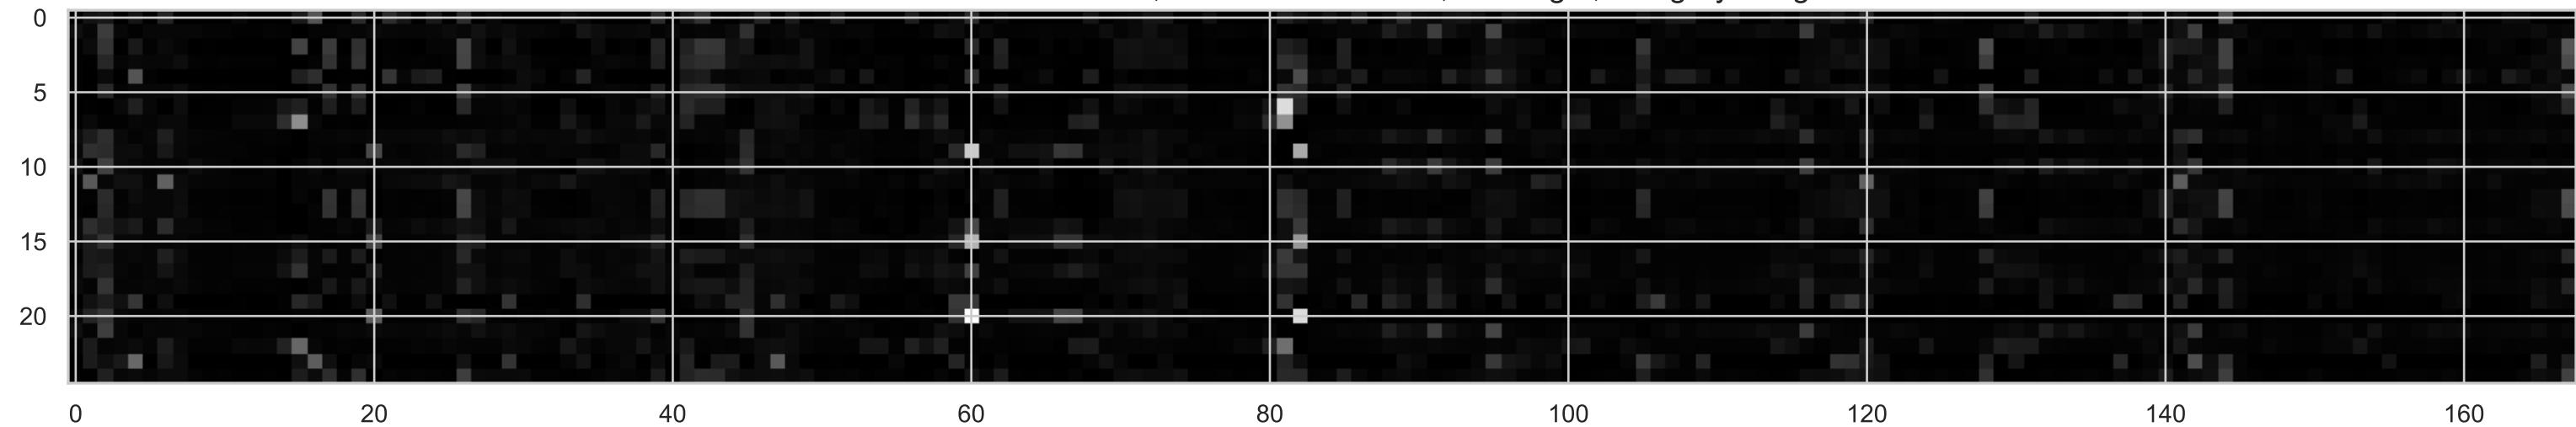

# Week 34

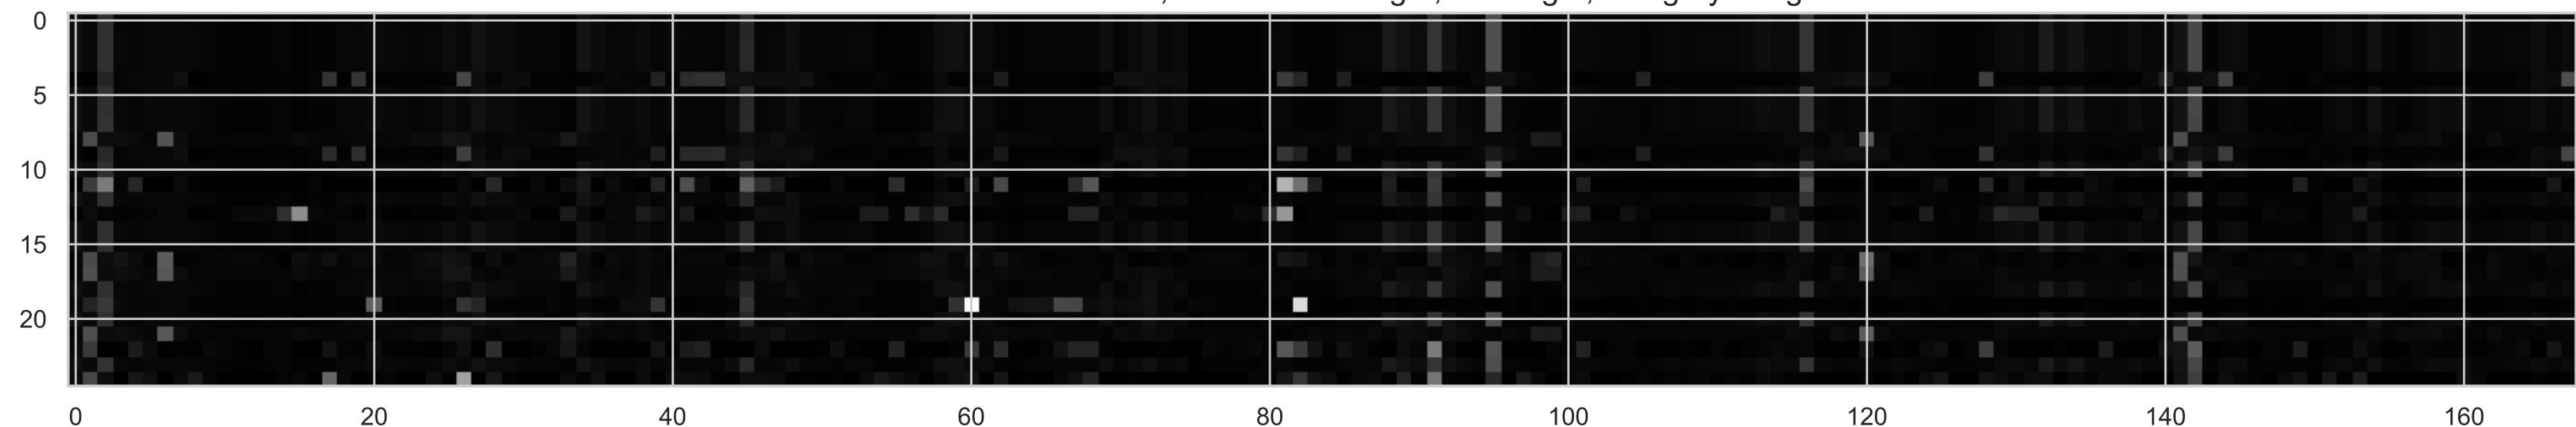

Learned Basis functions, method=SC mix, DD mix, category=fridge

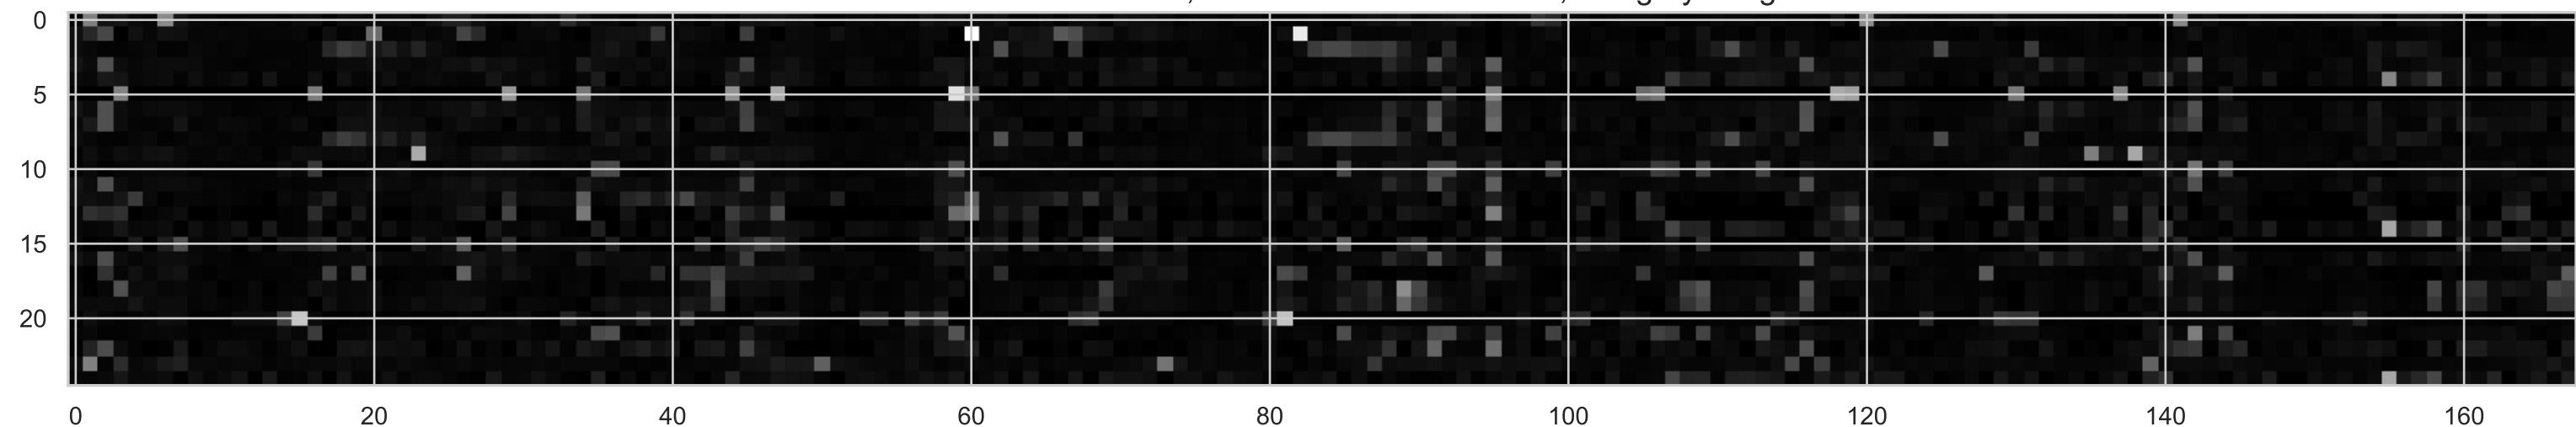

Learned Basis functions, method=SC source, DD target, category=fridge

Learned Basis functions, method=SC target, DD target, category=fridge

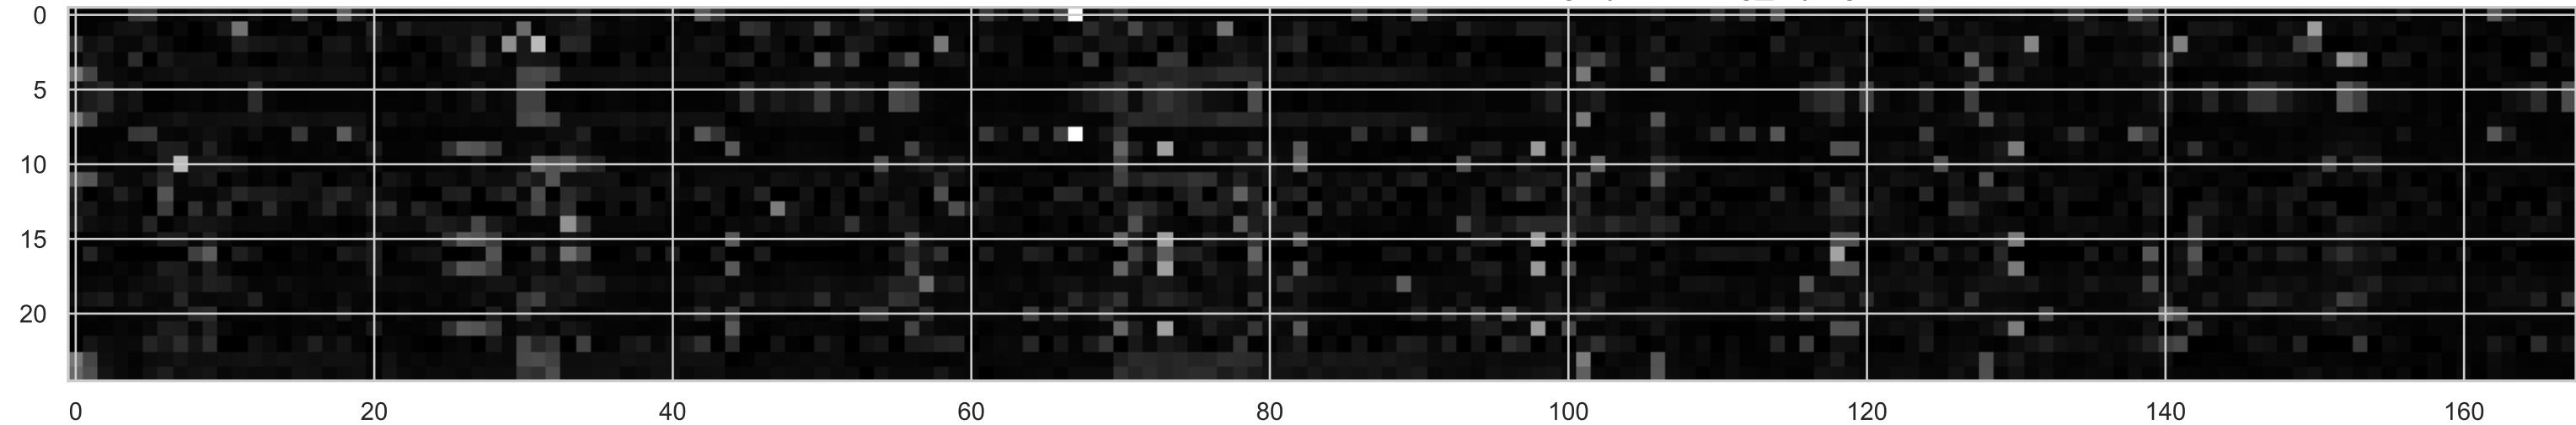

Learned Basis functions, method=Transfer SC+DD, category=fridge

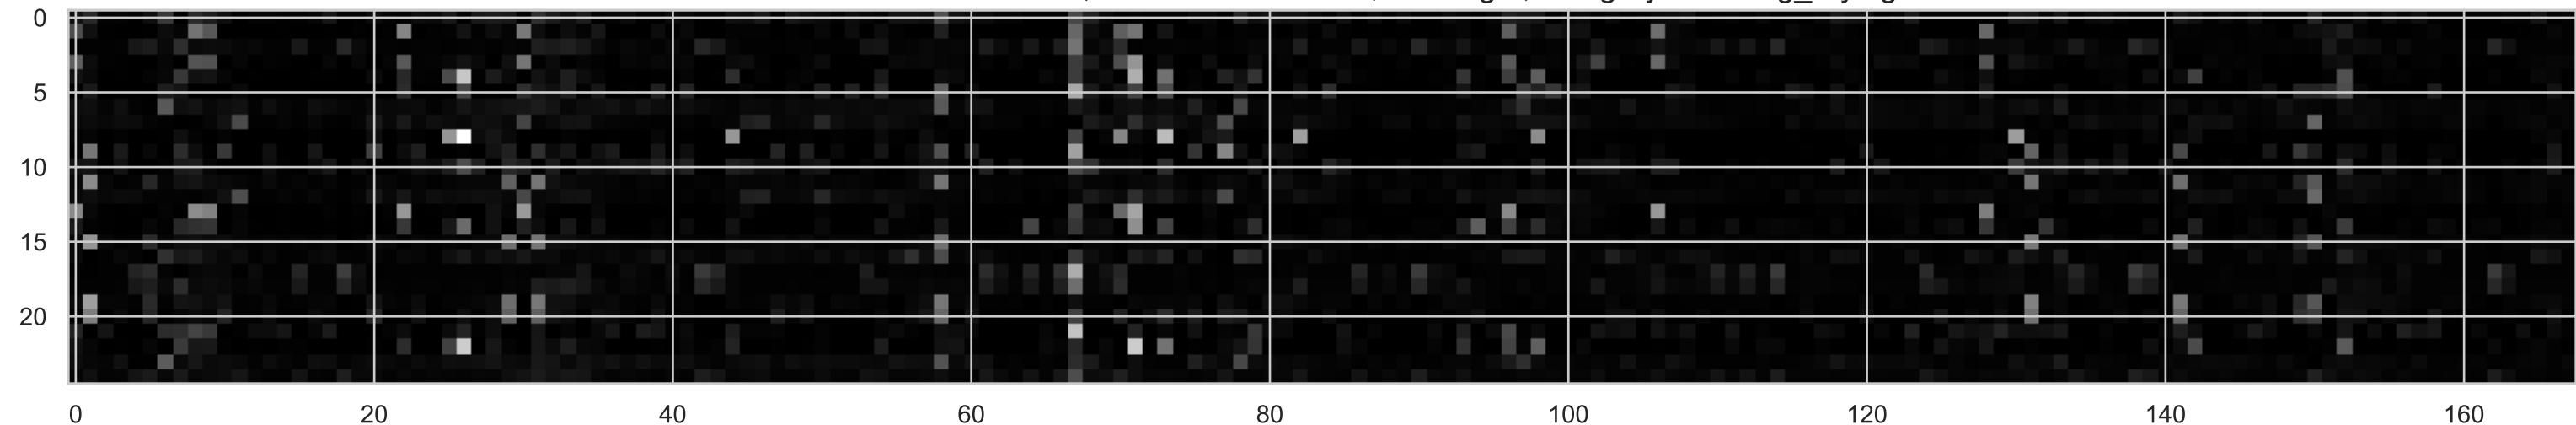

# Week 0

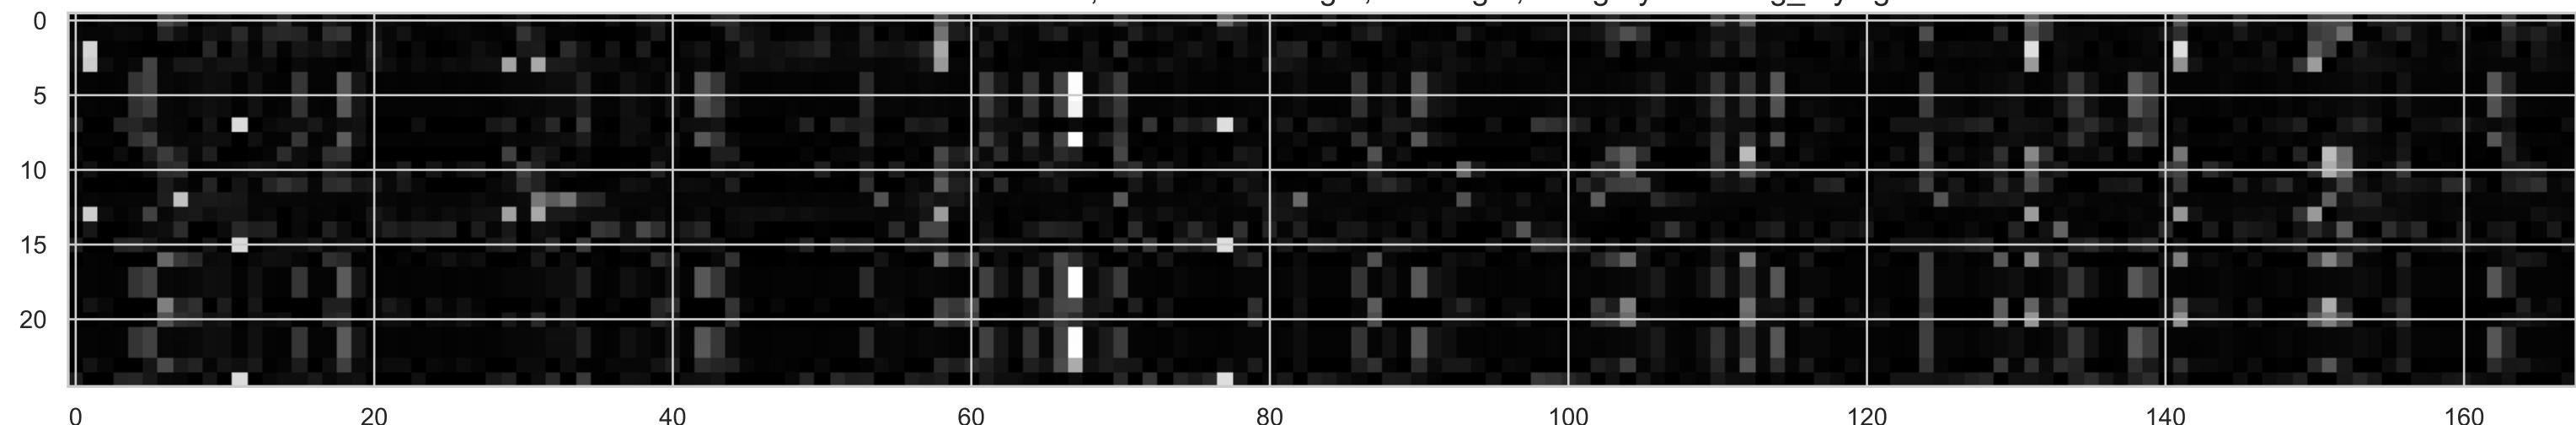

Learned Basis functions, method=SC mix, DD mix, category=washing\_drying

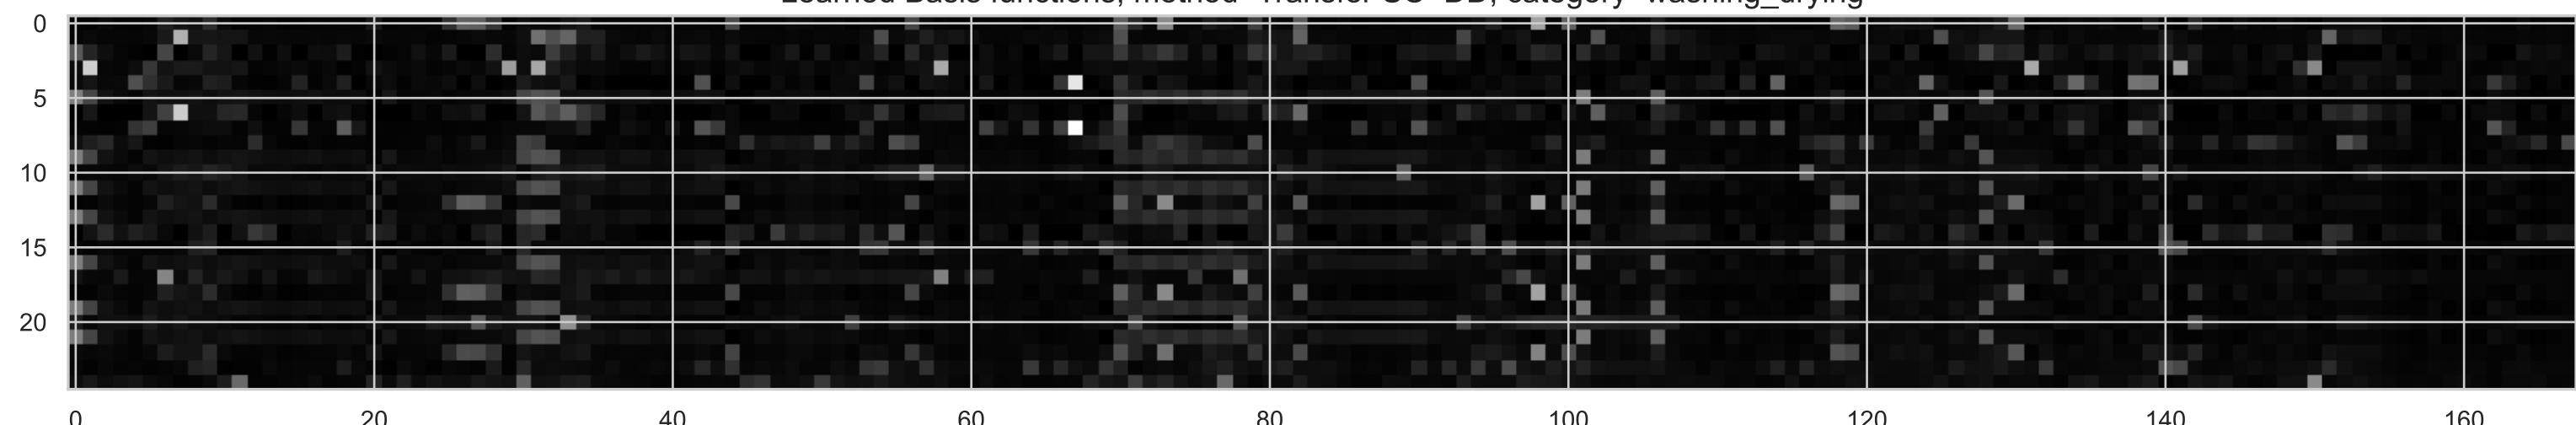

Learned Basis functions, method=SC source, DD target, category=washing\_drying

Learned Basis functions, method=SC target, DD target, category=washing\_drying

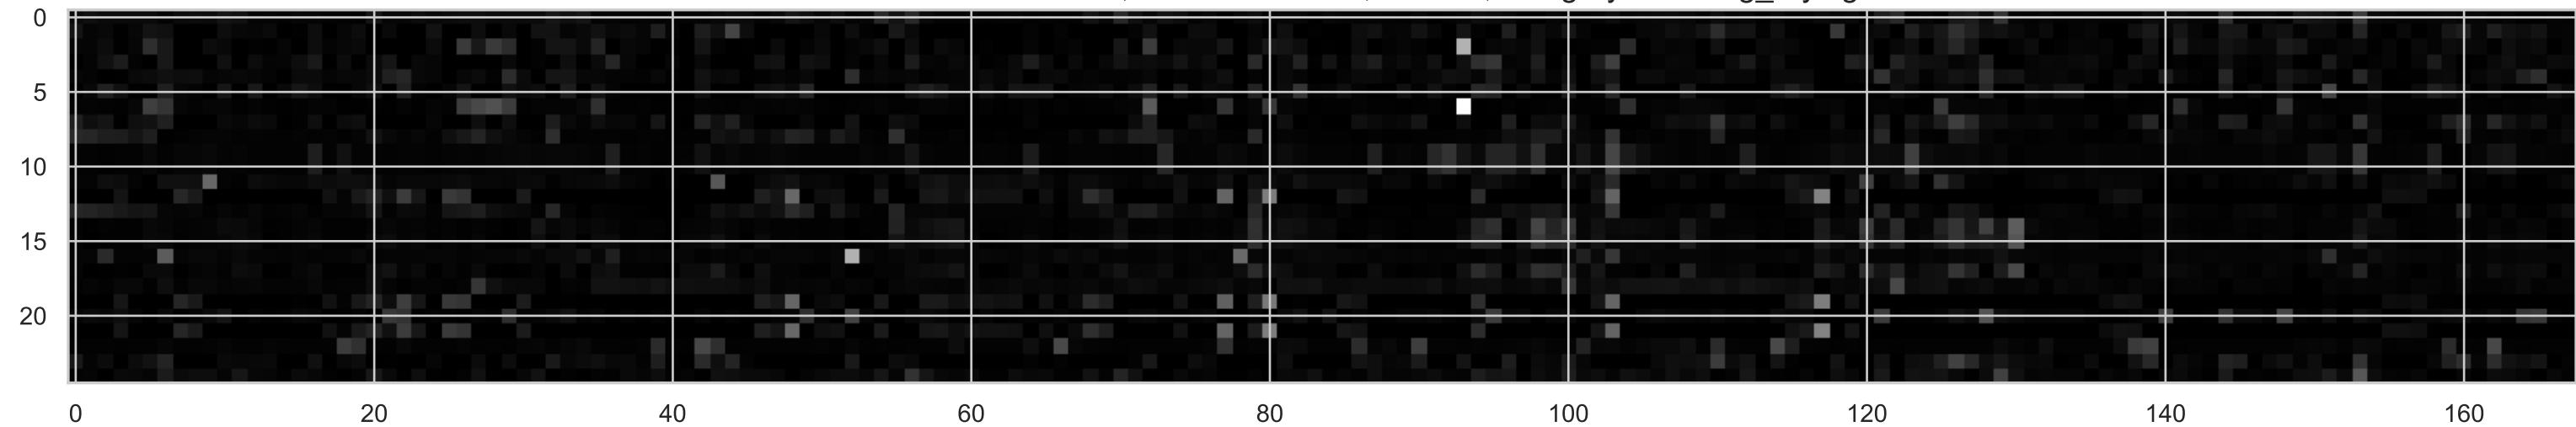

Learned Basis functions, method=Transfer SC+DD, category=washing\_drying

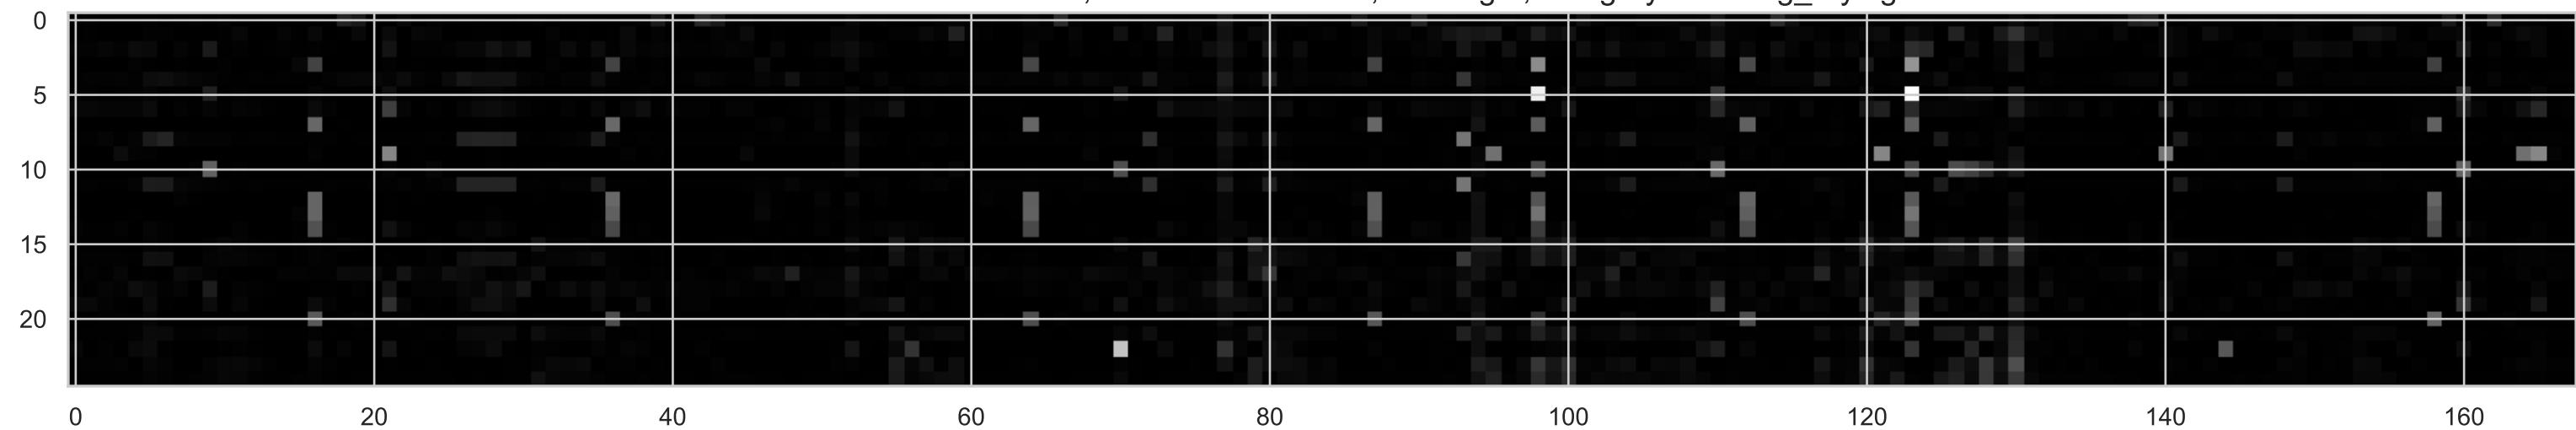

# Week 1

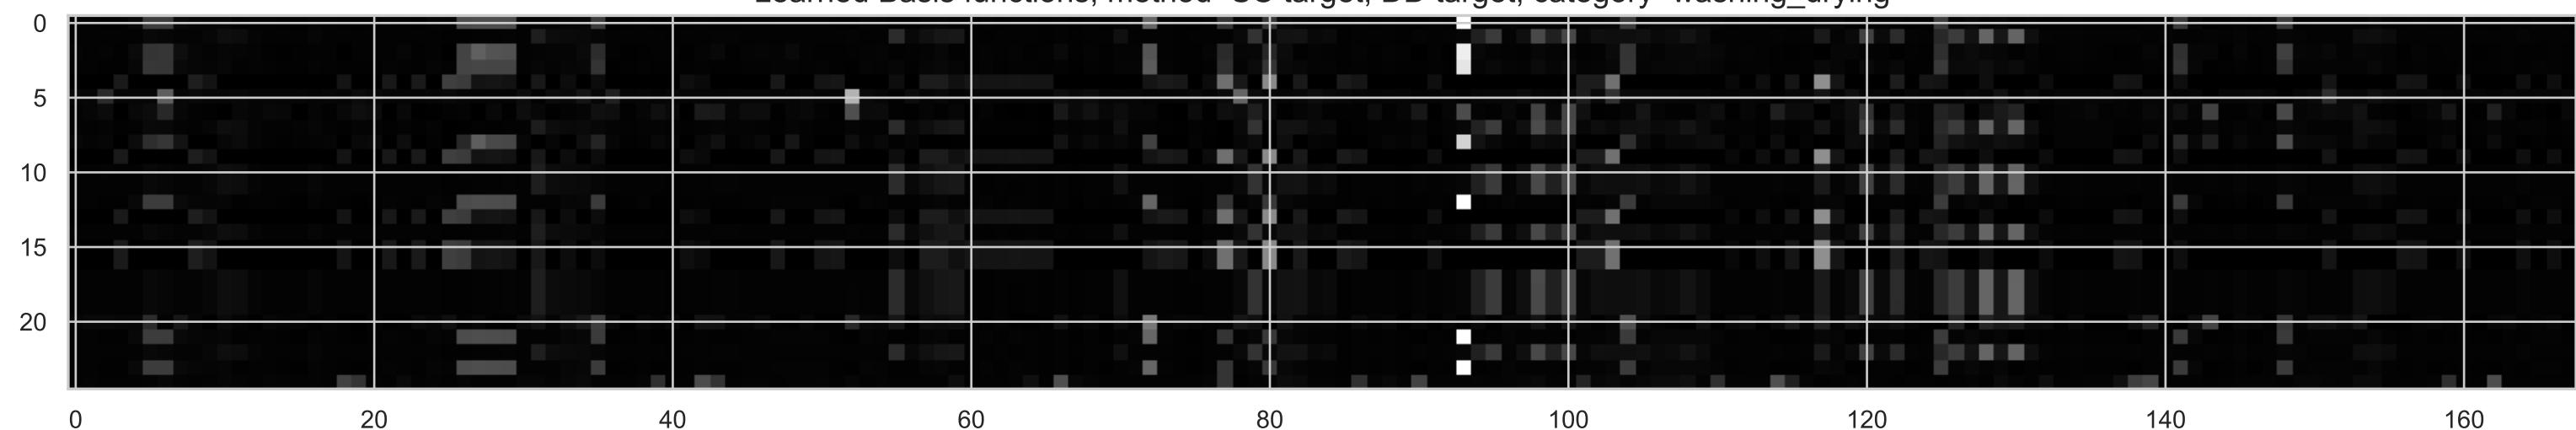

Learned Basis functions, method=SC mix, DD mix, category=washing\_drying

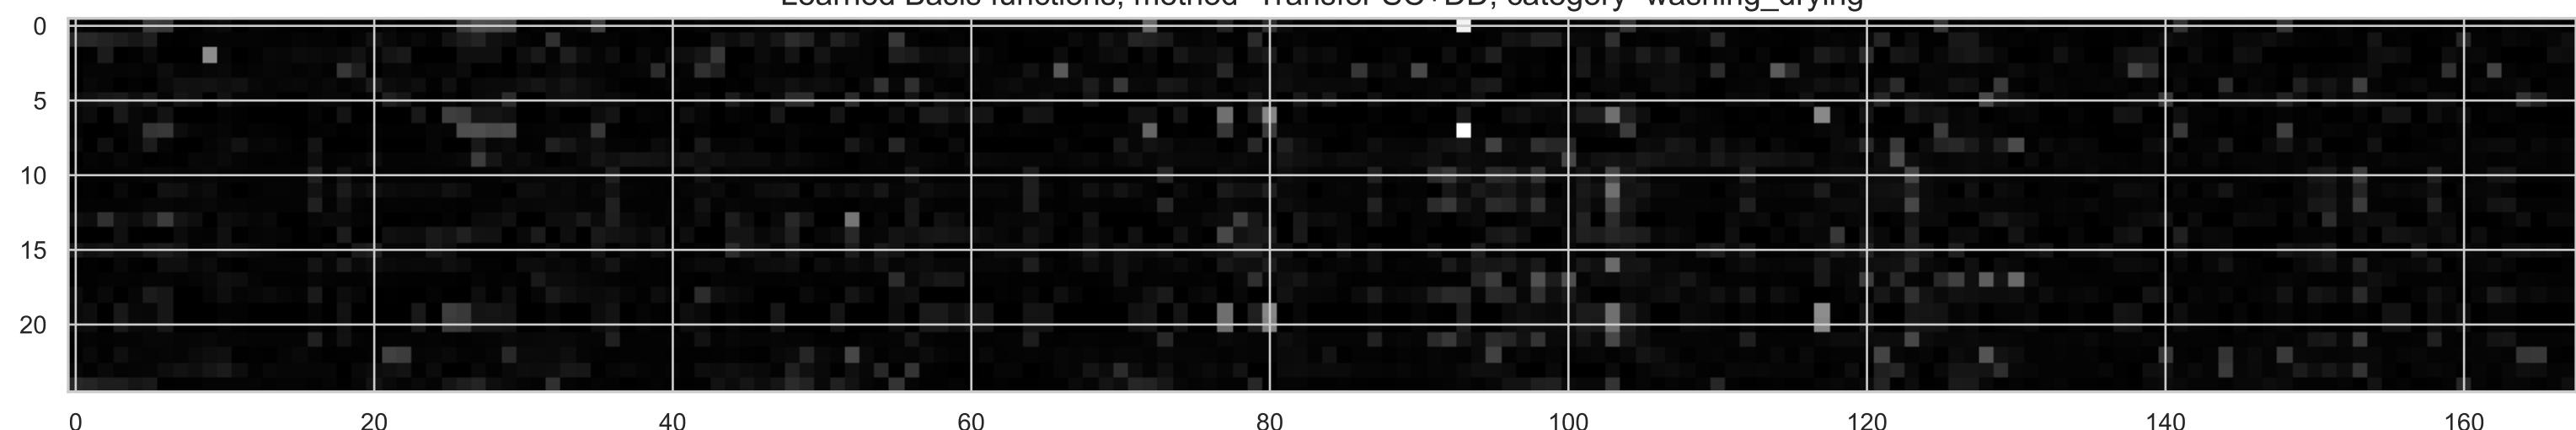

Learned Basis functions, method=SC source, DD target, category=washing\_drying

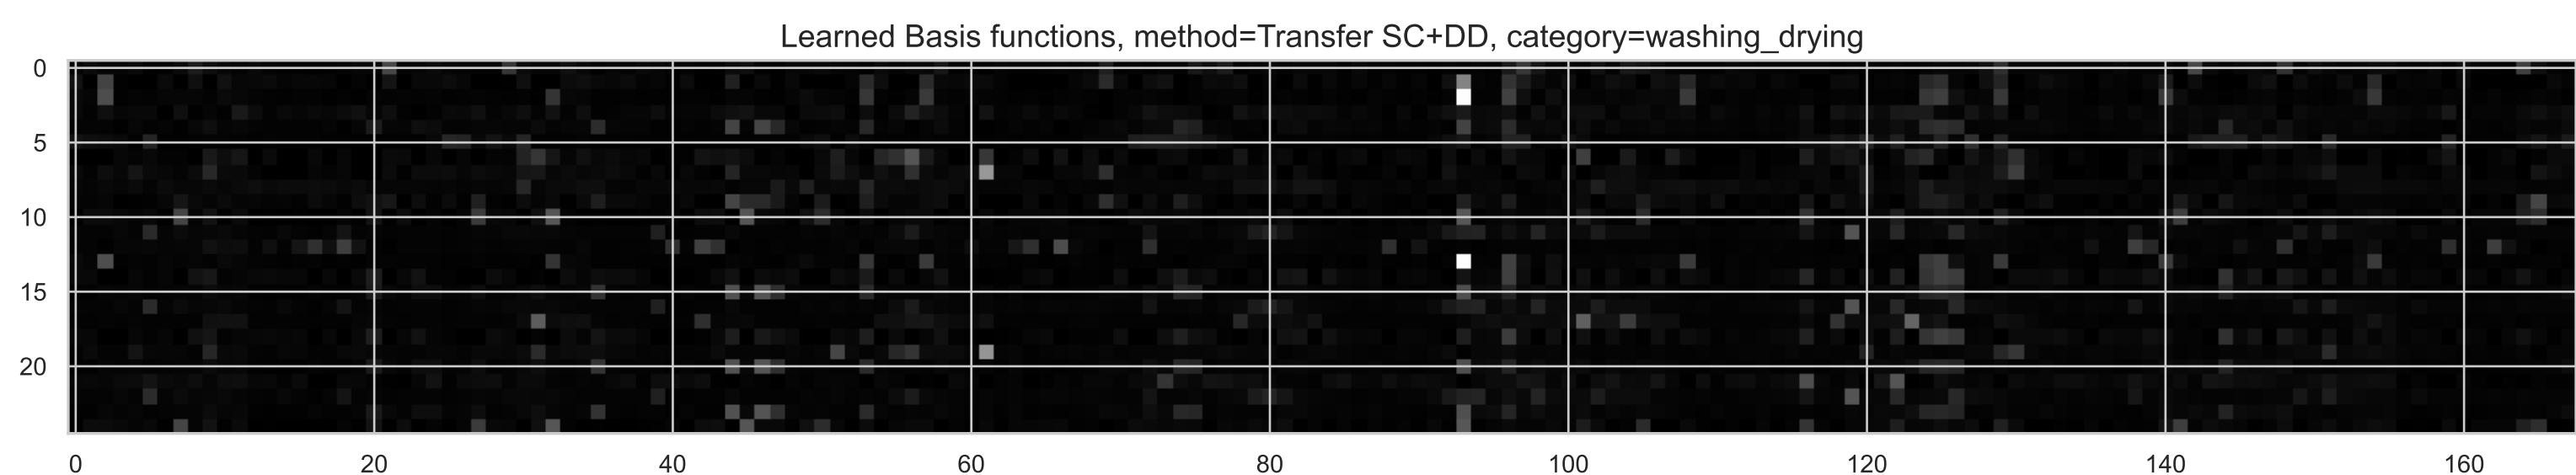

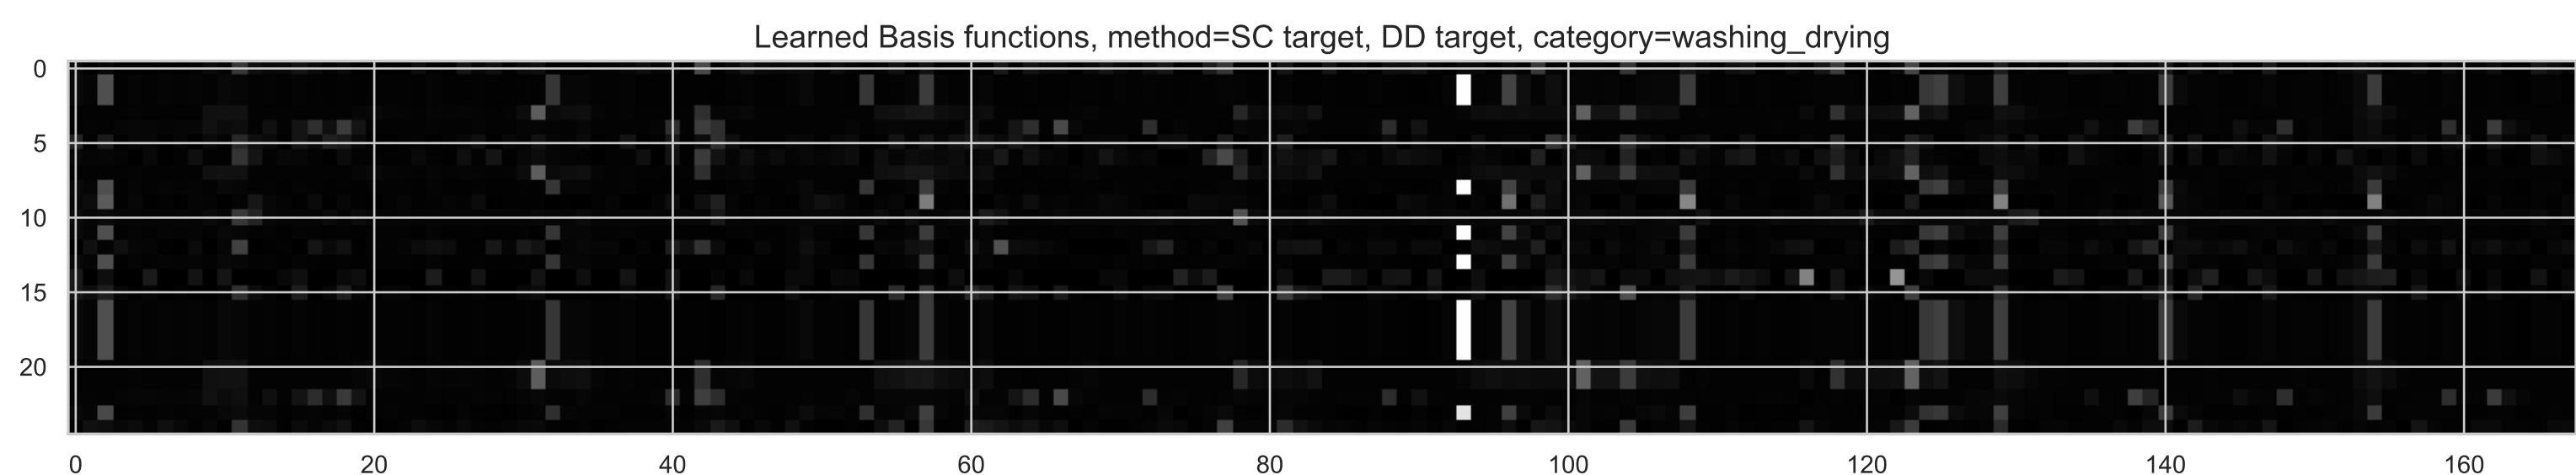

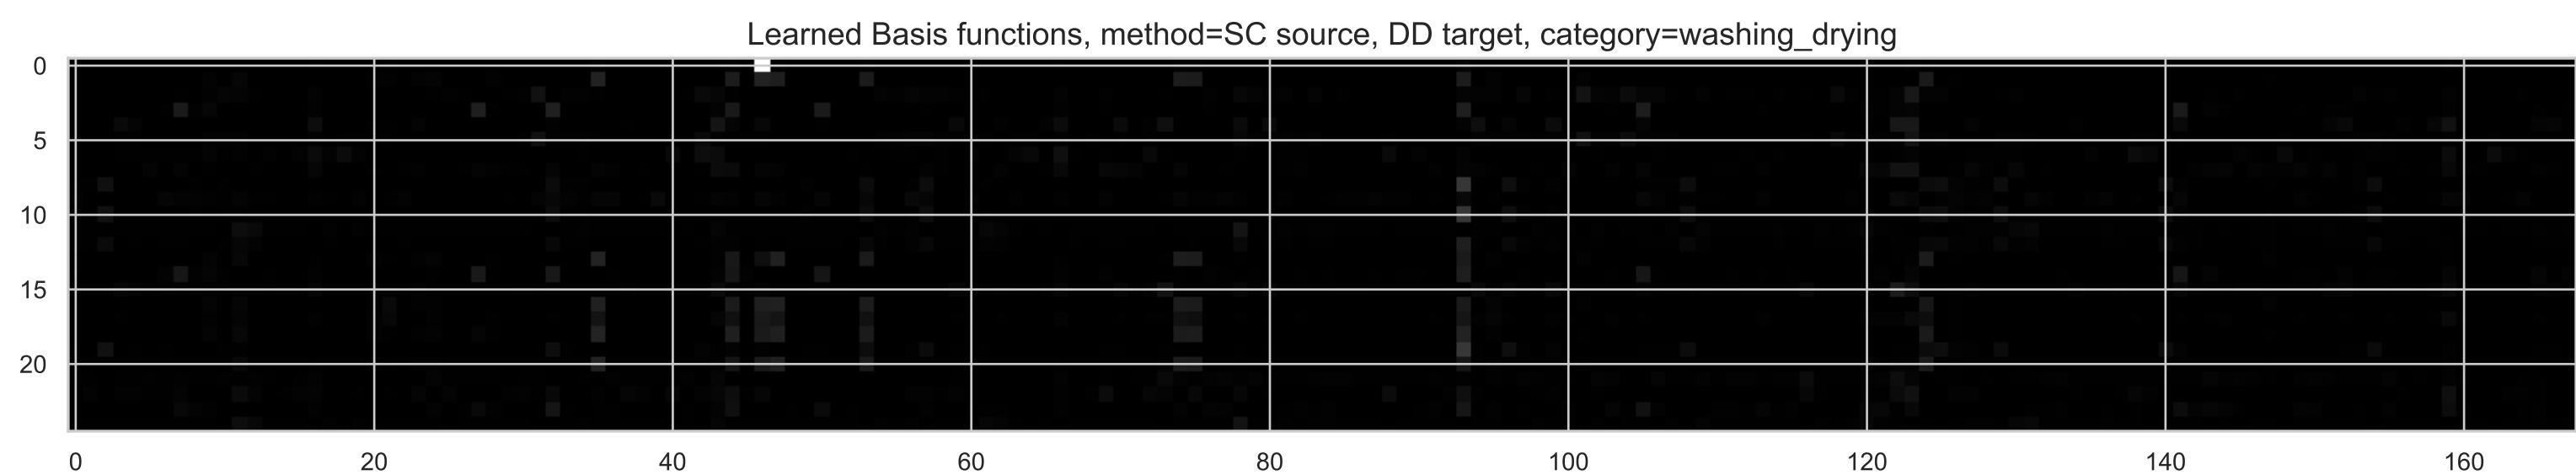

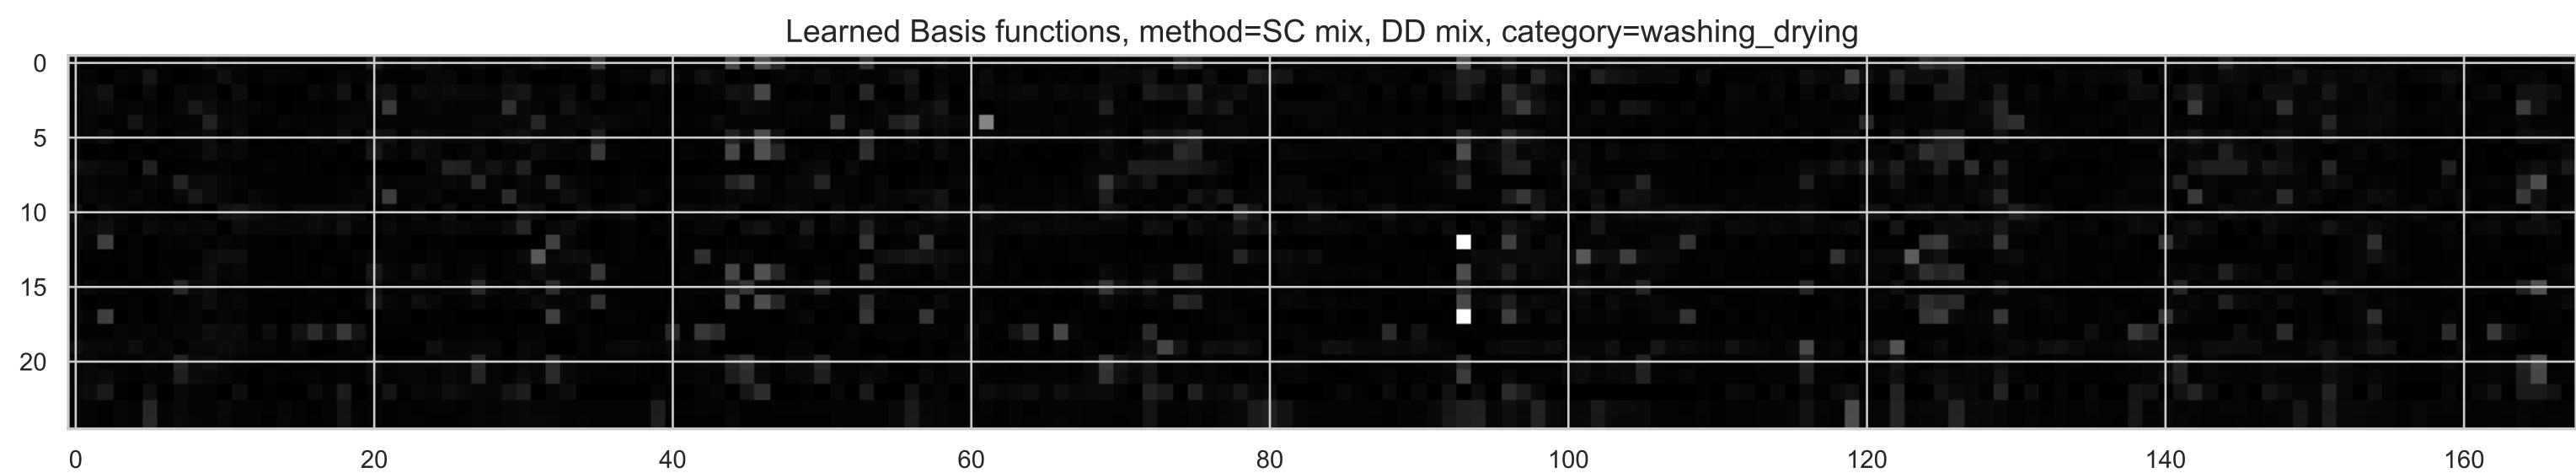

Learned Basis functions, method=SC target, DD target, category=washing\_drying

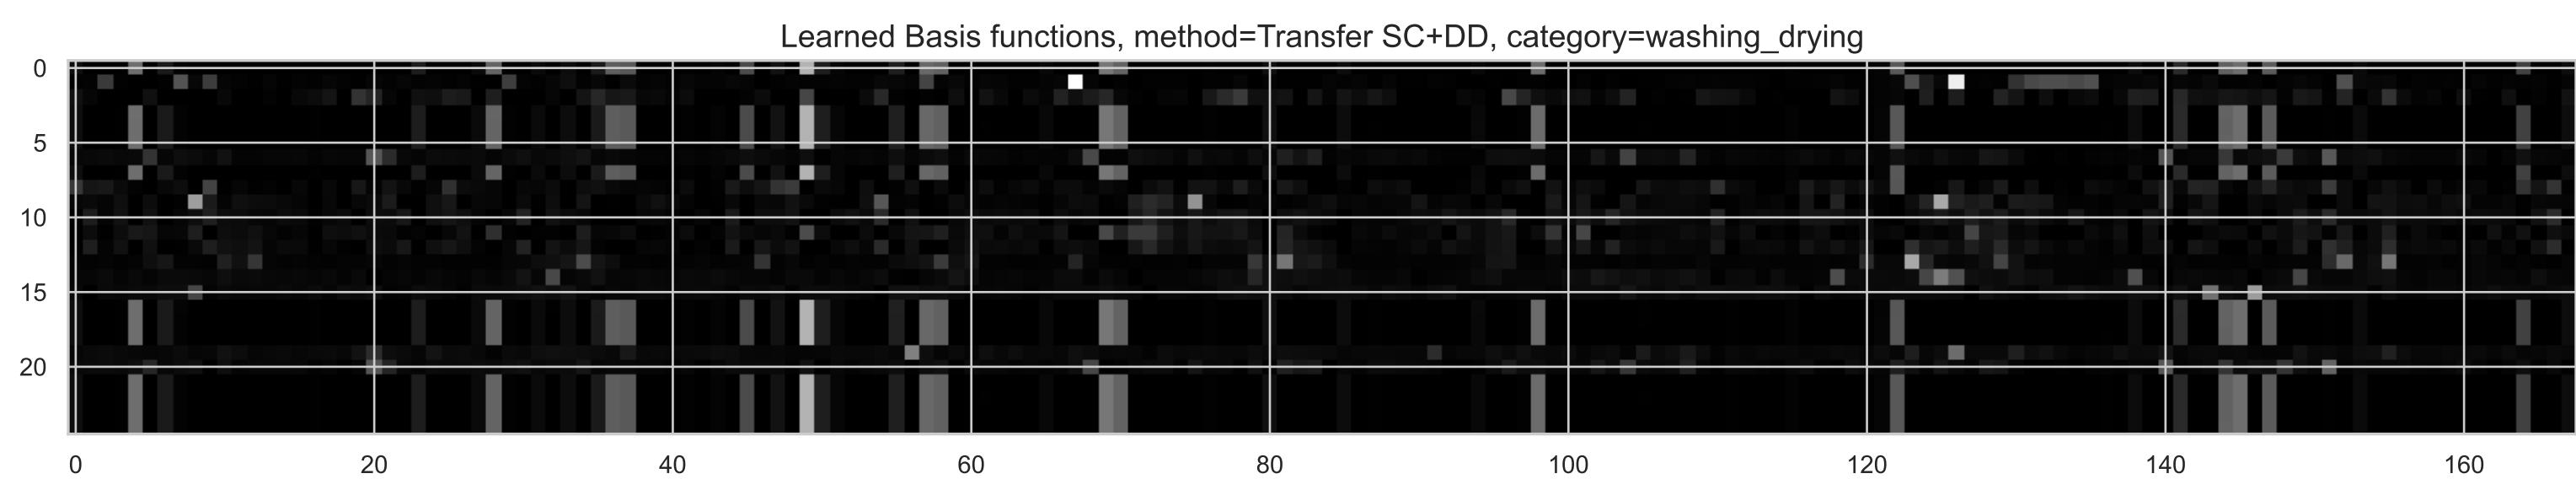

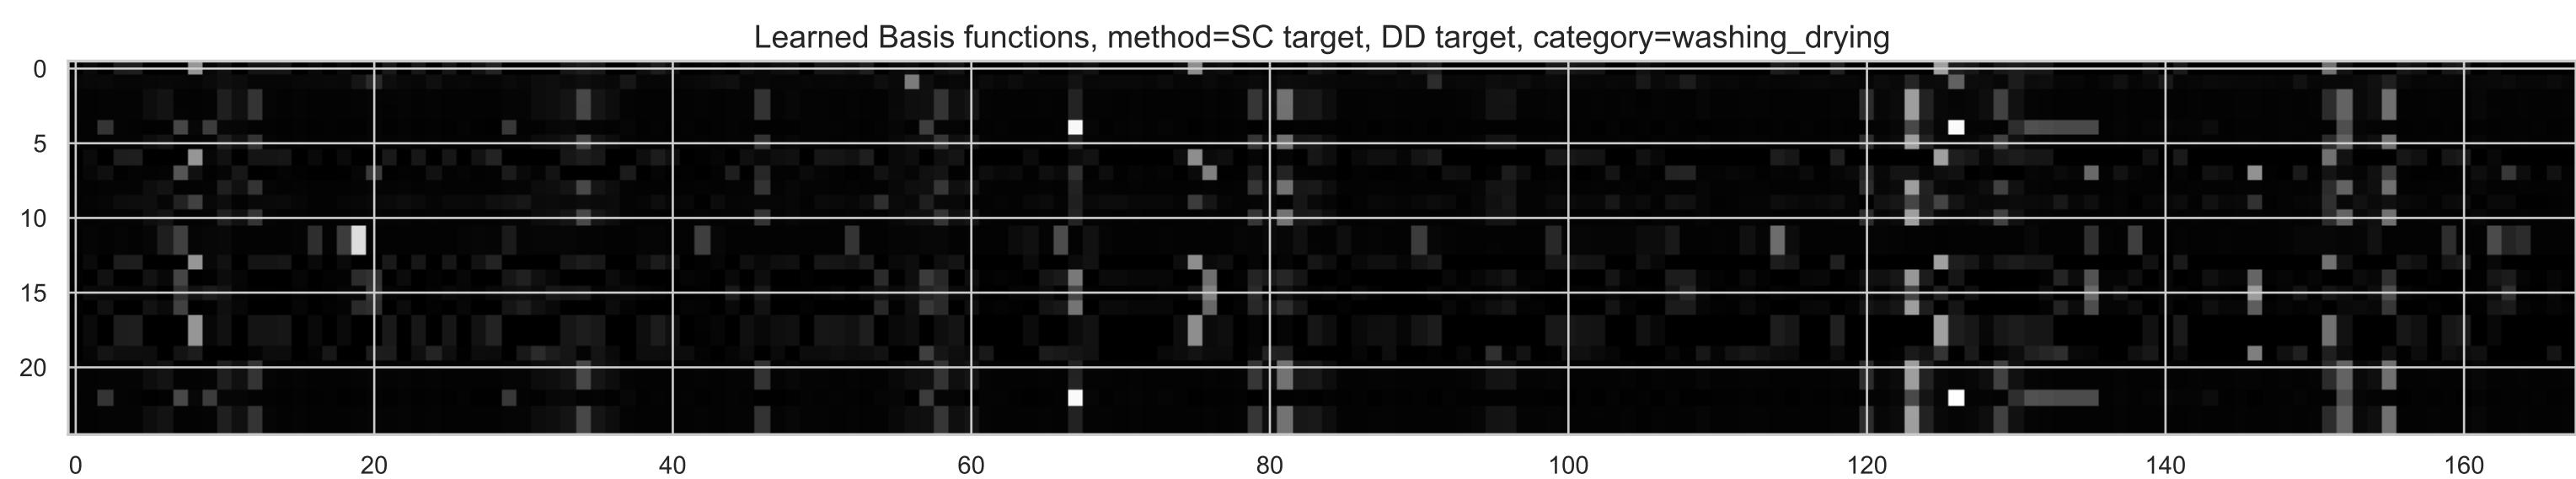

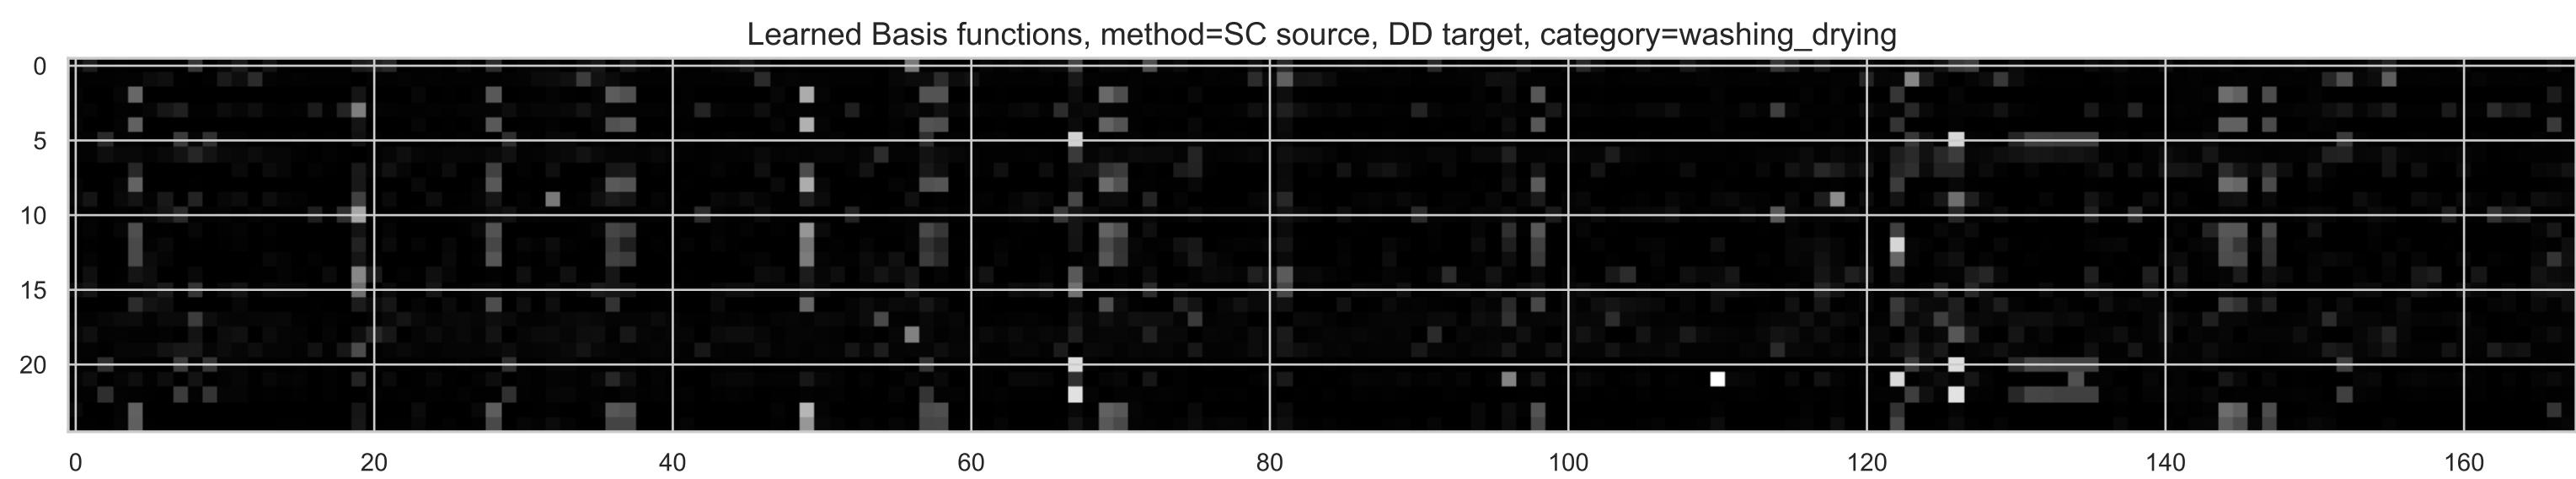

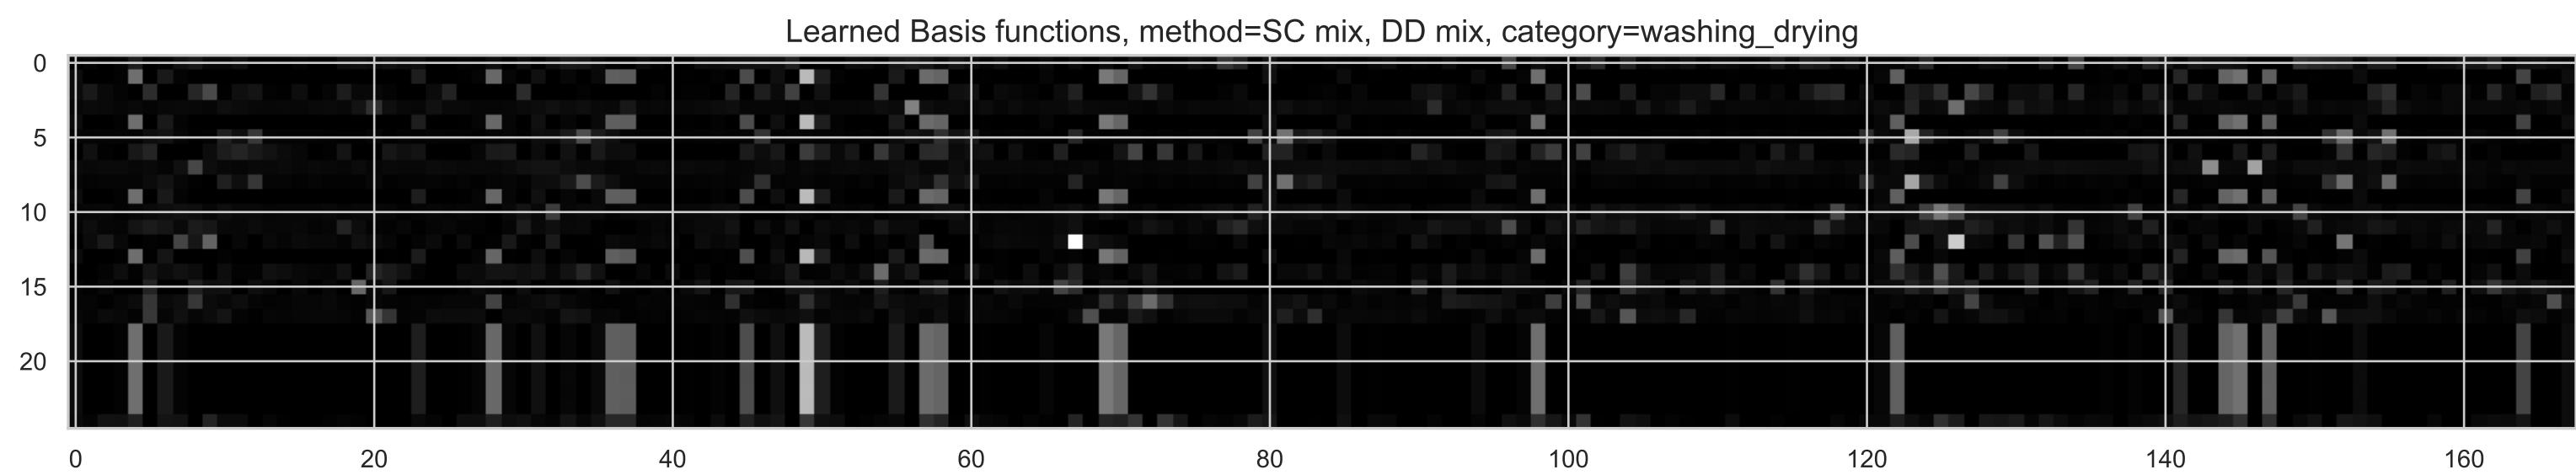

Learned Basis functions, method=Transfer SC+DD, category=washing\_drying

## Week 2

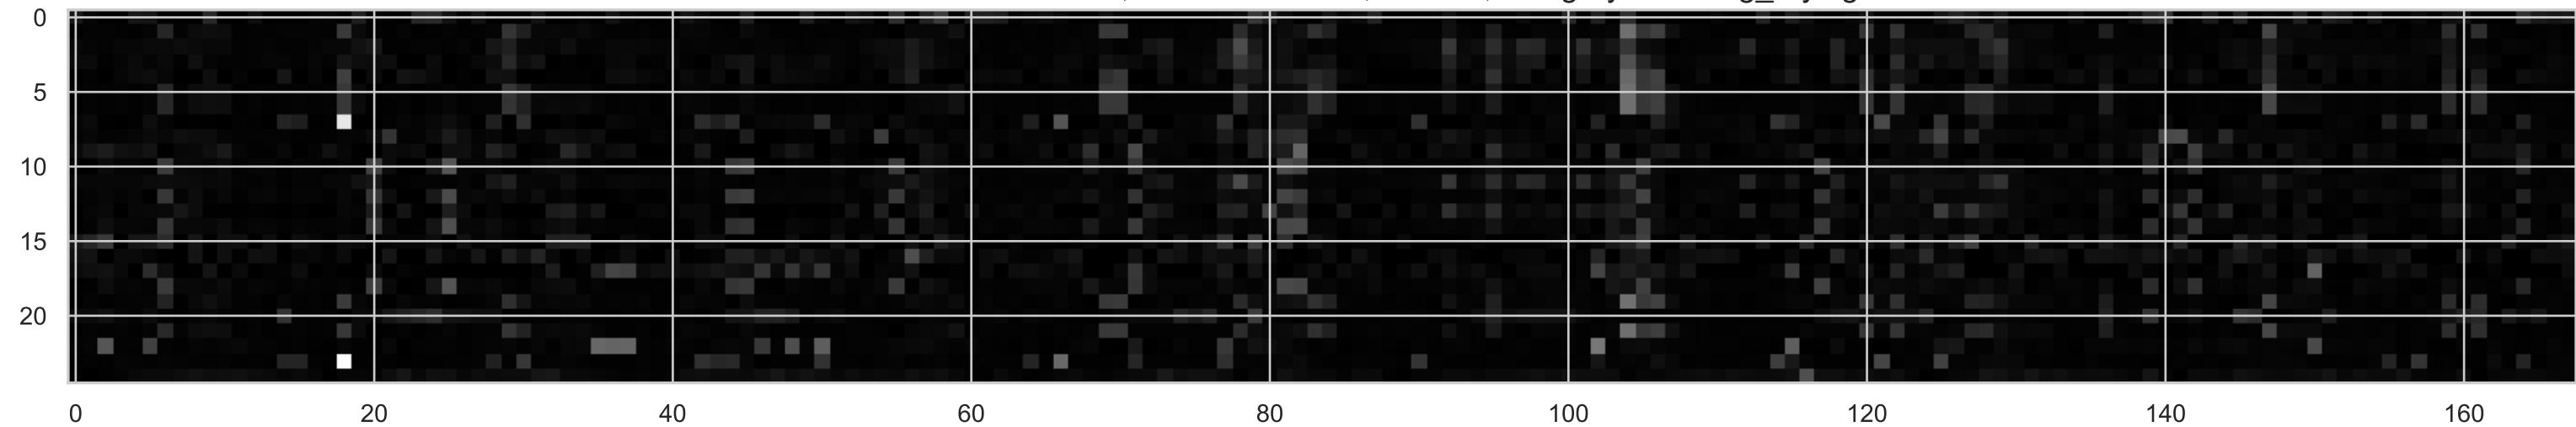

# Week 3

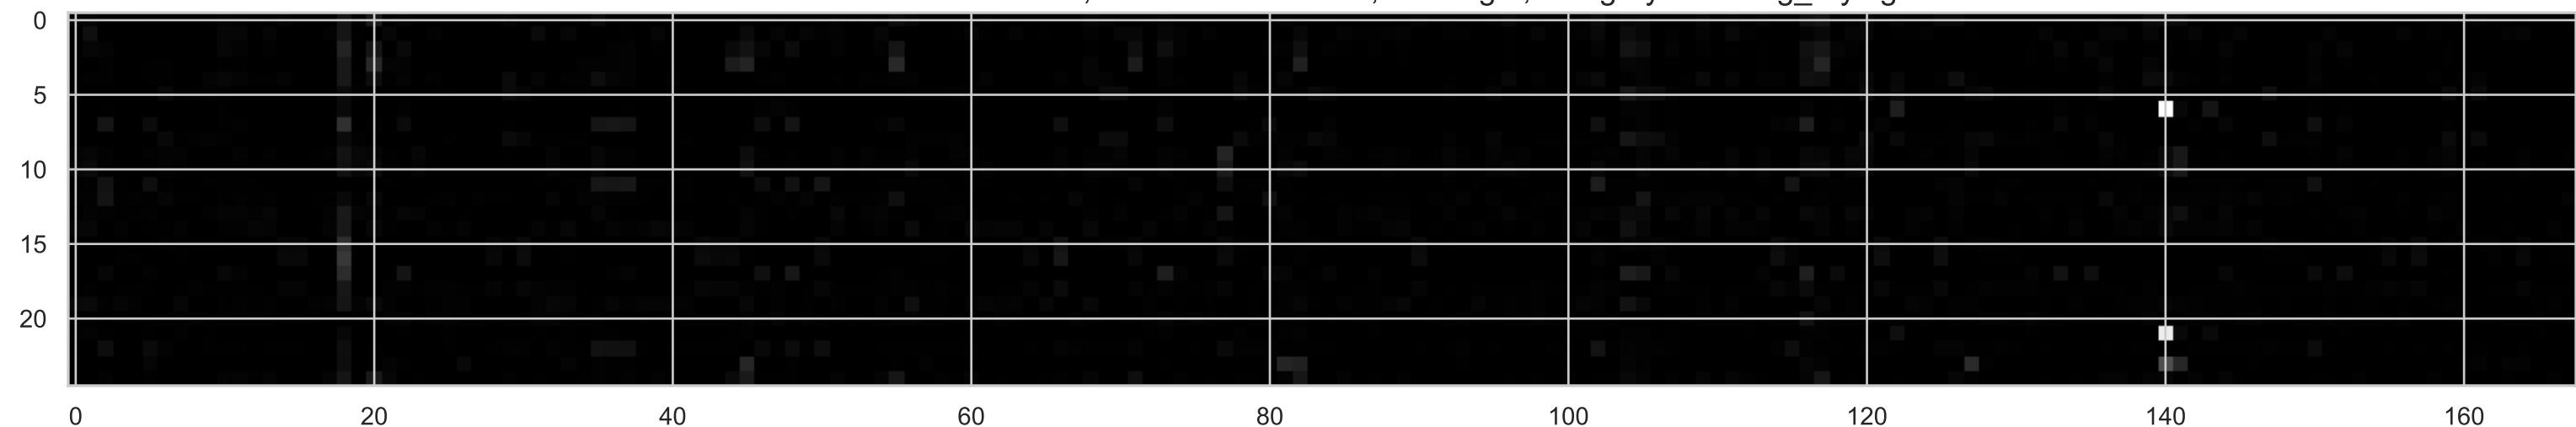

## Week 4

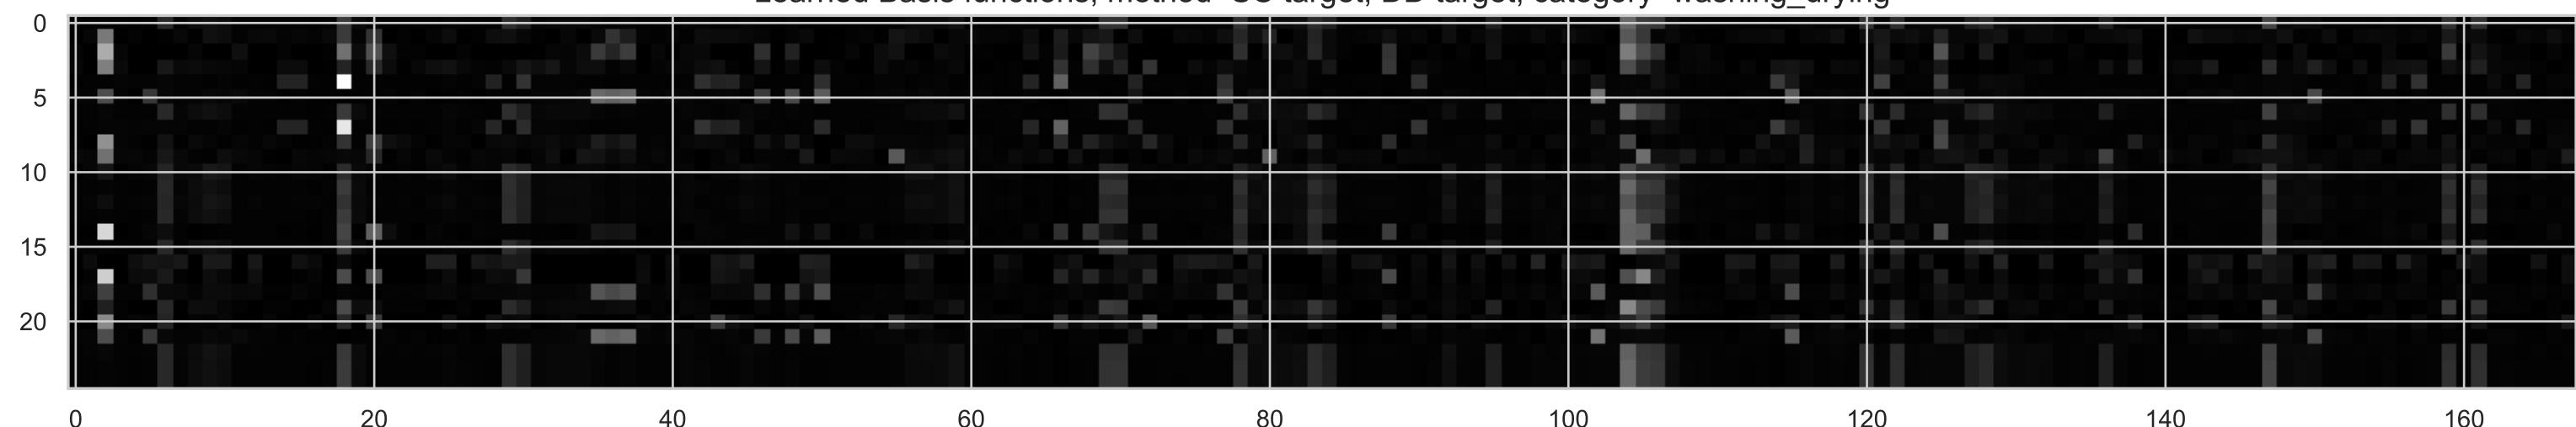

Learned Basis functions, method=SC mix, DD mix, category=washing\_drying

Learned Basis functions, method=SC target, DD target, category=washing\_drying

Learned Basis functions, method=Transfer SC+DD, category=washing\_drying

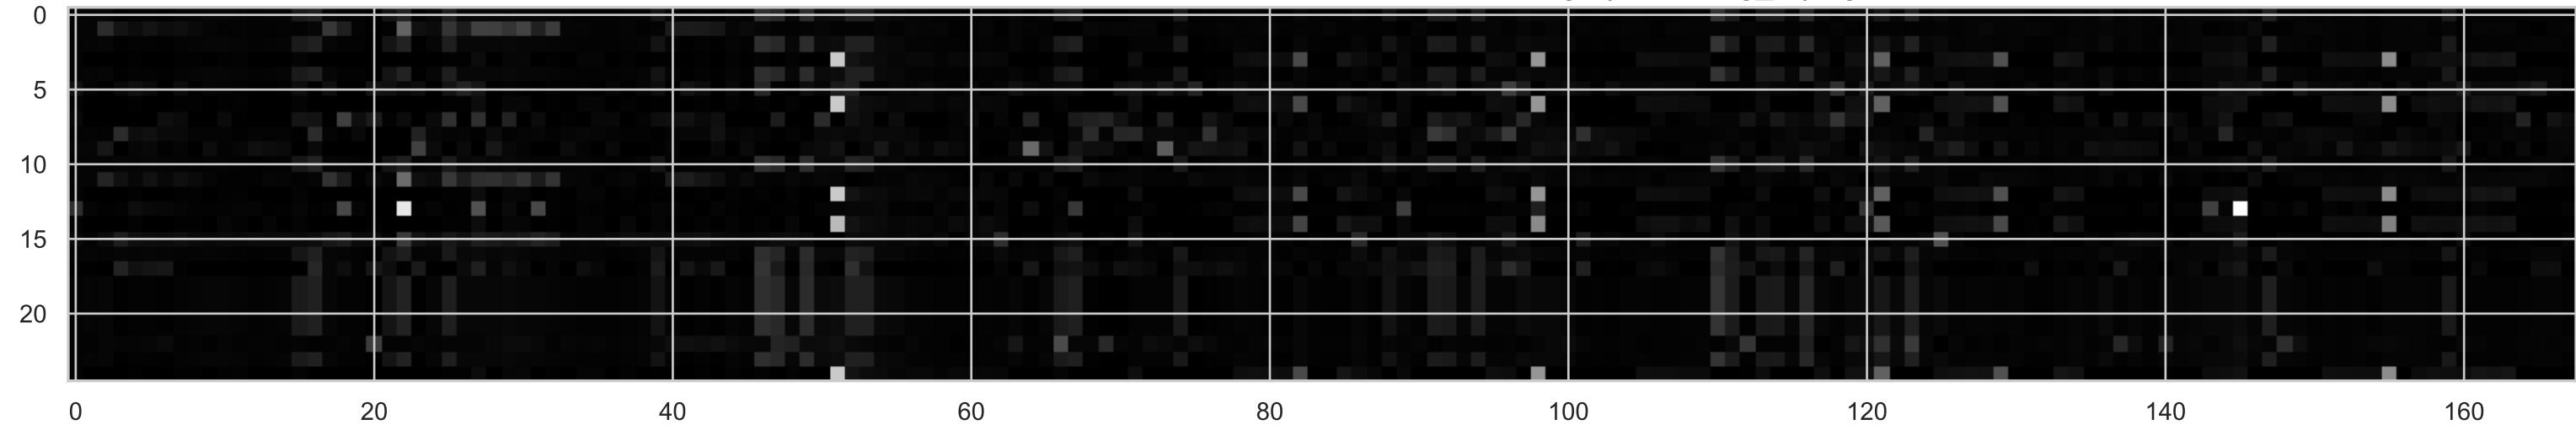

# Week 5

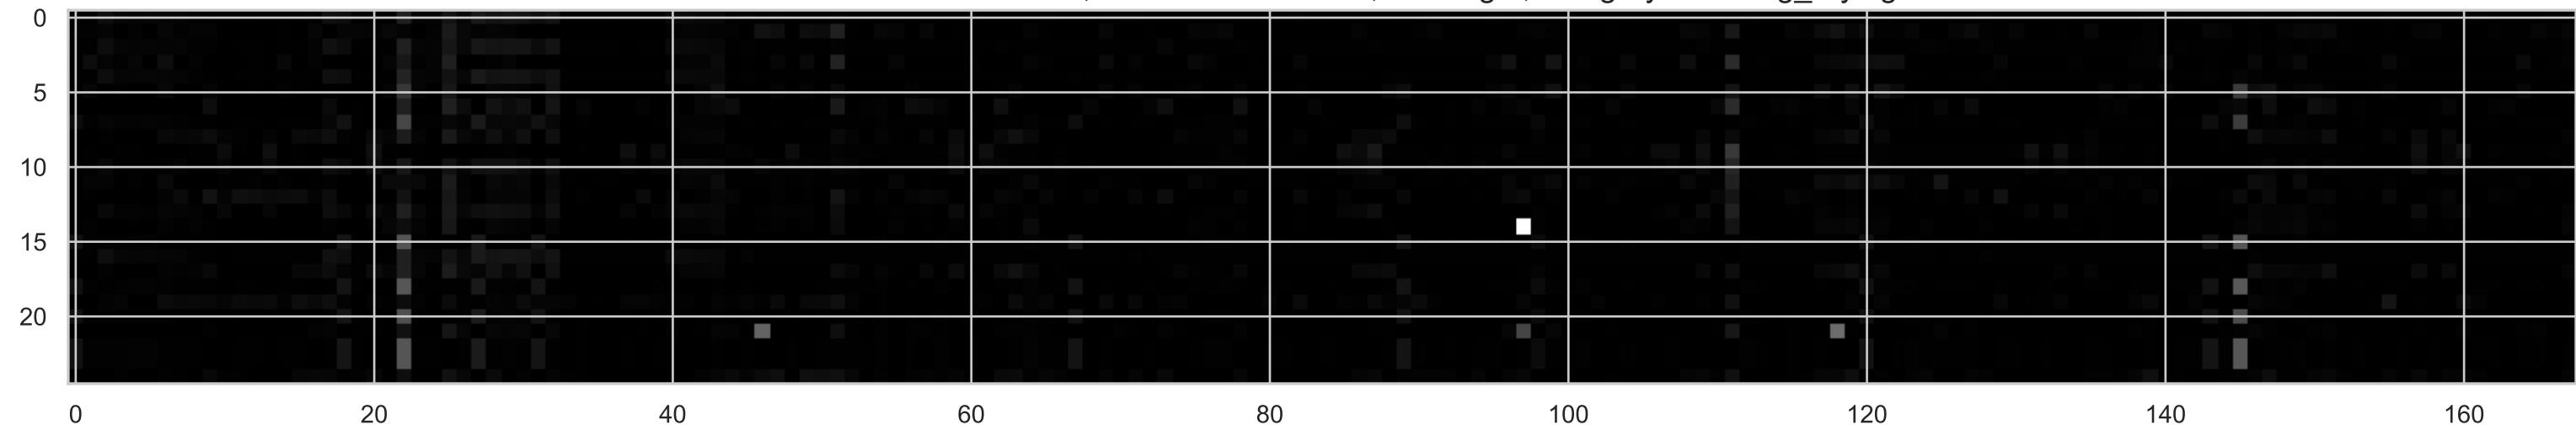

## Week 6

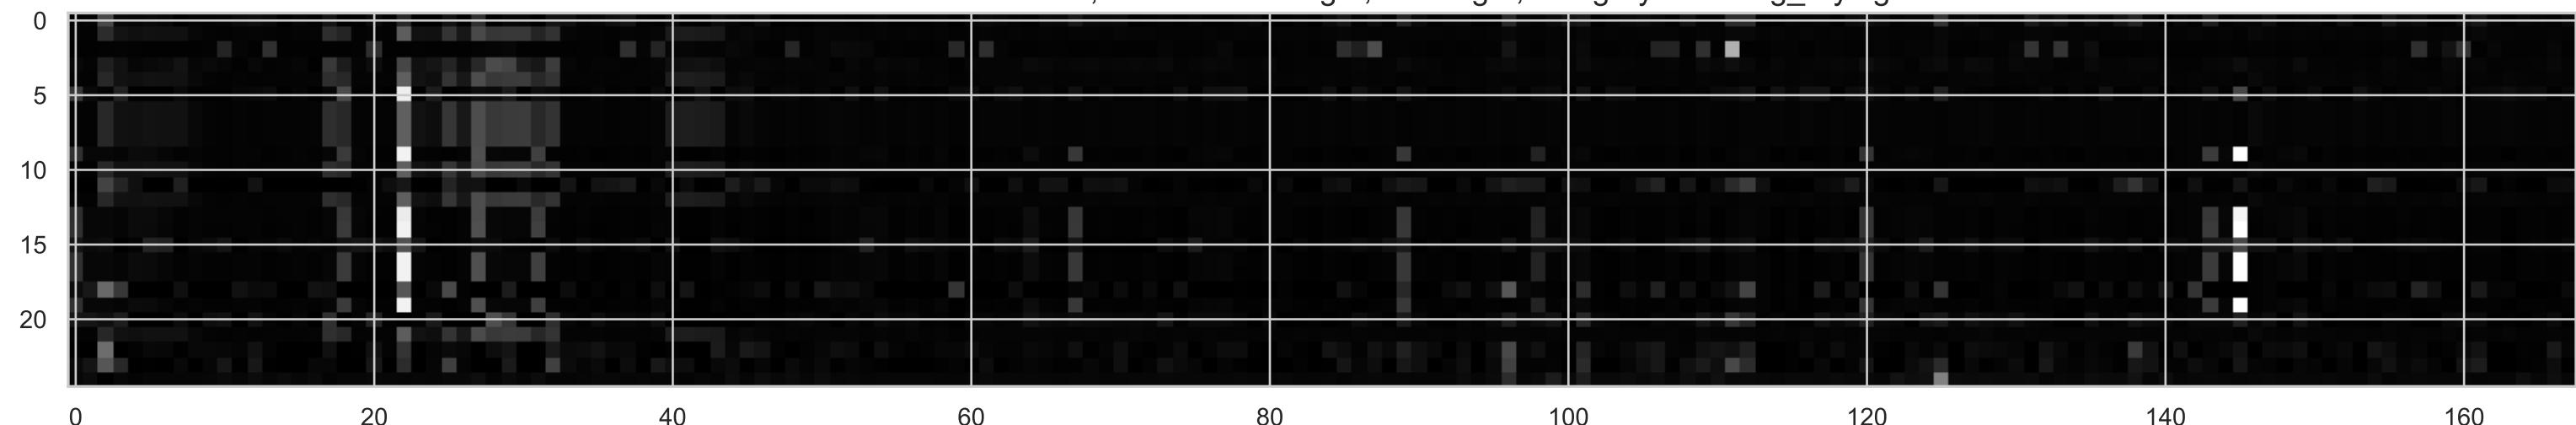

Learned Basis functions, method=SC mix, DD mix, category=washing\_drying

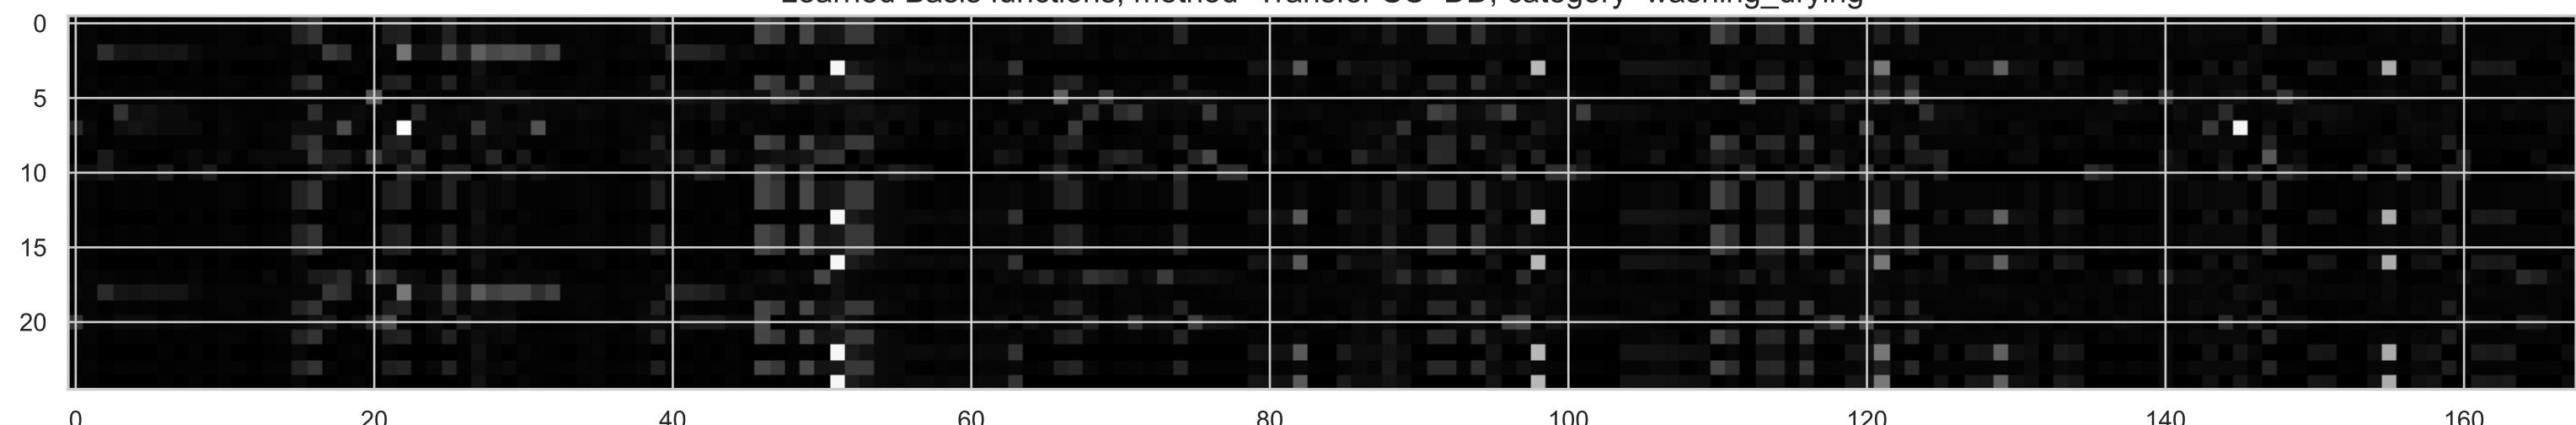

Learned Basis functions, method=SC source, DD target, category=washing\_drying

Learned Basis functions, method=SC target, DD target, category=washing\_drying

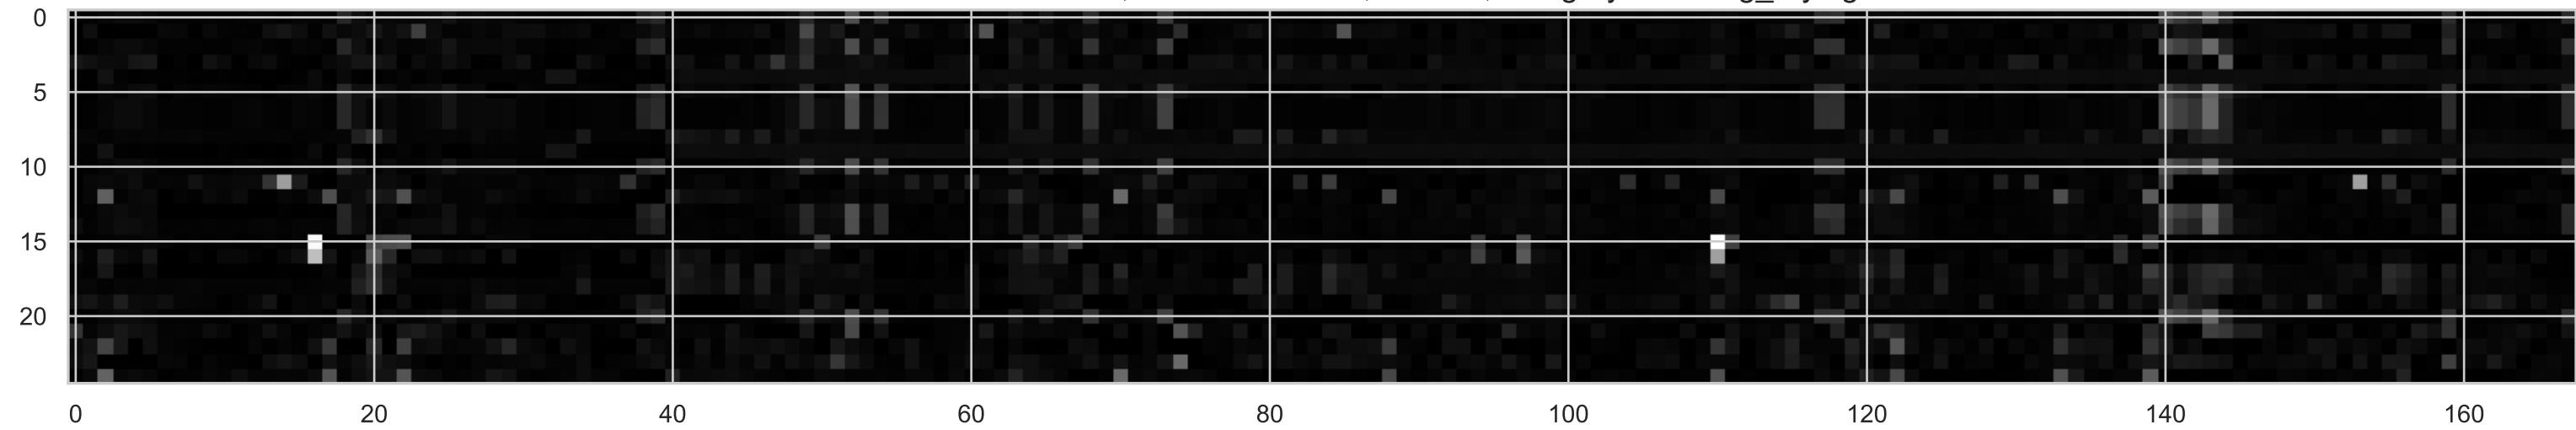

Learned Basis functions, method=Transfer SC+DD, category=washing\_drying

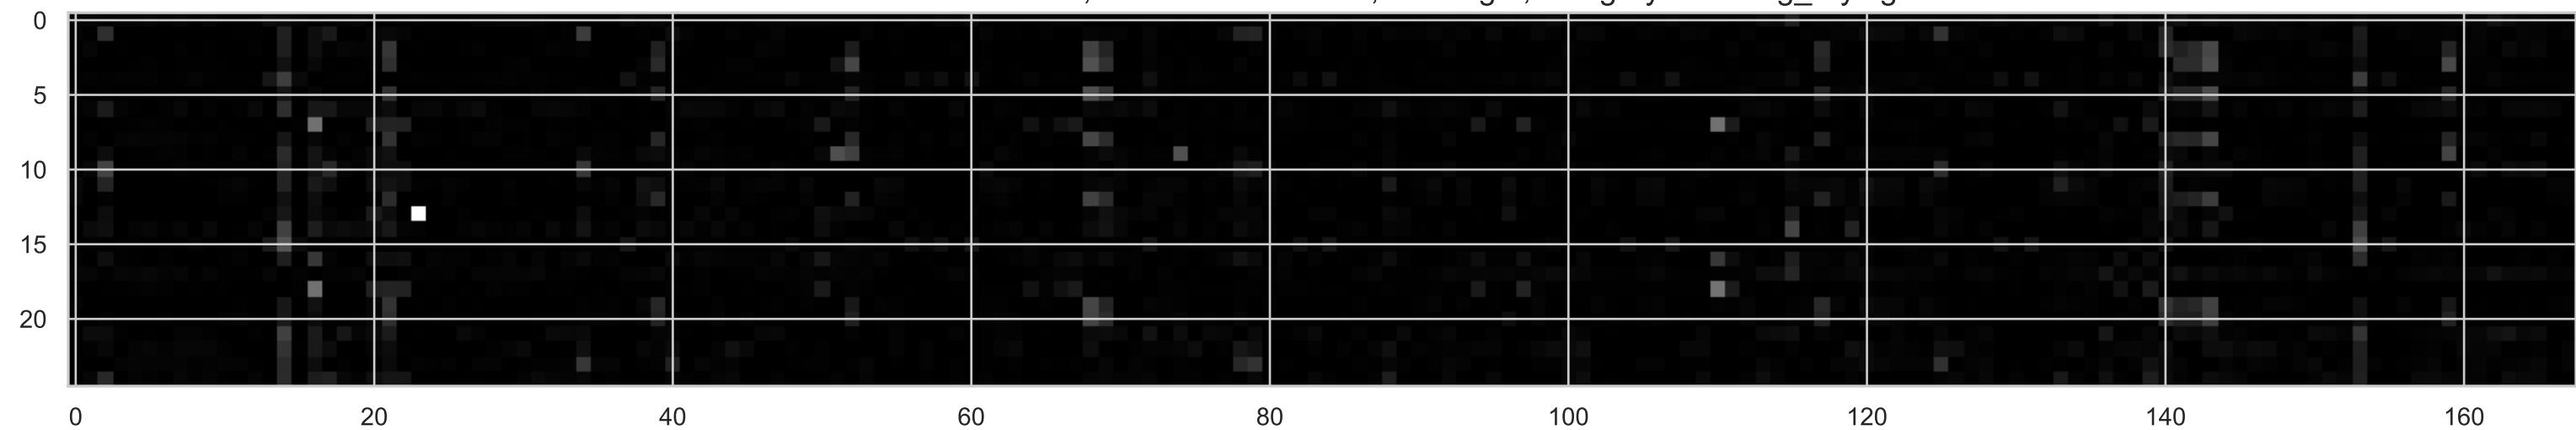

# Week 7

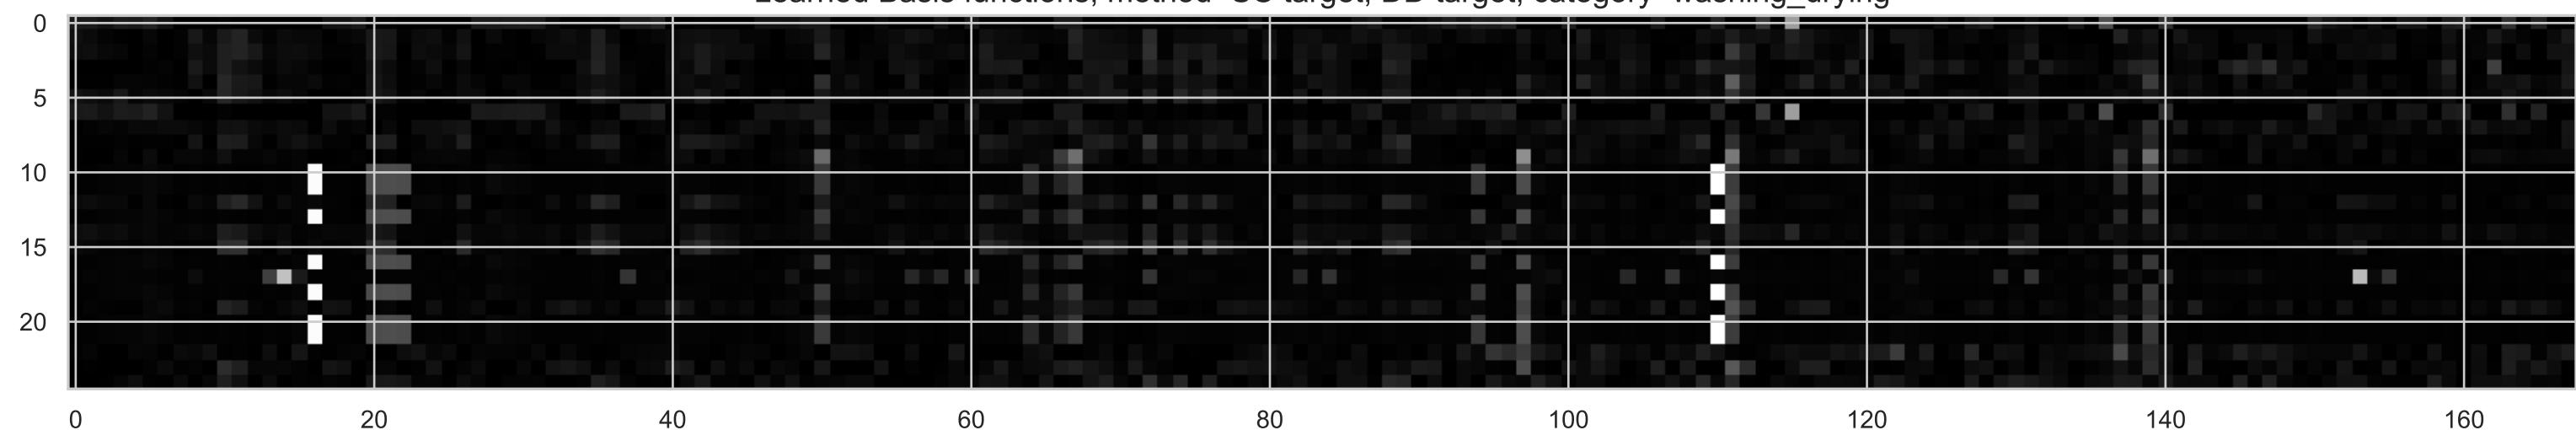

Learned Basis functions, method=SC mix, DD mix, category=washing\_drying

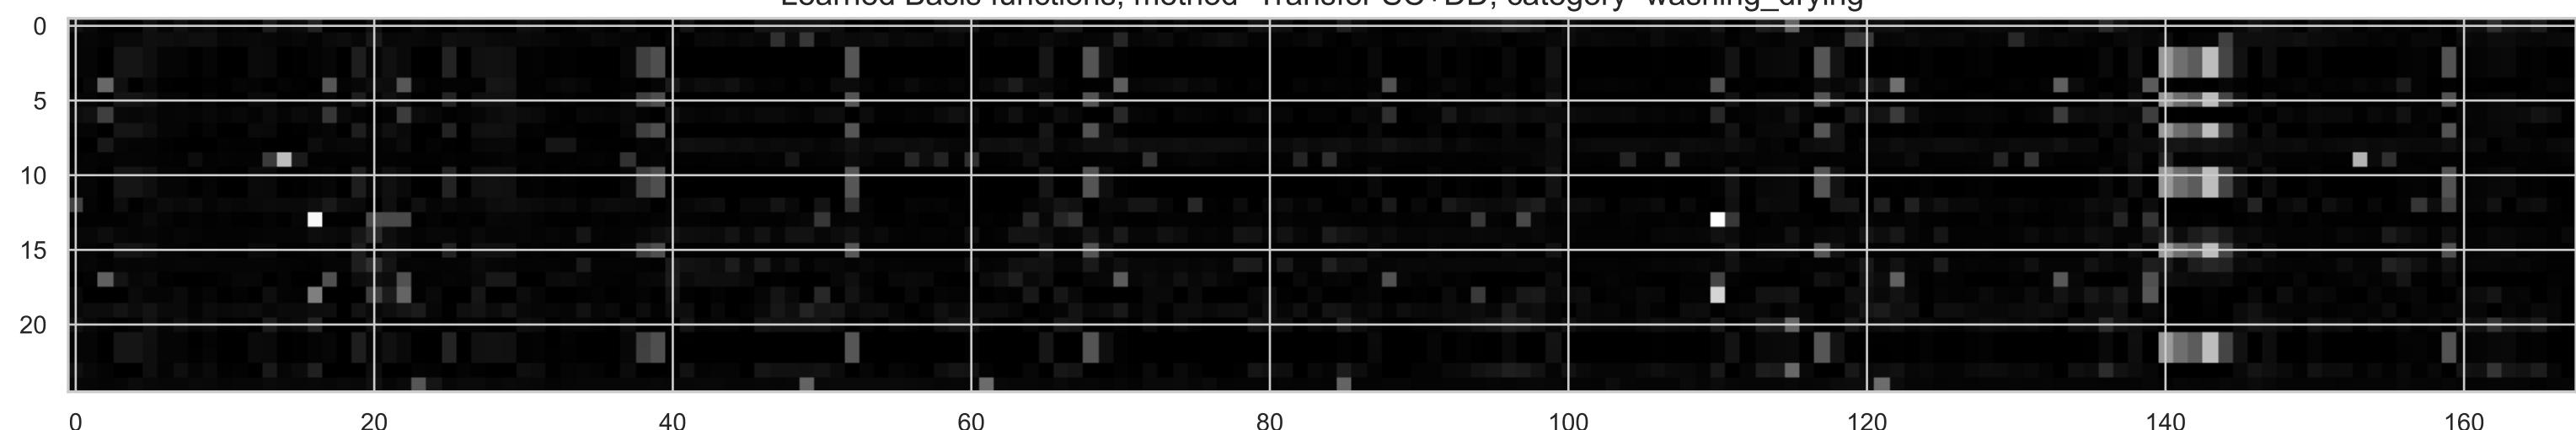

Learned Basis functions, method=SC source, DD target, category=washing\_drying

Learned Basis functions, method=SC target, DD target, category=washing\_drying

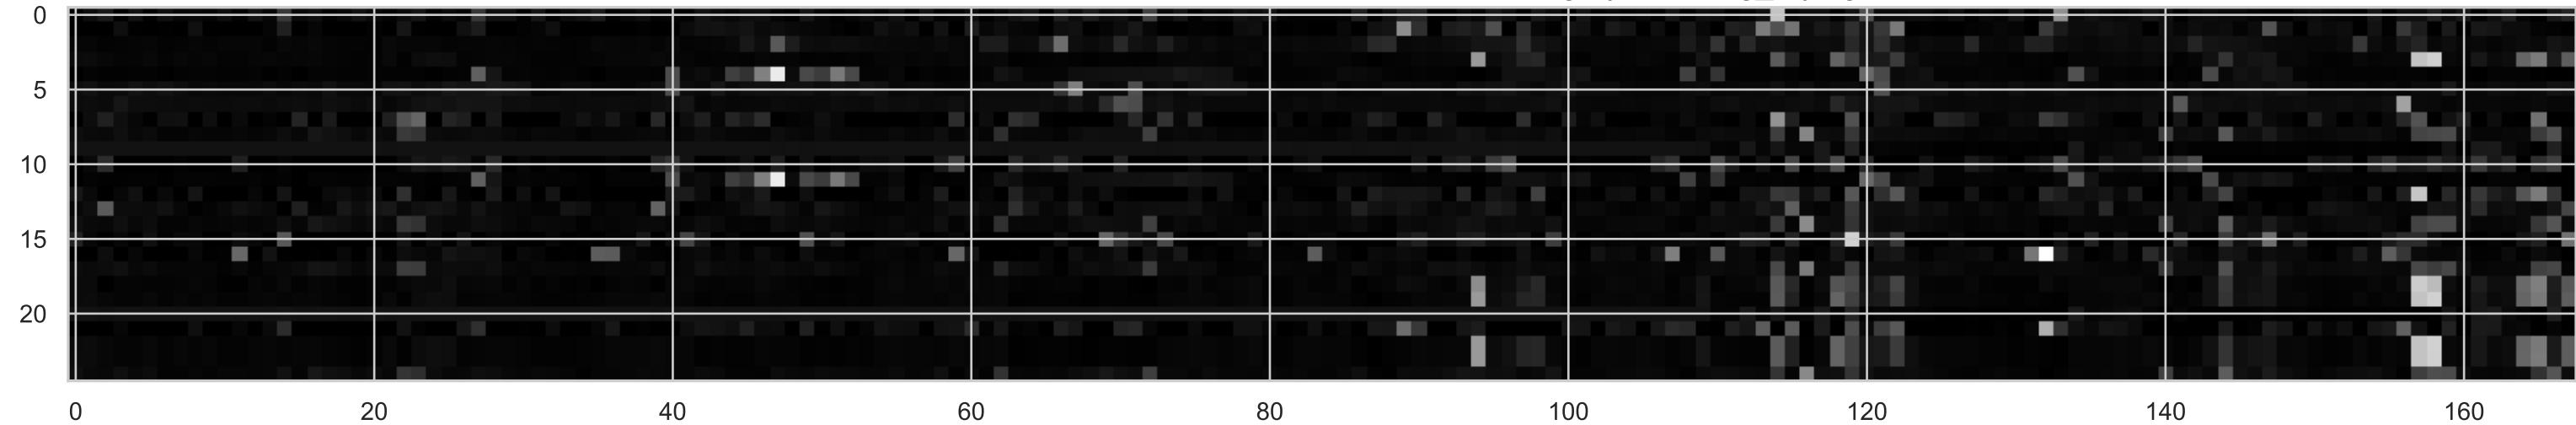

Learned Basis functions, method=Transfer SC+DD, category=washing\_drying

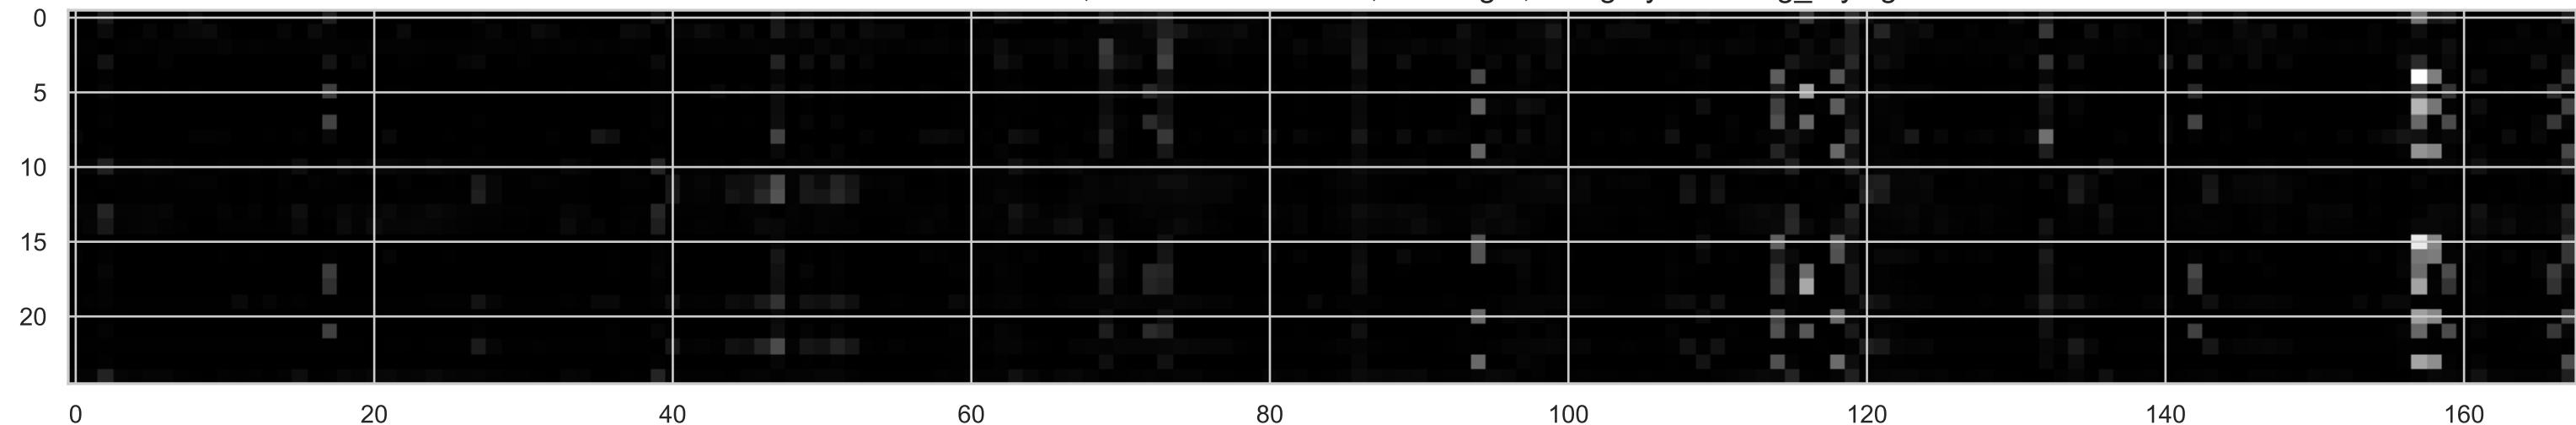

# Week 8

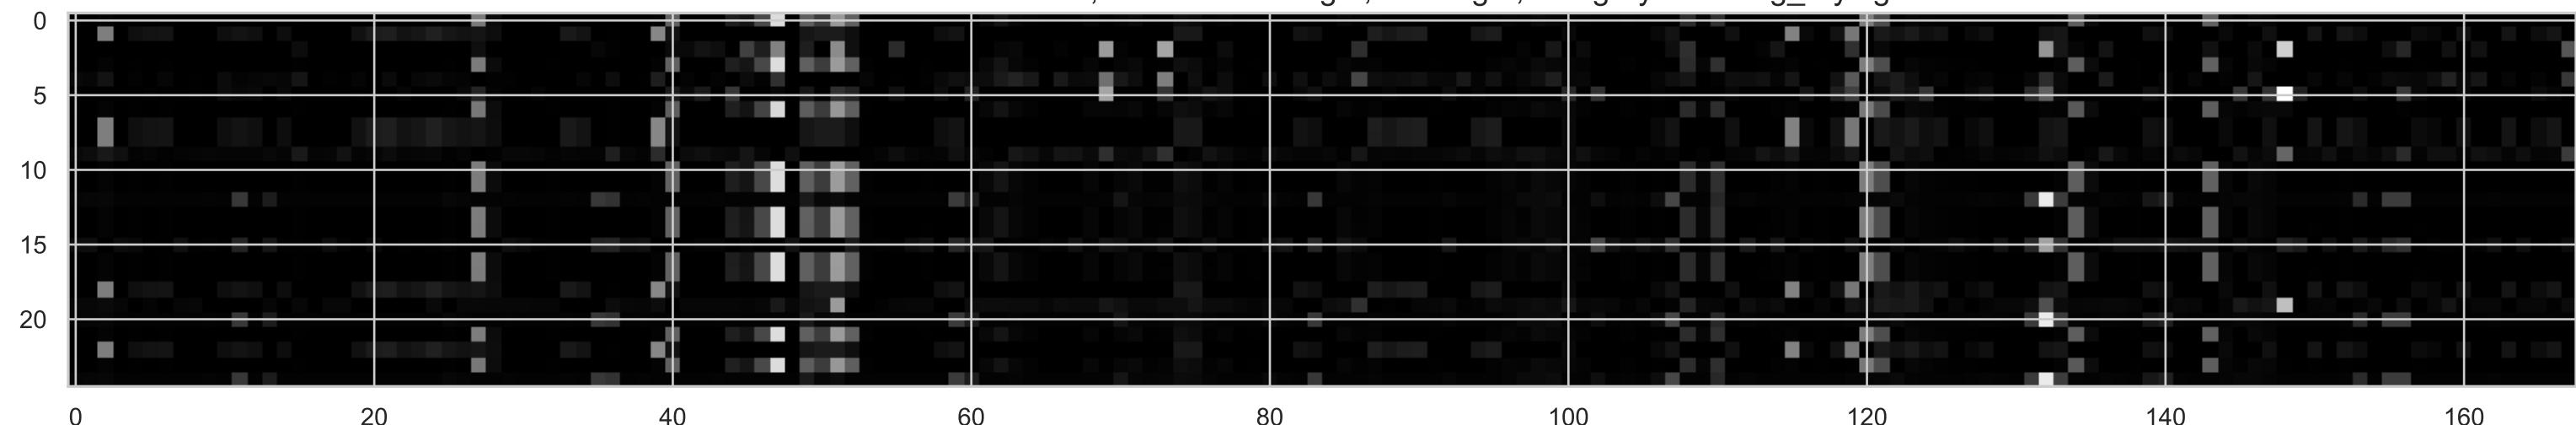

Learned Basis functions, method=SC mix, DD mix, category=washing\_drying

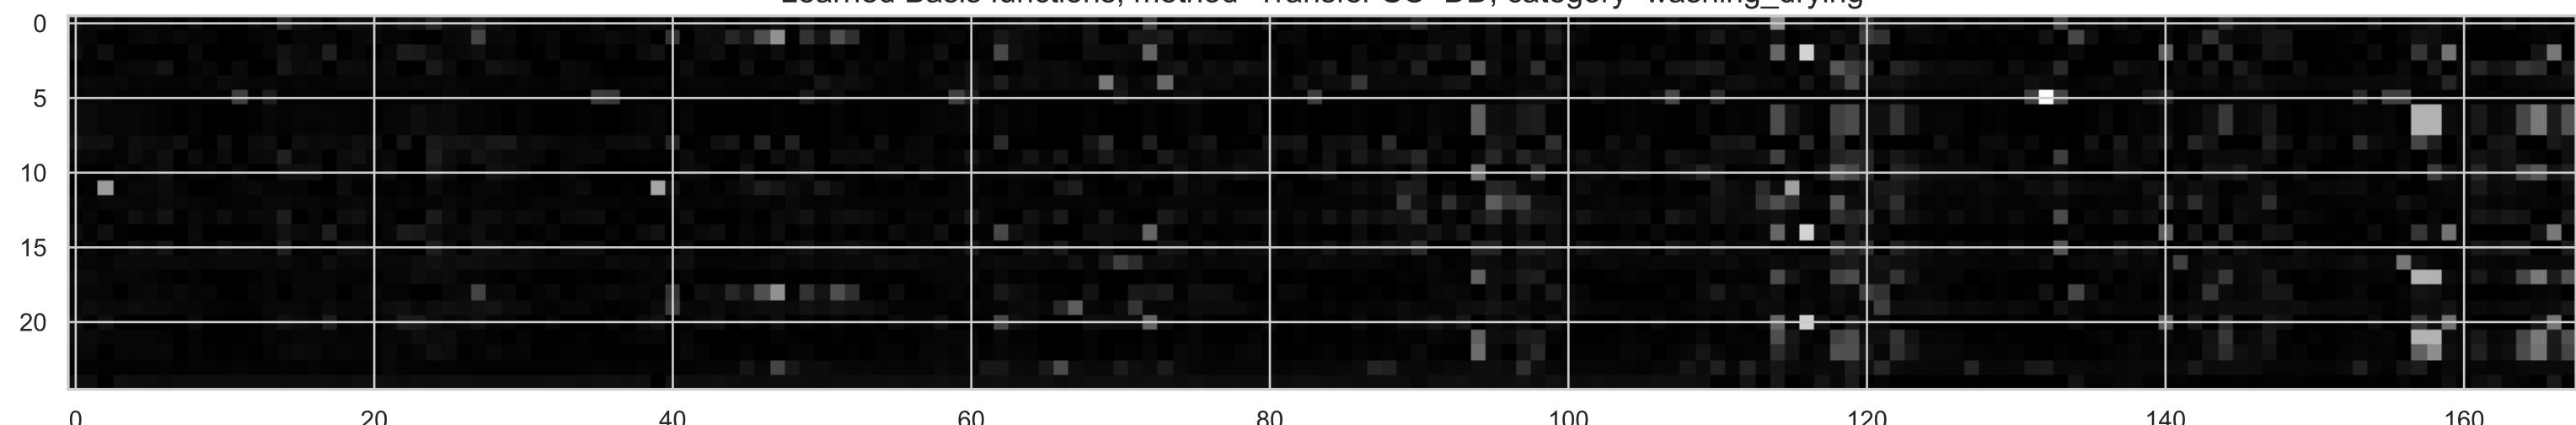

Learned Basis functions, method=SC source, DD target, category=washing\_drying

Learned Basis functions, method=SC target, DD target, category=washing\_drying

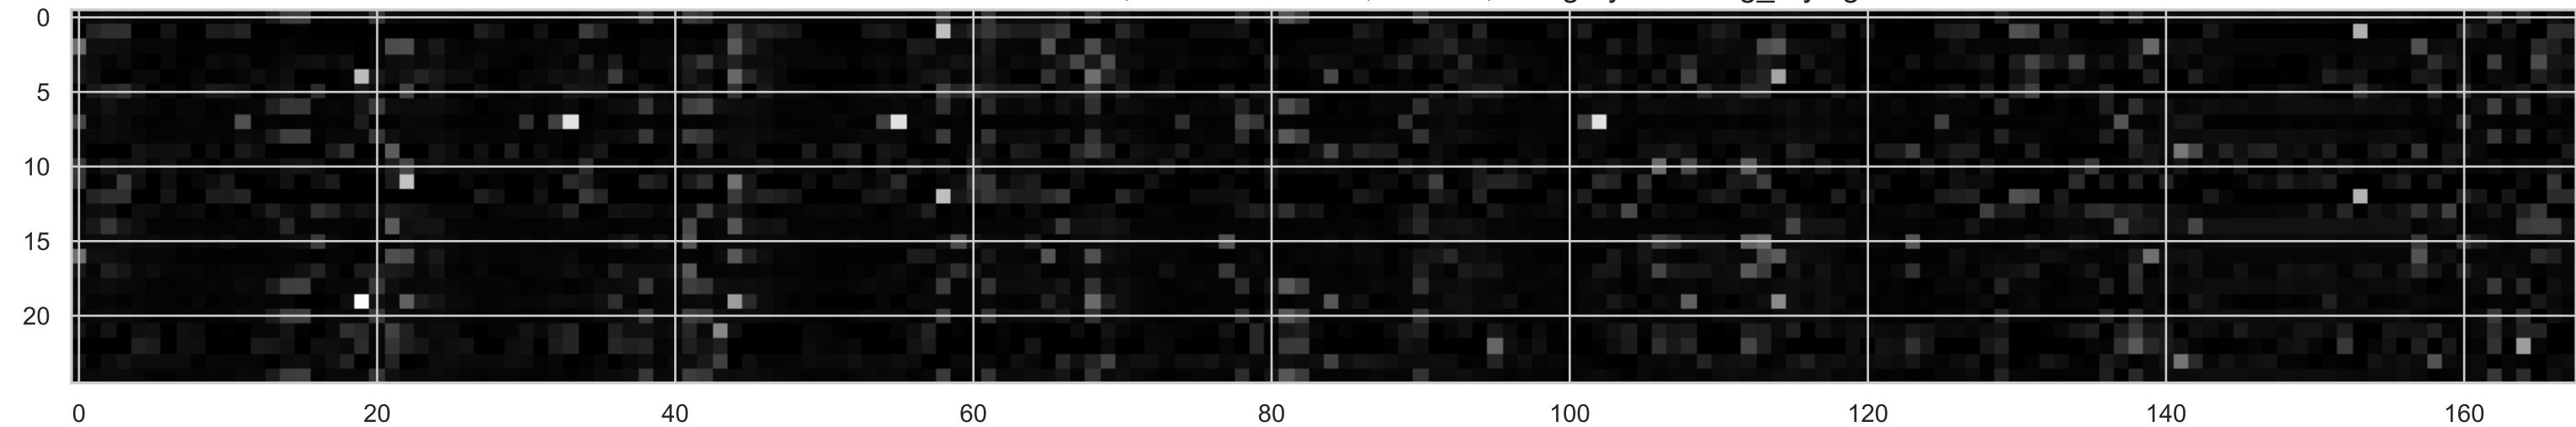

Learned Basis functions, method=Transfer SC+DD, category=washing\_drying

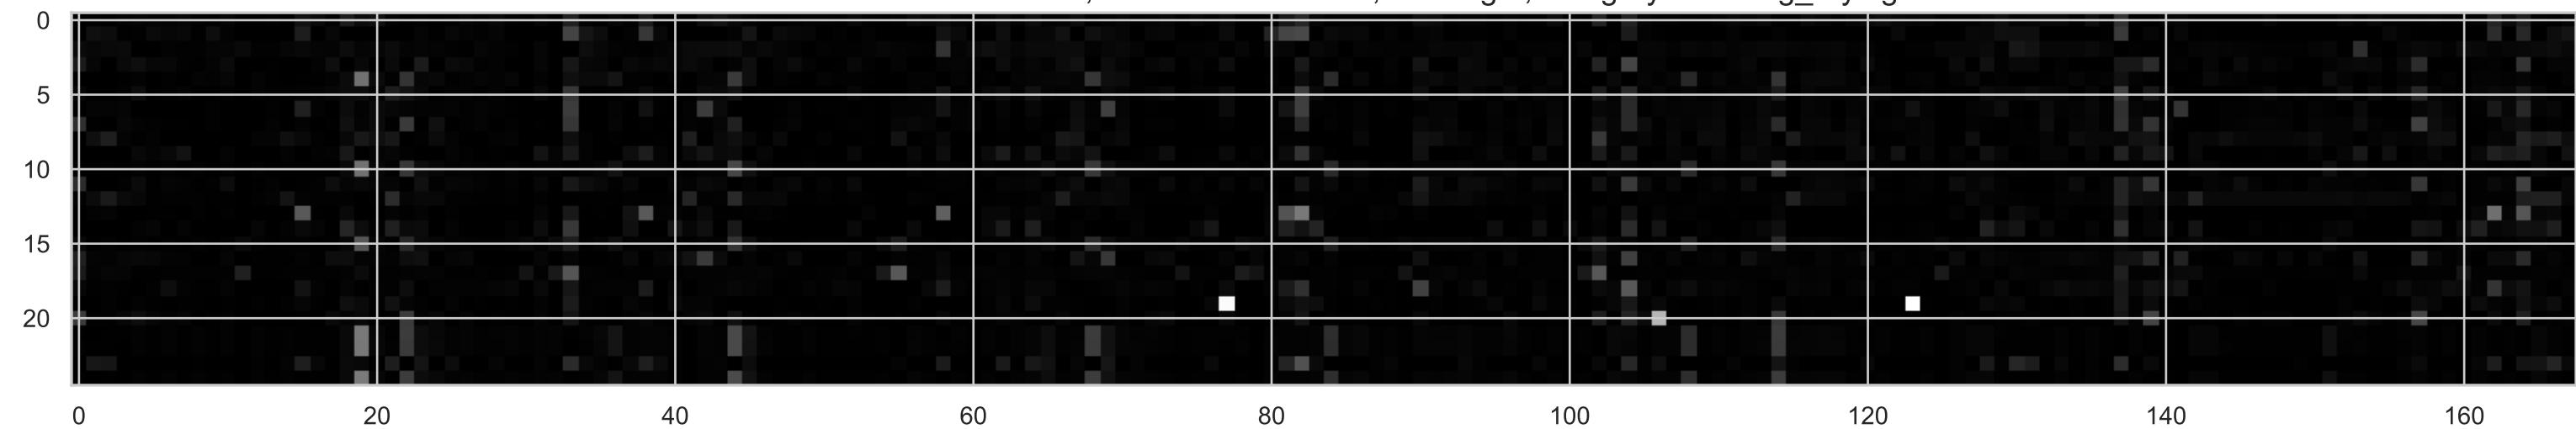

# Week 9

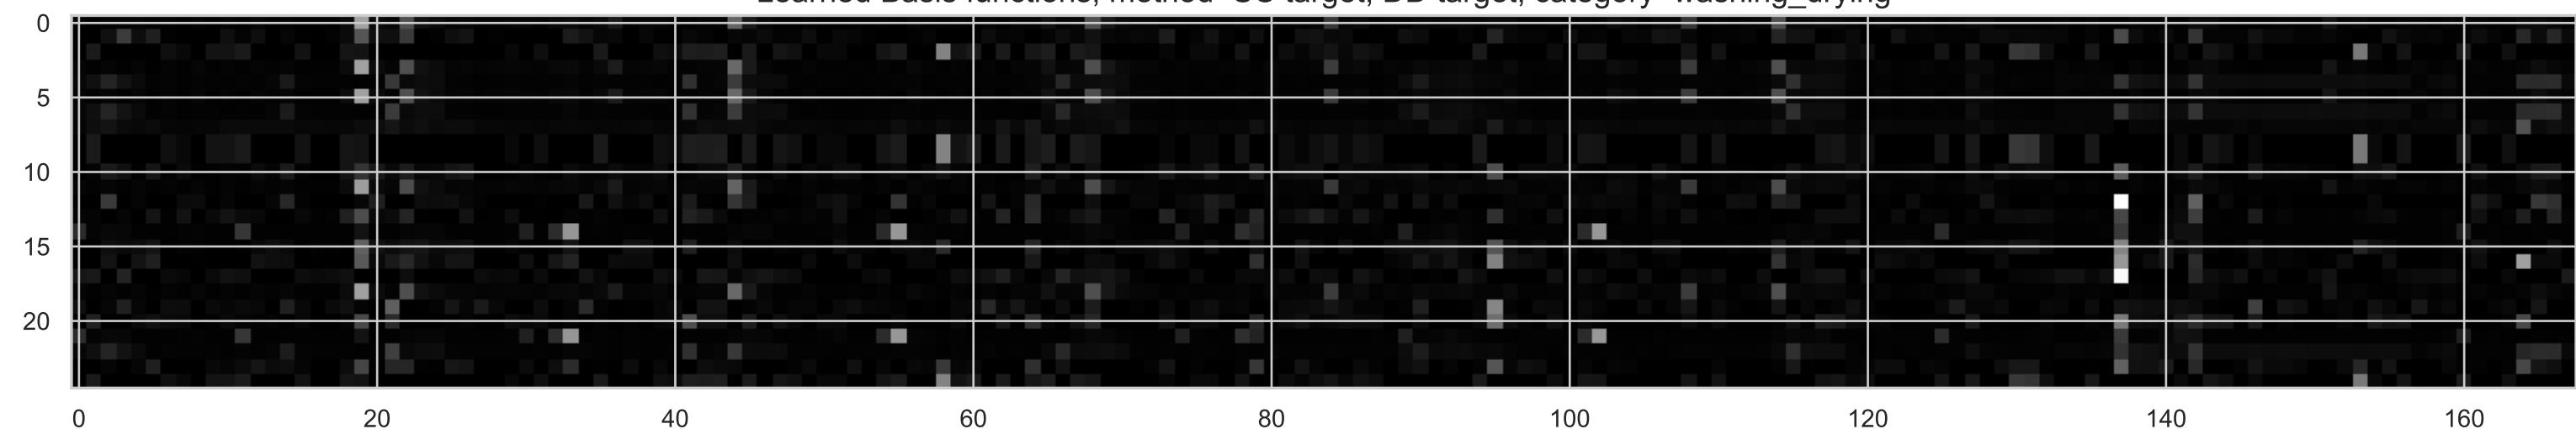

Learned Basis functions, method=SC mix, DD mix, category=washing\_drying

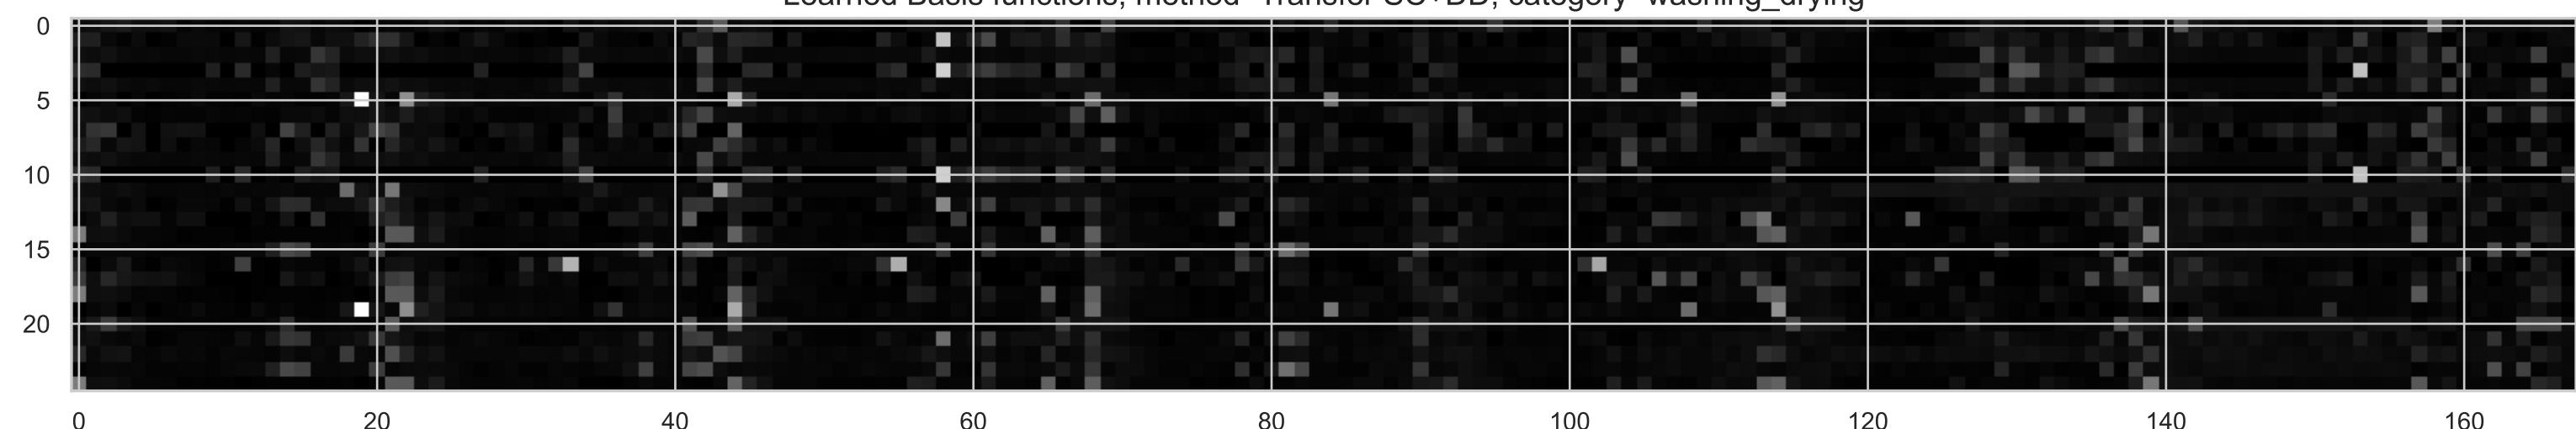

Learned Basis functions, method=SC source, DD target, category=washing\_drying

Learned Basis functions, method=SC target, DD target, category=washing\_drying

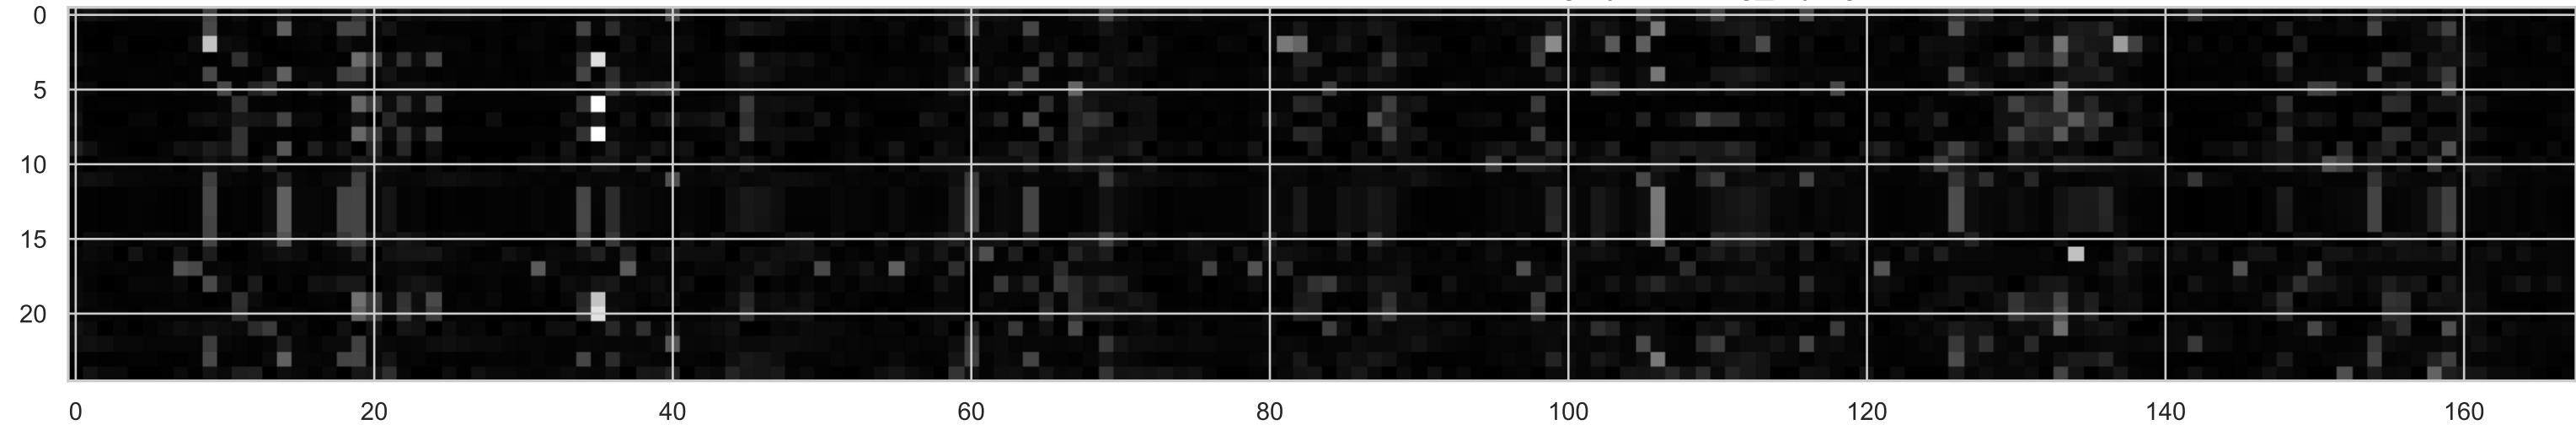

Learned Basis functions, method=Transfer SC+DD, category=washing\_drying

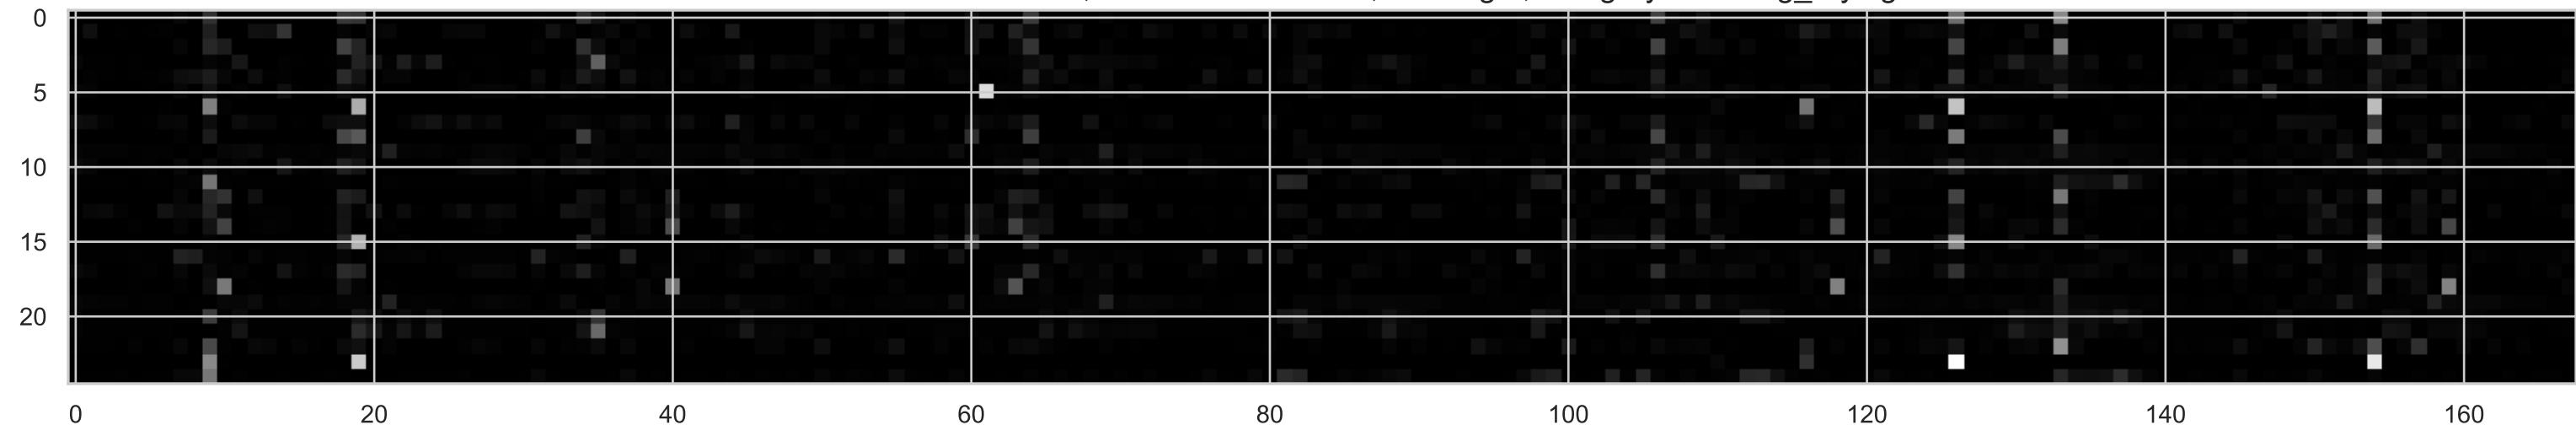

# Week 10

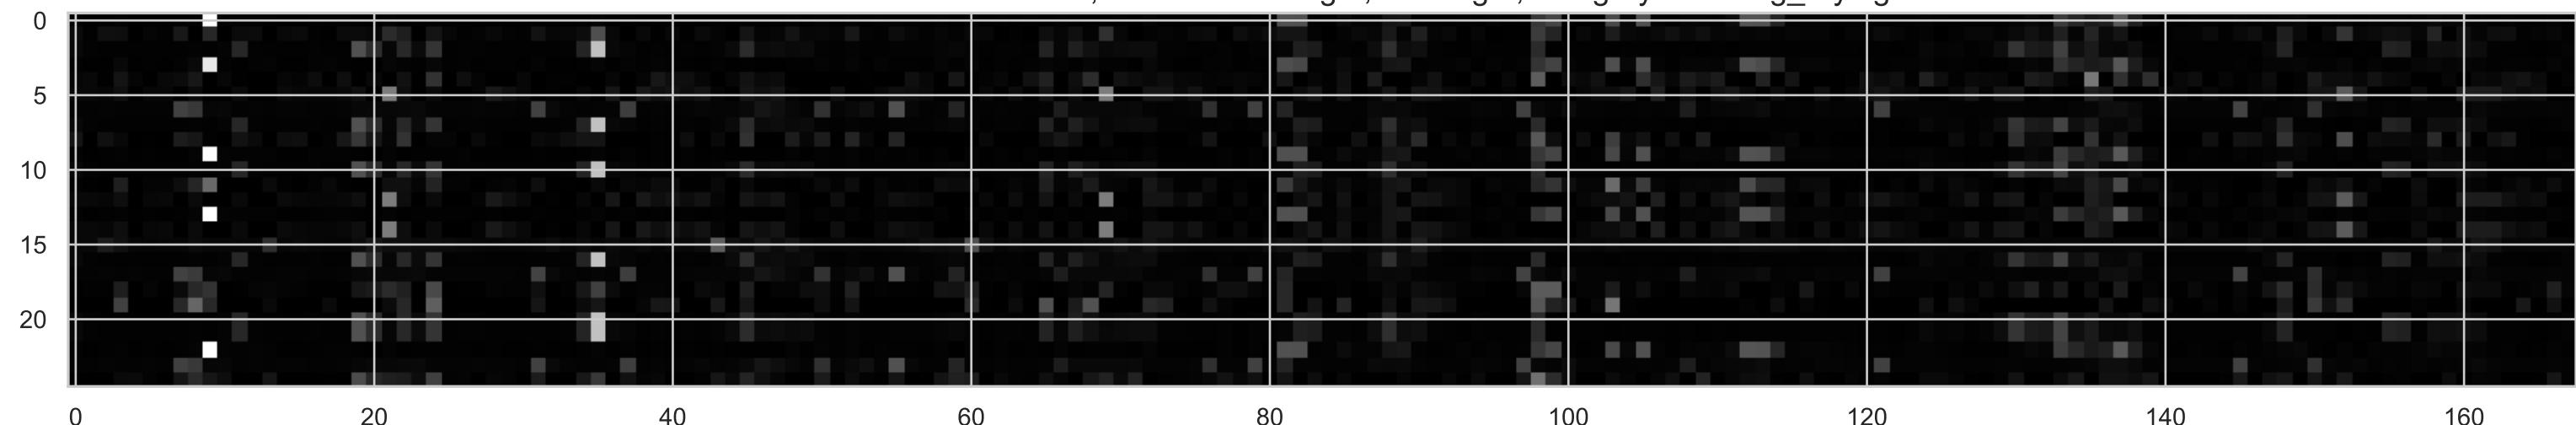

Learned Basis functions, method=SC mix, DD mix, category=washing\_drying

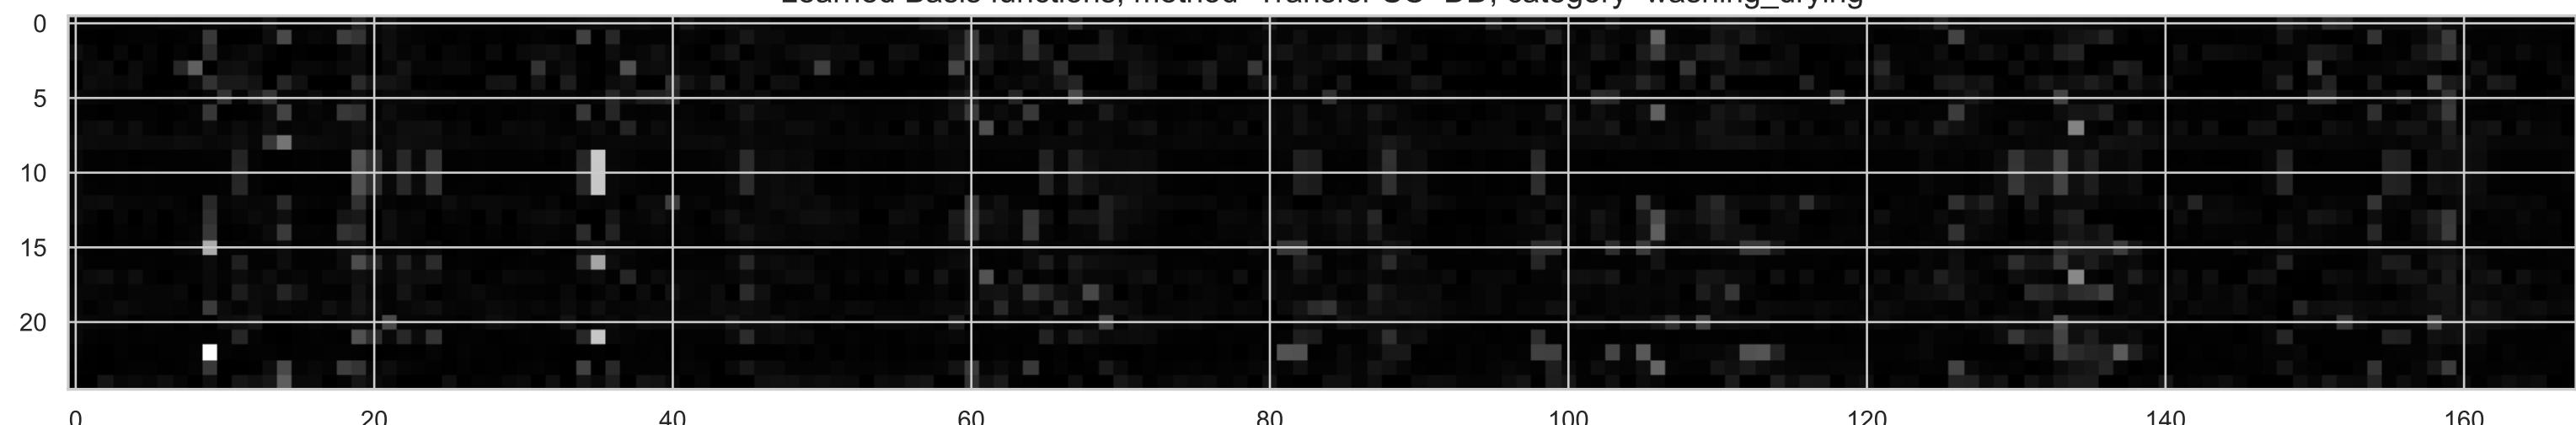

Learned Basis functions, method=SC source, DD target, category=washing\_drying

Learned Basis functions, method=SC target, DD target, category=washing\_drying

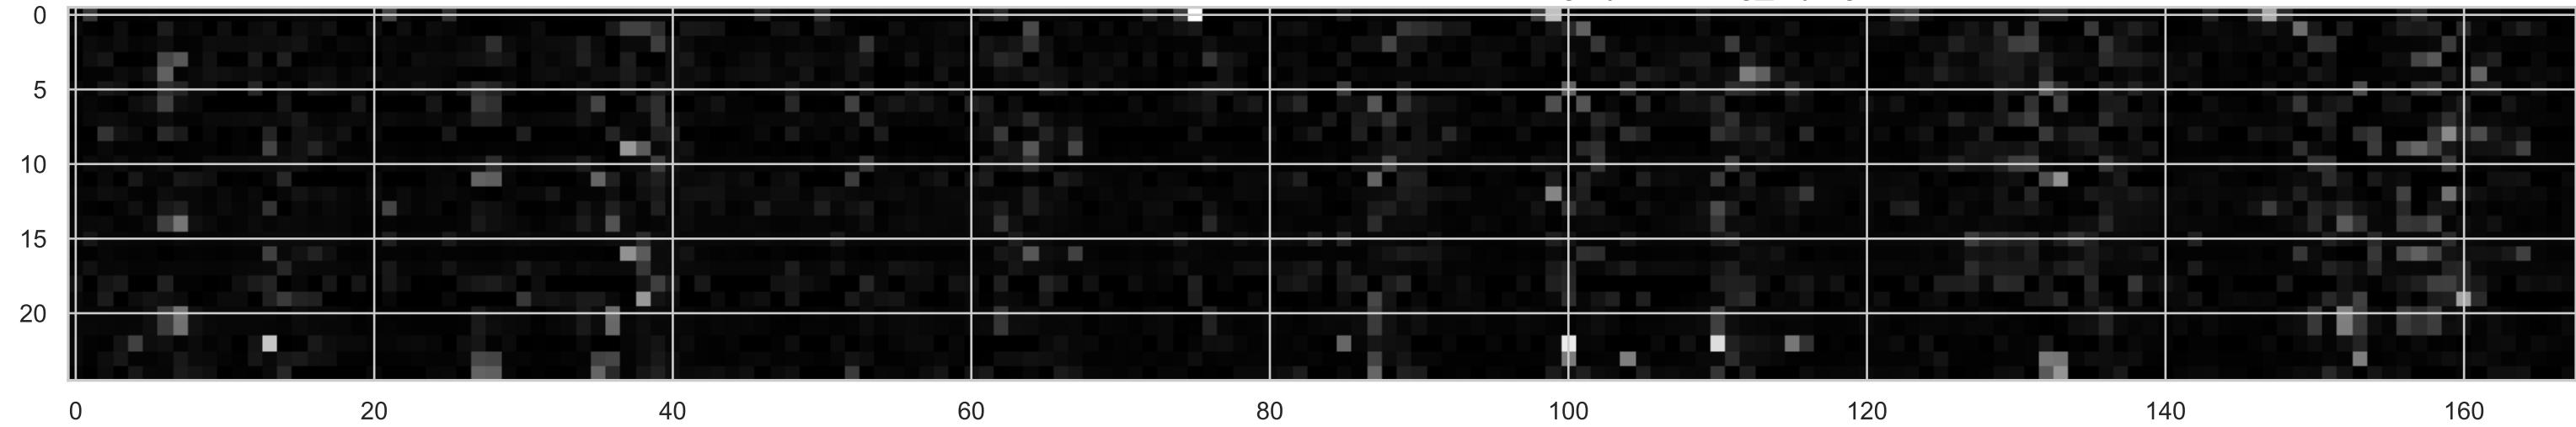

Learned Basis functions, method=Transfer SC+DD, category=washing\_drying

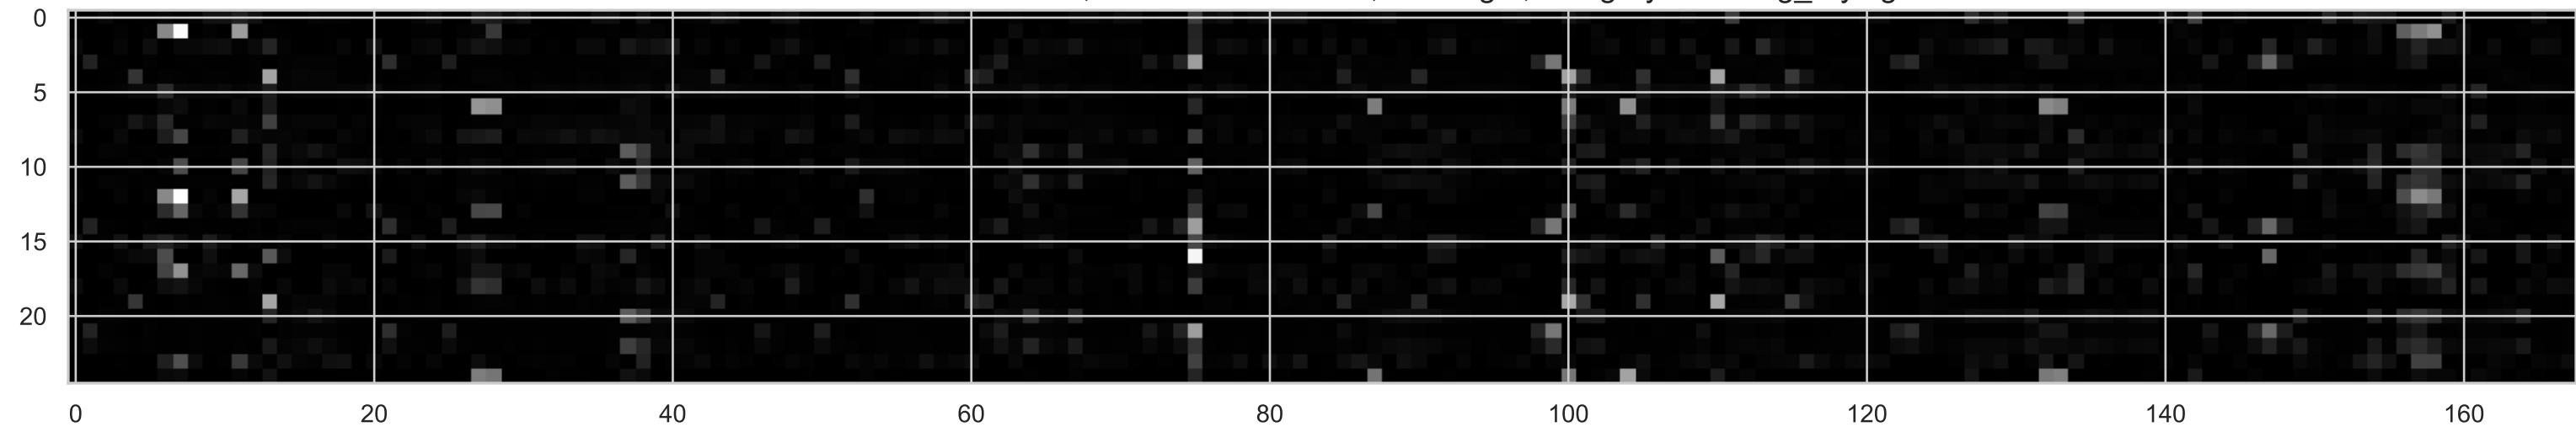

# Week 11

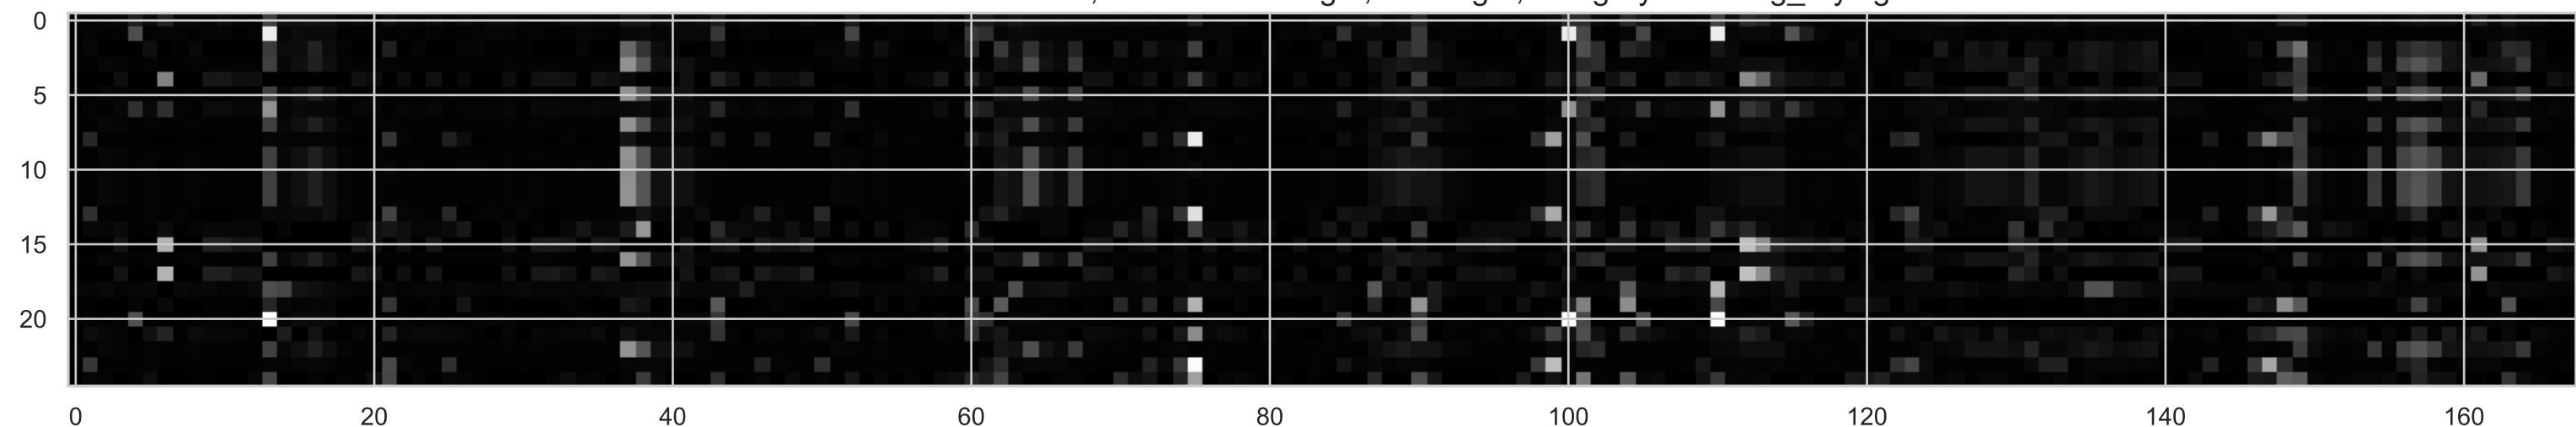

Learned Basis functions, method=SC mix, DD mix, category=washing\_drying

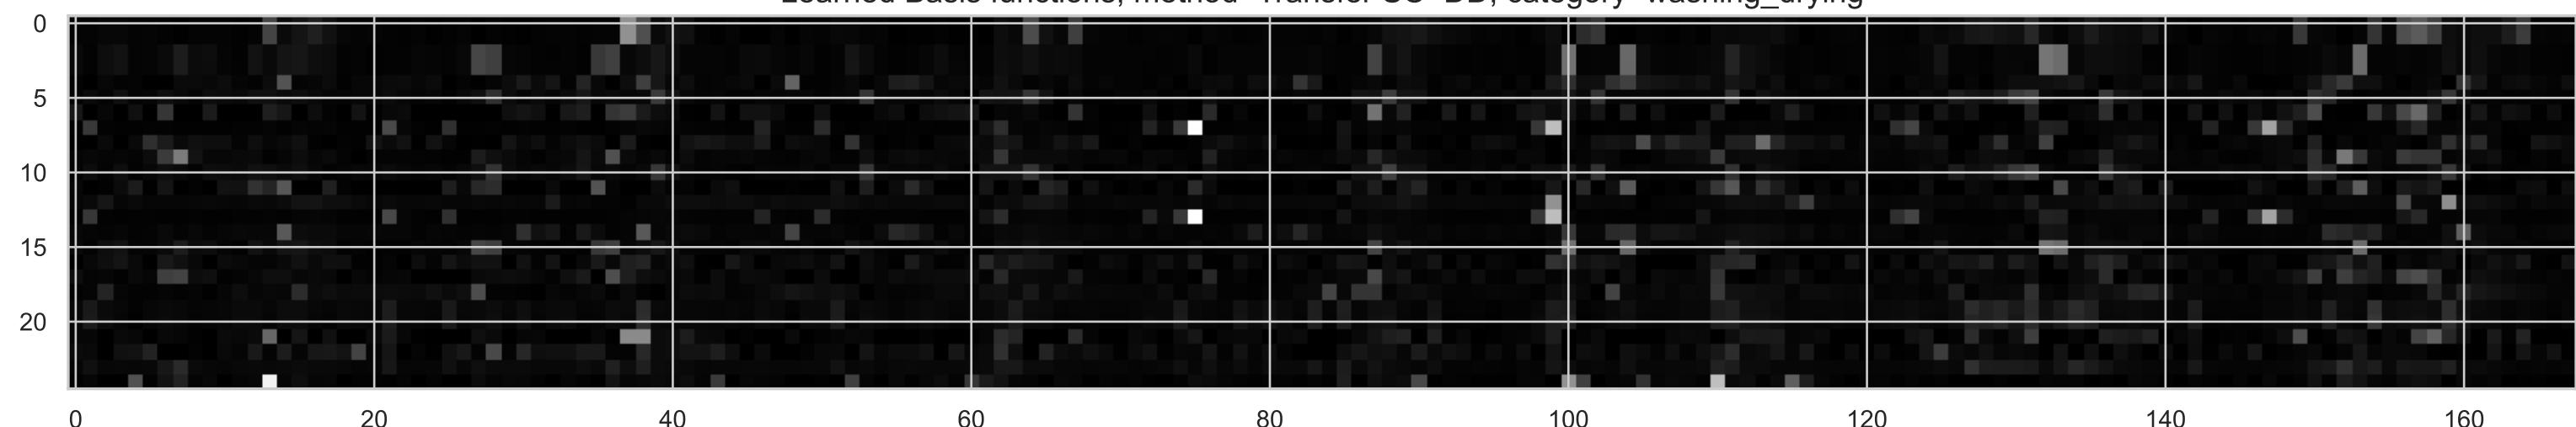

Learned Basis functions, method=SC source, DD target, category=washing\_drying

Learned Basis functions, method=SC target, DD target, category=washing\_drying

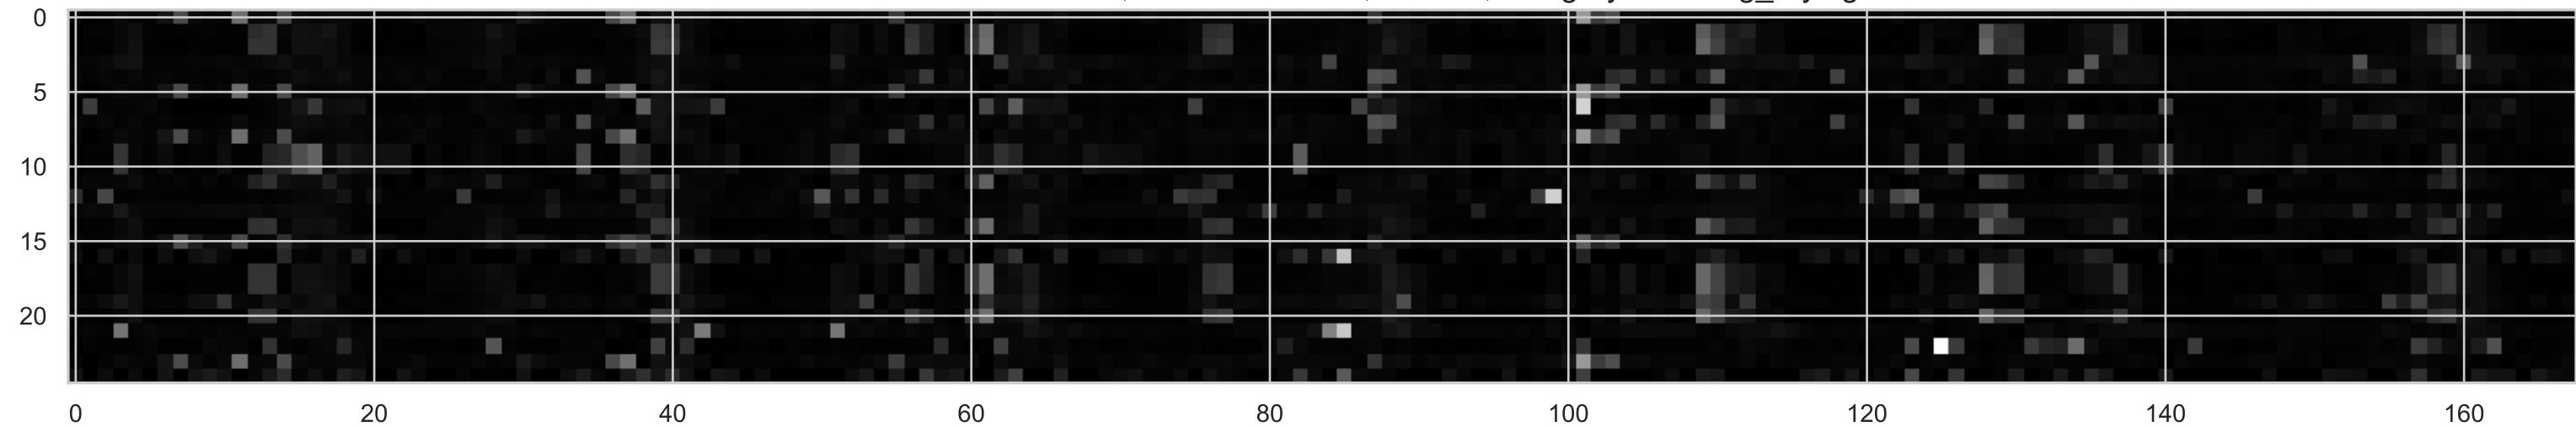

Learned Basis functions, method=Transfer SC+DD, category=washing\_drying

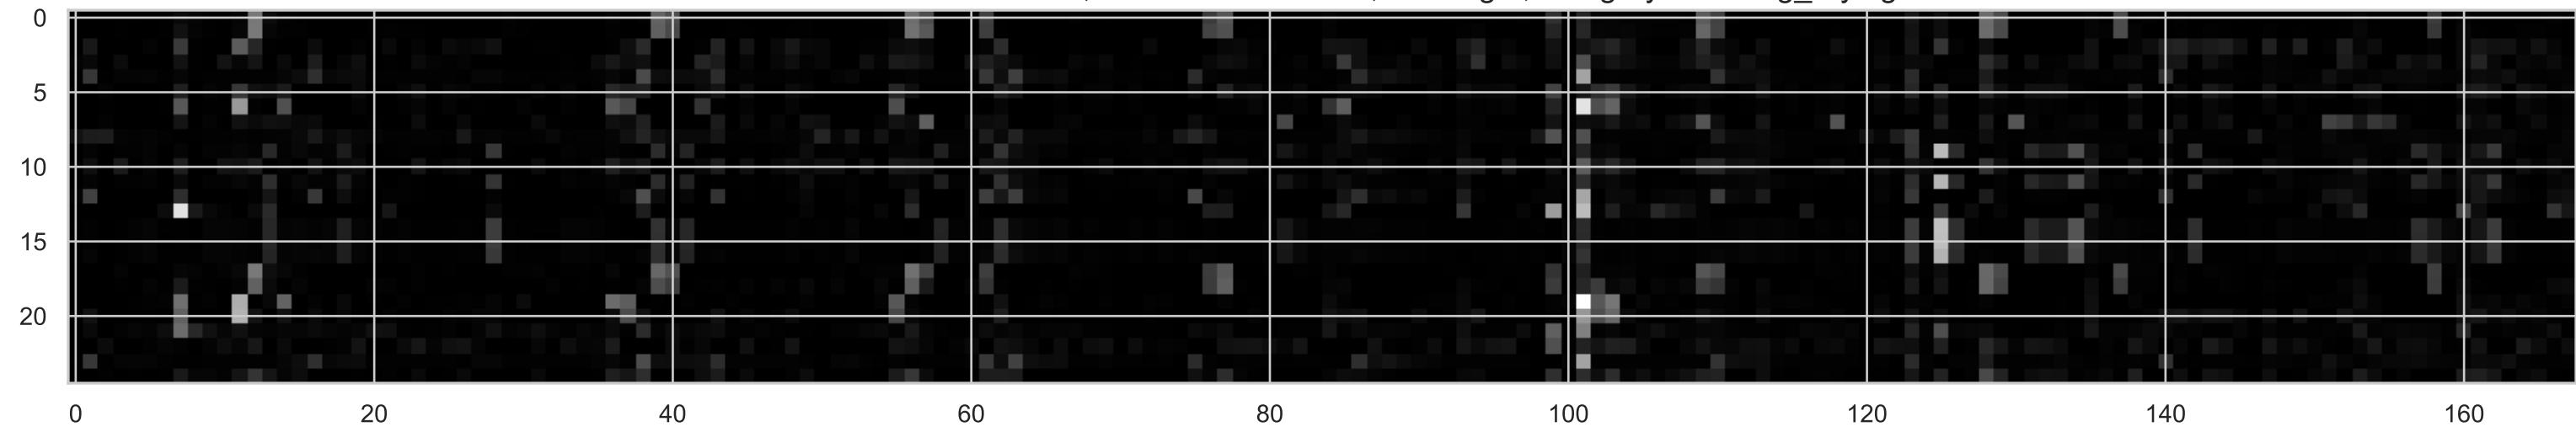

## Week 12

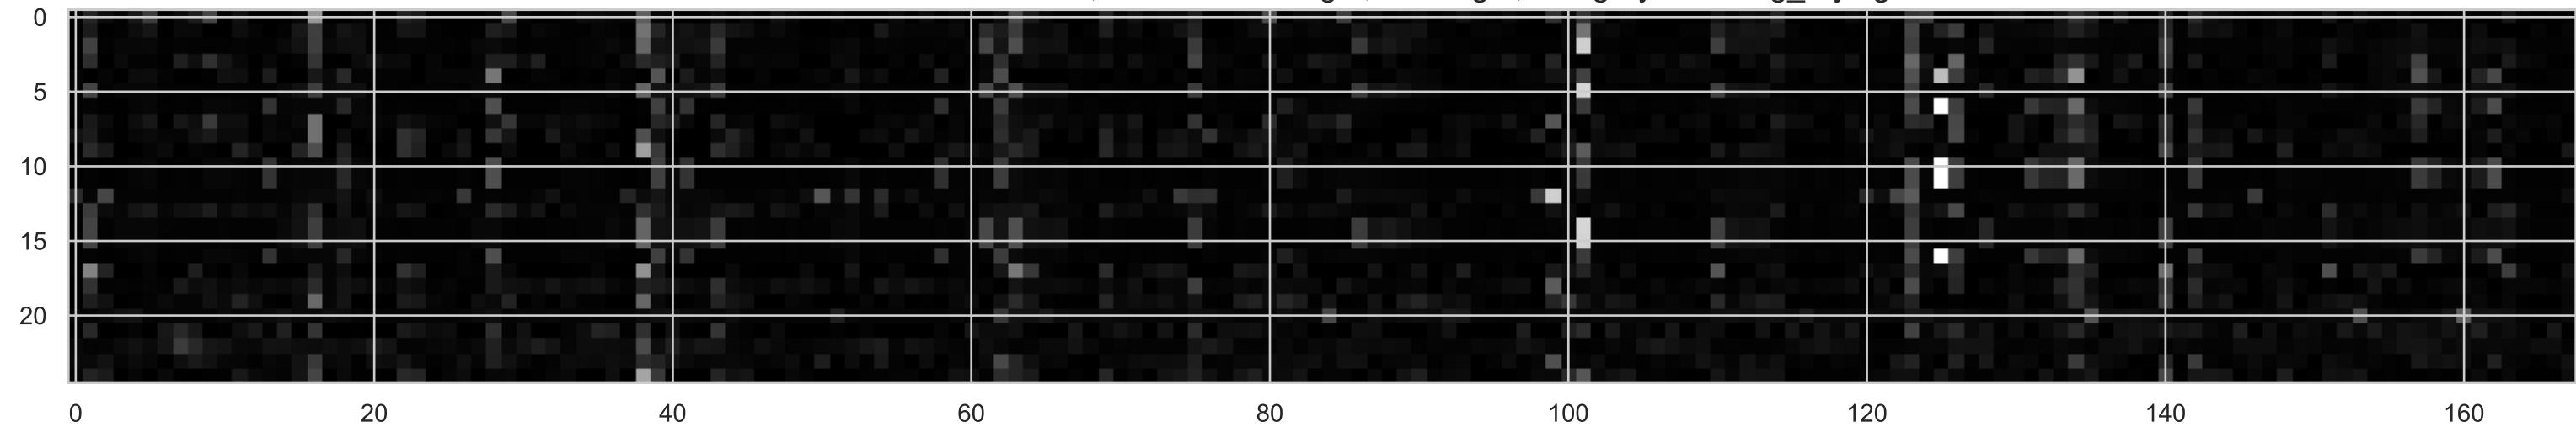

Learned Basis functions, method=SC mix, DD mix, category=washing\_drying

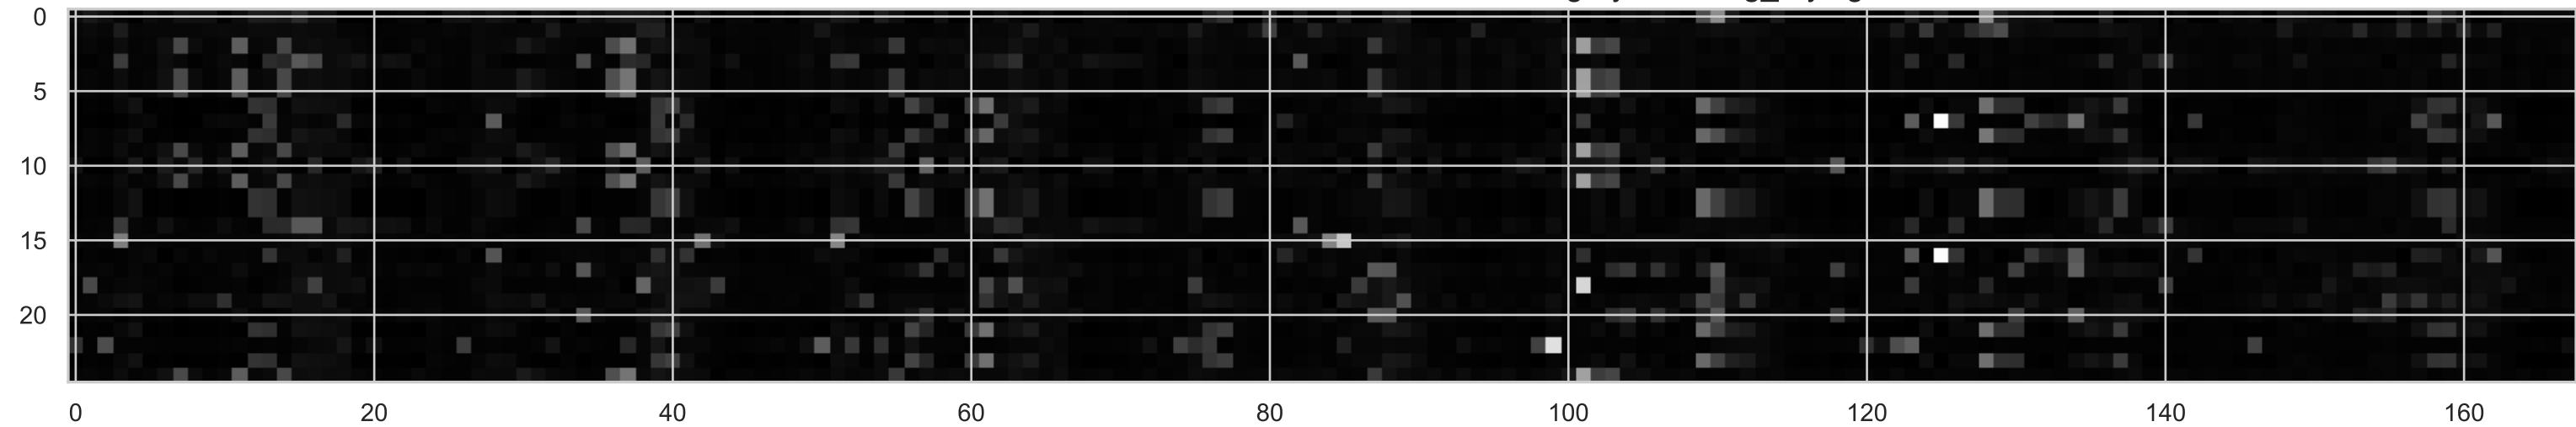

Learned Basis functions, method=SC source, DD target, category=washing\_drying

Learned Basis functions, method=SC target, DD target, category=washing\_drying

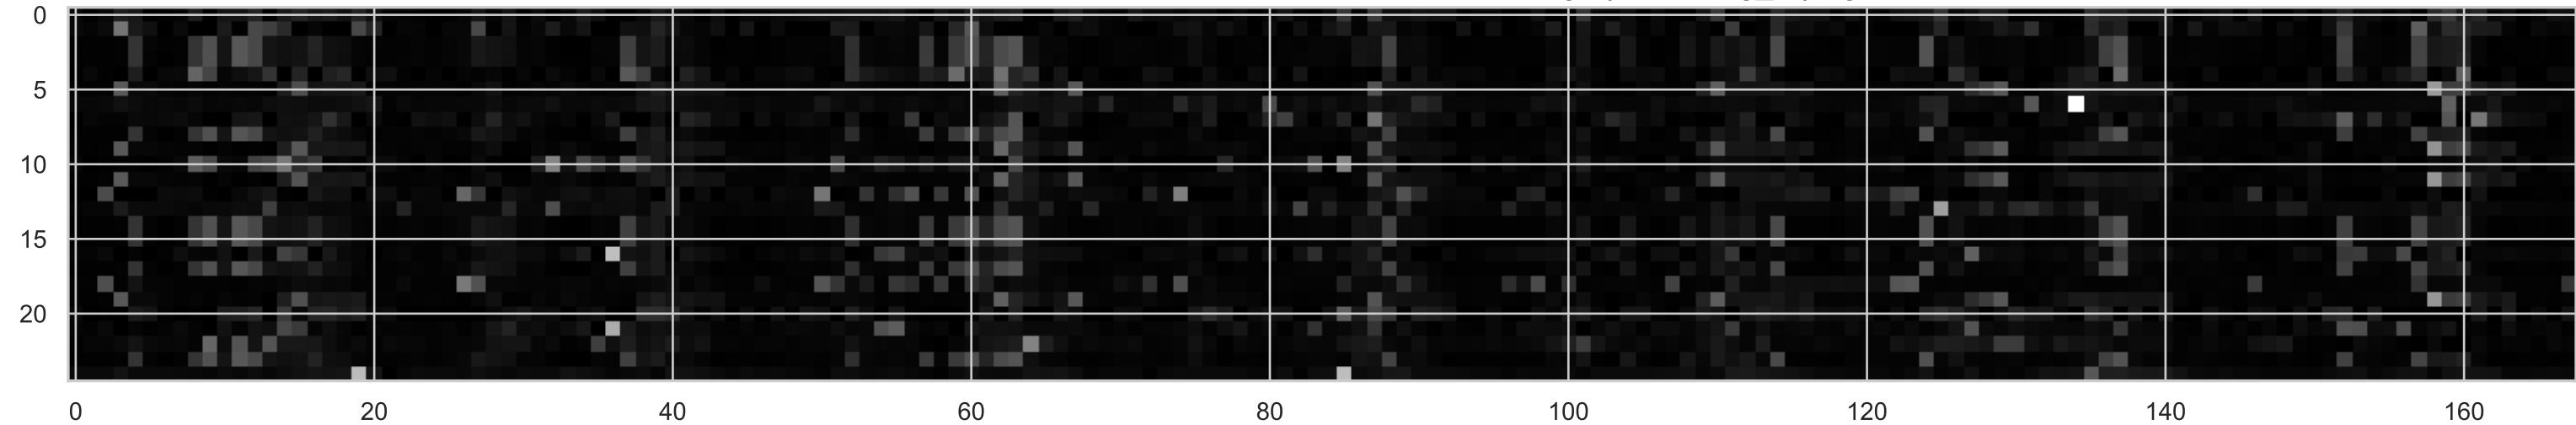

Learned Basis functions, method=Transfer SC+DD, category=washing\_drying

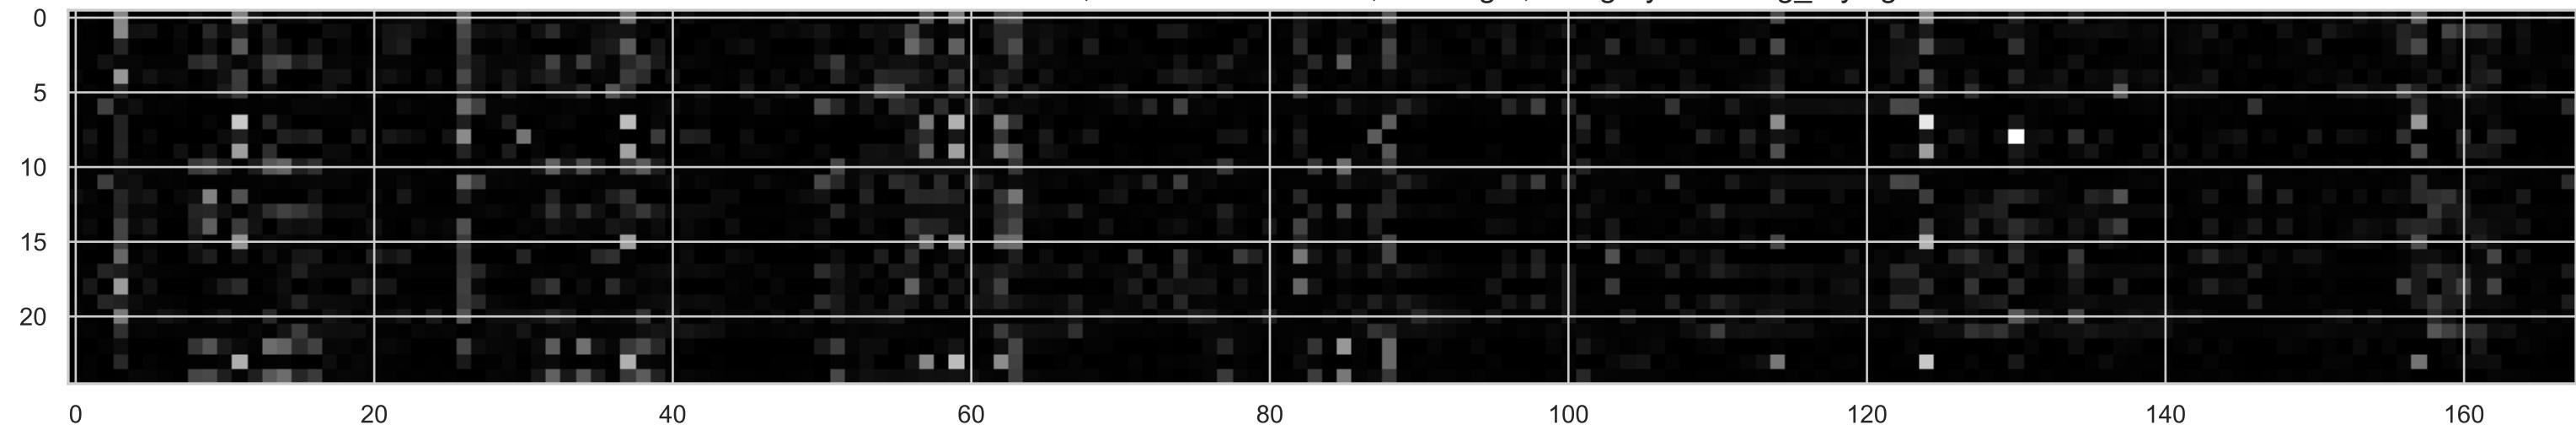

# Week 13

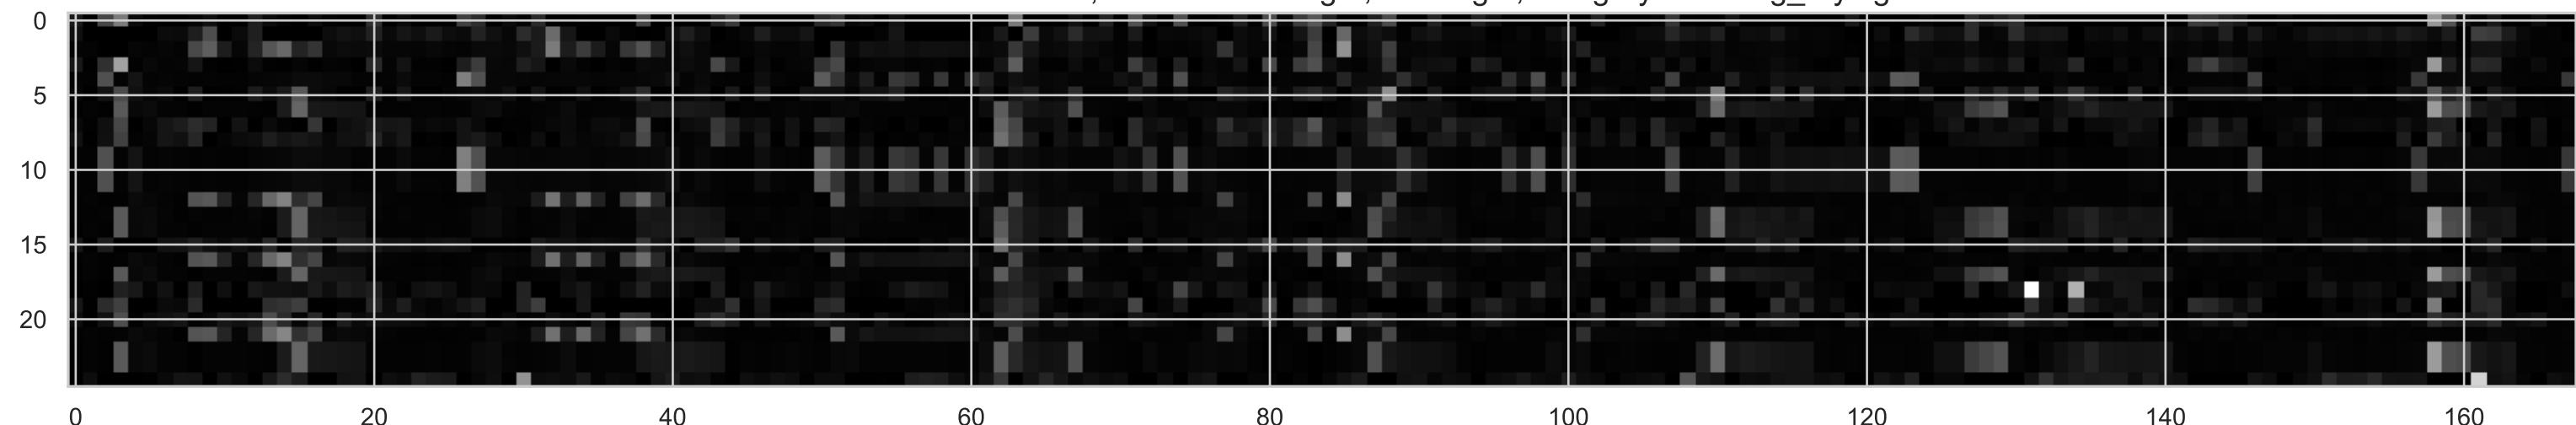

Learned Basis functions, method=SC mix, DD mix, category=washing\_drying

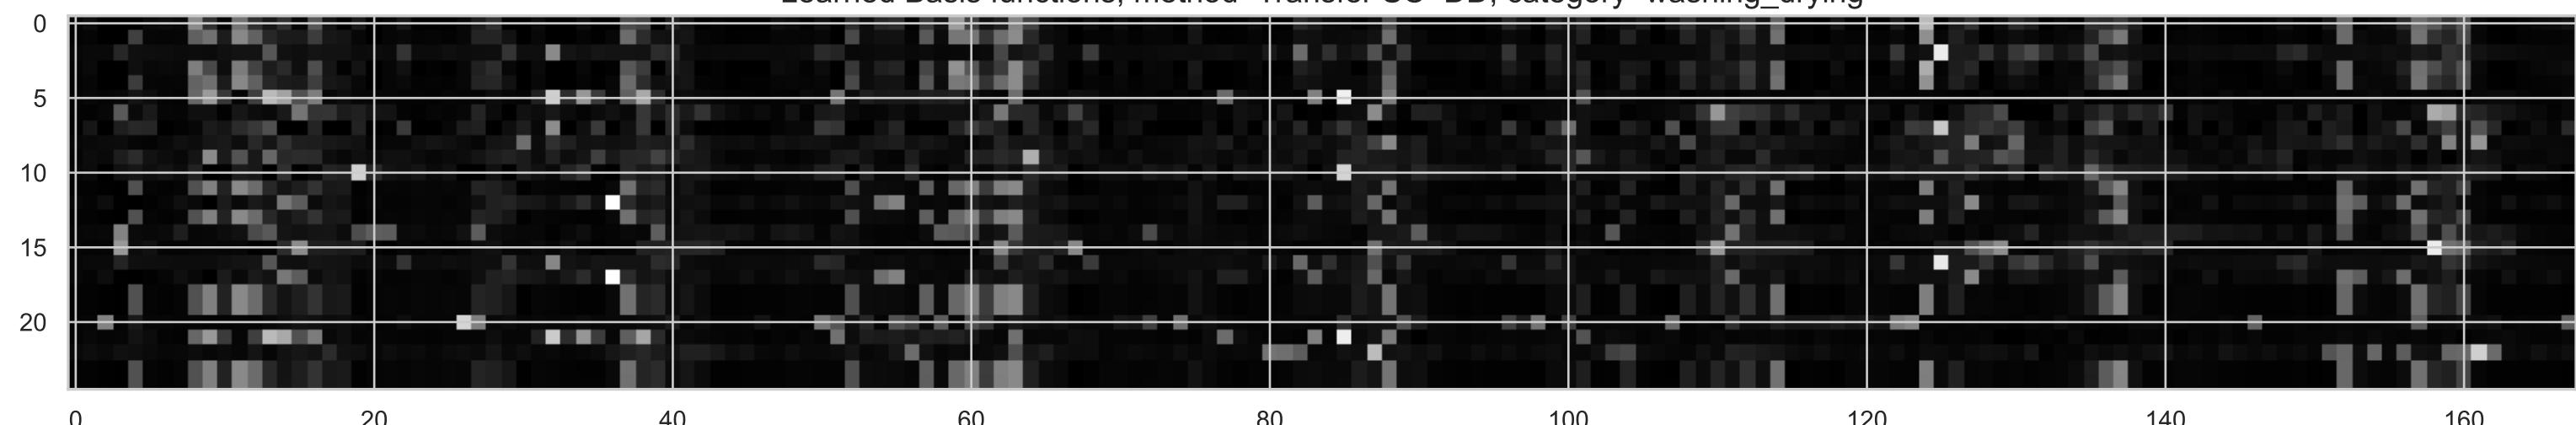

Learned Basis functions, method=SC source, DD target, category=washing\_drying

Learned Basis functions, method=SC target, DD target, category=washing\_drying

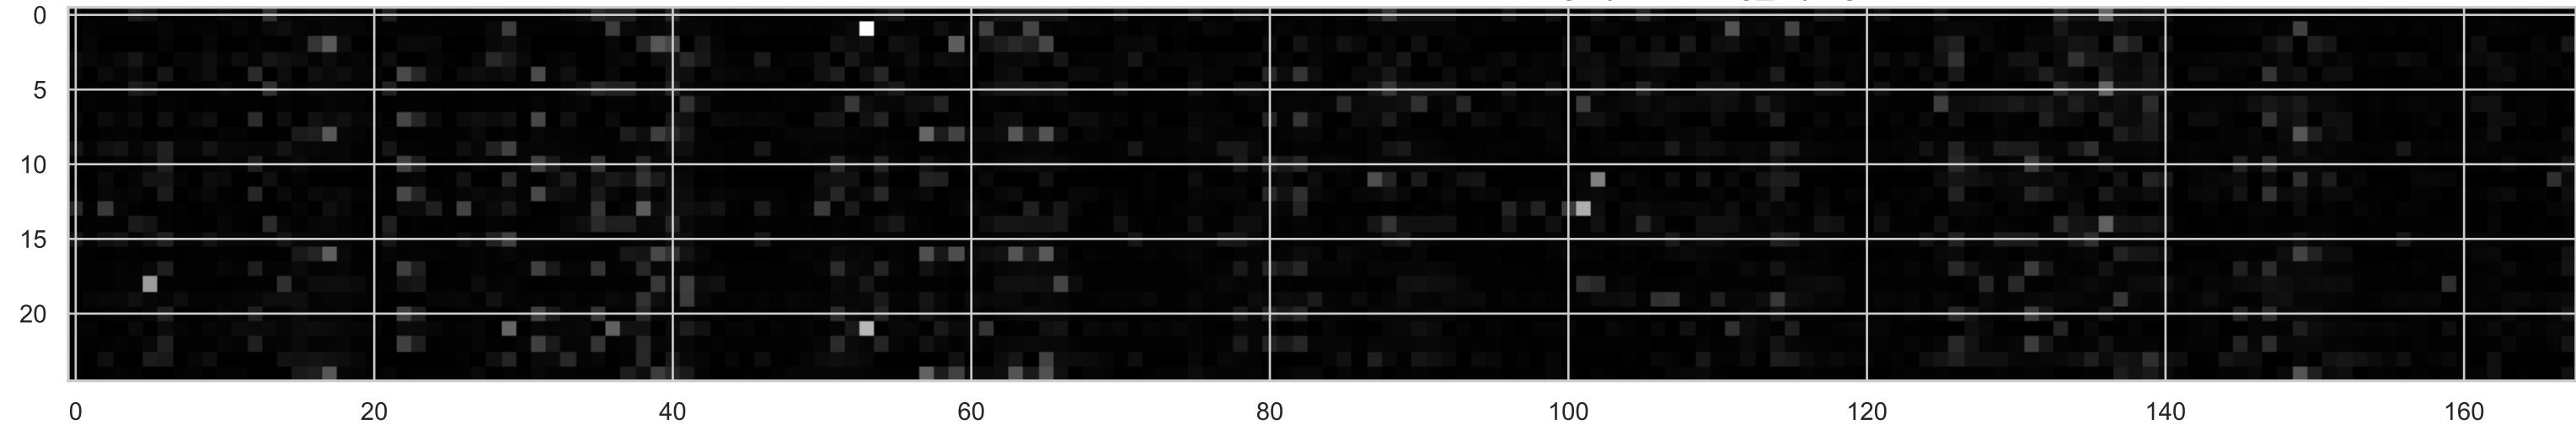

Learned Basis functions, method=Transfer SC+DD, category=washing\_drying

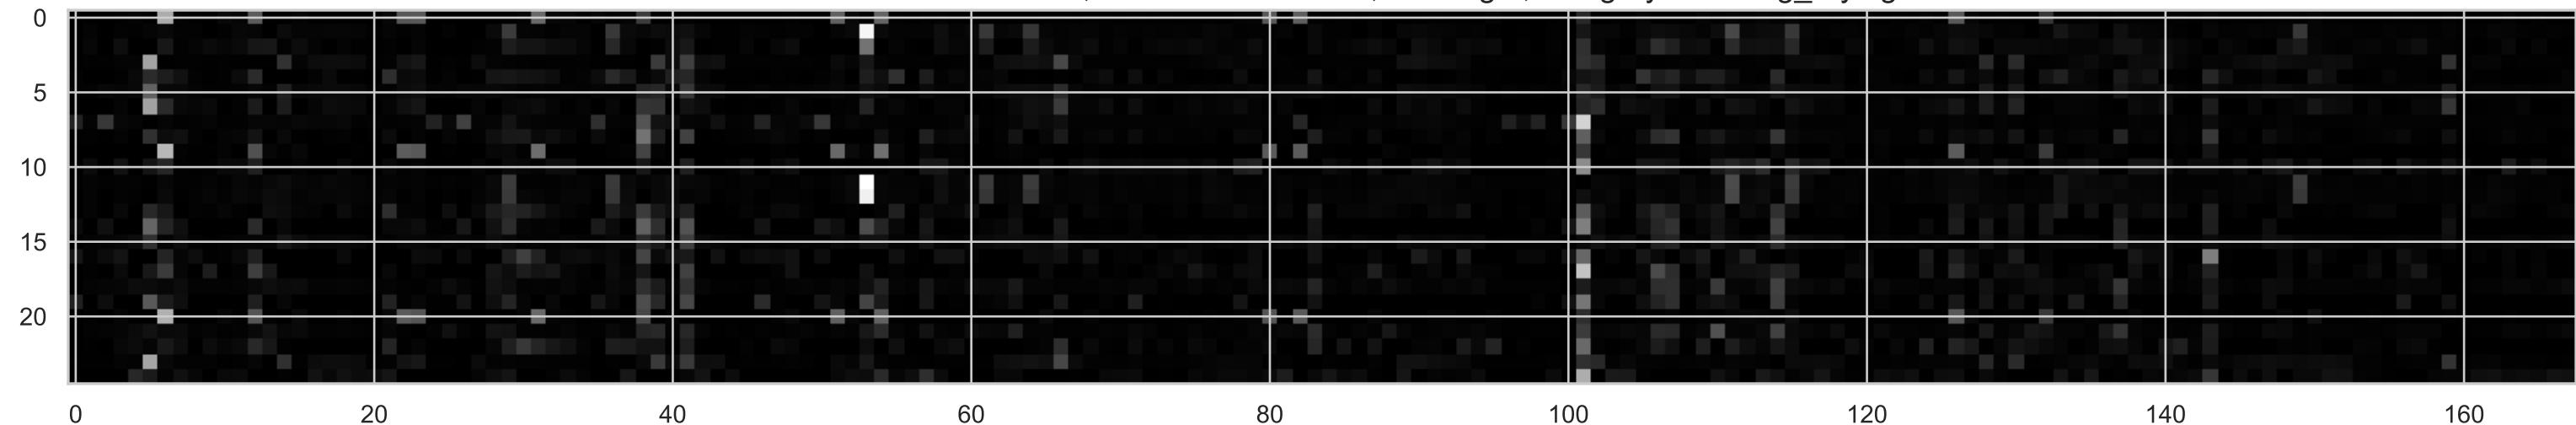

# Week 14

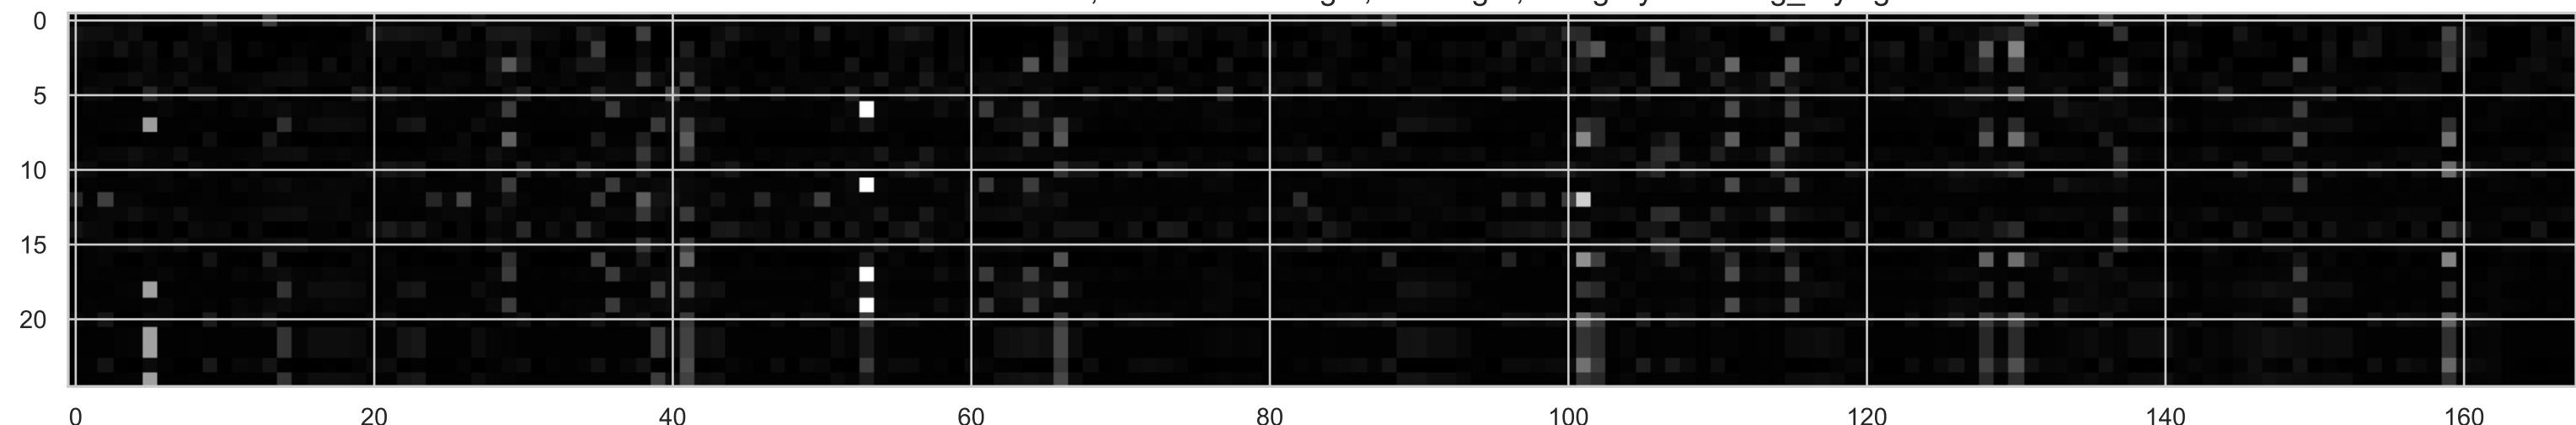

Learned Basis functions, method=SC mix, DD mix, category=washing\_drying

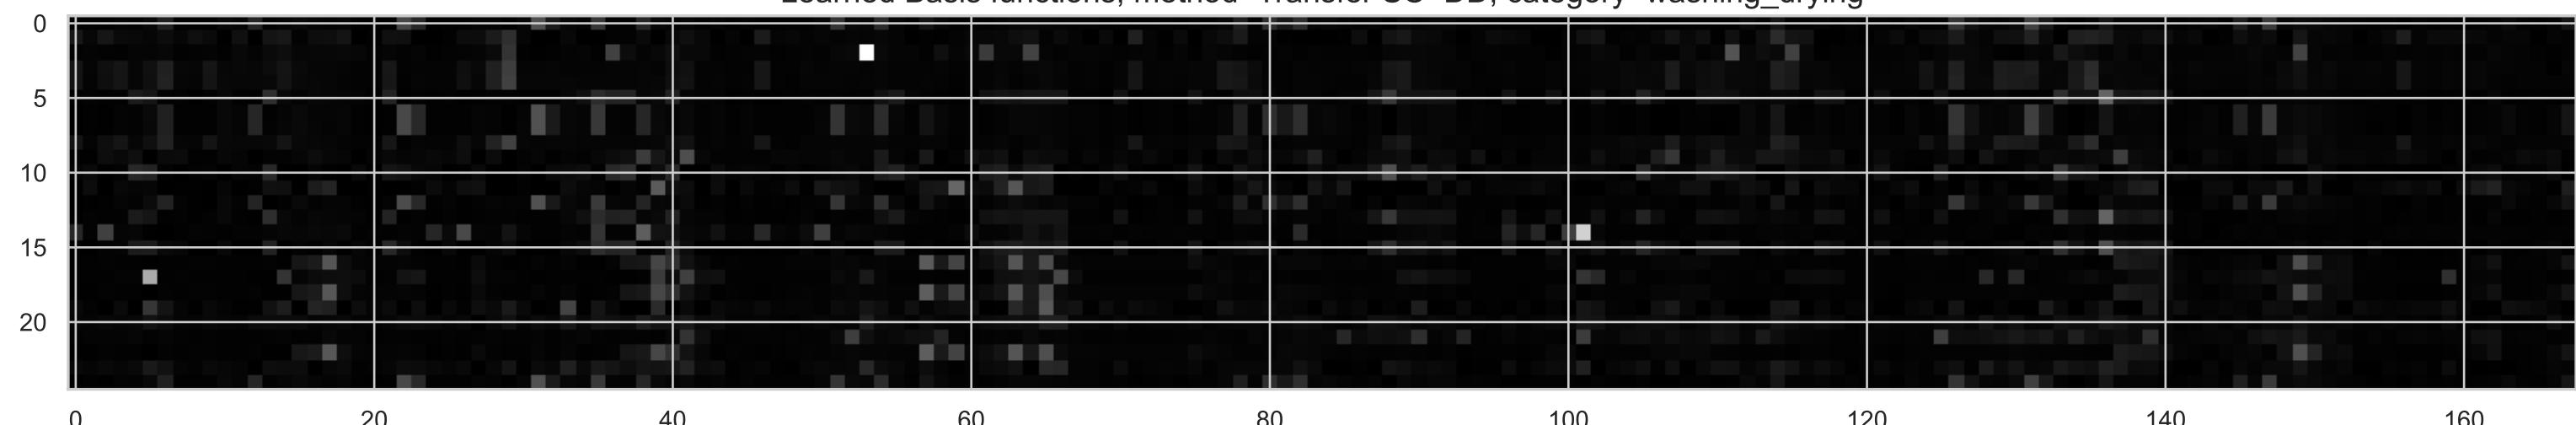

Learned Basis functions, method=SC source, DD target, category=washing\_drying

Learned Basis functions, method=SC target, DD target, category=washing\_drying

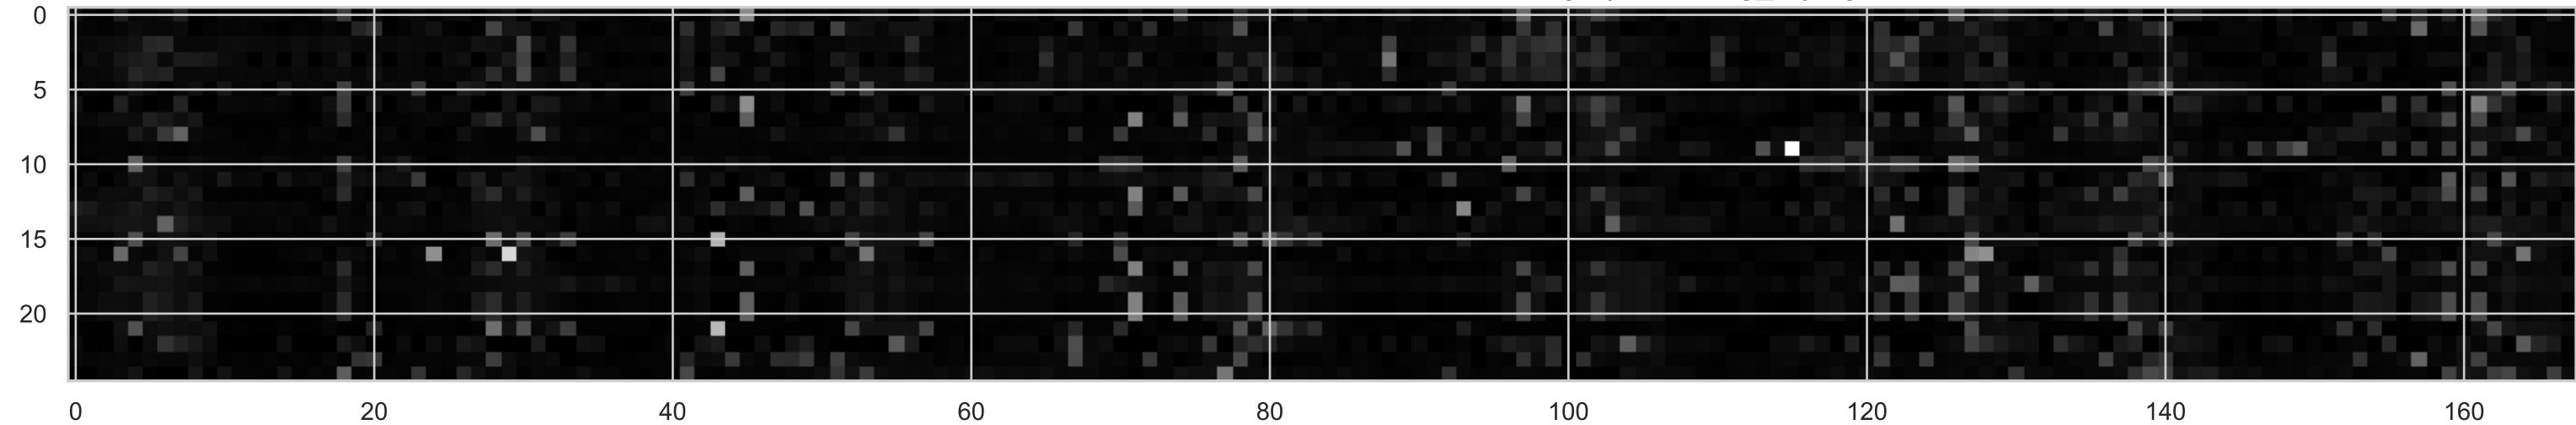

Learned Basis functions, method=Transfer SC+DD, category=washing\_drying

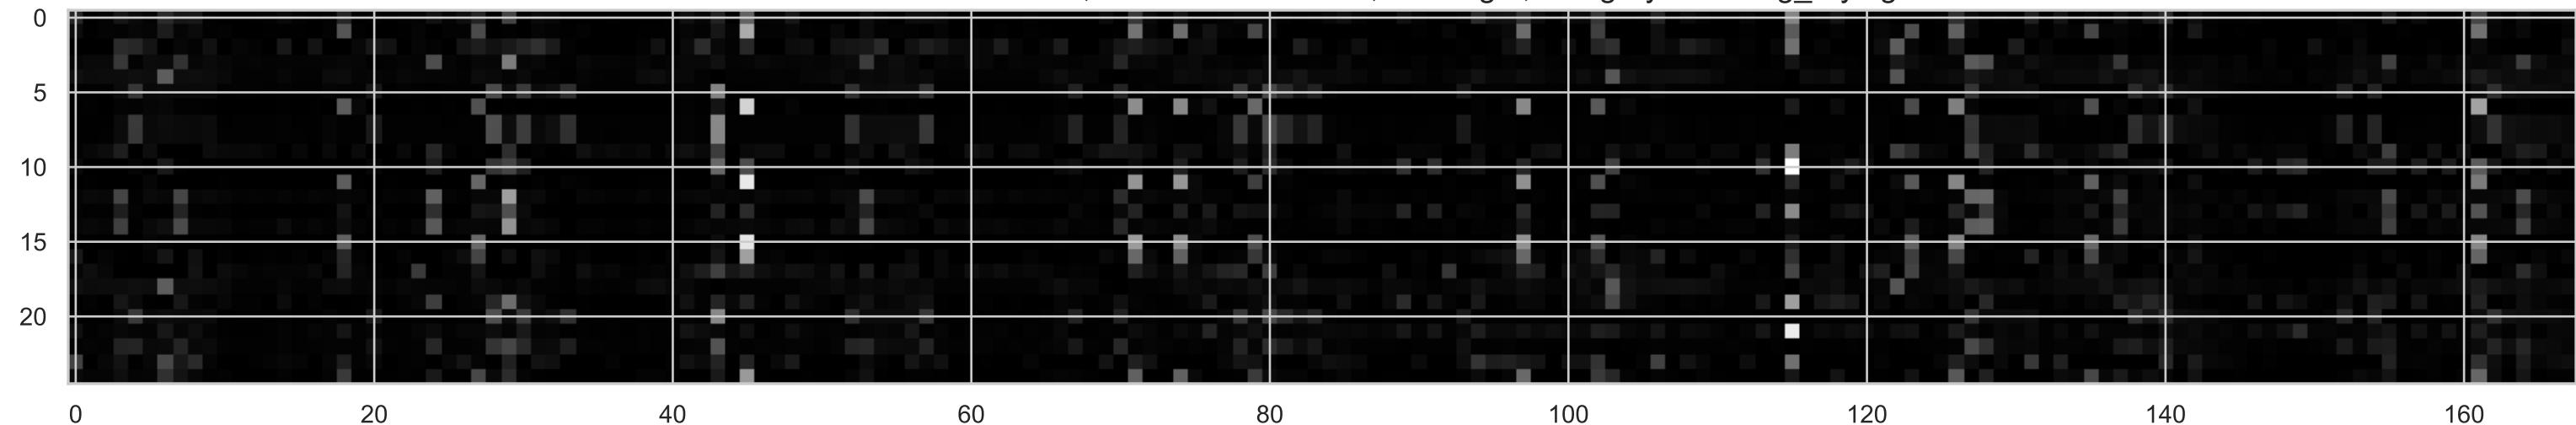

# Week 15

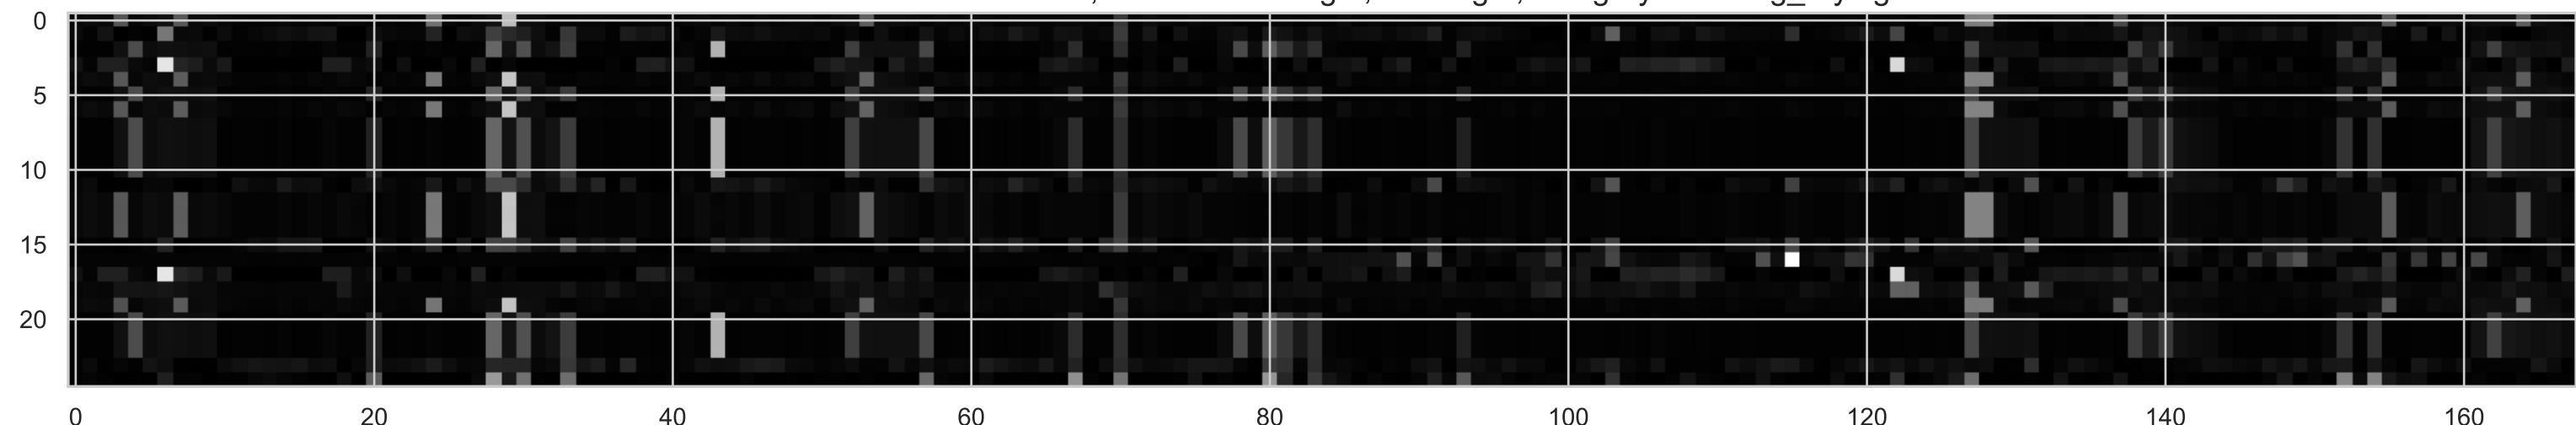

Learned Basis functions, method=SC mix, DD mix, category=washing\_drying

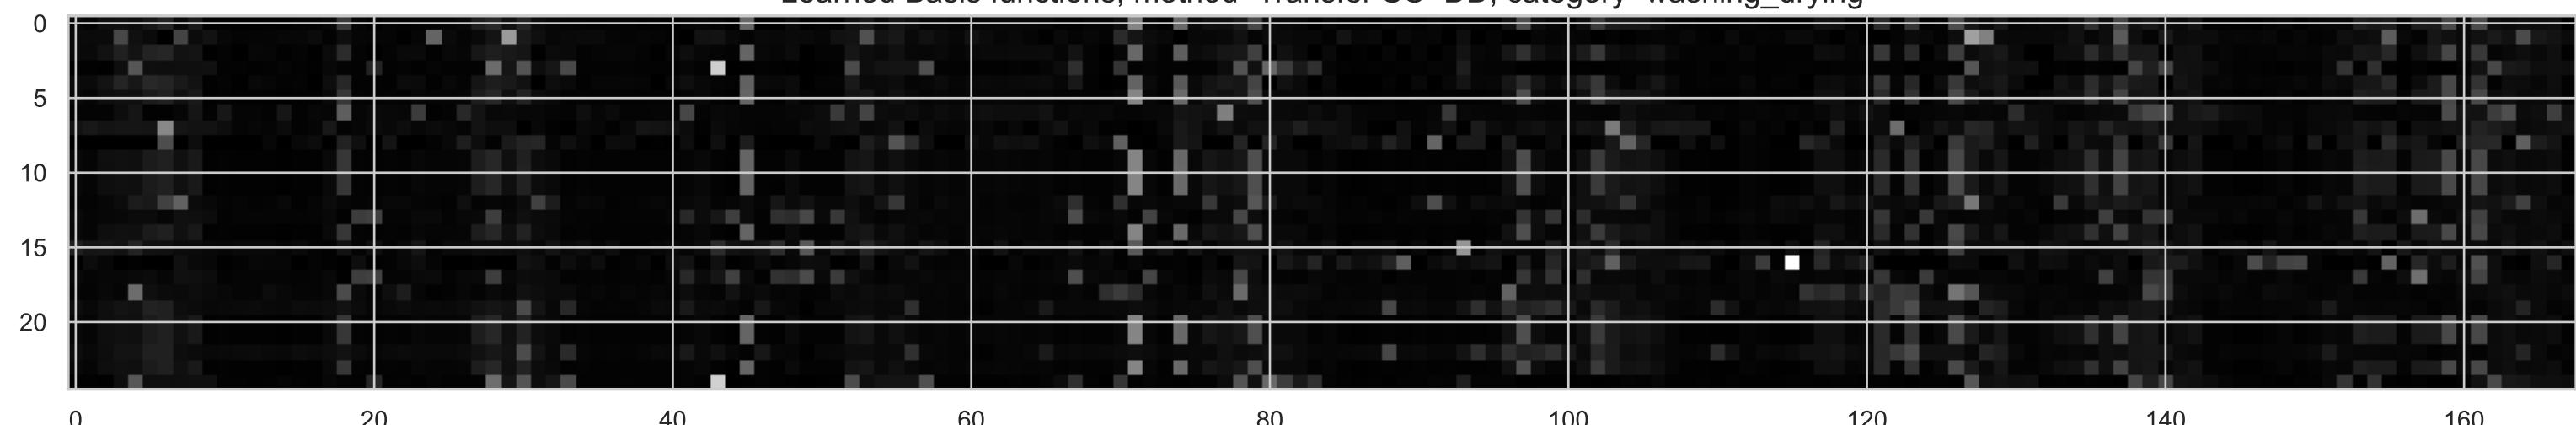

Learned Basis functions, method=SC source, DD target, category=washing\_drying

Learned Basis functions, method=SC target, DD target, category=washing\_drying

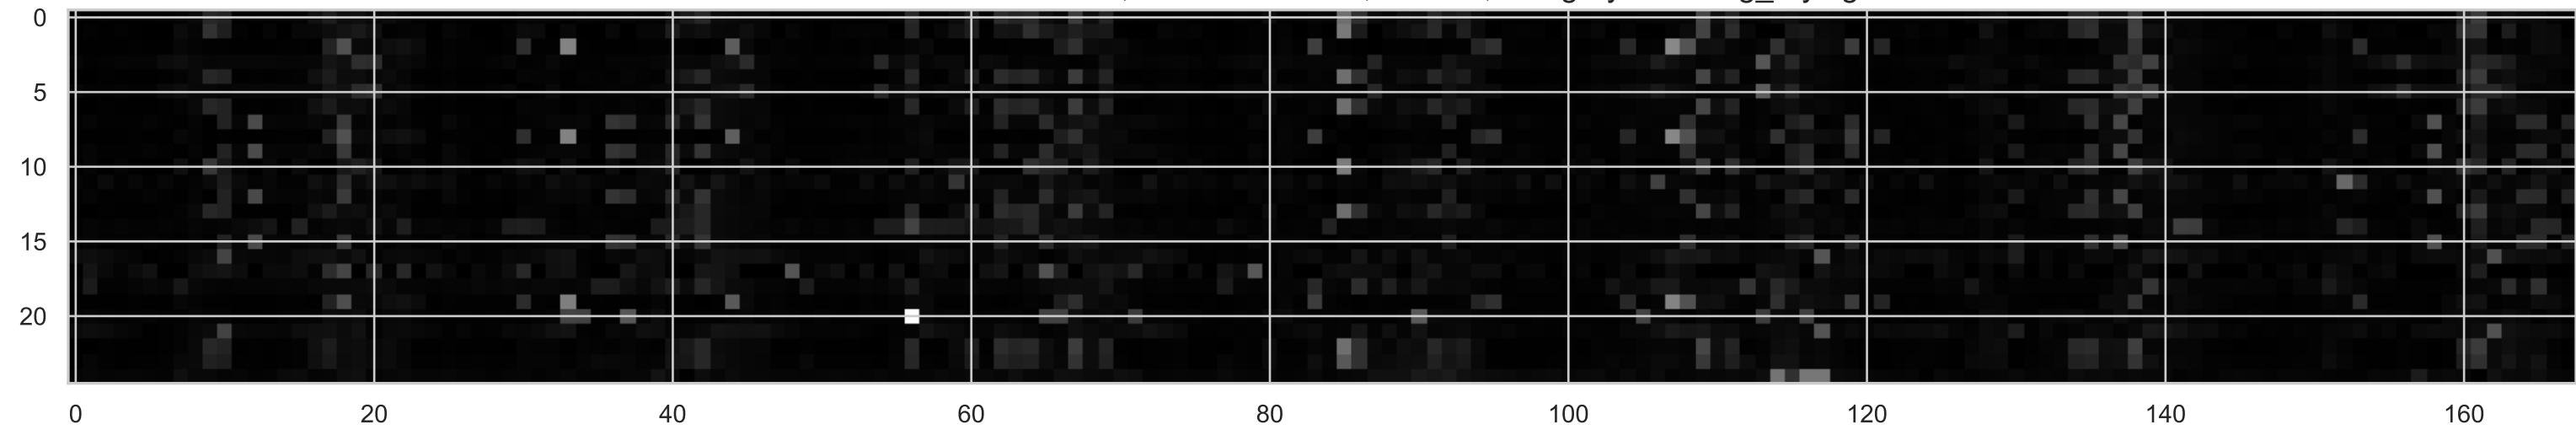

Learned Basis functions, method=Transfer SC+DD, category=washing\_drying

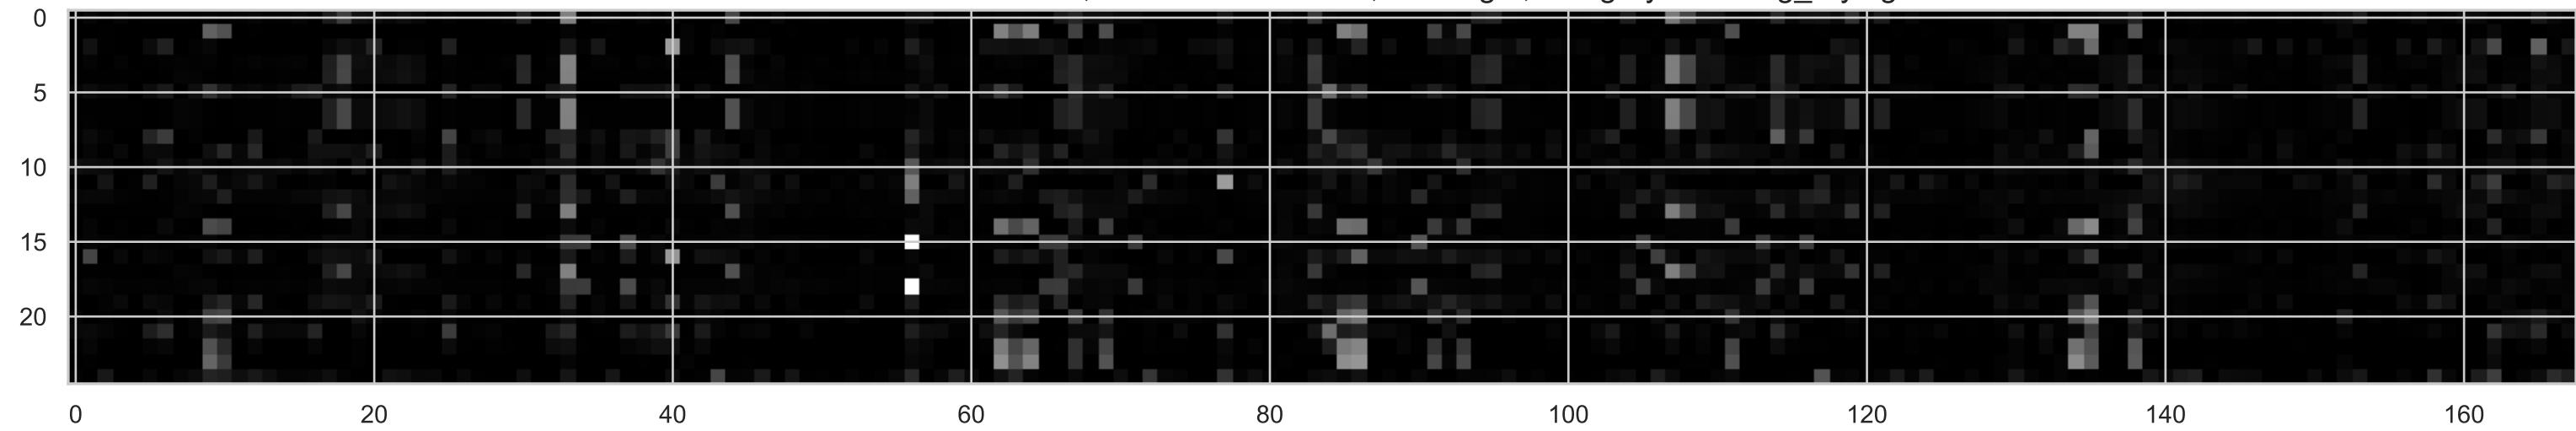

# Week 16

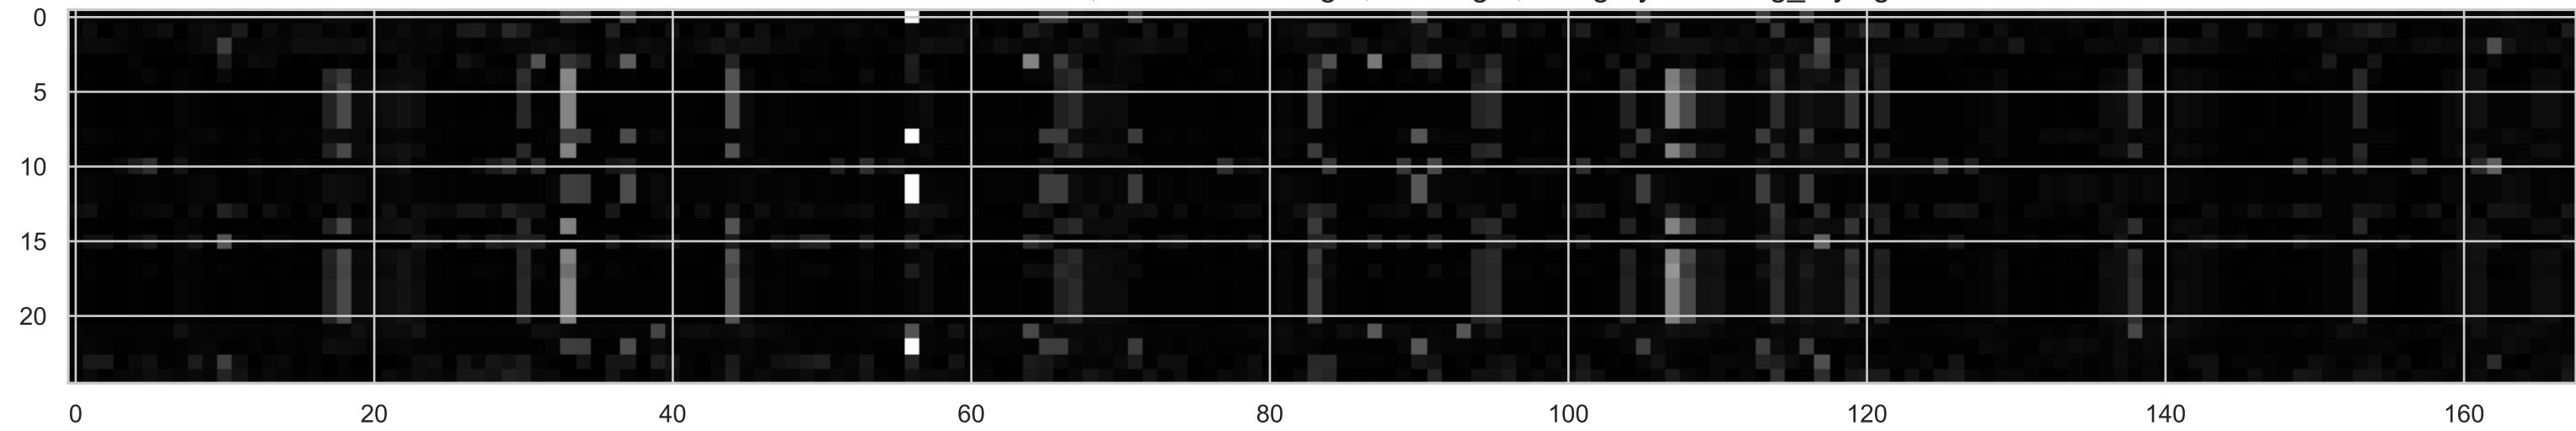

Learned Basis functions, method=SC mix, DD mix, category=washing\_drying

Learned Basis functions, method=SC source, DD target, category=heating

Learned Basis functions, method=SC target, DD target, category=heating

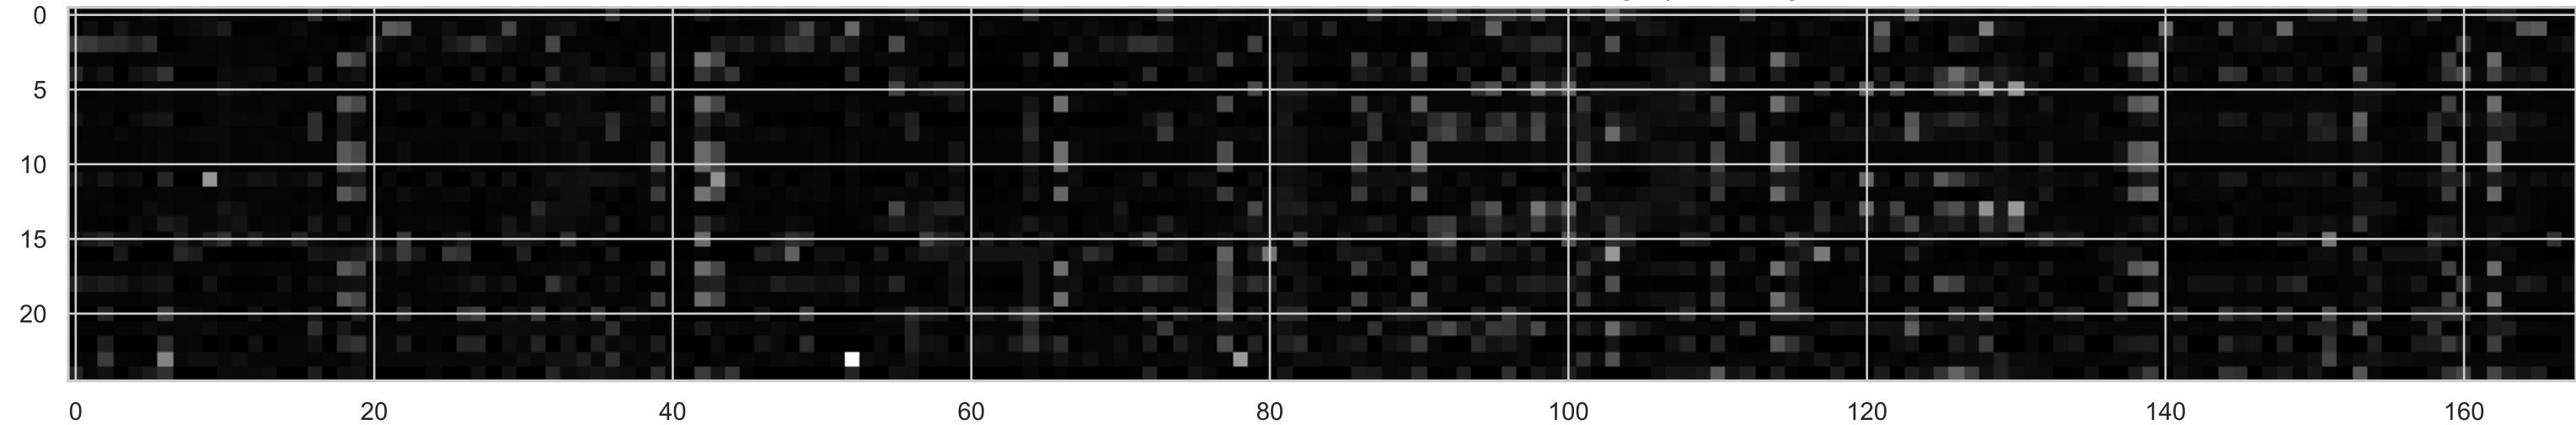

Learned Basis functions, method=Transfer SC+DD, category=heating

# Week 18

Learned Basis functions, method=SC mix, DD mix, category=heating

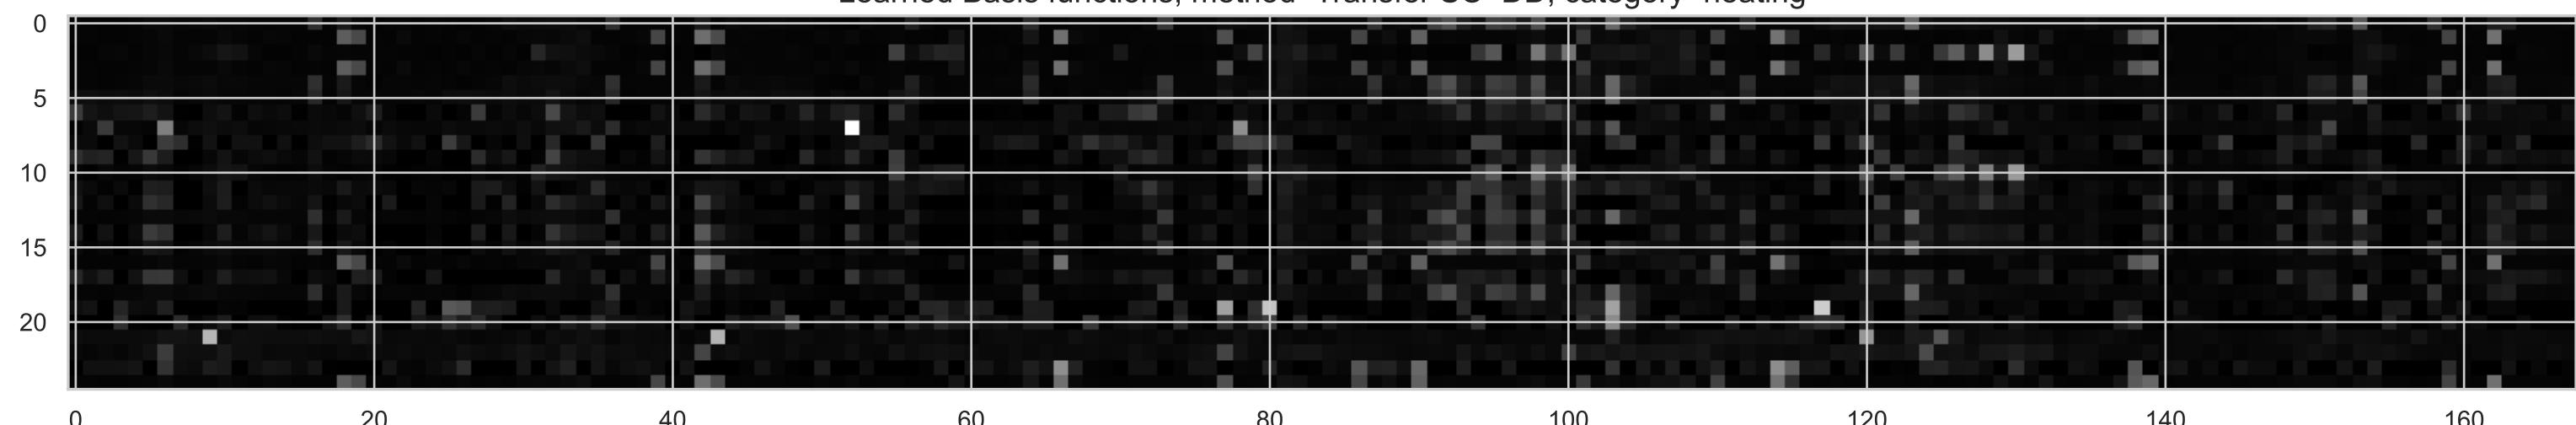

Learned Basis functions, method=SC source, DD target, category=heating

Learned Basis functions, method=SC target, DD target, category=heating

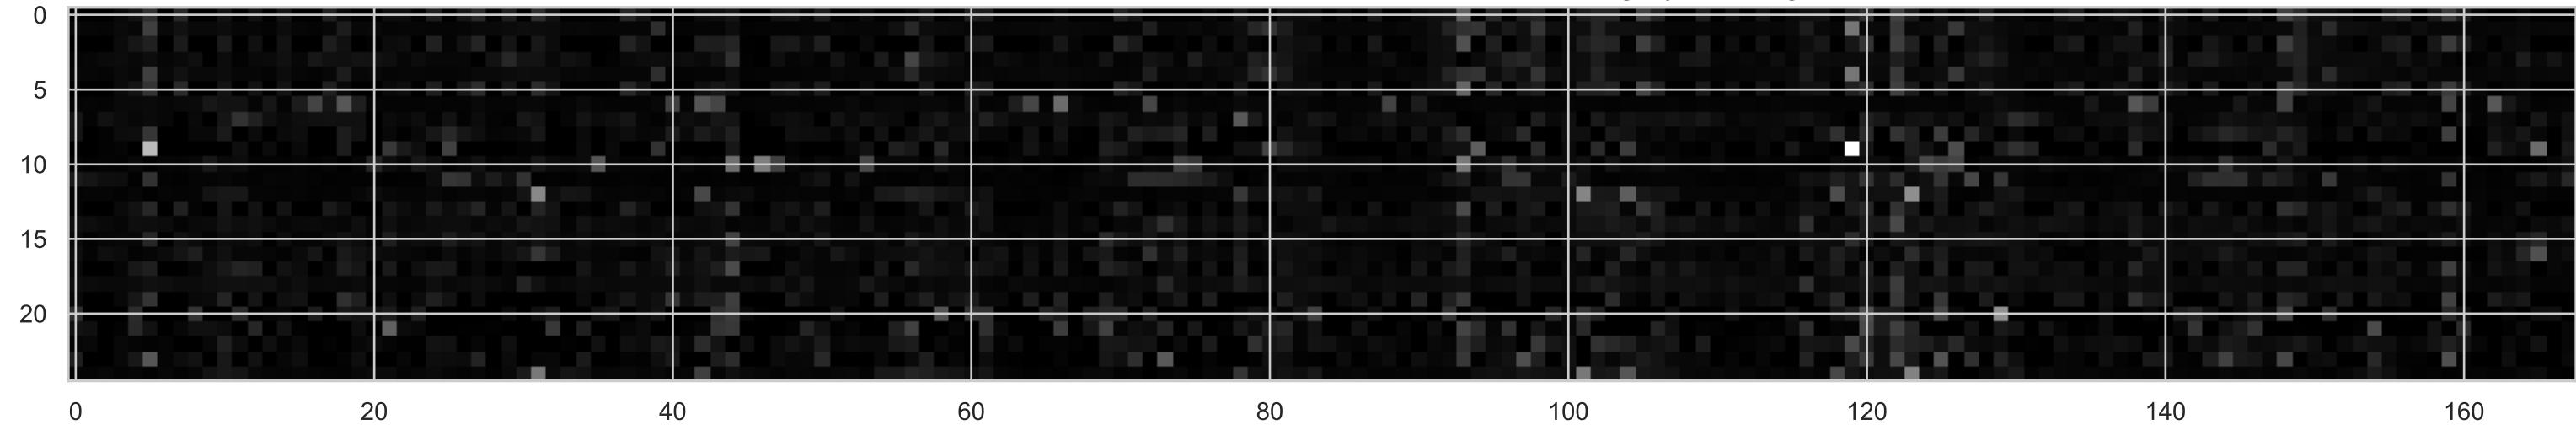

Learned Basis functions, method=Transfer SC+DD, category=heating

# Week 19

Learned Basis functions, method=SC mix, DD mix, category=heating

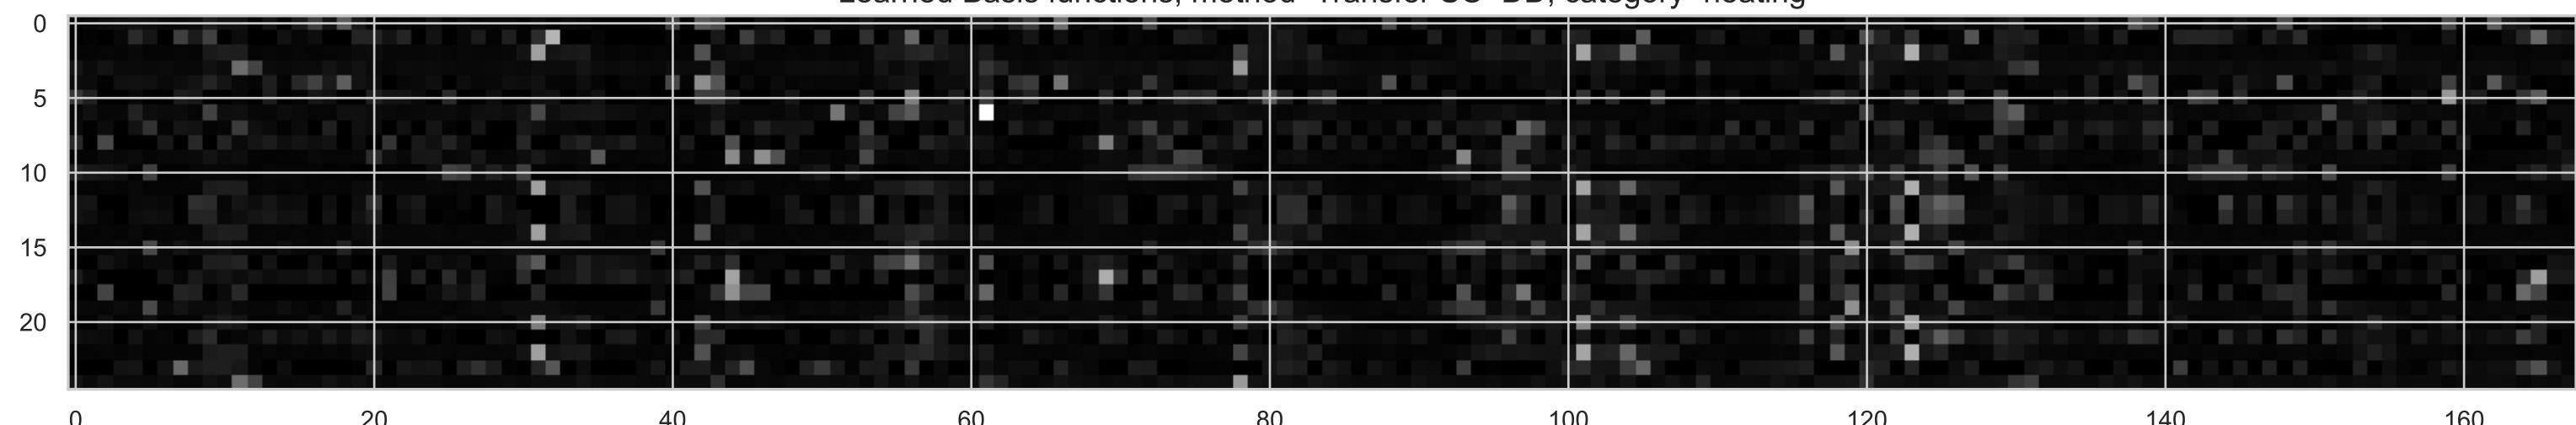

Learned Basis functions, method=SC source, DD target, category=heating

Learned Basis functions, method=SC target, DD target, category=heating

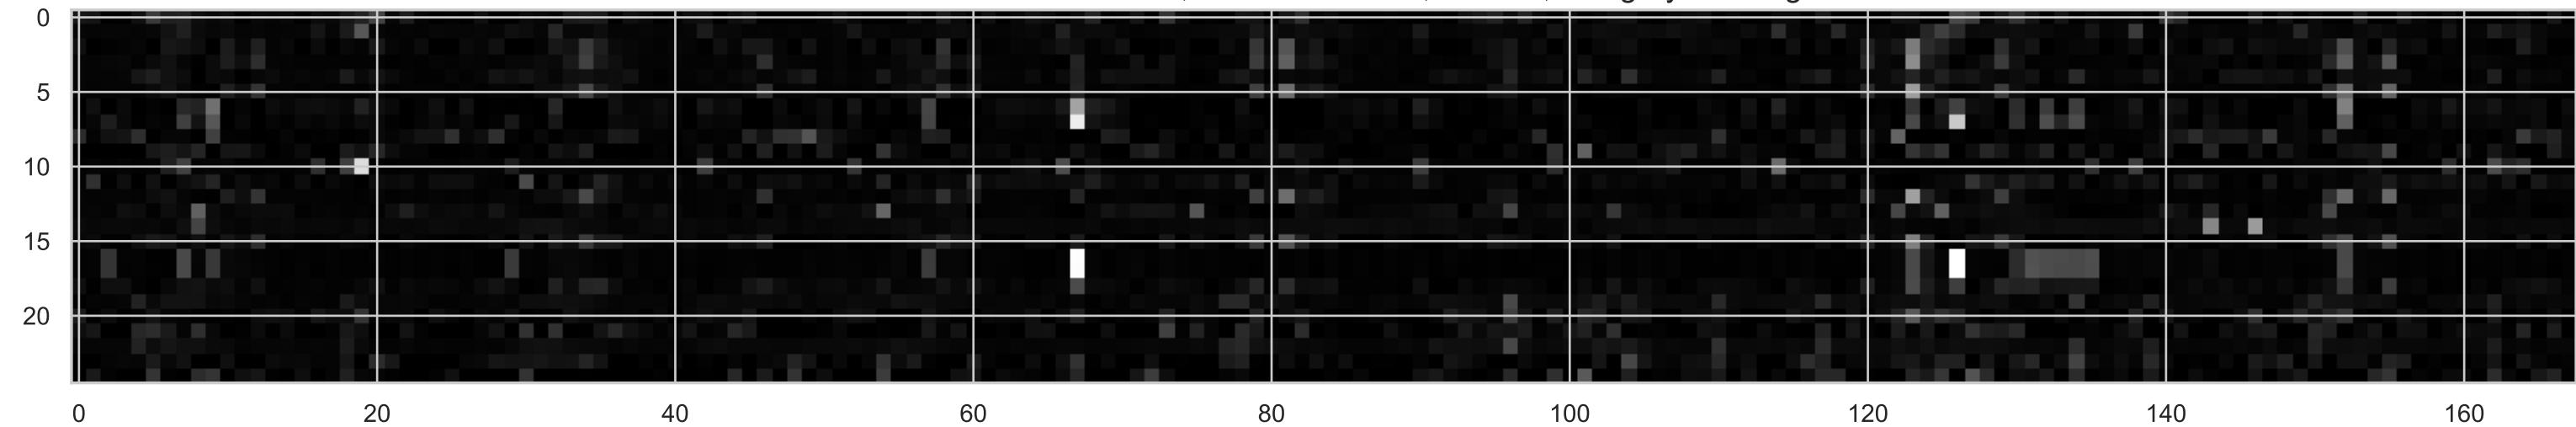

Learned Basis functions, method=Transfer SC+DD, category=heating

# Week 20

# Week 21

Learned Basis functions, method=SC mix, DD mix, category=heating

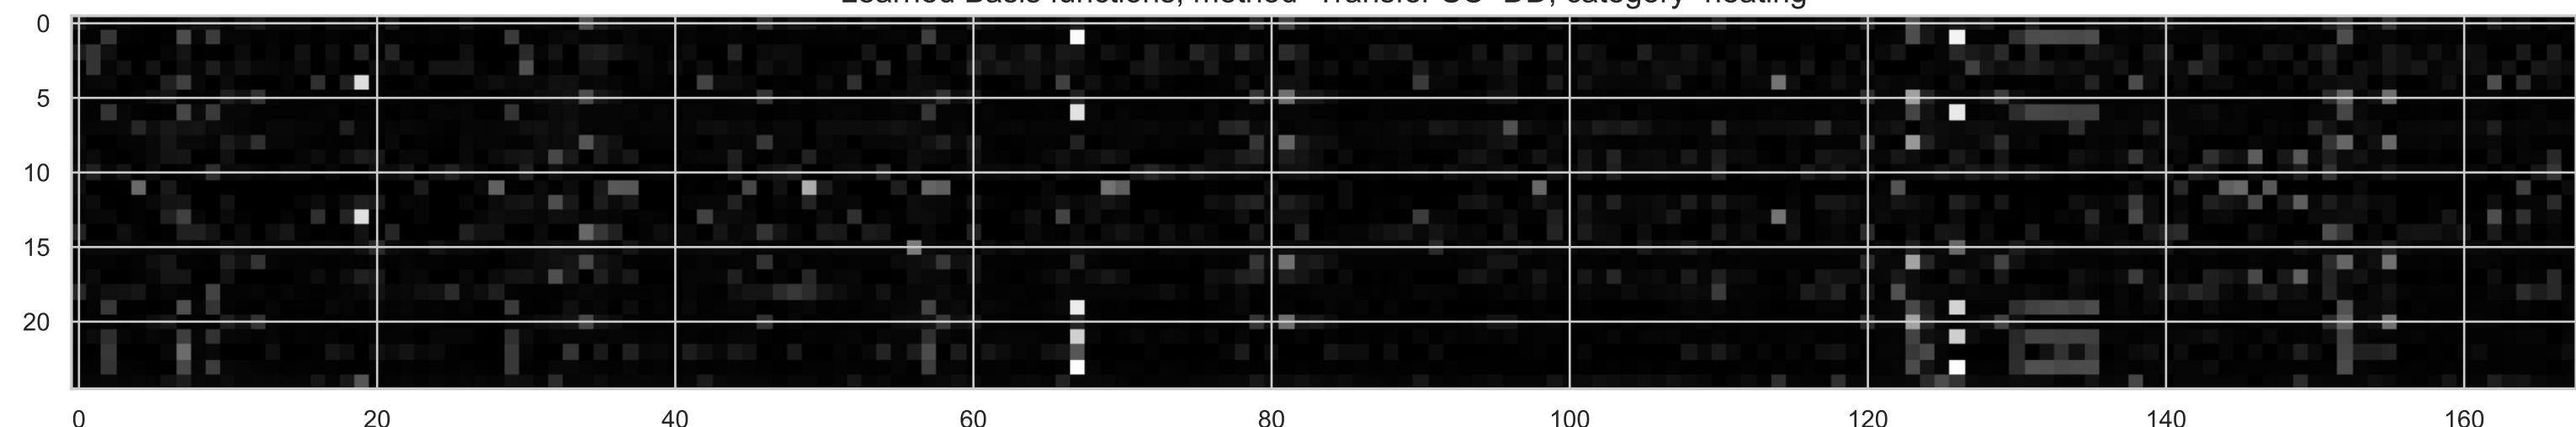

Learned Basis functions, method=SC source, DD target, category=heating

Learned Basis functions, method=SC target, DD target, category=heating

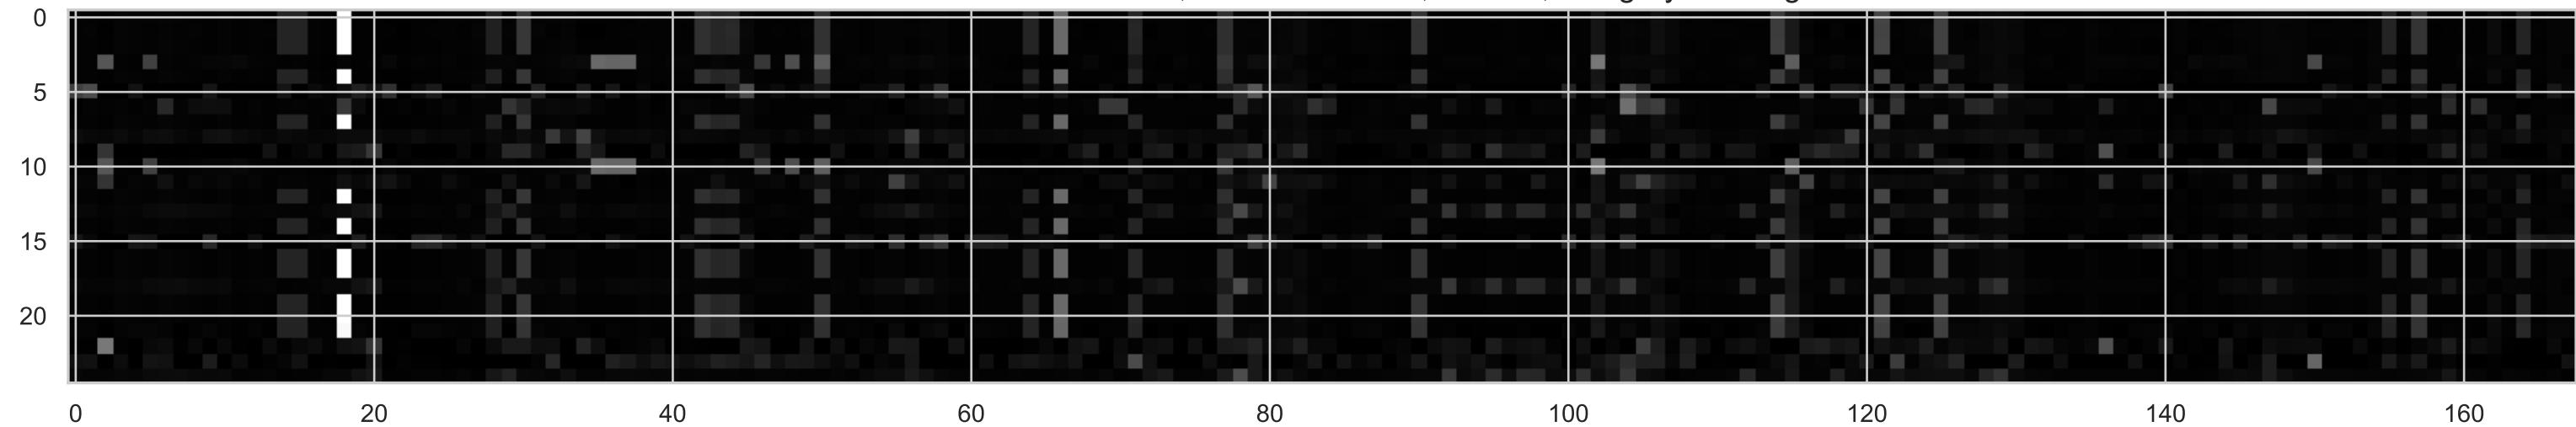

Learned Basis functions, method=Transfer SC+DD, category=heating

## Week 22

Learned Basis functions, method=SC mix, DD mix, category=heating

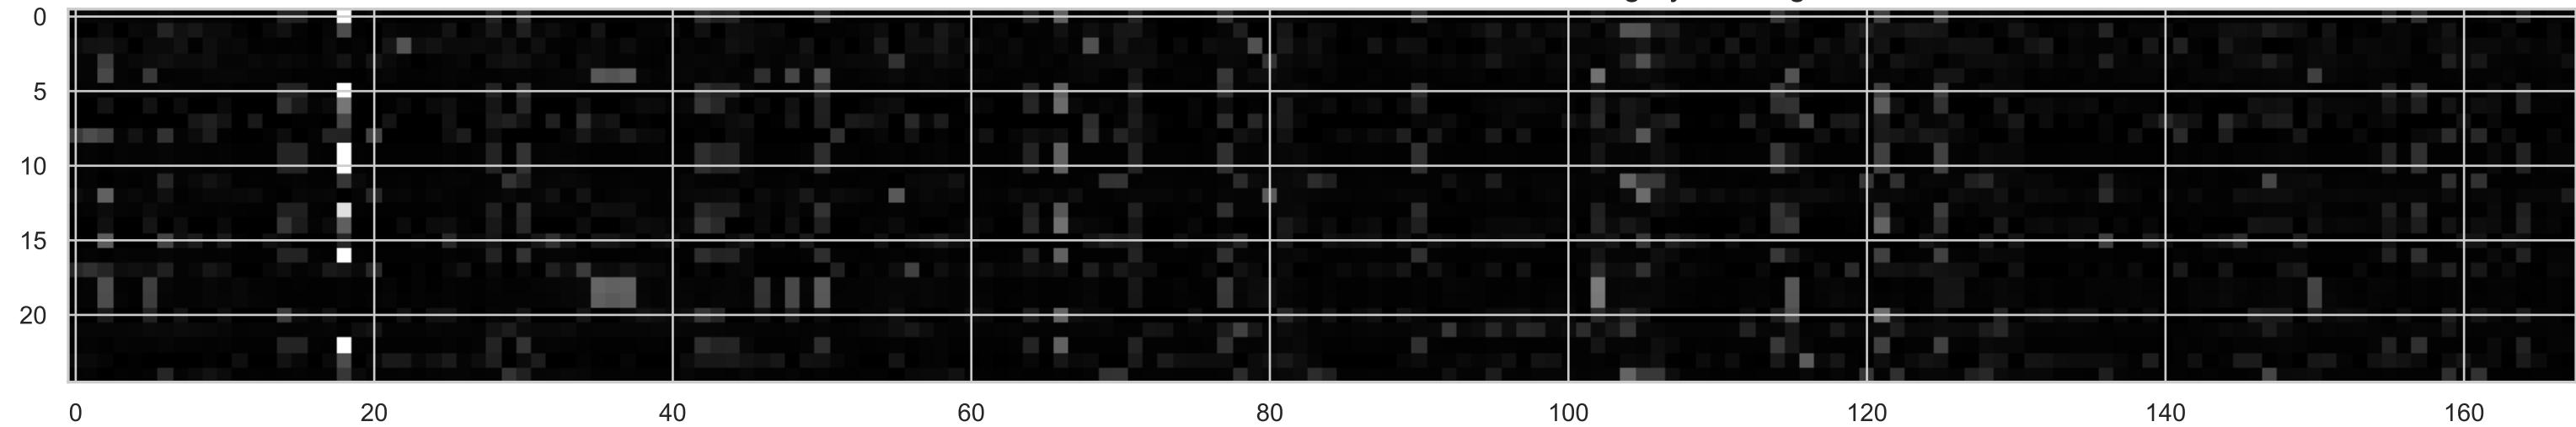

Learned Basis functions, method=SC source, DD target, category=heating

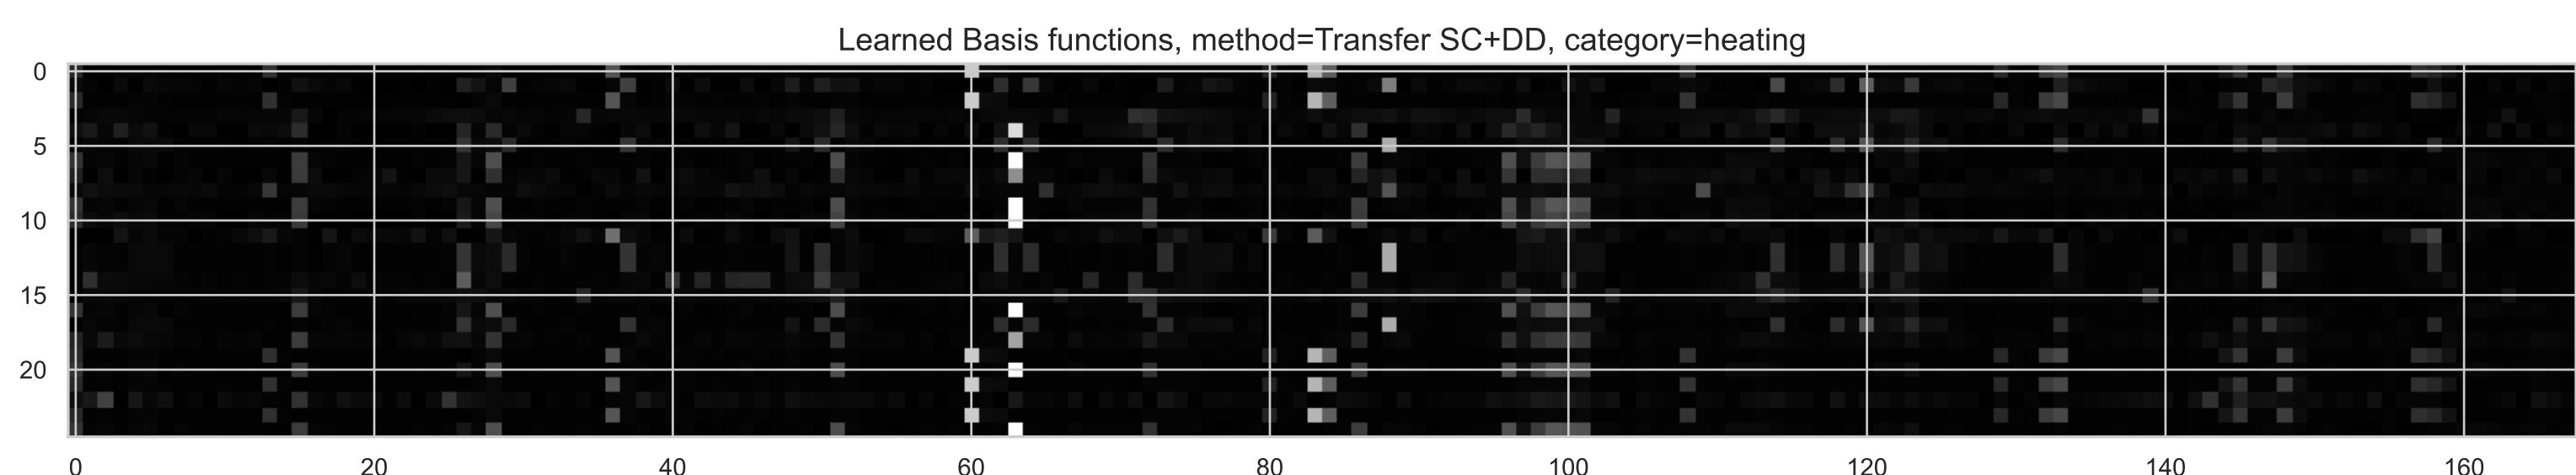

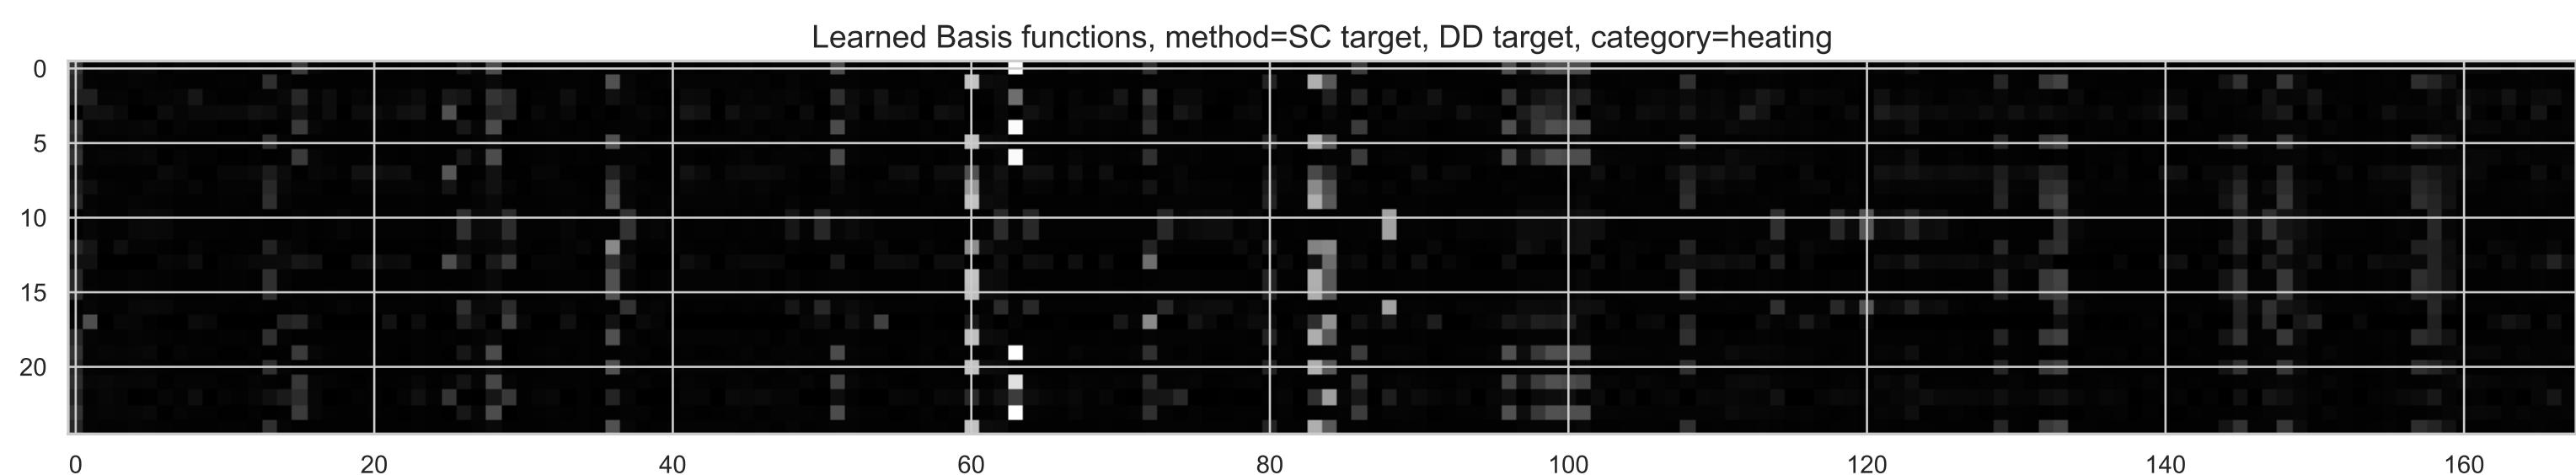

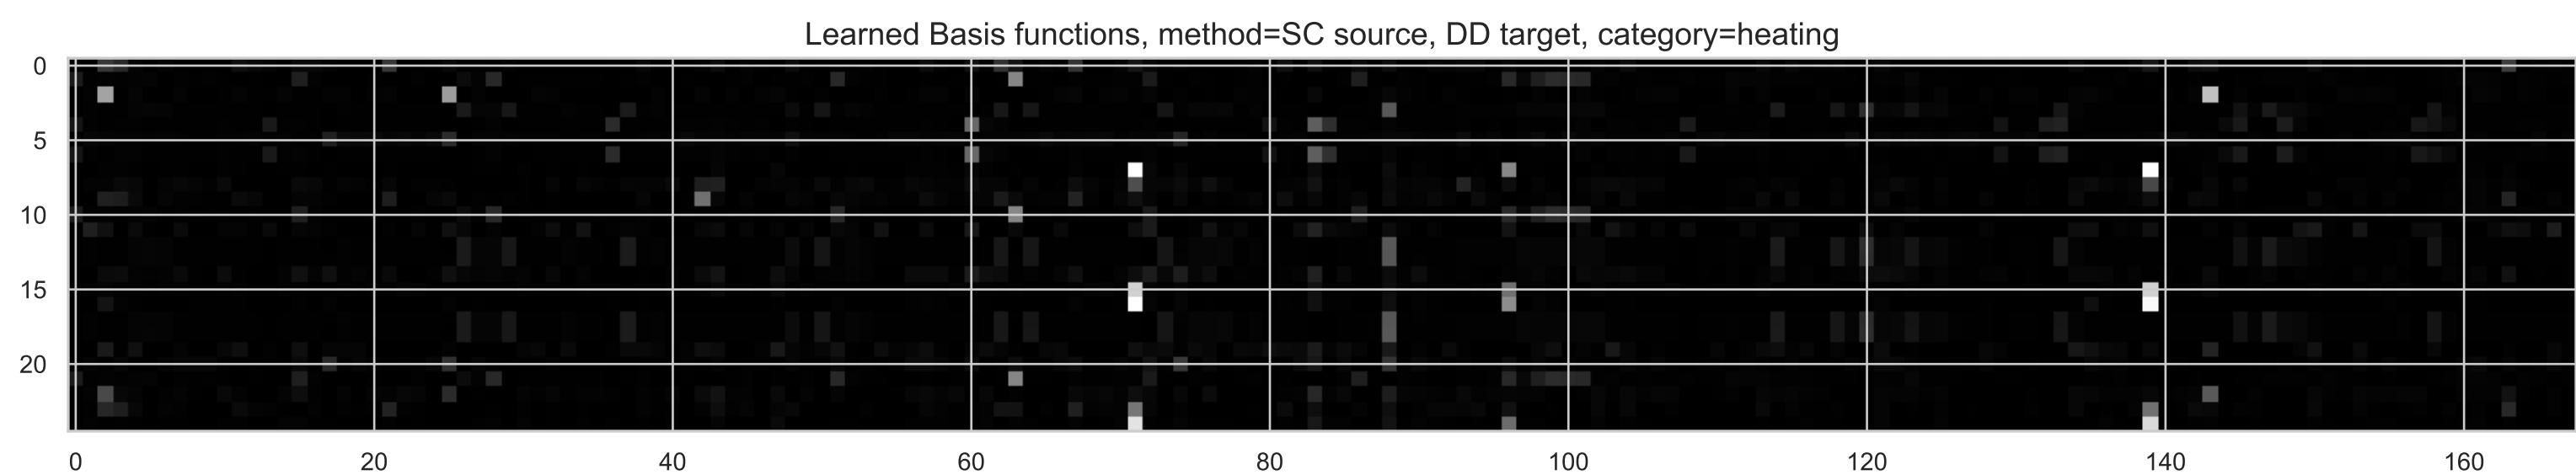

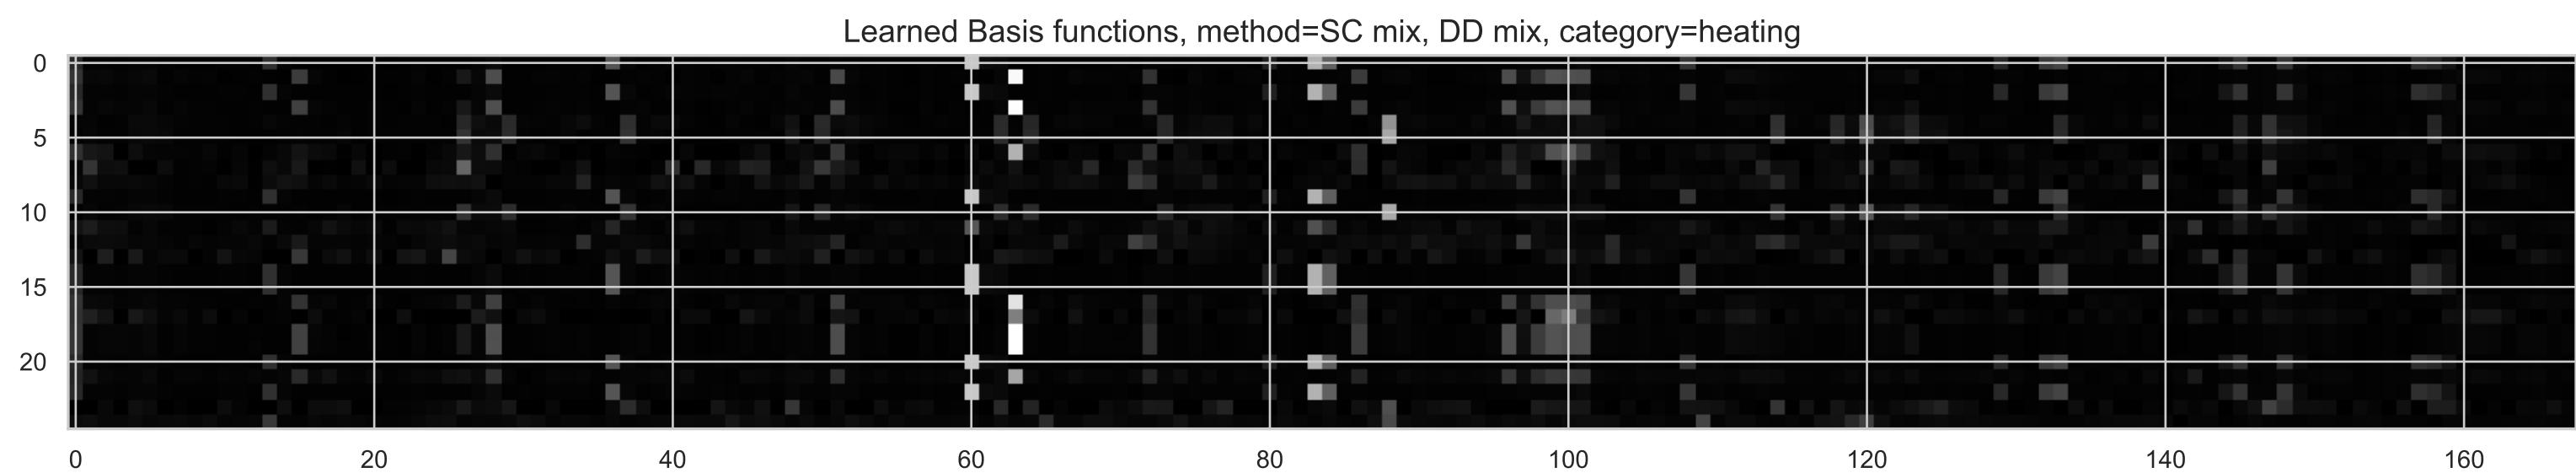

Learned Basis functions, method=SC target, DD target, category=heating

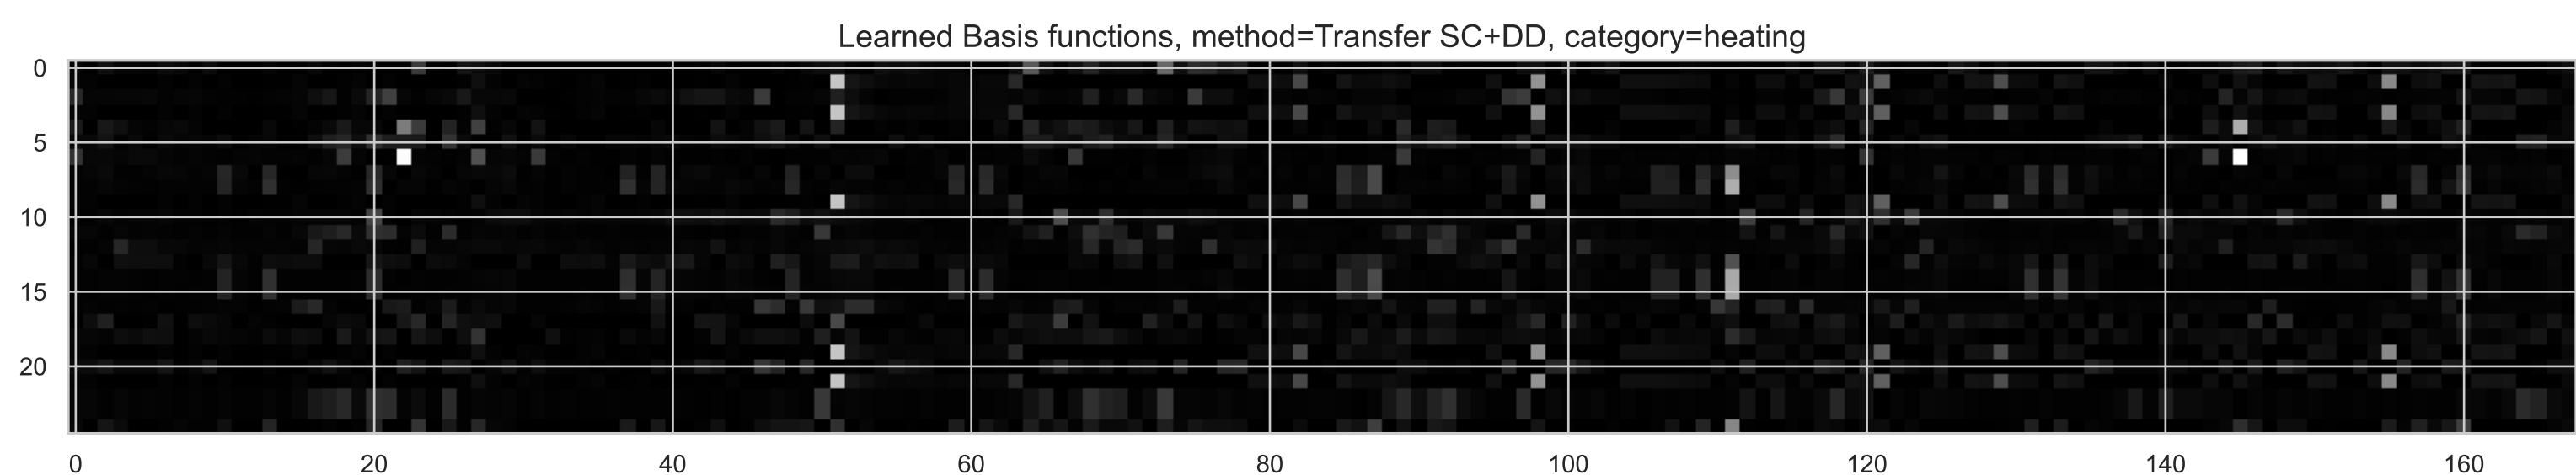

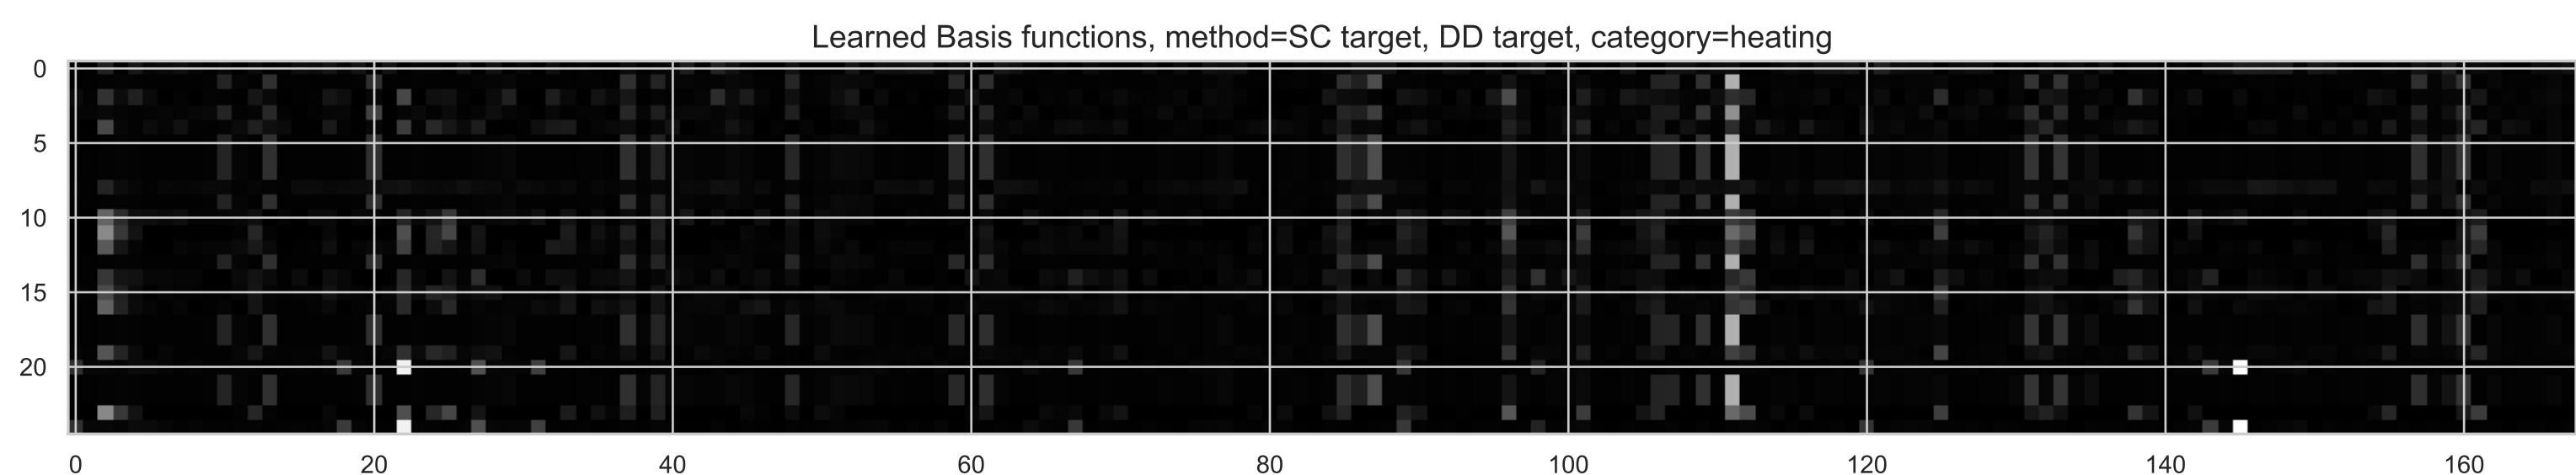

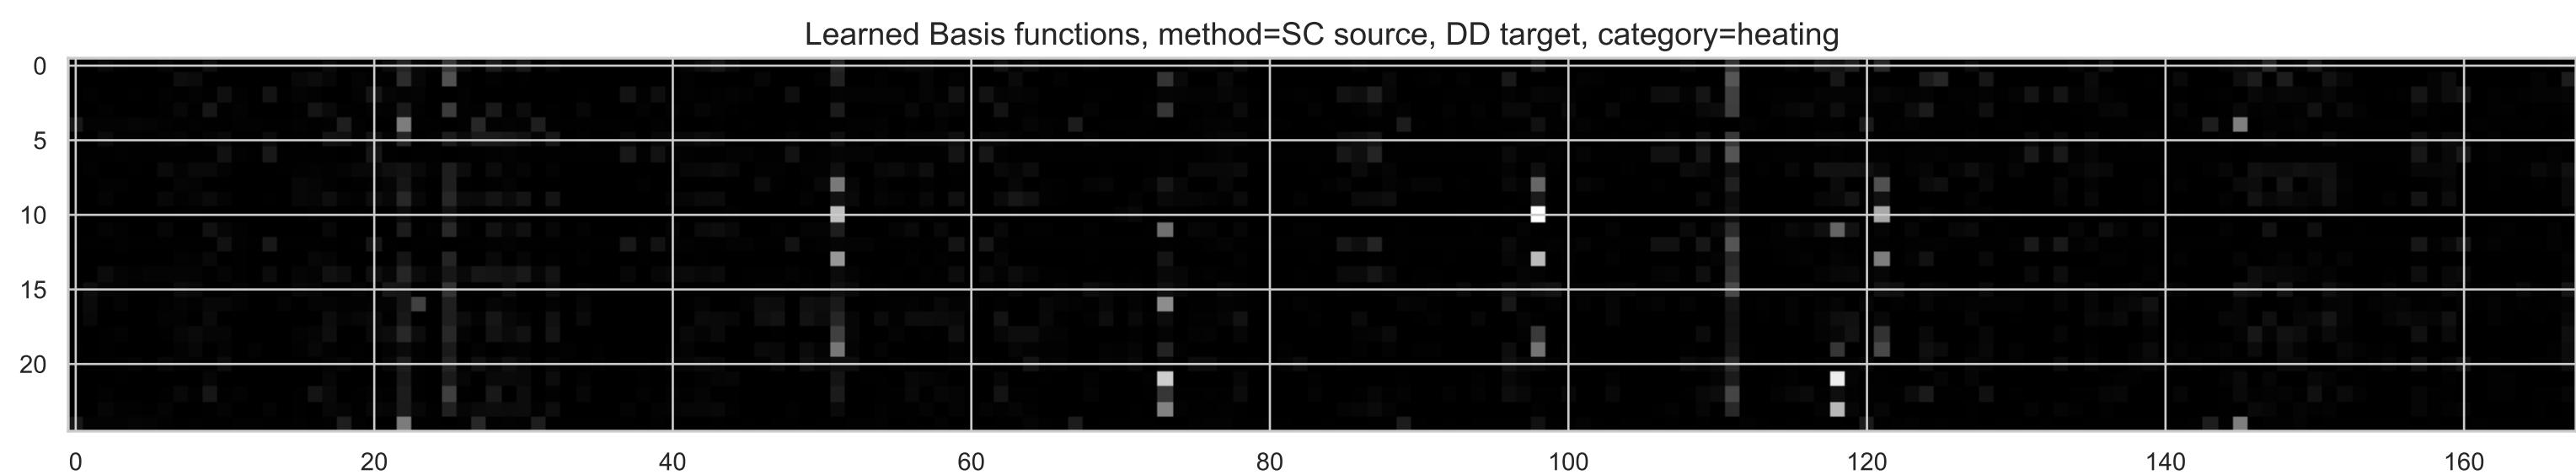

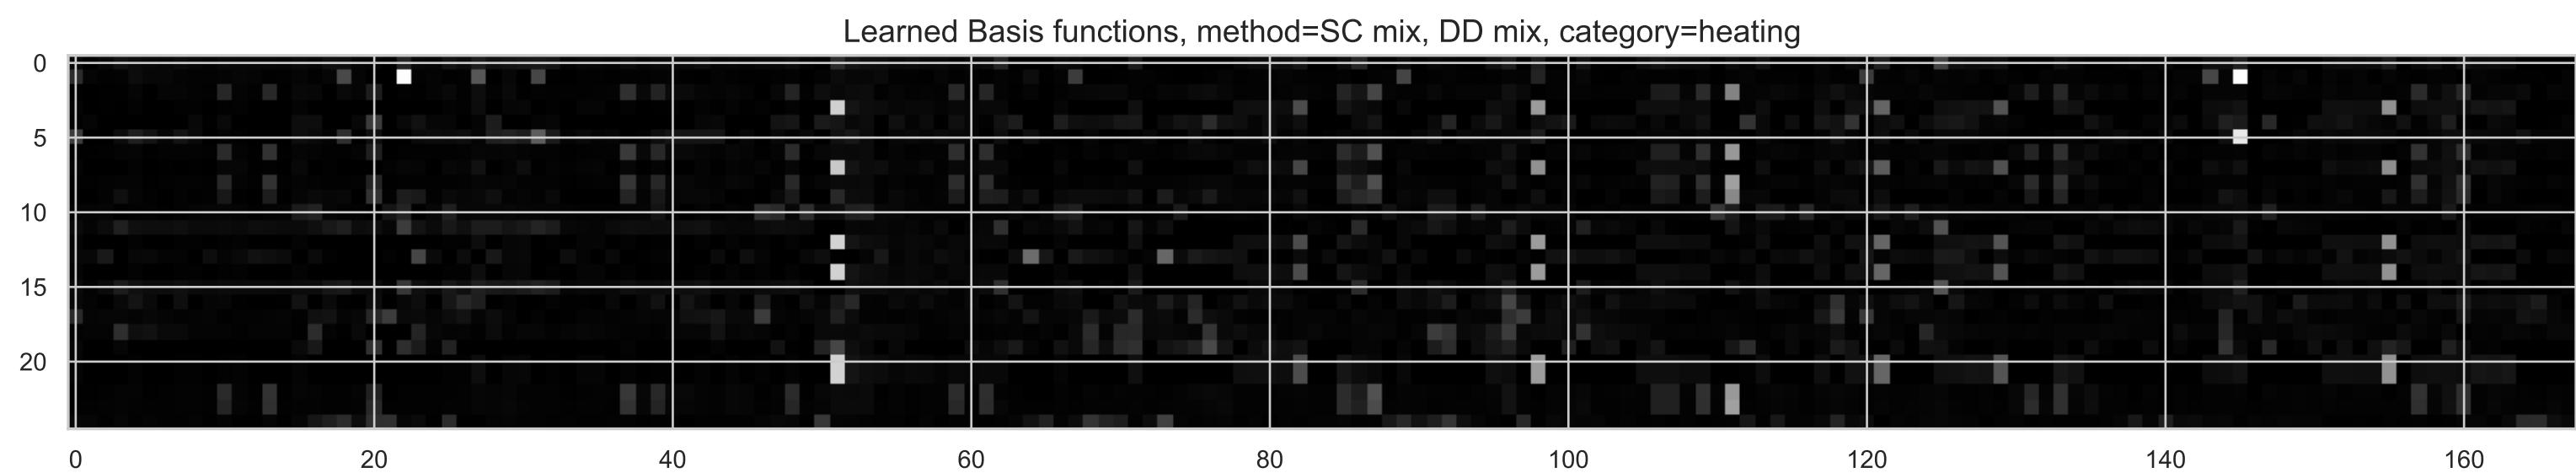

Learned Basis functions, method=Transfer SC+DD, category=heating

# Week 23

# Week 24

Learned Basis functions, method=SC mix, DD mix, category=heating

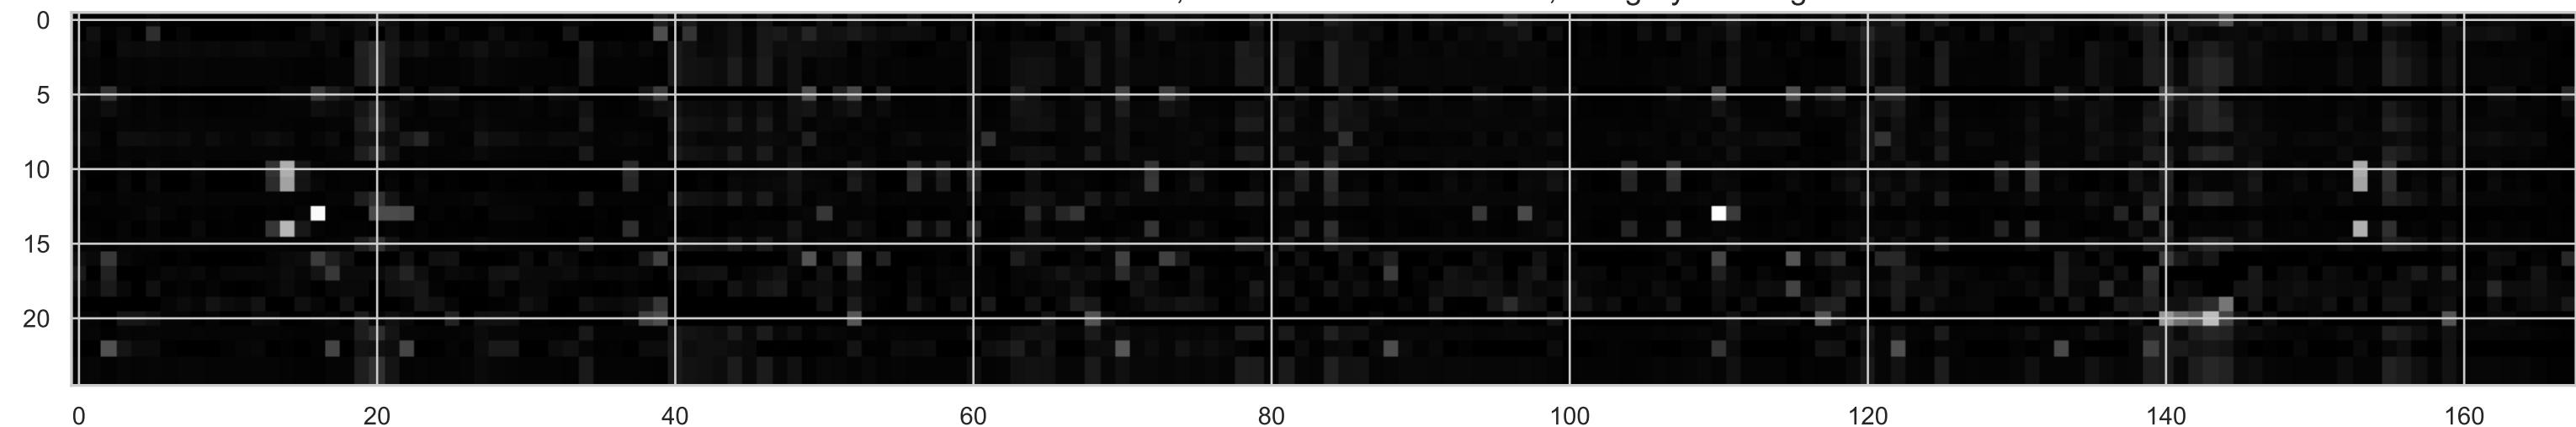

Learned Basis functions, method=SC source, DD target, category=heating

Learned Basis functions, method=SC target, DD target, category=heating

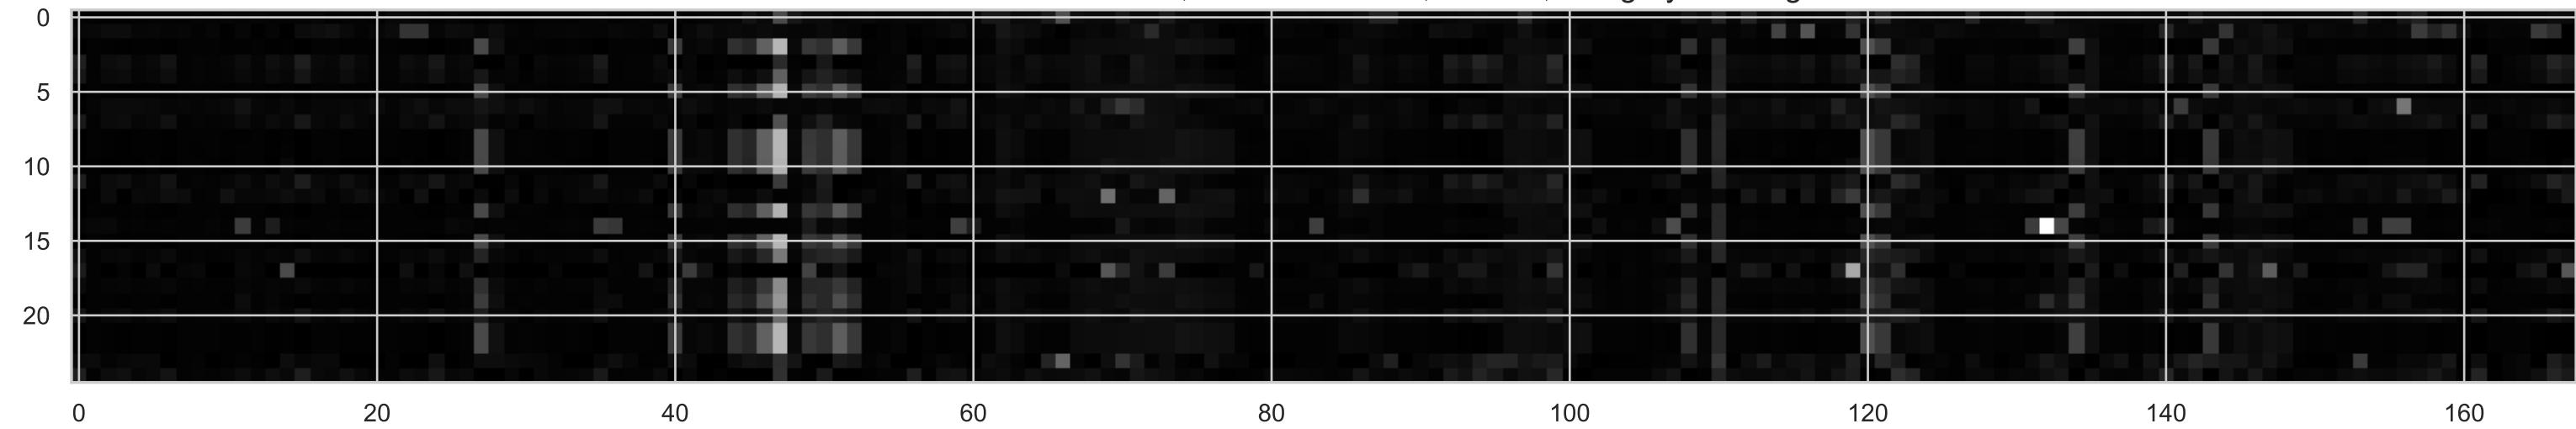

Learned Basis functions, method=Transfer SC+DD, category=heating

# Week 25

Learned Basis functions, method=SC mix, DD mix, category=heating

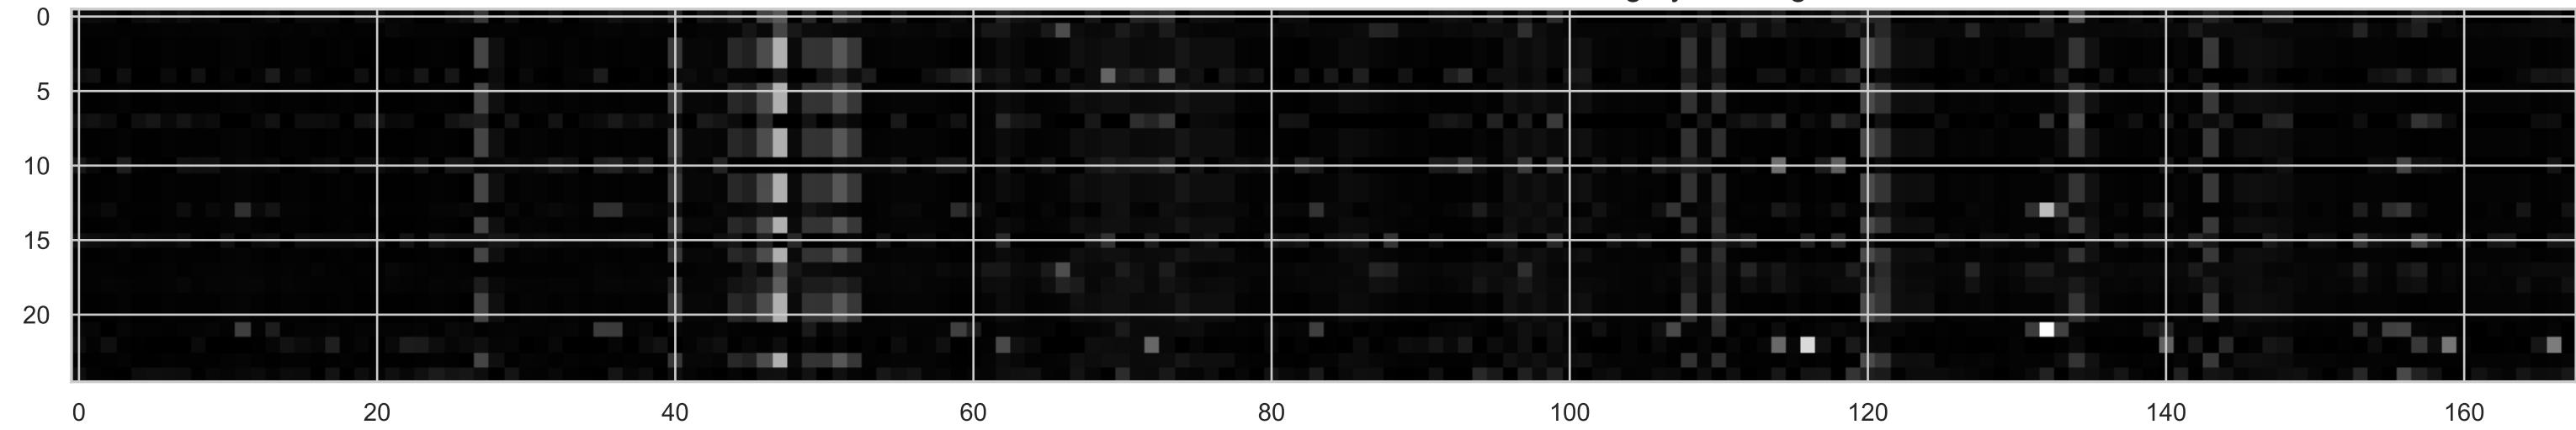

Learned Basis functions, method=SC source, DD target, category=heating

Learned Basis functions, method=SC target, DD target, category=heating

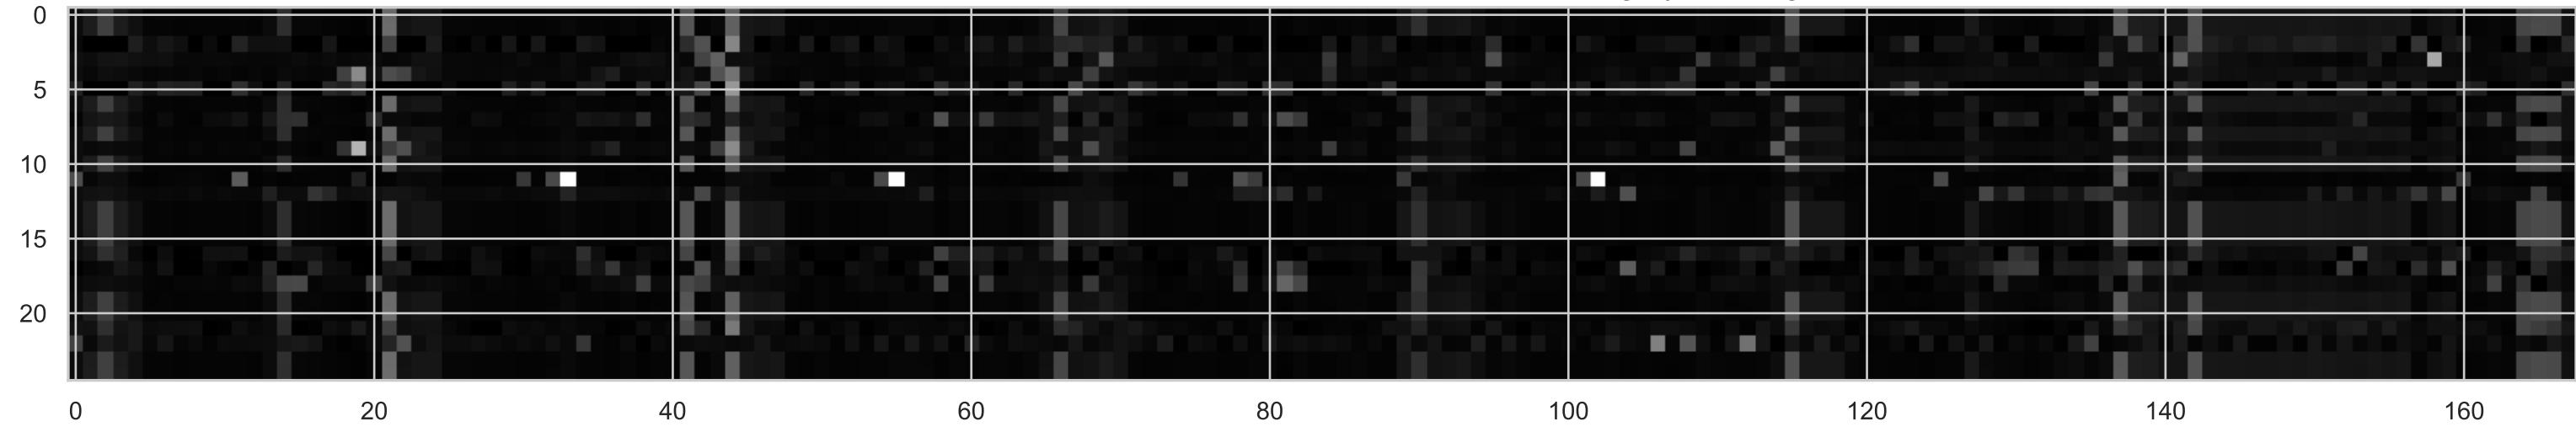

Learned Basis functions, method=Transfer SC+DD, category=heating

# Week 26

# Week 27

Learned Basis functions, method=SC mix, DD mix, category=heating

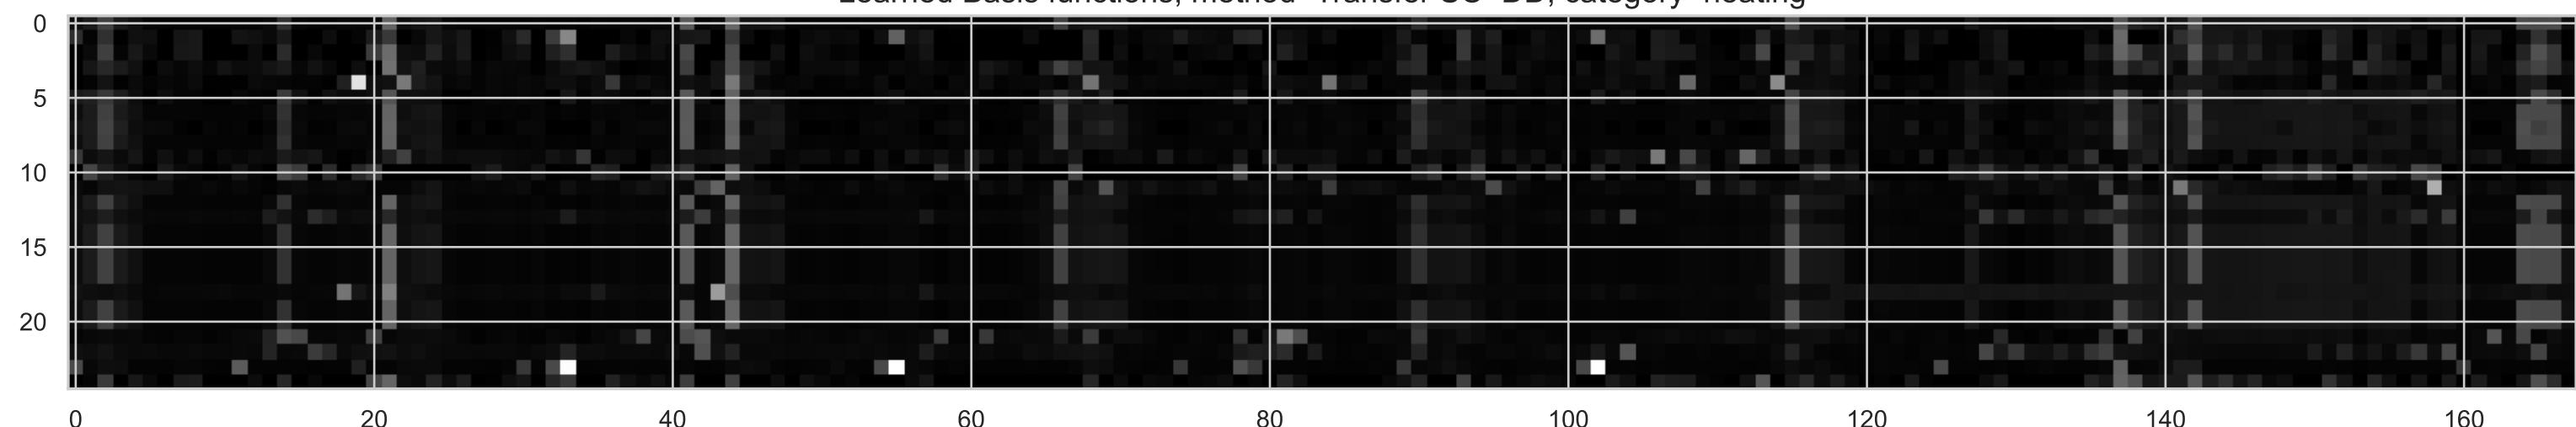

Learned Basis functions, method=SC source, DD target, category=heating

Learned Basis functions, method=SC target, DD target, category=heating

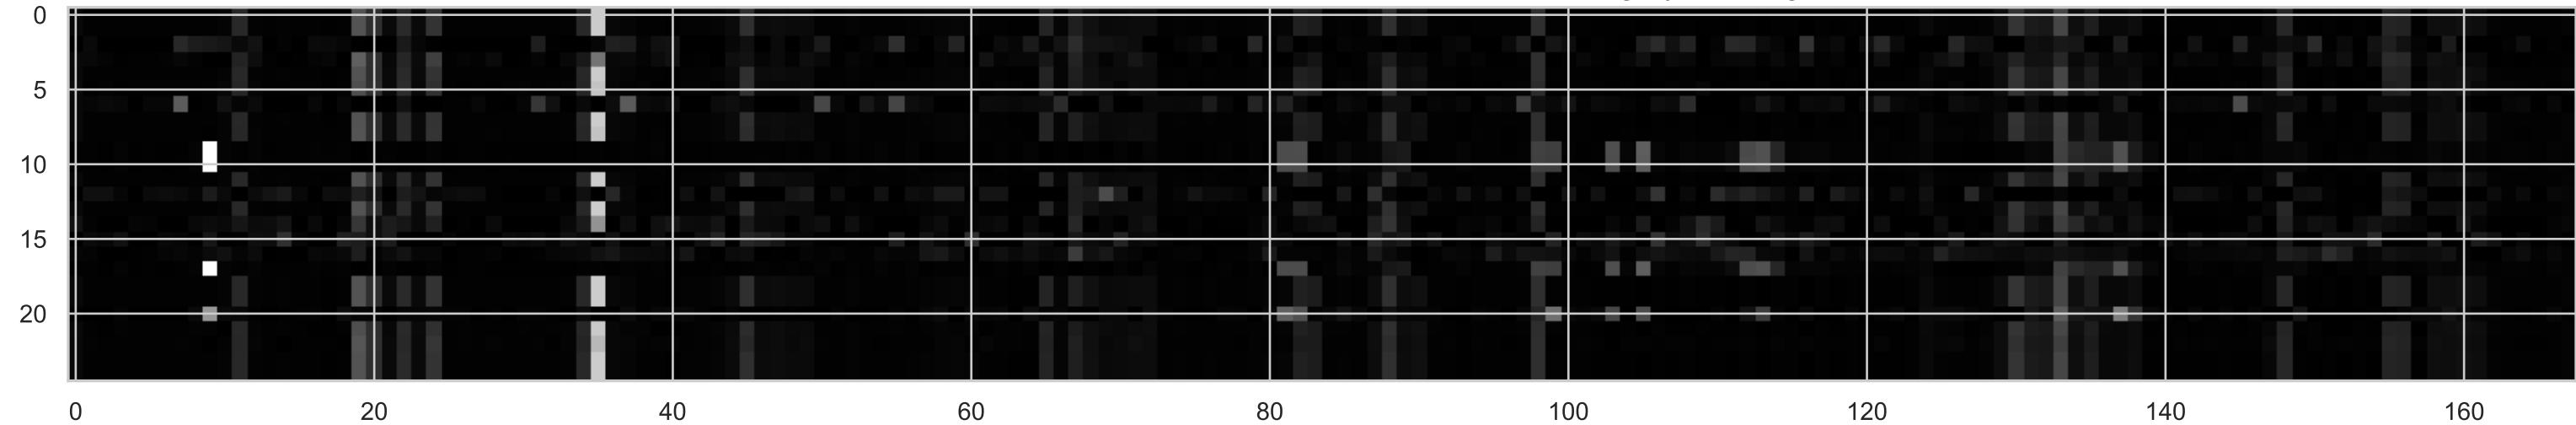

Learned Basis functions, method=Transfer SC+DD, category=heating

# Week 28

Learned Basis functions, method=SC mix, DD mix, category=heating

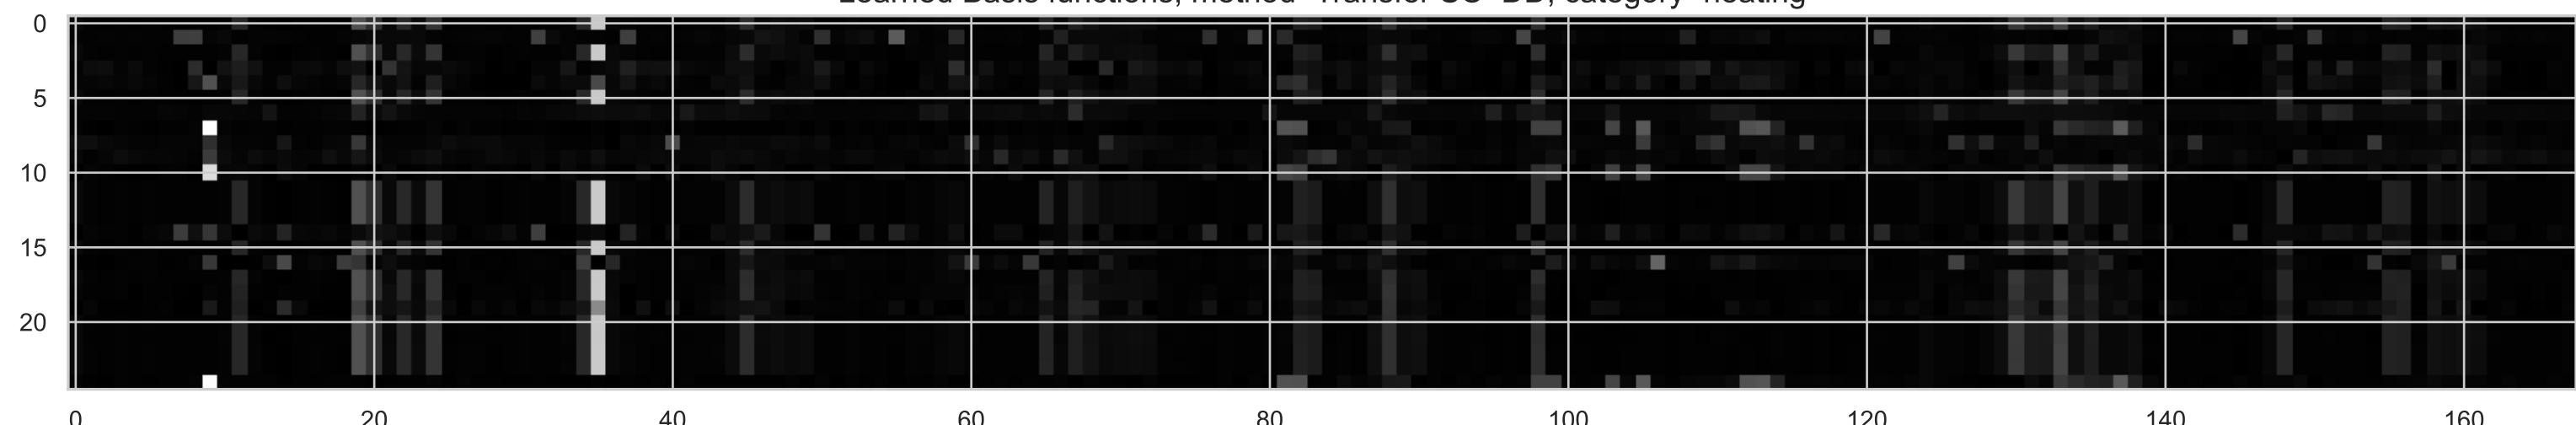

Learned Basis functions, method=SC source, DD target, category=heating

Learned Basis functions, method=SC target, DD target, category=heating

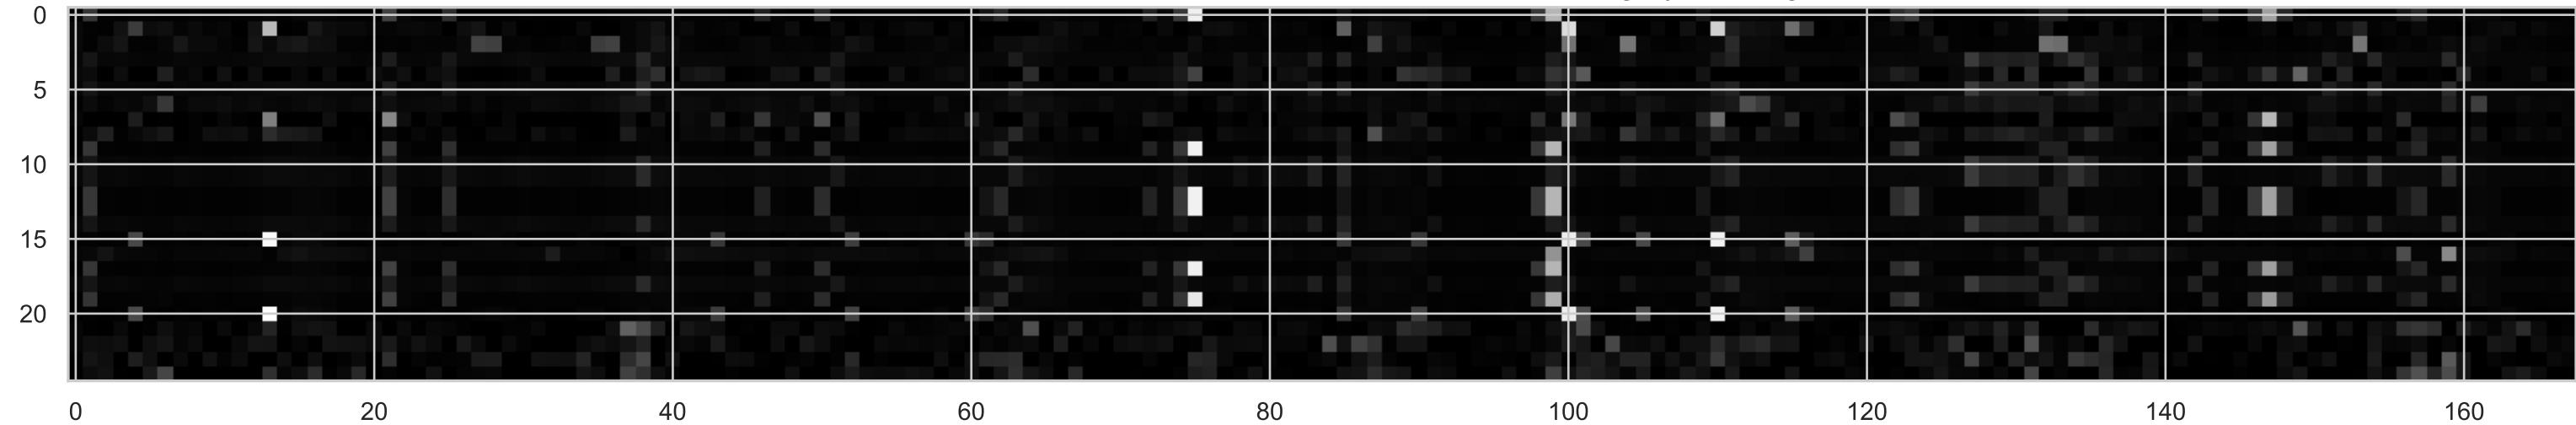

Learned Basis functions, method=Transfer SC+DD, category=heating

# Week 29

Learned Basis functions, method=SC mix, DD mix, category=heating

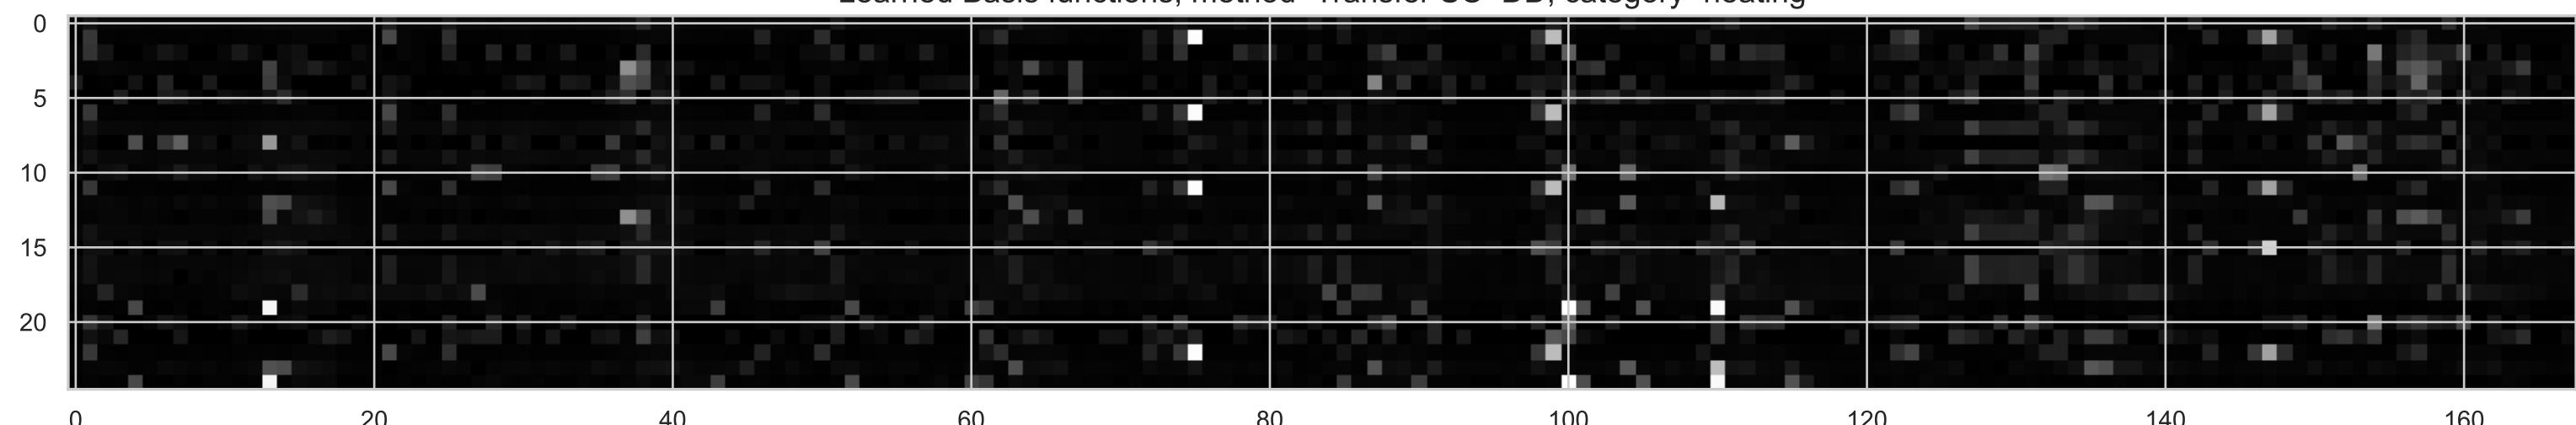

Learned Basis functions, method=SC source, DD target, category=heating

Learned Basis functions, method=SC target, DD target, category=heating

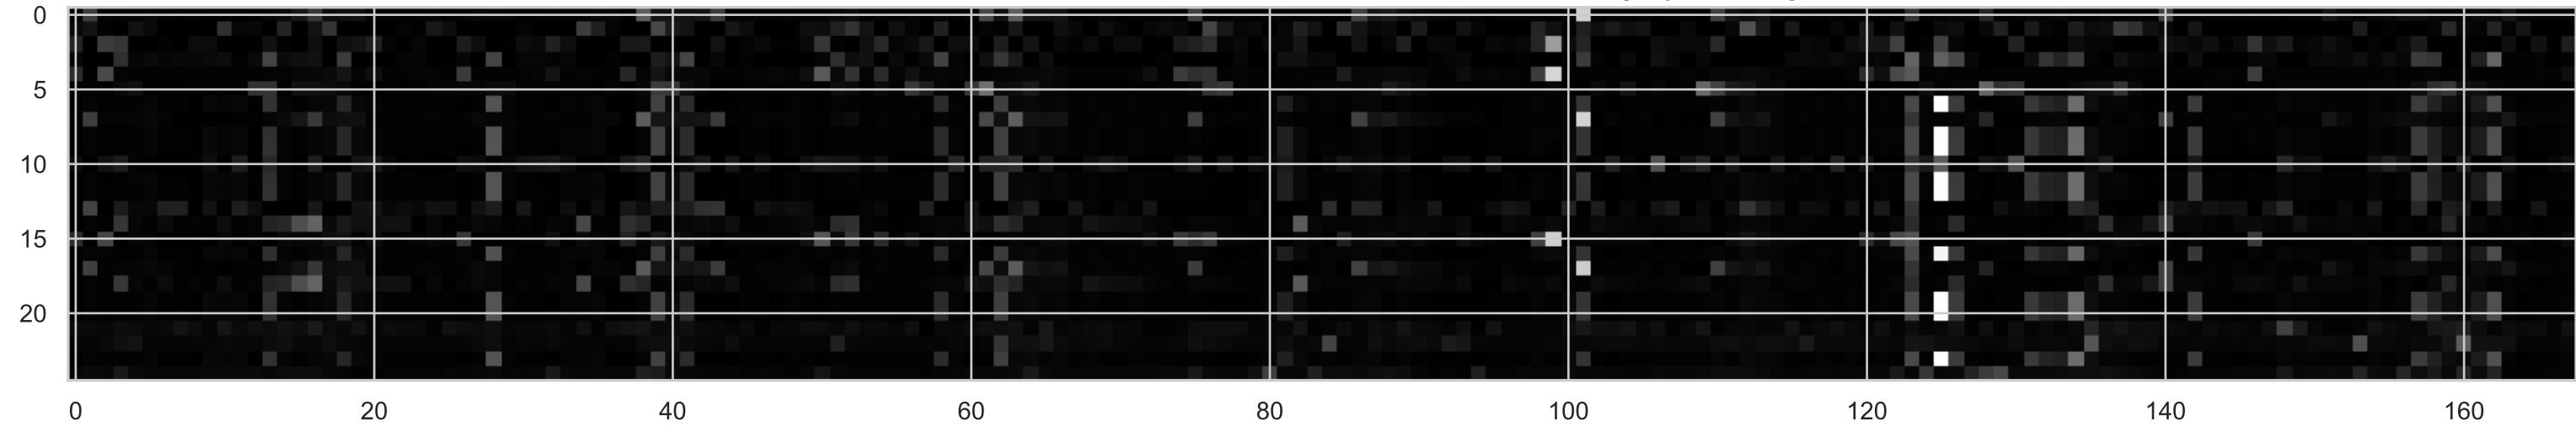

Learned Basis functions, method=Transfer SC+DD, category=heating

# Week 30

Learned Basis functions, method=SC mix, DD mix, category=heating

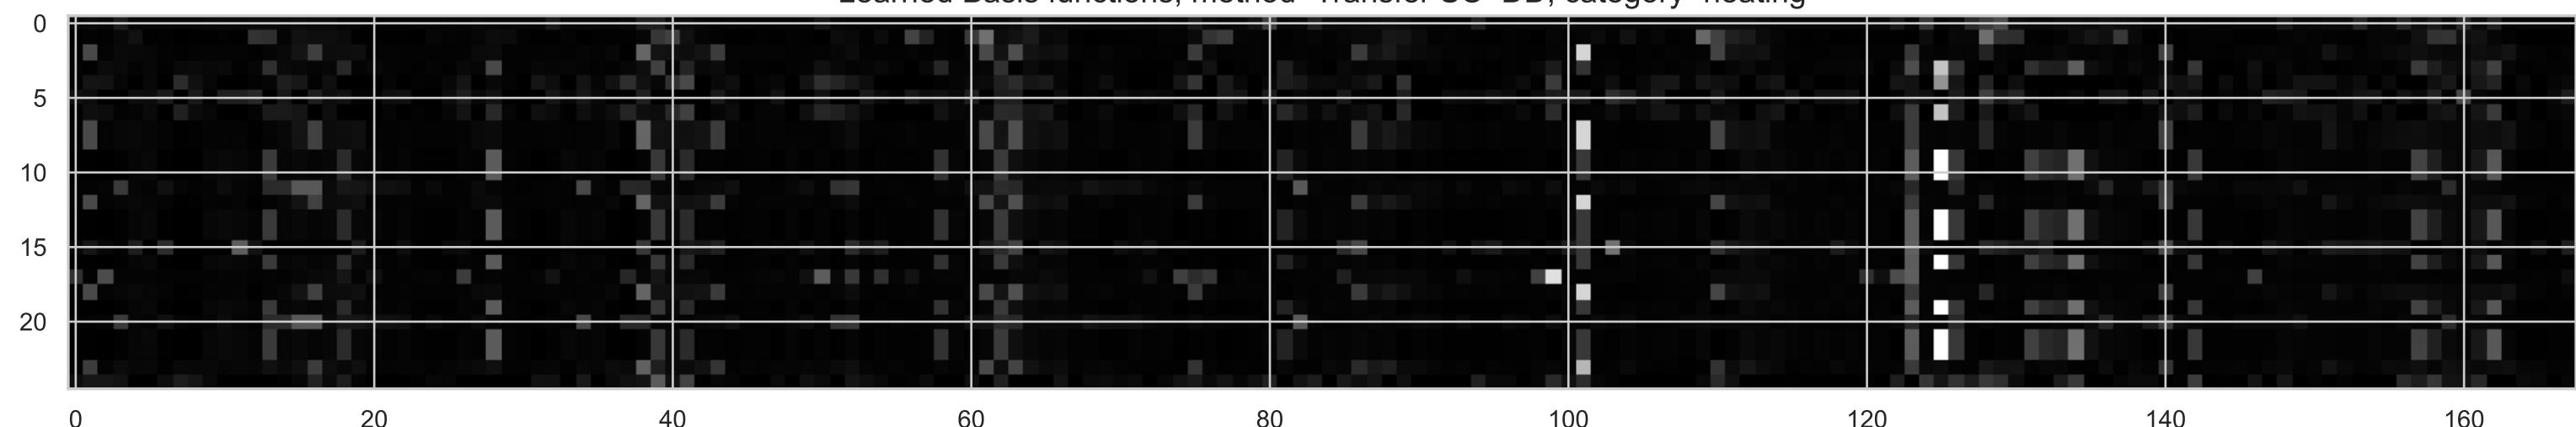

Learned Basis functions, method=SC source, DD target, category=heating

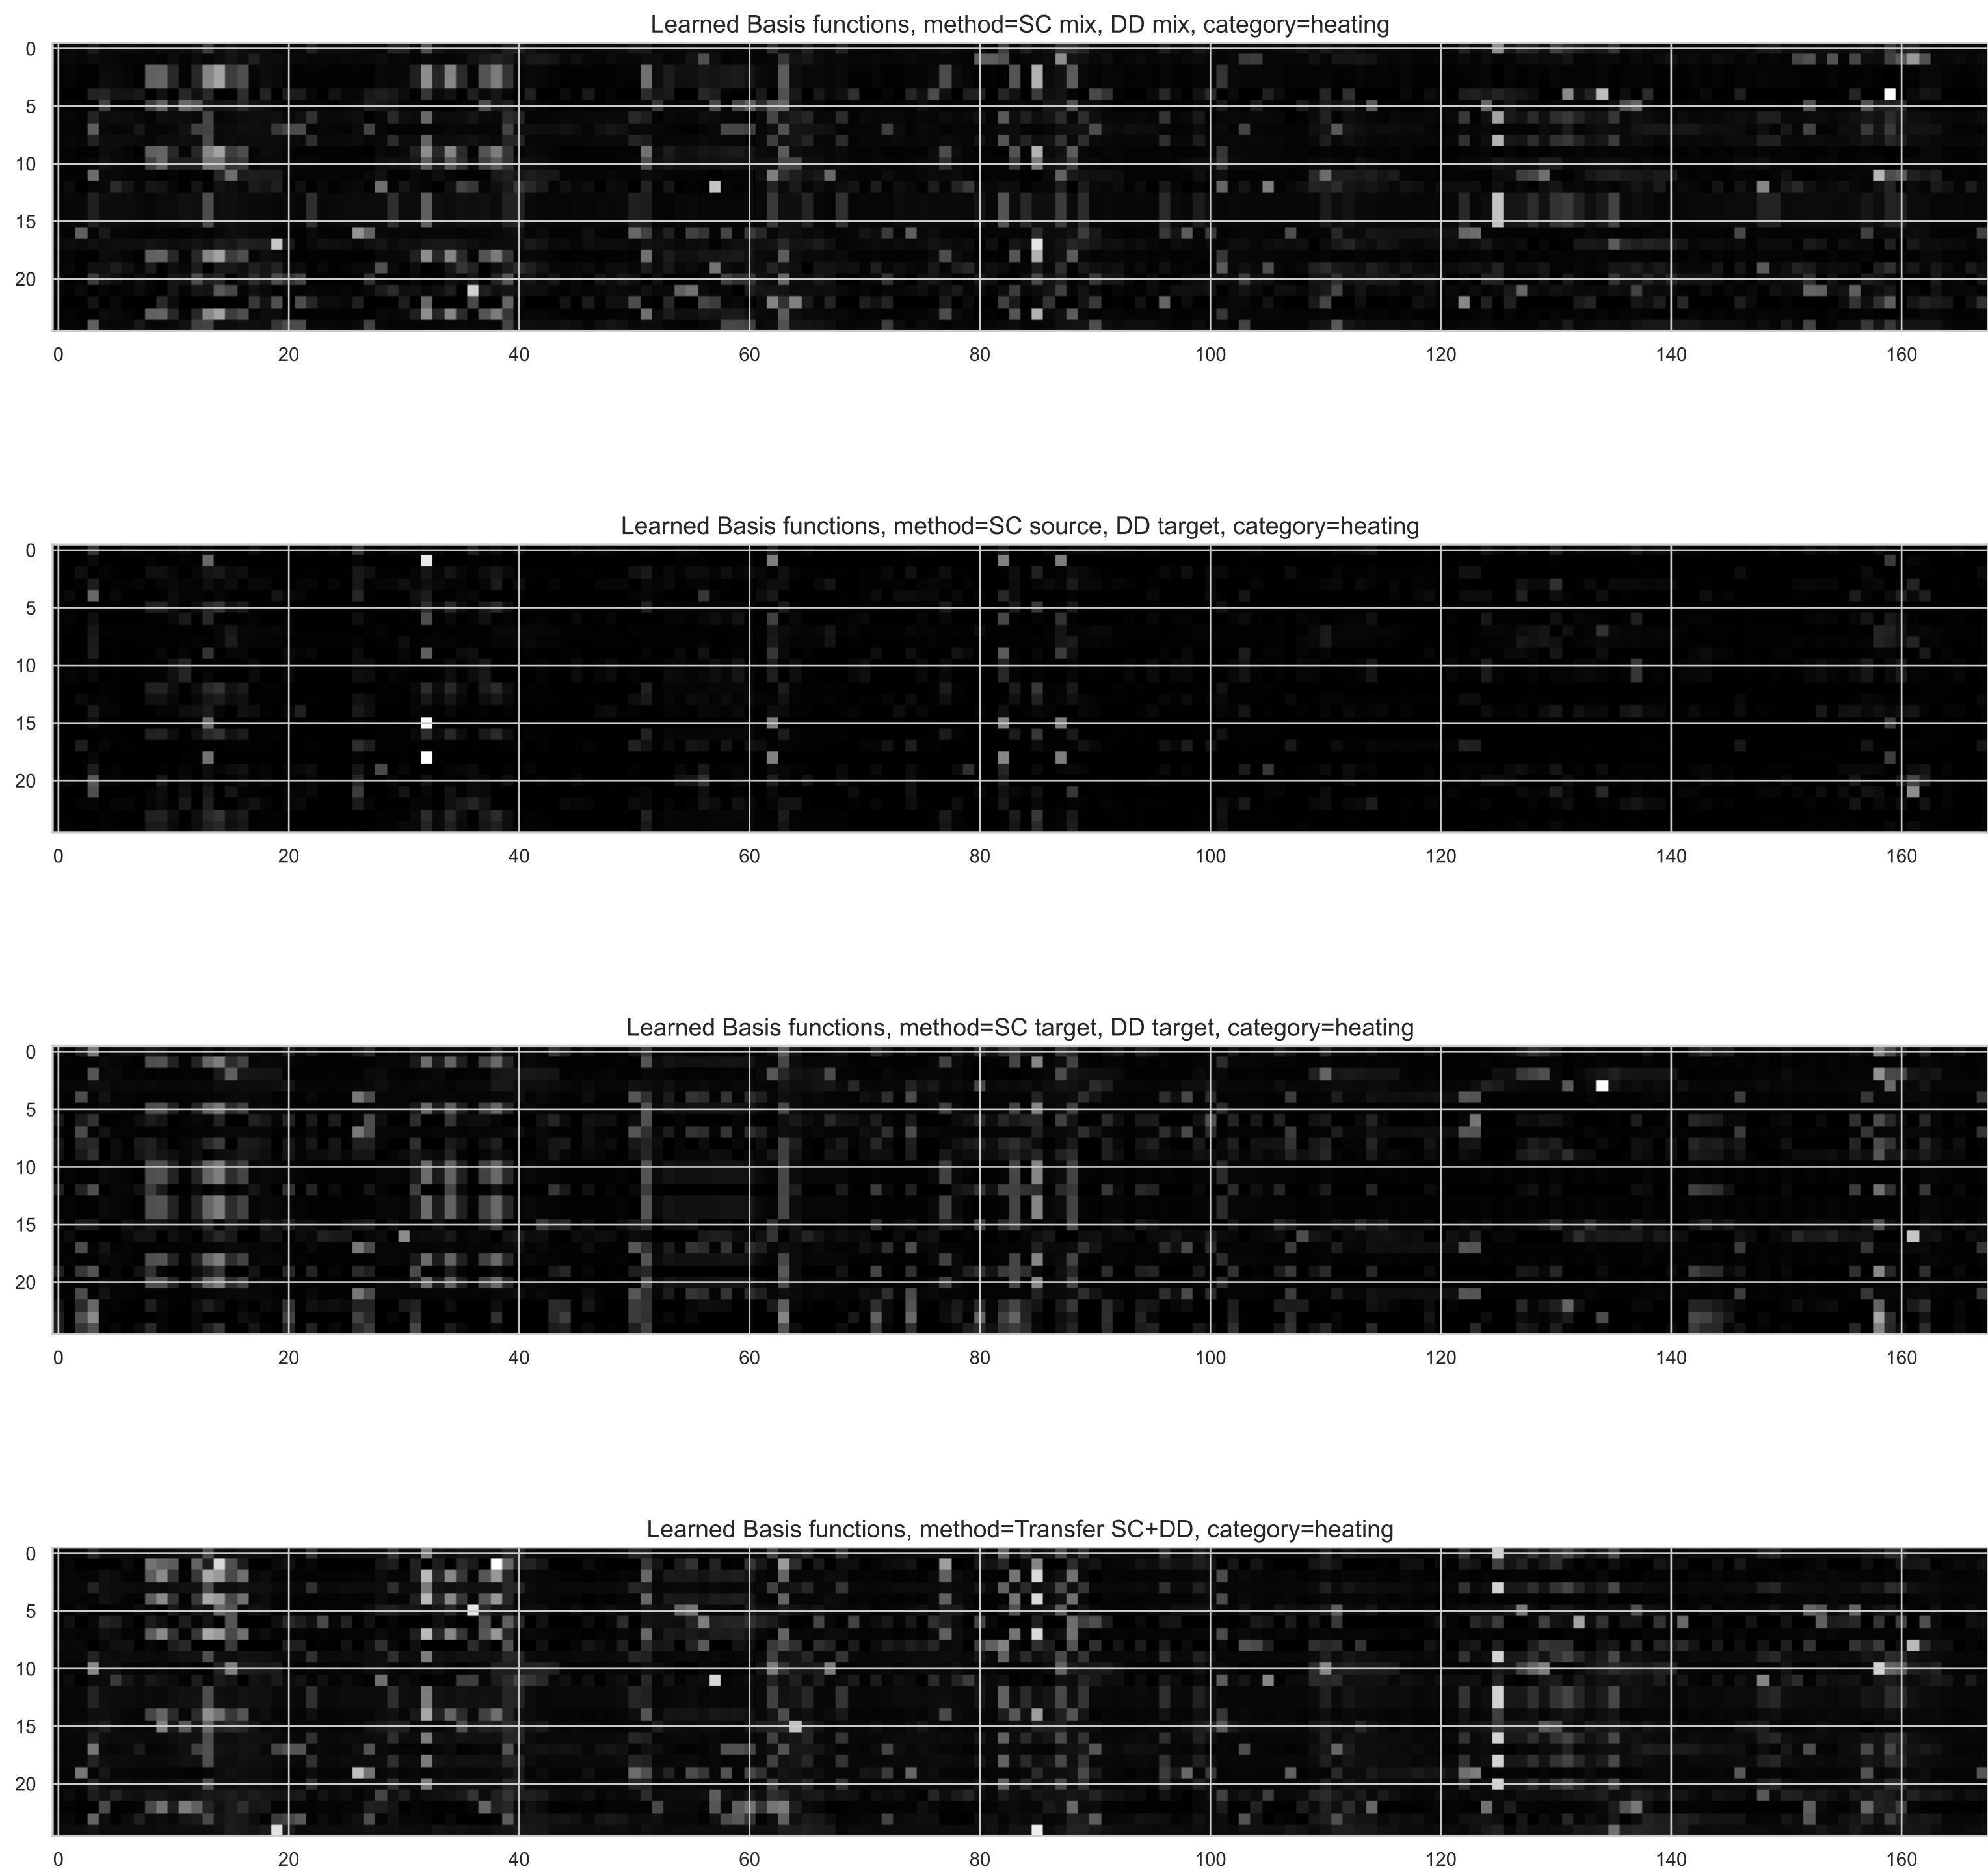

Learned Basis functions, method=SC target, DD target, category=heating

Learned Basis functions, method=Transfer SC+DD, category=heating

# Week 31

Learned Basis functions, method=SC mix, DD mix, category=heating

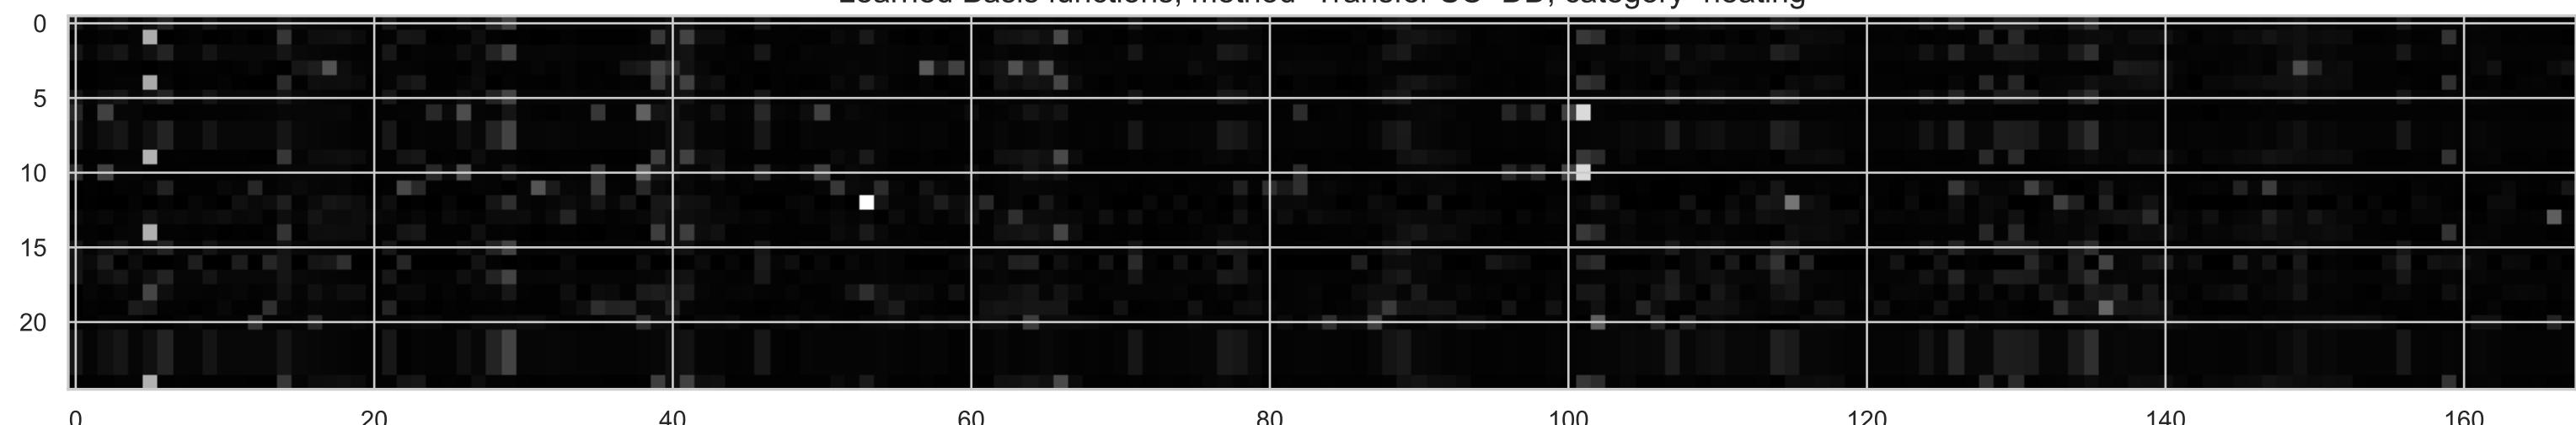

Learned Basis functions, method=SC source, DD target, category=heating

Learned Basis functions, method=SC target, DD target, category=heating

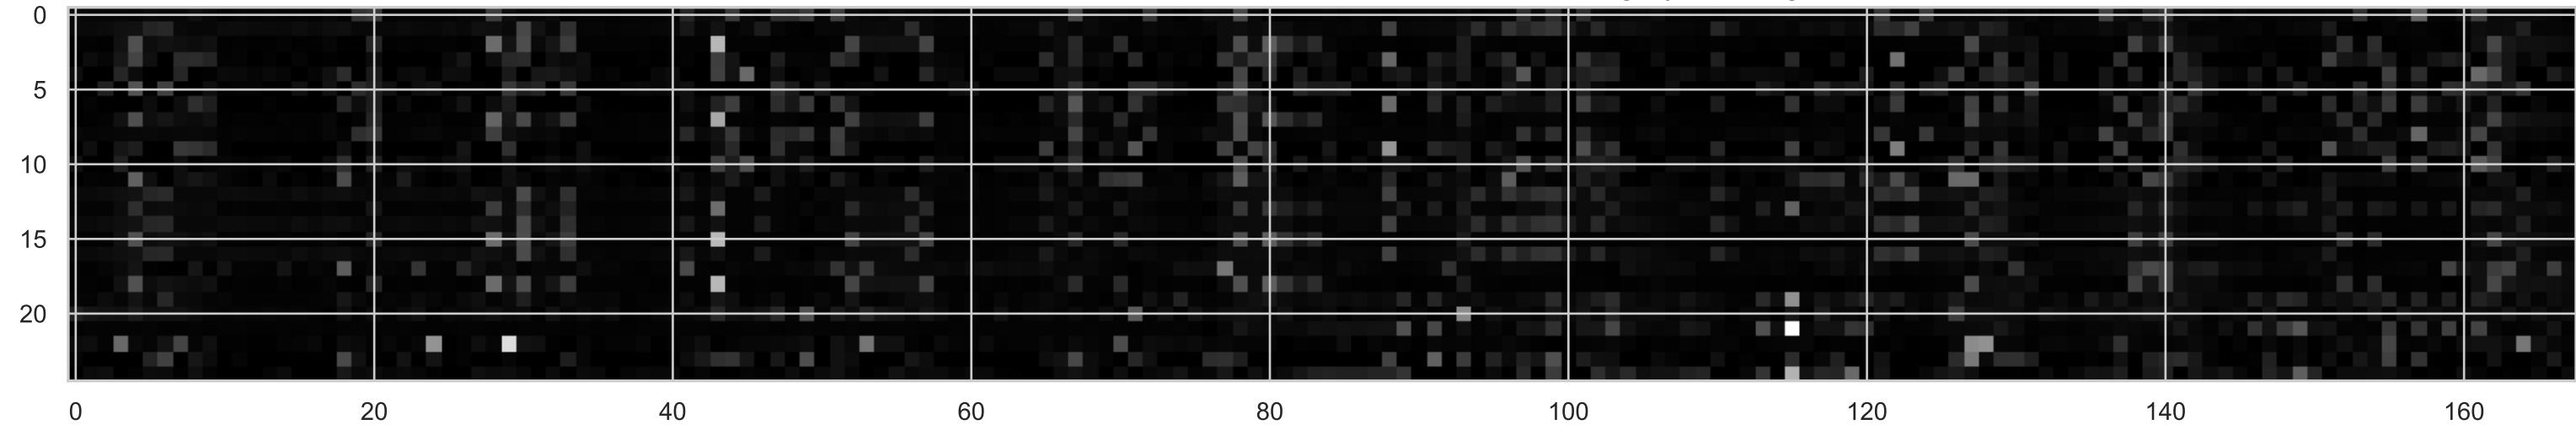

Learned Basis functions, method=Transfer SC+DD, category=heating

# Week 32

Learned Basis functions, method=SC mix, DD mix, category=heating

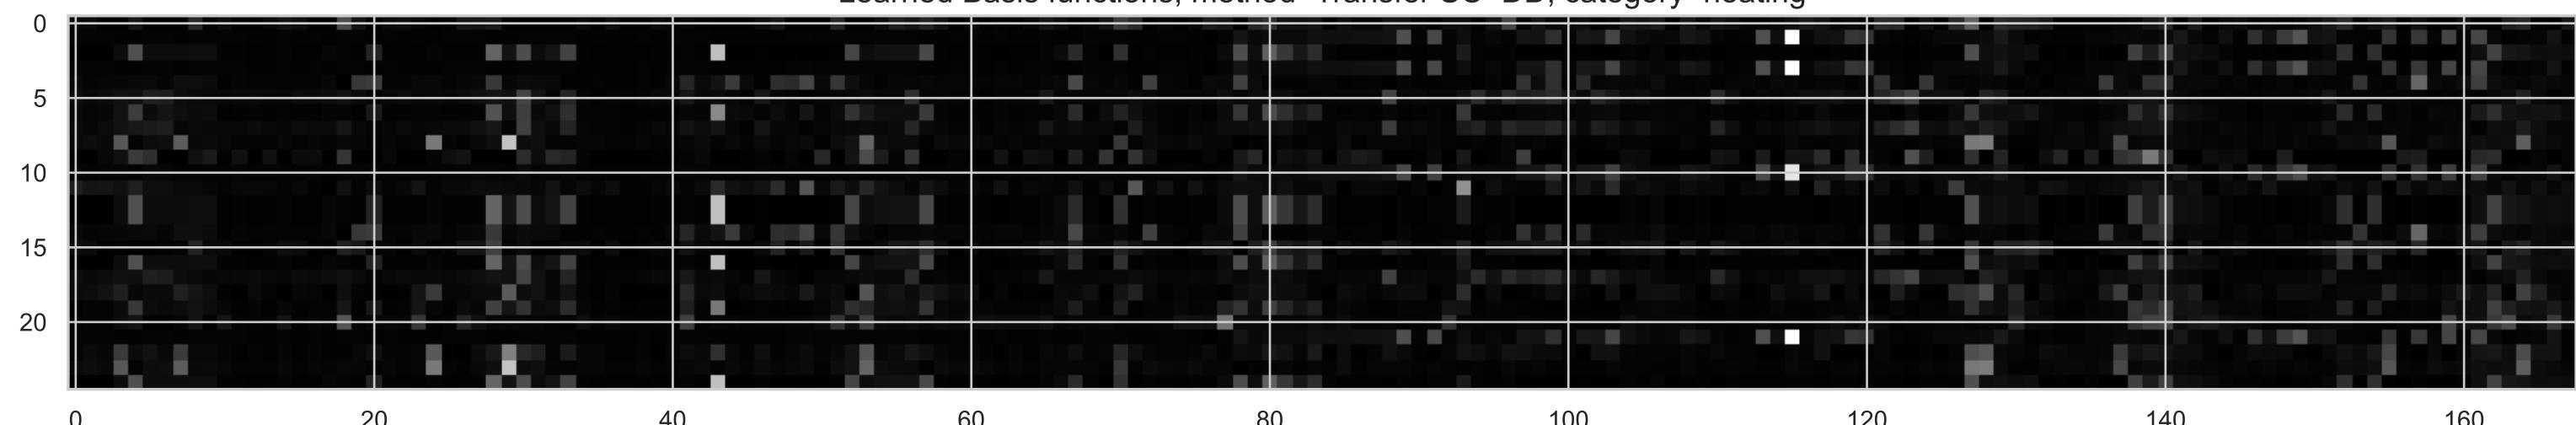

Learned Basis functions, method=SC source, DD target, category=heating

Learned Basis functions, method=SC target, DD target, category=heating

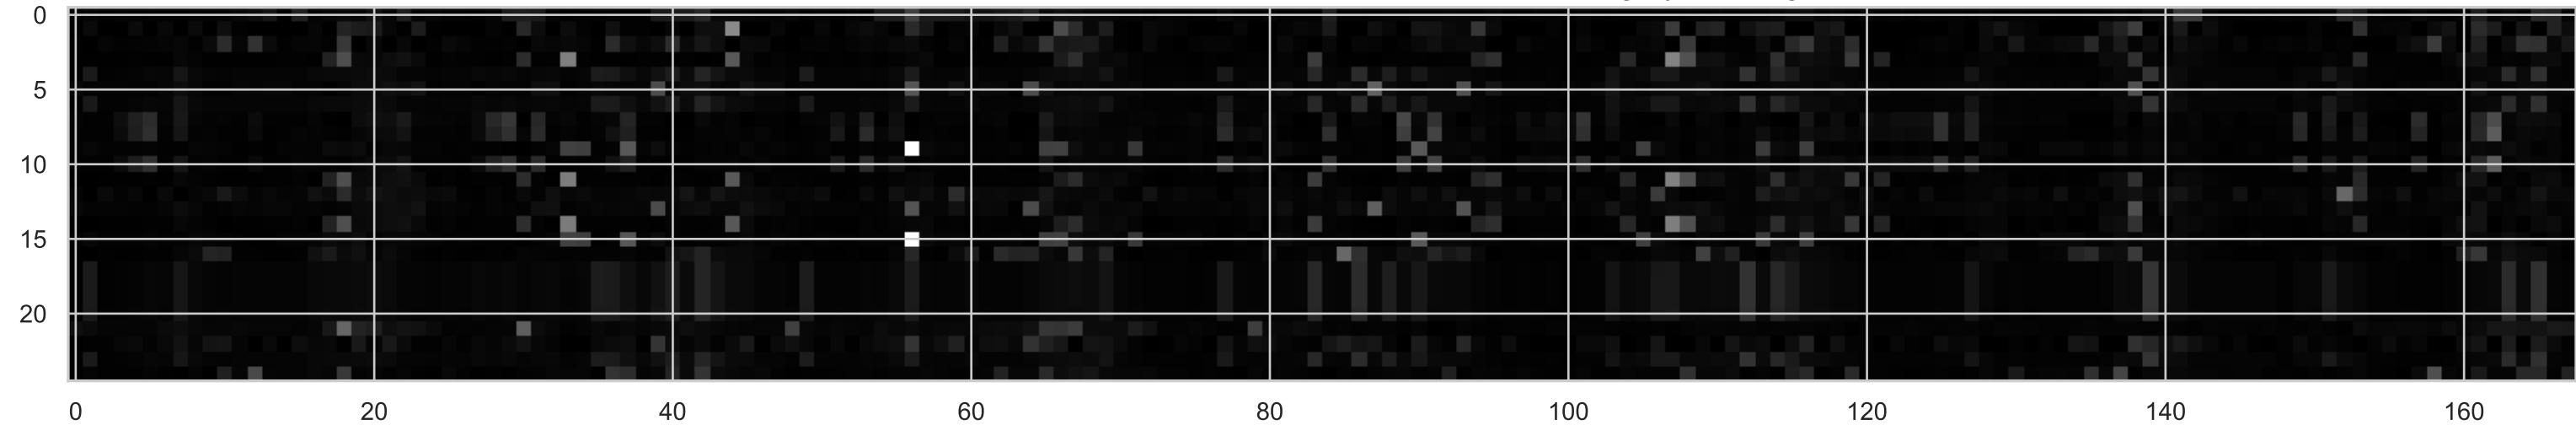

Learned Basis functions, method=Transfer SC+DD, category=heating

Learned Basis functions, method=SC mix, DD mix, category=heating

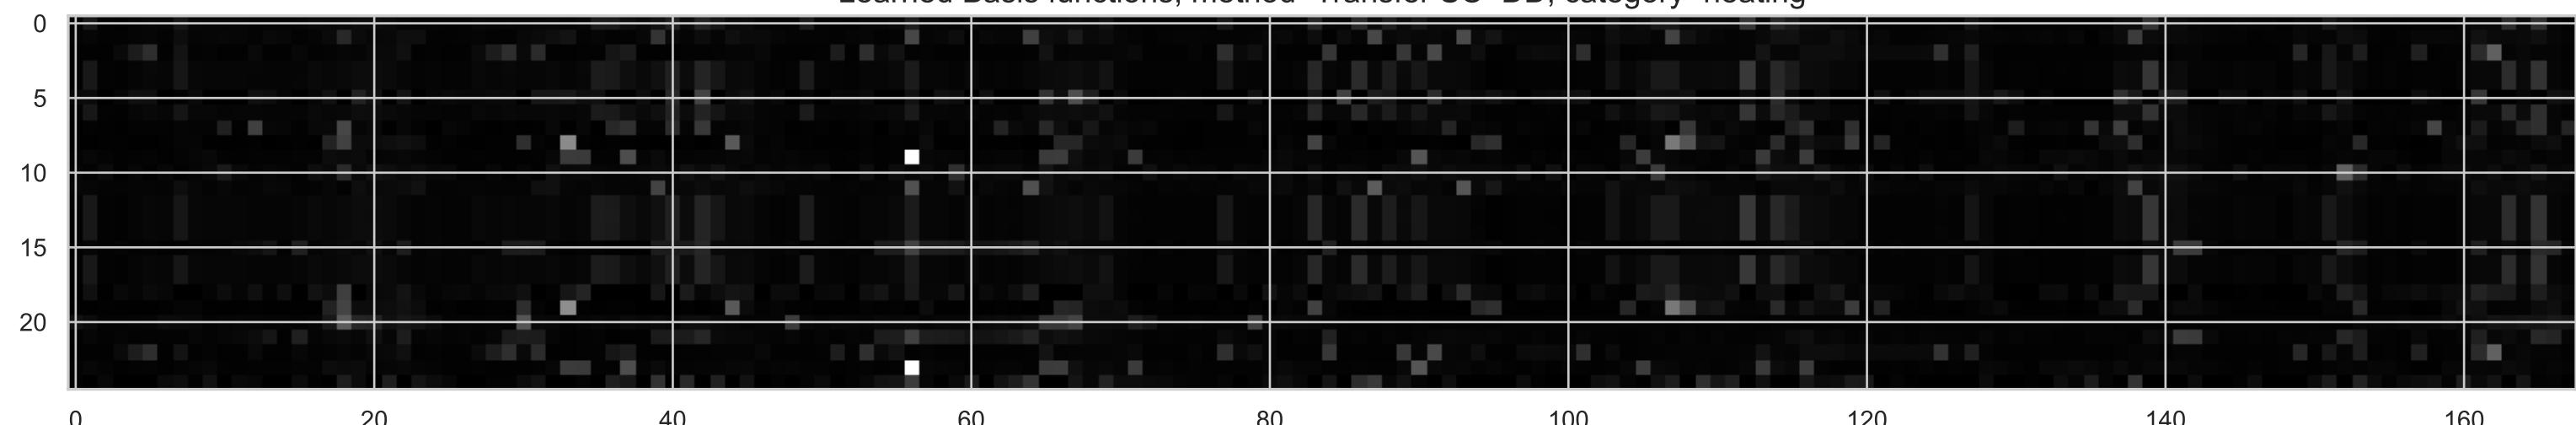

Learned Basis functions, method=SC source, DD target, category=heating

Learned Basis functions, method=SC target, DD target, category=heating

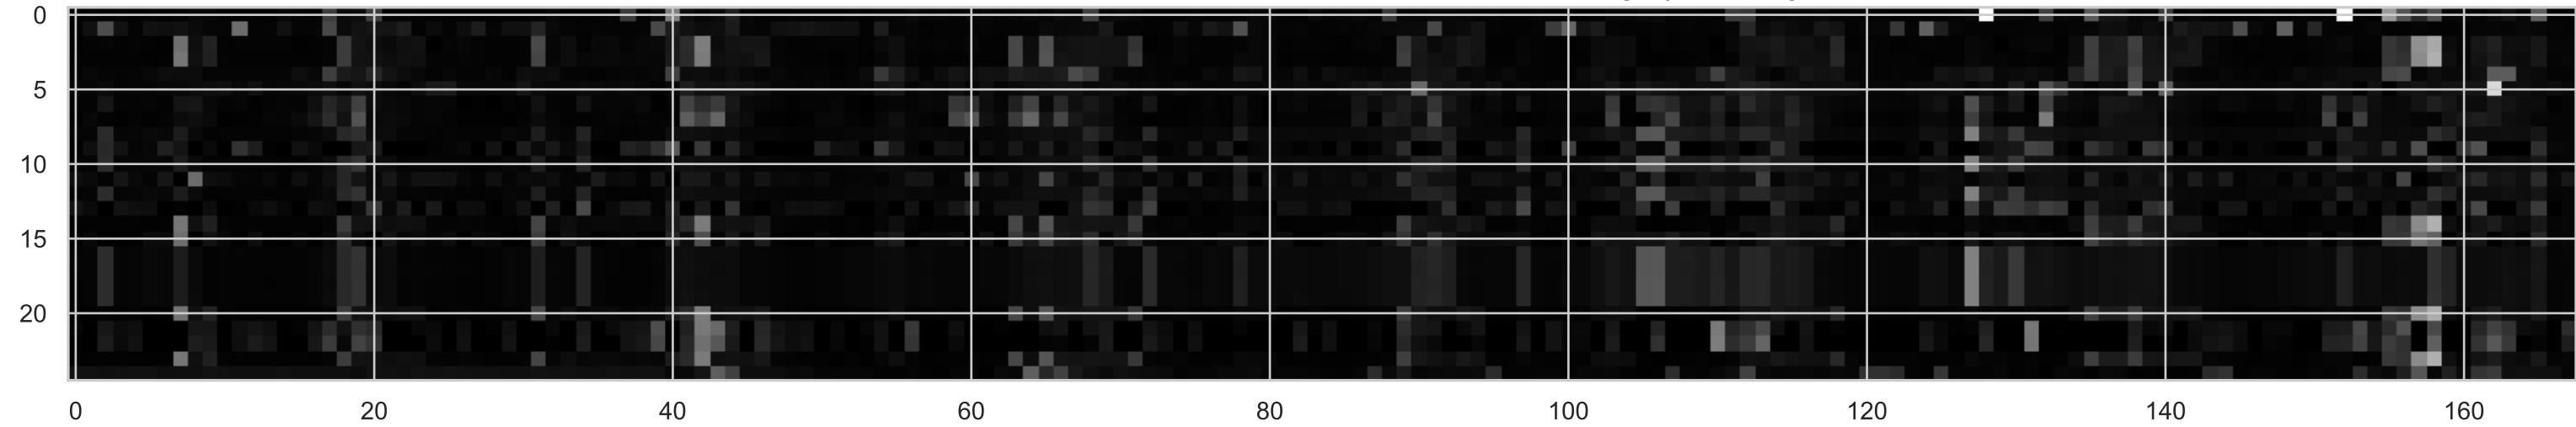

Learned Basis functions, method=Transfer SC+DD, category=heating
